IN CONSIDERATION of the mutual covenants, terms, conditions, privileges and obligations herein contained, City and Consultant do hereby agree as follows:

I. DEFINITIONS

As used in this Agreement, the following terms shall have meanings as set out below:

- 1.1 “Director” means the director of the City’s Aviation Department
- 1.2 “Project” means the provision of domestic and international air service development and airline analysis services to the San Antonio Airport System as more fully set out in **Article III. Scope of Services.**

1.3 "SAT" means San Antonio International Airport.

II. PERIOD OF SERVICE

2.1 The term of this Agreement shall commence upon execution of all parties, its approval by the San Antonio City Council and the execution by both parties and shall remain in full force and effect for a period of three (3) years, unless otherwise terminated in accordance with the terms of this Agreement. The City shall retain an option to extend this Agreement for two additional one year periods. The Director shall have the authority to exercise such options at his discretion without City Council action.

2.2 If funding for the entire contract amount is not appropriated at the time this Agreement is entered into, City retains the right to terminate this Agreement at the expiration of each of City's budget periods, and any subsequent contract period is subject to and contingent upon such appropriation.

III. SCOPE OF SERVICES

3.1 Consultant, in consideration for the compensation herein provided, as outlined in **Article VI. Compensation**, shall render the required professional services in connection with the Project, as more specifically outlined in **Exhibit 1, Scope of Services**.

3.2 Consultant shall complete all Project work within the Scope of Services in compliance with this Agreement, and agrees to staff the Project with sufficient necessary, qualified personnel to the Project, in order not to delay or disrupt the progress of the Project. Time is of the essence.

3.3 All work performed and reports and deliverables required pursuant to this Agreement shall be in compliance with all laws, rules, regulations and FAA Advisory Circulars.

3.4 All services and work performed under this Agreement must be conducted in full conformance with the Texas Occupations Code. Persons retained by Consultant to perform work pursuant to this Agreement shall be employees or subcontractors of Consultant.

IV. PROJECT WORK REQUEST PROCESS

4.1 When City requires Consultant's services, City shall notify Consultant of the need for services in writing (which writing may be in email format).

4.2 Consultant shall prepare and submit to City a proposal for the desired services which will include at a minimum scope, and an estimate of project cost, which may be a lump sum or a not to exceed rate based on hourly charges.

4.3 Once Consultant and City reach mutual agreement as to scope, staffing, scheduling and cost, the City shall issue a finalized proposal ("Finalized Proposal") to be executed by both parties evidencing the agreed to scope and costs.

4.4 The Director, or his designee, has the authority to execute Finalized Proposals on behalf of the City so long as such Finalized Proposal does not exceed the total contract value.

4.5 Consultant shall not proceed with services until after a Finalized Proposal has been executed and Consultant receives a notice to proceed. Any services provided or expenses incurred prior to receiving a notice to proceed or after the expiration of this Agreement or a particular Final Proposal will be at Consultant's sole risk and expense and may not be reimbursable by City.

4.6 Each Finalized Proposal shall be attached hereto and incorporated herein for all purposes. Each Finalized Proposal shall be labeled and identified in numerical order.

4.7 Consultant shall not invoice for any work associated with the development of a proposal for services and its negotiation.

V. COORDINATION WITH THE CITY

5.1 Consultant shall hold periodic conferences with Director or his designee, so that the Project, as developed, shall have the full benefit of City's experience, and knowledge of existing needs and facilities, and be consistent with the City's current policies and standards.

5.2 The Director or his designee shall act on behalf of City with respect to the work performed under this Agreement, and shall have complete authority to transmit instructions, receive information, and interpret and define City's policies and decisions with respect to materials, equipment elements and systems pertinent to Consultant's services.

5.3 City shall provide written notice to the Consultant of any errors or omissions discovered in the Consultant's services, or performance, or of any development that affects the scope or timing of Consultant's services.

5.4 City promptly will give written notice to Consultant whenever City observes, discovers or otherwise becomes aware of any defect in Consultant's services, or any development that affects the scope or timing of Consultant's services.

VI. COMPENSATION

6.1 For and in consideration of the services to be rendered by Consultant, City shall pay Consultant the not to exceed fee set forth in this Article VI, Compensation. Nothing contained in this Agreement shall require City to pay for any unsatisfactory work, as determined solely by Director, or for work that is not in compliance with the terms of this Agreement. City shall not be required to make any payments to Consultant at any time Consultant is in default under this Agreement.

6.2 The total compensation for all work to be performed by Consultant as fully defined in the Scope of Services, to include all travel and other expenses, shall not exceed **One Hundred and Twenty-Five Thousand and 00/100 U.S. Dollars (\$ 125,000.00), per year.** The total contract value for the entire term of the contract, including any extension periods, shall not exceed **Six Hundred and Twenty-Five Thousand U.S. Dollars (\$625,000.00).** Consultant acknowledges that such not to exceed fee shall be sufficient compensation for all services, travel and other expense to be performed pursuant to or associated with the Scope of Services.

6.3 Only amounts specifically set forth in a particular Finalized Proposal may be invoiced hereunder.

6.4 Consultant shall submit an invoice to City for services provided at the completion of the work performed pursuant to a particular Finalized Proposal. Invoices must be for work actually performed and actual travel and other allowable expenses incurred and not previously invoiced. In the event a Finalized Proposal is a not to exceed amount based on hourly billings, the invoice must show: a) the task(s) performed, b) travel and other expenses with supporting documentation attached; and c) the total amount due for tasks, travel and allowable expenses. Consultant must invoice separately for each Finalized Proposal. Allowable travel and other expenses shall be invoiced at the actual cost incurred without markup and must be in compliance with the Aviation Department Consultant and Contractor Reimbursable Expense Policy to be eligible for reimbursement. City reserves the right to request such additional information as the City deems necessary to support the invoiced charges. City shall pay all undisputed amounts due under this Agreement within 30 days of receipt of a properly addressed invoice. Payment is deemed to be made on the date of mailing of the check or electronic fund transfer.

6.5 Consultant shall adhere to the Aviation Department Consultant and Contractor Reimbursable Expense Policy, attached hereto as Exhibit 2, governing expenditures.

6.6 Consultant shall, within ten (10) days following receipt of compensation from City, pay all bills for services performed and furnished by others, in connection with the Project and the performance of the work, and shall, if requested, provide City with evidence of such payment. Consultant's failure to make payments within such time shall constitute a material breach of this Agreement, unless Consultant is able to demonstrate to City bona fide disputes associated with the unpaid sub-consultant and its services. Consultant shall include a provision in each of its sub-agreements imposing the same payment obligations on the sub-consultants as are applicable to Consultant hereunder, and if City so requests, shall provide copies of such payments by Consultant to City. If Consultant has failed to make payment promptly to the sub-consultant for the Services for which City has made payment to Consultant, City shall be entitled to withhold payment to Consultant to the extent necessary to protect City.

6.7 Consultant warrants that title to all services covered by an invoice will pass to City no later than the time of payment. Consultant further warrants that, upon submittal of an invoice, all services for which invoices have been previously issued and payments received from City shall, to the best of Consultant's knowledge, information and belief, be free and clear of liens, claims, security interests or encumbrance in favor of Consultant or other persons or entities making a claim by reason of having provided labor or services relating to this Agreement. **CONSULTANT SHALL INDEMNIFY AND HOLD CITY HARMLESS FROM ANY LIENS, CLAIMS, SECURITY INTEREST OR ENCUMBRANCES FILED BY ANYONE CLAIMING BY, THROUGH OR UNDER THE ITEMS COVERED BY PAYMENTS MADE BY CITY TO CONSULTANT**

6.8 City may withhold compensation to such extent as may be necessary, in City's opinion, to protect City from damage or loss for which Consultant is responsible, because of:

6.8.1 delays in the performance of Consultant's work;

6.8.2 third-party claims filed or reasonable evidence indicating probable filing of such claims unless security acceptable to City is provided by Consultant;

6.8.3 failure of Consultant to make payments properly to sub-consultants or vendors for labor, materials or equipment;

6.8.4 reasonable evidence that Consultant's work cannot be completed for the amount unpaid under this Agreement;

6.8.5 damage to City;

6.8.6 persistent failure by Consultant to carry out the performance of its services in accordance with this Agreement; or

6.8.7 accrued liquidated damages in excess of the total amount of capacity remaining on the not to exceed contract amount under the Agreement.

6.9 When the above reasons for withholding are removed or remedied by Consultant, compensation of the amount withheld will be made within a reasonable time. City shall not be deemed in default by reason of withholding compensation as provided for in this article.

6.9.1 Acceptance of final compensation by Consultant shall constitute a waiver of claims except those previously made in writing and identified by Consultant as unsettled at the time of final application for compensation.

6.9.2 Consultant agrees to maintain adequate books, payrolls and records satisfactory to City in connection with any and all Services performed hereunder. Consultant agrees to retain all such books, payrolls and records (including data stored in computer) for a period of not less than four (4) years after completion of Services. At all reasonable times, City and its duly authorized representatives shall have access to all personnel of Consultant and all such books, payrolls and records, and shall have the right to audit same.

6.10 Right to Audit. The Consultant will provide supporting evidence necessary to substantiate charges related to the Agreement and allow the City to access Consultant's "records" associated with this Agreement. Consultant's "records" shall be made available within two weeks of the written request for open inspection, audit, and/or reproduction during normal business working hours. Such audits may be performed by a City's representative or an outside representative engaged by City. The City or its designee may conduct such audits or inspections throughout the term of this Agreement and for a period of three years after final payment or longer if required by law. The City's representatives may (without limitation) conduct verifications such as verifying information and amounts through interviews and written confirmations with Consultant's employees, field and agency labor, subcontractors, and vendors.

6.10.1 Consultant's "records" as referred to in this Agreement shall include any and all information, materials and data of every kind and character, including without limitation, records, books, papers, documents, subscriptions, recordings, agreements, purchase orders, leases, contracts, commitments, arrangements, notes, daily diaries, reports, drawings, receipts, vouchers and memoranda, and any and all other agreements, sources of information and matters that may in the City's judgment have any bearing on or pertain to any matters, rights, duties or obligations under or covered by this Agreement. Such records shall include (hard copy, as well as computer readable data if it can be made available), written policies and procedures; time sheets; payroll registers; payroll records; cancelled payroll checks; subcontract files (including proposals of successful and unsuccessful bidders, bid recaps, negotiation notes, etc.); original bid estimates; estimating work sheets; correspondence; change order files (including documentation covering negotiated settlements); back charge logs and supporting documentation; invoices and related payment documentation; general ledger, and any other Consultant records which may have a bearing on matters of interest to the City in connection with the Consultant's dealings with the City.

6.10.2 Consultant shall require all payees (examples of payees include subcontractors, material suppliers, insurance carriers, etc.) to comply with the provisions of this article by ensuring that the City's right to audit requirements set forth herein are contained in a written contract between Consultant and payee. Consultant will ensure that the City has the same right to audit all payees that it has to audit Consultant under the terms of this Agreement.

6.10.3 City's authorized representative or designee shall have reasonable access to the Consultant's facilities, shall be allowed to interview all current or former employees to discuss matters pertinent to the performance of this Agreement, in order to conduct audits in compliance with this article.

VII. OWNERSHIP AND RETENTION OF DOCUMENTS

7.1 Any and all documents, papers, records, writings, data, media or information in whatever form and character created by Consultant pursuant to the provisions of this Agreement and pertinent to the services rendered hereunder, (hereinafter "Documents") shall be the exclusive property of City; and such Documents shall not be the subject of any copyright or proprietary claim by Consultant. Consultant understands and acknowledges that as the exclusive owner of any and all Documents, City has the right to use all Documents as City desires, without restriction and that City will be providing reports developed pursuant to this Agreement to the FAA.

7.2 Consultant agrees and covenants to protect any and all proprietary rights of City in any materials provided to Consultant. Such protection of proprietary rights by Consultant shall include, but not be limited to, the inclusion in any copy intended for publication of copyright mark reserving all rights to City. Additionally, any materials provided to Consultant by City shall not be released to any third party without the consent of City and shall be returned intact to City upon termination or completion of this Agreement or if instructed to do so by the Director.

7.3 Consultant hereby assigns to City all statutory and common law copyrights to any copyrightable work that, in part or in whole, was produced from this Agreement, including all equitable rights. No reports, maps, documents or other copyrightable works, produced in whole or in part by this Agreement, shall be subject of an application for copyright by Consultant. All reports, maps, project logos, drawings or other copyrightable work produced under this Agreement shall become the property of City (excluding any instrument of services, unless otherwise specified herein). Consultant shall, at its own expense, defend all suits or proceedings instituted against City and pay any award of damages or loss resulting from an injunction against City, insofar as the same are based on any claim that materials or work provided under this Agreement constitute an infringement of any patent, trade secret, trademark, copyright or other intellectual property rights.

7.4 All of the Consultant's documentary work product reports and correspondence to City under this Agreement shall be the property of the City and, upon completion of this Agreement; such documentary work product shall be promptly delivered to City in a reasonably organized form, without restriction on its future use by City. The above notwithstanding, the Consultant shall retain all rights previously held in any standard drawing details, designs, specifications, databases, computer software and any other proprietary information it may provide pursuant to this Agreement, whether or not such proprietary information was modified during the course of providing the services hereunder. The Consultant may retain for its files any copies of documents it chooses to retain and may use Consultant's work product as it deems fit. Any materially significant work product lost or destroyed by the Consultant shall be replaced or reproduced at the Consultant's non-reimbursable, sole cost.

7.5 Upon completion or termination of the Project, or upon request by the City, all documents and information, in whatever form, given to, prepared or assembled by the Consultant in connection with its performance of its duties under this Agreement shall become the sole property of the City and shall be delivered at no cost to the City without restriction on future use. The City shall have free and immediate access to all such information at all times during the term of this Agreement with the right to make and retain copies documents, notes and data, whether or not the Project has been completed. Prior to surrender of the documents and information, Consultant may make copies of any and all documents for its files, at its sole cost and expense.

7.6 The Consultant agrees to maintain all books, records and reports required under this Agreement for a period of not less than four (4) years after final payment is made and all pending matters are closed. In addition, the Consultant shall maintain an acceptable cost accounting system during the term of this Agreement. The Consultant agrees to provide the City, the Federal Aviation Administration and the Comptroller General of the United States, or any of their duly authorized representatives, access to any books, documents, papers and records of the Consultant which are directly pertinent to this Agreement for the purpose of making audit, examination, excerpts and transcriptions.

7.7 Consultant shall notify City, immediately, in the event Consultant receives any requests for information from a third party, which pertain to the documentation and records referenced herein. Consultant understands and agrees that City will process and handle all such requests.

VIII. TERMINATION OF AGREEMENT

8.1 Termination Without Cause.

8.1.1 This Agreement may be terminated by City without cause, prior to Director giving Consultant written Notice to Proceed, should Director, in his sole discretion, determine that it is not in City's best interest to proceed with this Agreement. Such notice shall be provided in accordance with the notice provisions contained in this Agreement, and shall be effective immediately upon delivery to the Consultant.

8.1.2 This Agreement may be terminated by the City at any time after issuance of the Director's Notice to Proceed, either for the City's convenience or because of Consultant's failure to fulfill the contract obligations. Upon receipt of such notice services shall be immediately discontinued (unless the notice directs otherwise) and all materials as may have been accumulated in performing this Agreement, whether completed or in progress, delivered to the City.

8.1.3 If the termination is for the convenience of the City, and following inspection and acceptance of Consultant's services properly performed prior to the effective date of termination an equitable adjustment in the contract price shall be made. Consultant shall not, however, be entitled to lost or anticipated profit on unperformed services, should City choose to exercise its option to terminate, nor shall Consultant be entitled to compensation for any unnecessary or unapproved work, performed during time between the issuance of the City's notice of termination and the actual termination date.

8.1.4 If the termination is due to Consultant's failure to fulfill its obligations, the City may take over the work and prosecute the same to completion by contract or otherwise. In such case, the Consultant shall be liable to the City for any additional cost occasioned to the City thereby.

8.1.5 If, after notice of termination for failure to fulfill contract obligations, it is determined that the Consultant had not so failed, the termination shall be deemed to have been effected for the convenience of the City. In such event, an equitable adjustment in the contract price shall be made as provided in paragraph 8.1.3 of this clause.

8.1.6 The rights and remedies of the City provided in this clause are in addition to any other rights and remedies provided by law or under this Agreement.

8.1.7 This Agreement may be terminated by the Consultant, at any time after issuance of the Director's Notice to Proceed, upon ninety (90) calendar days written notice provided in accordance with the Notice provisions contained in this Agreement.

8.2 Defaults With Opportunity for Cure. Should Consultant fail, as determined by the Director, to satisfactorily perform the duties set out in **Article III. Scope of Services**; or comply with any covenant herein required, such failure shall be considered an Event of Default. In such event, the City shall deliver written notice of said default, in accordance with the notice provisions contained in this Agreement, specifying the specific Events of Default and the action necessary to cure such defaults. Consultant shall have ten (10) calendar days after receipt of the written notice to cure such default. If Consultant fails to cure the default within such cure period, or take steps reasonably calculated to cure such default, City shall have the right, without further notice, to terminate this Agreement in whole or in part as City deems appropriate, and to contract with another Consultant to complete the work required by this Agreement. City shall also have the right to offset the cost of said new agreement with a new Consultant against Consultant's future or unpaid invoice(s), subject to any statutory or legal duty, if any, on the part of City to mitigate its losses.

8.3 Termination For Cause. Upon the occurrence of one (1) or more of the following events, and following written notice to Consultant given in accordance with the notice provisions contained in this Agreement, City may immediately terminate this Agreement, in whole or in part, "for cause":

8.3.1 Consultant makes, directly or indirectly through its employees or representatives, any material misrepresentation or provides any materially misleading information to City in connection with this Agreement or its performance hereunder; or

8.3.2 Consultant violates or materially fails to perform any covenant, provision, obligation, term or condition of a material nature contained in this Agreement, except those events of default for which an opportunity to cure is provided herein; or

8.3.3 Consultant fails to cure, or initiate steps reasonably calculated to cure, a default, within the time period required for cure; or

8.3.4 Consultant violates any rule, regulation or law to which Consultant is bound or shall be bound under the terms of this Agreement; or

8.3.5 Consultant attempts the sale, transfer, pledge, conveyance or assignment of this Agreement contrary to the terms of the Agreement; or

8.3.6 Consultant ceases to do business as a going concern; makes an assignment for the benefit of creditors; admits in writing its inability to pay debts as they become due; files a petition in bankruptcy or has an involuntary bankruptcy petition filed against it (except in connection with a

reorganization under which the business of such party is continued and performance of all its obligations under this Agreement shall continue) and such petition is not dismissed within forty-five (45) days of filing; or if a receiver, trustee or liquidator is appointed for it, or its joint venture entity, or any substantial part of Consultant's assets or properties.

8.4 Termination By Law. If any state or federal law or regulation is enacted or promulgated which prohibits the performance of any of the duties herein, or, if any law is interpreted to prohibit such performance, this Agreement shall automatically terminate as of the effective date of such prohibition.

8.5 Orderly Transfer Following Termination. Regardless of how this Agreement is terminated, Consultant shall effect an orderly transfer to City or to such person(s) or firm(s) as the City may designate, at no additional cost to City. Upon the effective date of expiration or termination of this Agreement, Consultant shall cease all operations of work being performed by Consultant, or any of its subcontractors, pursuant to this Agreement. All completed or partially completed documents, papers, records, charts, reports, and any other materials or information produced, or provided to Consultant, in connection with the services rendered by Consultant under this Agreement, regardless of storage medium, shall be transferred to City. Such record transfer shall be completed within thirty (30) calendar days of the termination date and shall be completed at Consultant's sole cost and expense. Payment of compensation due or to become due to Consultant is conditioned upon delivery of all such documents.

8.6 Any documents prepared in association with this Agreement shall be delivered to City as a pre-condition to final payment.

8.7 City, as a public entity, has a duty to document the expenditure of public funds. Consultant acknowledges this duty imposed upon the City. Consultant further acknowledges that the failure of Consultant substantially to comply with the submittal of the statements and documents, as required herein, shall constitute a waiver by Consultant of any portion of the fee for which Consultant did not supply such necessary statements and/or documents

8.8 Claims for Outstanding Fees. Within forty-five (45) calendar days of the effective date of completion, or termination or expiration of this Agreement, Consultant shall submit to City its claims, in detail, for the monies owed by City for services performed under this Agreement through the effective date of termination. Failure by Consultant to submit its claims within said forty-five (45) calendar days shall negate any liability on the part of City and constitute a Waiver by Consultant of any and all right or claims to collect moneys that Consultant may rightfully be otherwise entitled to for services performed pursuant to this Agreement.

8.9 Termination not sole remedy. In no event shall City's action of terminating this Agreement, whether for cause or otherwise, be deemed an election of City's remedies, nor shall such termination limit, in any way, at law or at equity, City's right to seek damages from or otherwise pursue Consultant for any default hereunder or other action.

IX. SUSPENSION OF WORK UNDER AGREEMENT

9.1 Right of City to Suspend. City may suspend this Agreement for any reason, with or without cause upon the issuance of written Notice of Suspension in accordance with the Notice provisions contained in this Agreement. Such suspension shall take effect upon the date specified in such notice. The Notice of Suspension will set out the reason(s) for the suspension and the anticipated duration of the suspension, but will in no way guarantee the total number of days of suspension.

9.2 Consultant's Right to Terminate In Event of Suspension of Agreement. In the event such suspension exceeds one hundred and twenty (120) calendar days, Consultant shall have the right to terminate this Agreement. Consultant may exercise this right to terminate by issuing a written Notice of Termination to the City, delivered in accordance with the Notice provisions contained in this Agreement after the expiration of one hundred and twenty (120) calendar days from the effective date of the suspension. Termination pursuant to this paragraph shall become effective immediately upon receipt of said written notice by City and such termination shall be subject to all the requirements set out in **Paragraphs 8.5 and 8.6** above, related to the Orderly Transfer and Fee Payment.

9.3 Procedures Upon Receipt of Notice of Suspension.

9.3.1 Upon receipt of a notice of suspension and prior to the effective date of the suspension, Consultant shall, unless otherwise directed, immediately begin to phase-out and discontinue all services in connection with the performance of this Agreement and shall proceed to promptly cancel all existing orders and contracts insofar as such orders and contracts are chargeable to this Agreement.

9.3.2 Consultant shall prepare a statement showing in detail the services performed under this Agreement prior to the effective date of suspension.

9.3.3 Copies of all completed or partially completed studies, plans and other documents prepared under this Agreement prior to the effective date of suspension shall be prepared for possible delivery to the City but shall be retained by Consultant until such time as Consultant may exercise the right to terminate.

9.3.4 During the period of Suspension, Consultant shall have the option to at any time submit the above referenced statement to the City for payment of any unpaid portion of the prescribed fee for services which have actually been performed to the benefit of the City under this Agreement, adjusted for any previous payments of the fee in question.

9.3.5 In the event Consultant exercises its right to terminate this Agreement at any time after the effective Suspension date, Consultant shall submit, within forty-five (45) calendar days after receipt by City of Consultant's notice of termination (if he has not previously done so) the above referenced statement showing in detail the services performed under this Agreement prior to the effective date of suspension. Failure by Consultant to submit its claims within said forty-five (45) calendar days shall negate any liability on the part of City and constitute a Waiver by Consultant of any and all right or claims to collect moneys that Consultant may rightfully be otherwise entitled to for services performed pursuant to this Agreement.

9.3.6 Any documents prepared in association with this Agreement shall be delivered to City as a pre-condition to final payment.

9.3.7 City, as a public entity, has a duty to document the expenditure of public funds. Consultant acknowledges this duty imposed upon the City. Consultant further acknowledges that the failure of Consultant substantially to comply with the submittal of the statements and documents, as required herein, shall constitute a waiver by Consultant of any portion of the fee for which Consultant did not supply such necessary statements and/or documents

9.3.8 Upon the above conditions being met, the City's review of the submissions and finding the claimed compensation to be appropriate to the terms of this agreement, the City shall pay Consultant that portion of the agreed prescribed fee for those as yet uncompensated services actually performed under this Agreement to the benefit of the City, adjusted for any previous payments of the fee in question.

9.3.9 City, as a public entity, has a duty to document the expenditure of public funds. Consultant acknowledges this duty imposed upon the City. Consultant & Contractor Reimbursable Expense Policy

1. GENERAL

1.1 Introduction

This Consultant & Contractor Reimbursable Expense Policy (the "Policy") contains the guidelines for reimbursement of reasonable expenses incurred by Contractors and contractors (both of which shall hereinafter be referred to as "Contractor") in work performed pursuant to an agreement with the City of San Antonio (hereinafter the "City").

1.2 Scope

The policy and procedures contained herein apply to all Contractors in work performed in furtherance to an agreement with the City.

This policy also pertains to all reimbursable expenses by sub-consultants or subcontractors. The Contractor shall be responsible for ensuring that all subcontractor or sub-consultants adhere to this Policy.

The Contractor is responsible for becoming familiar with and adhering to the Policy as applicable for each reimbursable expense submitted.

1.3 Policy

Official reimbursable expenses shall be properly authorized, processed, conducted, reported, and reimbursed in accordance with this Policy. Contractor is expected to exercise good judgment in the type and amount of expense incurred.

For travel expenses, Contractor is expected to plan in advance of the departure date to obtain lowest cost fares, rates and accommodations. In addition, Contractor is encouraged to use all practical means, including internet discounters, to obtain the lowest cost fares, rates, and accommodations.

1.4 Definitions

The following definitions apply to this Policy:

Actual and Reasonable Expenses – The specific, itemized expenses incurred, based on original receipts up to the amount judged by the Aviation Director as justifiable under the circumstances.

Official Travel Time – For the purposes of computing per diem allowances, official travel starts at the day and time the Contractor employee leaves their home, office, or other authorized point and ends on the day and time the Contractor employee returns home, to the office, or other

authorized point. This definition is for computing per diem allowances only and may not be used for billing chargeable Contractor employee hours.

Travel Expenses – Includes meals, lodging, transportation and incidental expenses incurred for assignments within 30 consecutive calendar days at the same project site. The Contractor employee's return home for the weekends does not break the continuity of the assignment.

Extended Travel Expenses - Includes meals, lodging, transportation and incidental expenses incurred for assignments 30 or more consecutive calendar days at the same project site. The Contractor employee's return home for the weekends does not break the continuity of the assignment.

Reimbursable expenses – those expenses incurred in the furtherance of a project or assignment pursuant to an executed contract or agreement with the City.

Common Carrier Terminal – a terminal facility for the general public, such as an airport, train station, subway station or bus station.

1.5 Reimbursements

Expenses incurred by the Contractor while engaged in activities outside the scope of the Contractor Agreement or in violation of this Policy will be denied. This includes, but is not limited to, expenses incurred:

- Prior to the execution of the Agreement;
- After the expiration of the Agreement;
- At a location not included authorized by the Agreement;
- At a cost in excess of those costs allowed within the Agreement and/or within this Policy.
- In connection with work performed for customers of Contractor other than the City.

Only those expenses which are ordinary and necessary, and within the contracted for budget, to accomplish the contracted work are eligible for reimbursement.

Entertainment expenses, including alcohol, are not reimbursable.

1.6 Interrupted Itinerary

If official business travel is interrupted for personal convenience, any resulting expense shall not be the responsibility of the City.

2. Transportation Expenses

2.1 Guideline

Contractor must utilize the most economical mode of transportation and the most direct route consistent with the business purpose of the trip.

2.2 Air Travel

Lowest Available Airfare

Airfare reimbursement shall not exceed the lowest practical, available cost of competing airfare. Contractor shall, whenever practicable, make reservations two or more weeks in advance of travel. When all considerations are equal (e.g. travel time dates, times, destination, and work impacted by travel), Contractor must choose the lowest fare available at that time, regardless of personal preferences for air carrier.

Use of Business or First Class

No reimbursement will be made for Business or First Class travel without advance written approval from the Aviation Director (or designee). (Note: Business or First Class accommodations obtained through use of frequent flyer programs or at Contractor's expense will not require advance approval. However, Contractor must be able to provide the lowest available price of coach fair in order to be reimbursed for that portion of the expense.)

Extended Travel to Save Costs

The additional expenses associated with travel that includes an extended stay (e.g. Saturday night stay) may be reimbursed when the overall savings is at least \$150 compared to the cost if the Contractor had not extended the trip.

In determining if an extended stay will result in any cost savings, Contractor must consider the additional expenses associated with an extended stay. Such expenses shall include, but are not limited to, the additional cost of lodging, rental car, meals and parking.

2.3 Travel by Private Automobile

Reimbursement for Travel by Private Automobile

Travel by private automobile will only be reimbursed if such travel is for a valid business purpose. When a private automobile is used, actual mileage will be reimbursed at the most current rate allowable by the Internal Revenue Service. The number of miles driven must be documented by the Contractor. No additional reimbursement is made for expenses related to the use of the automobile. Routine repairs, cleaning, detailing, tires, gasoline, or other automobile expense items will not be reimbursed for privately owned automobiles.

When two or more persons share a privately owned automobile, only the driver may claim the reimbursement for mileage. Two or more persons traveling to the same destination, for the same

purpose, and same or approximately the same time span on the same day or days shall be expected to share a privately owned automobile whenever possible.

Charges for parking and toll roads are allowed; however receipts must be provided.

Reimbursement for Travel by Private Automobile in Lieu of Air Travel

When a private automobile is used instead of available air travel for the personal convenience of the Contractor, reimbursement of transportation costs by private automobile shall not exceed the documented amount of airfare Contractor would have paid had the Contractor traveled by air.

Reimbursement for Travel To or From a Common Carrier Terminal

When a Contractor drives a privately owned automobile to or from a common carrier terminal, the mileage and tolls for one round trip, plus parking for the duration of the trip may be claimed for reimbursement. Documented miles driven and receipts must be provided. Contractor is expected to use the lowest, reasonable cost parking option available.

2.4 Travel by Private Aircraft

When a private aircraft is used instead of available commercial air travel for the personal convenience of the Contractor, the reimbursement of transportation costs by private aircraft shall be reimbursed at a rate of 99.5 cents per mile up to the amount that would have been incurred by all Contractor employee travelers using common carrier transportation air fares. Documented aircraft landing and tie-down fees paid, if any, will be reimbursed separately, however, receipts must be provided.

Example:

Two Contractor Employee travelers in the same privately rented aircraft, traveling 500 miles to San Antonio. The common carrier transportation air fares round trip would have been \$250 per person. Total mileage of private aircraft would be 1,000 miles (500 miles each way) times 99.5 cents per mile for a total expense of \$995 for the private aircraft. The total reimbursable cost for the Contractor would be limited to \$500 (2 contractor employees times \$250 each), plus any documented aircraft landing and tie-down fees paid.

2.5 Rental Cars

Rental cars may be used for transportation to or from a common carrier terminal. Rental cars may also be used upon arrival at the official business destination when the use of public transportation or other transportation such as taxis is not practical when considering the cost, number of miles to be traveled and other factors. Only commercial agencies may be used. Contractors are strongly encouraged to request the lowest available rate when making rental car reservations.

Reimbursement

Reimbursement is limited to standard size sedan or vehicle commensurate with the requirements of the trip. The cost of the rental car and gasoline will be reimbursed. Documented miles driven and receipts must be provided. There is no reimbursement for mileage for a rental car.

The car must be turned in promptly. Daily charges, outside Official Travel Time, will not be reimbursed.

When a rental car is used on a non-exclusive basis for the City, reimbursement of the rental car and gasoline cost must be pro-rata based on mileage on City projects versus the total mileage.

Insurance

The Contractor assumes all risks and expenses associated with obtaining insurance deemed necessary when using a rental car. Car rental insurance, including collision damage waivers, is not reimbursable.

2.6 Ground Transportation

The following guidelines apply to ground transportation to or from a common carrier terminal at the business destination.

Taxis

The cost of the taxi ride plus a reasonable gratuity will be reimbursed. A reasonable gratuity may not exceed 10% of the total fare. Receipts must be provided.

Airport Shuttle Service

The cost of the airport shuttle ride plus gratuity will be reimbursed. Receipts must be provided.

Local Buses and Subways

Local bus and subway fares are reimbursable; however, receipts are not required.

3. Living Expenses

3.1 Lodging

Lodging expenses for travel within the Continental United States (CONUS) are reimbursed at the lesser of actual cost or the maximum rate established in the U. S. General Services Administration (GSA) Federal Travel Regulation Domestic Per Diem Rates. Lodging taxes, although not included in the GSA per diem rate for lodging, are reimbursable. Contractors are strongly encouraged to request the lowest available rate when making the lodging reservations.

Hotel bills must show the hotel name and locations, dates room was occupied and the rate per day. Other items appearing on the hotel bill should be identified as to the business reason for the charges.

Contractor will not be reimbursed for the following expenses appearing on the hotel bill:

- Alcohol (alone or part of meal)

- Entertainment
- Personal services
- Laundry/Dry cleaning if travel is less than five days

When accommodations are shared with other than an official Contractor employee, reimbursement is limited to the cost that would have been incurred had the Contractor been traveling alone.

3.2 Non-Commercial Lodging

Contractor lodging in non-commercial facilities such as house trailers or field camping are reimbursed actual expenses up to the maximum applicable GSA lodging rate. No reimbursement is provided for housing as a guest in a private home.

3.3 Meals Expense

Meals expenses for travel are reimbursed at actual cost, up to the maximum rate established in the U. S. General Services Administration (GSA) Federal Travel Regulation Domestic or International Per Diem Rates.

Meal expenses for the first and last day of travel are reimbursed at the lower of actual costs or the pro-rated GSA per diem rate listed below:

For travel of more than 12 hours but less than 24 hours; meals are reimbursed at the pro-rated GSA per diem rates defined above.

Daily expenses incurred within the vicinity of the Contractor employee's primary work site shall not be reimbursed.

3.4 Incidental Expenses

Payments for tolls, parking charges, cab fares can be reimbursed with proper documentation. Reasonable laundry and dry cleaning expenses will be allowed if travel is over a period of 5 consecutive days. Additionally, reasonable gratuities may be reimbursed if itemized.

Expenses for entertainment and personal convenience items such as alcohol, in-room movies, reading materials and clothing are not reimbursable.

3.5 Daily Allowance and Lodging Allowance for Extended Travel

Travel during which a Contractor remaining at one work location for 30 days or more in any calendar year months shall be considered an extended travel assignment. The 30 days begins on the first day at the work location. The Contractor's return home for weekends does not break the continuity of an extended travel assignment.

The maximum reimbursable rate for extended travel assignments will be the lesser of actual costs of lodging (housekeeping, utilities and furniture rental), meals, and incidentals (as previously outlined above) or 60% of the maximum rate established in the U. S. General Services Administration (GSA) Federal Travel Regulation Domestic Per Diem Rates and the U.S. Department of State Foreign Per Diem Rates in U.S. Dollars.

All extended travel must be approved in advance by the Aviation Director or designee prior to Contractor committing to any extended lodging arrangement.

4. Relocation Assistance

4.1 Requirements

Relocation assistance is generally not provided to Contractors. However, in rare Aviation Department agreements, relocation of key personnel may be allowed for long term capital projects. The expenses related to the Contractor employee relocation must be budgeted in advance at the time the agreement is signed. Additionally, all requests must be approved by the Aviation Director in advance of offering any relocation assistance to a Contractor employee. The request must include a justification why this position could not be filled by hiring an employee locally and why the assistance is needed. Evidence will be required demonstrating the efforts made to hire the employee locally. Any relocation assistance will be limited based on the type of employee as explained below.

4.2 Limitations

Relocation assistance will only be considered when a Contractor employee is required to change his/her place of residence more than 50 miles because of work location and the employee's duties are deemed in the best interest of the Aviation Department agreement requirements. Once the relocation assistance is approved, the employee shall receive reimbursement for the lesser of the actual documented necessary and reasonable relocation expenses or the maximum allowable assistance based on type of employee as defined below:

4.3 Allowable Expenses In General

Relocation assistance will only be paid for reasonable expenses of moving household goods and personal effects (including storage expenses), and travel expenses to a new residence. The cost of traveling will only include the shortest and direct route available by conventional transportation. Any expenses incurred for additional overnight stays or side trips for sightseeing purposes will not be reimbursed.

4.4 Travel Expenses by Car

Use of personal vehicle to relocate the household goods and personal effects will be reimbursed at the lesser of:

- Actual expenses for gas and oil for the personal vehicle, if accurate records are maintained for these expenses, or
- The standard mileage reimbursement rate for moving expenses, as the Internal Revenue Service regulations.

In either method, parking fees and tolls paid as a part of the relocation will be reimbursed. Reimbursement will not be allowed for general repairs, general maintenance, insurance, or depreciation on the vehicle.

4.5 Household Goods and Personal Effect Expenses

Relocation assistance will be allowed for the cost of packing, crating, and transporting household goods and personal effects. Reimbursement will also be allowed for costs of connecting or disconnecting utilities required because of moving the household goods, appliances, or personal effects.

4.6 Storage Expenses

Relocation assistance will be allowed for reasonable costs of storing and insuring household goods and personal effects within any period of 30 consecutive days after the day the household goods and personal effects are moved from the former home and before their delivery to the new home.

4.7 Travel Expenses

Relocation assistance will be allowed for reasonable costs of transportation and lodging for the Contractor employee and members of their household while traveling from their former home to their new home. This will include reasonable lodging expenses that do not exceed one day in the area of the former home.

4.8 Non-reimbursable Relocation Expenses

Relocation assistance will not extend to the following types of expenses:

- Any part of the purchase price of the new home.
- Expenses of buying or selling a home (including closing costs, mortgage fees, and points).
- Expenses of entering into or breaking a lease.
- Home improvements to help sell the former residence.
- Loss on the sale of the former residence.

- Mortgage penalties.
- Real estate taxes.
- Refitting of carpet and/or draperies.
- Return trips to former residence.
- Security deposits of any kind.
- Storage charges except as defined above.
- Registration fees for automobile license plates, tags, etc.
- Fees associated with acquiring a Texas driver's license.

4.9 Relocation Assistance Recovery

If the City of San Antonio has paid for relocation assistance to a Contractor's employee and the employee leaves the Contractor's employment before six (6) months of relocation, the City will be entitled to recovery the full amount of the relocation assistance paid from Contractor.

5. Miscellaneous Expenses

5.1 General

Miscellaneous expenses that are ordinary and necessary to accomplish the official business purpose of the trip are reimbursable. Receipts are required for all miscellaneous expenses. The most common of these expenses are as follows:

- Use of computers, printers, faxing machines, and scanners.
- Postage and delivery.
- Office supplies specific to the project.

Expenses that will not be reimbursed will be items for personal use or items that do not have a direct business reason or benefit to the project. Examples of these expenses are:

- Business gifts.
- Snacks or other entertainment items for staff meetings and/or meetings with sub-Contractors.
- Mileage expense for purchase of items where the direct project related item purchased was not the sole reason for the trip.
- Carrying cases for cell phones or computers.
- Items that could be used on more than one project.

5.2 Telephone Calls

Telephone charges should be made per a calling plan with reasonable calling rates. If City, in its sole determination, finds that a calling plan is unreasonable, City may reimburse Contractor at a rate that City determines to be reasonable. Claims for phone call require a statement of the date, person called, phone number, and business reason for the call.

Personal phone calls are not reimbursable.

5.3 Local Business Meetings

Costs associated with local business meetings must be reasonable and have a direct business reason for the City of San Antonio. Local business meeting exceeding \$150 must be approved in advance of the scheduled meeting. As stated in previous sections, entertainment is not reimbursable. If alcohol is served at the business meeting this will deem the event as a social event and the entire event will not be reimbursable.

Meals served at an approved business meeting event will be reimbursed at the lesser of the actual cost or the daily per diem rate as specified by GSA for that particular meal. The GSA has established per diem meal rates by breakfast, lunch and dinner. Facility charges associated with this event must be reasonable and approved in advance.

6. Travel Expense Settlement

6.1 Reimbursement

A travel expense statement must be prepared and submitted with the appropriate supporting documents. At a minimum, the expense statement should be in a legible format consistent with business standards and must contain the following elements:

- Name of Contractor being reimbursed.
- Name of Contractor employee that incurred the expenses.
- Dates covered in the expense report.
- Business reason for incurring expenses on behalf of City.
- Legible format and consistent with business standards.

All required receipts must be legible and submitted with the expense statement. If required receipts cannot be obtained or have been lost a statement providing the reason for the unavailability or loss should be noted. In the absence of a satisfactory explanation, the amount involved will not be reimbursed.

Because lodging receipts may include non-reimbursable charges, lodging will not be reimbursed without a copy of the receipt or facsimile document containing itemized charges for the room, e.g., taxes, telephone, etc. from the hotel.

Expenses should be itemized chronologically according to the nature and type of travel expense (i.e. airfare, hotel, meals, etc.). The completed and supported travel expense statement should be submitted in the first billing cycle following the incurrence of the expense.

6.2 Right to Audit

The City reserves the right to audit actual expenses. Expenses will be reimbursed in accordance with the procedures set out herein at actual cost within the limits and requirements established by this policy or, if applicable, the Agreement.
