This Certificate of Exemption is executed and filed with the Finance Department as follows:

1. The undersigned is authorized to approve an exemption.
2. An exemption according to Section 252.022 of the Local Government Code exists. More specifically, the following event has occurred:

Due to unforeseen breaking loose of an 8" fire system line, flooding all of the north west quadrant / Quad D field floor boxes occurred filling them with water, saturating the plugs, wiring and electrical system of all of the floor boxes in that quadrant. The contents of Quad D floor boxes and chase ways will be removed and replaced due to the long term affect of the water to the electrical system components. The quote below also provides a \$1300.00 credit for the salvage recovery of copper being removed from the floor box electrical system.

3. Because the exemption stated above exists, the City of San Antonio intends to contract with Facility Solutions Group which will cost approximately \$ 85,450.00
