## 003 - INSTRUCTIONS FOR BIDDERS

### Submission of Bids.

**Submission of Hard Copy Bids.** Submit one original bid, signed in ink, and two copies of the bid enclosed in a sealed envelope addressed to the City Clerk at the address and by the due date provided on the Cover Page. The name and address of Bidder, the date and hour of the bid opening, bid number and title of the bid solicitation shall be marked on the outside of the envelope(s). All times stated herein are Central Time. Any bid or modification received after the time and date stated on the Cover Page shall be rejected.

**Submission of Electronic Bids.** Submit one bid electronically by the due date provided on the Cover Page. All times stated herein are Central Time. Any bid or modification received after the time and date stated on the Cover Page shall be rejected. All forms in this solicitation which require a signature must have a signature affixed thereto, either by manually signing the document, prior to scanning it and uploading it with your submission, or affixing it electronically.

Bids sent to City by facsimile or email shall be rejected.

**Modified Bids.** Bids may be modified provided such modifications are received prior to the time and date set for submission of bids, and submitted in the same manner as original bids. For hard copy bids, provide a cover letter with the bid, indicating it is a modified bid and that the Original bid is being withdrawn. For electronic bids, a modified bid will automatically replace a prior bid submission. See below for information on submitting Alternate Bids.

City shall not be responsible for lost or misdirected bids or modifications.

Bidders must sign the Signature Page on hard copy bids and return the IFB document to City. For electronic bids, Bidder's electronic submission, with accompanying affirmations, constitutes a binding signature for all purposes.

Bidders are cautioned that they are responsible for the security of their log on ID and password, since unauthorized use could result in Bidder's being held liable for the submission.

**Certified Vendor Registration Form.** If Bidder has not completed City's Certified Vendor Registration (CVR) Form, Bidder is required to do so prior to the due date for submission of bids. The CVR form may be accessed at: <http://www.sanantonio.gov/purchasing/>. Bidders must identify the correct name of the entity that will be providing the goods and/or services under the contract. No nicknames, abbreviations (unless part of the legal title), shortened or short-hand names will be accepted in place of the full, true and correct legal name of the entity.

**Alternate Bids.** Alternate bids may be allowed at the sole discretion of City.

**Hard Copy Alternate Bids.** Alternate bids must be submitted in separate sealed envelopes in the same manner as submission of other bids. Alternate bids must be marked consecutively on the envelope as Alternate Bid No. 1, 2, etc. Failure to submit alternate bids in separate envelopes may result in rejection of a bid.

**Electronic Alternate Bids Submitted Through the Portal.** All alternate bids are recorded with original bids when submitted electronically.

### **Catalog Pricing.** (This section applies to bids using catalog pricing.)

The bid will be based on manufacturer's latest dated price list(s). Said price list(s) must denote the manufacturer, latest effective date and price schedule.

Bidders shall be responsible for providing one copy of the manufacturer's catalog for each manufacturer for which a bid is submitted. Bidder shall provide said catalog at the time of submission of its bid. Manufacturers' catalogs may be submitted in any of the following formats: paper copy or CD ROM for bids submitted on paper, or PDF file for bids submitted electronically.

Bidders may submit price lists other than the manufacturer's price list. Said price list(s) must denote the company name, effective date and price schedule. These price lists are subject to approval of City Purchasing & General Services Department.

Specified items identified herein, if any, are for overall bid evaluation and represent the commonly and most used items. Net prices entered for those specified items must reflect the actual price derived from quoted price list less all discounts offered.

#### Restrictions on Communication.

Bidders are prohibited from communicating with: 1) elected City officials and their staff regarding the IFB or bids from the time the IFB has been released until the contract is posted as a City Council agenda item; and 2) City employees from the time the IFB has been released until the contract is awarded. These restrictions extend to "thank you" letters, phone calls, emails and any contact that results in the direct or indirect discussion of the IFB and/or bid submitted by Bidder. Violation of this provision by Bidder and/or its agent may lead to disqualification of Bidder's bid from consideration.

Exceptions to the restrictions on communication with City employees include:

Bidders may ask verbal questions concerning this IFB at the Pre-Submittal Conference.

Bidders may submit written questions, or objections to specifications, concerning this IFB to the Staff Contact Person listed on the Cover Page on or before 7 calendar days prior to the date bids are due. Questions received after the stated deadline will not be answered. Questions submitted and City's responses will be posted with this solicitation. All questions shall be sent by e-mail or through the portal.

Bidders may provide responses to questions asked of them by the Staff Contact Person after bids are received and opened. The Staff Contact Person may request clarification to assist in evaluating Bidder's response. The information provided is not intended to change the bid response in any fashion. Such additional information must be provided within two business days from City's request.

Bidders and/or their agents are encouraged to contact the Small Business Office of the International and Economic Development Department for assistance or clarification with issues specifically related to the City's Small Business Economic Development Advocacy (SBEDA) Program policy and/or completion of the SBEDA form(s), if any. The point of contact is identified on the Cover Page. Contacting the Small Business Office regarding this IFB after the bid due date is not permitted. If this solicitation contains Affirmative Procurement Initiatives, it will be noted on the Cover Page.

If this solicitation contains DBE/ACDBE requirements, bidders and/or their agents may contact the Aviation Department's DBE/ACDBE Liaison Officer for assistance or clarification with issues specifically related to the DBE/ACDBE policy and/or completion of the required form(s). Point of contact is Ms. Lisa Brice, who may be reached via telephone at (210) 207-3505 or through e-mail at [lisa.brice@sanantonio.gov](mailto:lisa.brice@sanantonio.gov). Bidders and/or their agents may contact Ms. Brice at any time prior to the due date for submission of bids. Contacting her or her office regarding this IFB after the bid due date is not permitted. If this solicitation contains DBE/ACDBE requirements, it will be noted on the Cover Page.

#### Pre-Submittal Conference.

If a Pre-Submittal Conference is scheduled, it will be held at the time and place noted on the Cover Page. Bidders are encouraged to prepare and submit their questions in writing in advance of the Pre-Submittal Conference in order to expedite the proceedings. City's responses to questions received prior to the conference may be distributed at the Pre-Submittal Conference and posted with this solicitation. Attendance at the Pre-Submittal Conference is optional, but highly encouraged.

This meeting place is accessible to disabled persons. Call the Staff Contact Person for information on the location of the wheelchair accessible entrance, or to request an interpreter for the deaf. Interpreters for the deaf must be requested at least 48 hours prior to the meeting. For other assistance, call (210) 207-7245 Voice/TTY.

Any oral response given at the Pre-Submittal Conference that is not confirmed in writing and posted with this solicitation shall not be official or binding on the City.

#### Changes to IFB.

Changes to this IFB made prior to bid opening shall be made directly to the original IFB. Changes are captured by creating a replacement version each time the IFB is changed. It is Bidder's responsibility to check for new versions

until the bid due date. City will assume that all bids received are based on the final version of the IFB as it exists on the day bids are due.

No oral statement of any person shall modify or otherwise change or affect the terms, conditions or specifications stated in the IFB.

#### Preparation of Bids.

All information required by the IFB must be furnished or the bid may be deemed non-responsive and rejected. Any ambiguity in the bid as a result of omission, error, unintelligible or illegible wording shall be construed in the favor of City.

Correct Legal Name. If Bidder is found to have incorrectly or incompletely stated the name of the entity that will provide goods and/or services, the bid may be rejected.

Line Item Bids. Any bid that is considered for award by each unit or line item, must include a price for each unit or line item for which Bidder wishes to be considered. All bids are awarded on the basis of low line item, low total line items, or in any other combination that serves the best interest of City, unless City designates this solicitation as an "all or none" bid in the Supplemental Terms & Conditions.

All or None Bids. Any bid that is considered for award on an "all or none" basis must include a price for all units or line items. In an "All or None" bid, a unit price left blank shall result in the bid being deemed nonresponsive and disqualified from consideration. An "All or None" bid is one in which City will award the entire contract to one bidder only.

Delivery Dates. Proposed delivery dates must be shown in the bid form where required and shall include weekends and holidays, unless specified otherwise in this IFB. Proposed delivery times must be specific. Phrases such as "as required", "as soon as possible" or "prompt" may result in disqualification of the bid. Special delivery instructions, if any, may be found in the Specifications / Scope of Services section of this document, or in the Purchase Order.

Tax Exemption. The City of San Antonio is exempt from payment of federal taxes, and State of Texas limited sales excise and use taxes. Bidders must not include such taxes in bid prices. An exemption certificate will be signed by City where applicable upon request by Bidder after contract award.

#### Description of Supplies.

Any brand names, catalog or manufacturer's reference used in describing an item is merely descriptive, and not restrictive, unless otherwise noted, and is used only to indicate quality and capability desired.

Bids submitted for comparable items must clearly identify the proposed product, model, and type, as applicable, and shall include manufacturer specification sheet(s) for each proposed item with bid response. Product specifications shall be the most current available and be sufficiently detailed and descriptive so as to permit City to determine the item's suitability and compliance with bid specifications. City shall be the sole judge of equality and suitability of comparable items.

Pro-rata adjustments to packaging and pricing may be allowed at the sole discretion of City.

Samples, Demonstrations and Pre-award Testing. If requested by City, Bidder shall provide product samples, demonstrations, and/or testing of items bid to ensure compliance with specifications prior to award of the contract. Samples, demonstrations and/or testing must be provided within 7 calendar days of City's request. Failure to comply with City's request may result in rejection of a bid. All samples (including return thereof), demonstrations, and/or testing shall be at Bidder's expense. Samples will be returned upon written request. Requests for return of samples must be made in writing at the time the samples are provided. Otherwise, samples will become property of City at no cost to City. Samples that are consumed or destroyed during demonstrations or testing will not be returned.

#### Estimated Quantities for Annual Contracts.

Designation as an "annual" contract is found in the contract's title on the Cover Page of this document. The quantities stated are estimates only and are in no way binding upon City. Estimated quantities are used for the purpose of evaluation. City may increase or decrease quantities as needed. Where a contract is awarded on a unit price basis, payment shall be based on the actual quantities supplied.

Bidders shall thoroughly examine the drawings, specifications, schedule(s), instructions and all other contract documents.

Bidders shall make all investigations necessary to thoroughly inform themselves regarding plant and facilities for delivery of material and equipment, or conditions and sites/locations for providing goods and services as required by this IFB. No plea of ignorance by Bidder will be accepted as a basis for varying the requirements of City or the compensation to Bidder.

**Confidential or Proprietary Information.** All bids become the property of the City upon receipt and will not be returned. Any information deemed to be confidential by Bidder should be clearly noted; however, City cannot guarantee that it will not be compelled to disclose all or part of any public record under the Texas Public Information Act, since information deemed to be confidential by Bidder may not be considered confidential under Texas law, or pursuant to a Court order. Note that pursuant to state law, bids are opened publicly and read aloud. In addition, bids are tabulated and posted to the City's website, so shall not be considered proprietary or confidential.

**Interlocal Participation.**

City may engage in cooperative purchasing with other governmental entities or governmental cooperatives ("Entity" or "Entities") to enhance City's purchasing power. At City's sole discretion and option, City may inform other Entities that they may acquire items listed in this IFB. If this contract will be subject to cooperative purchasing, such fact will be indicated in the Supplemental Terms and Conditions portion of this IFB. Such acquisition(s) shall be at the prices stated in the bid, and shall be subject to Bidder's acceptance. Entities desiring to acquire items listed in this IFB shall be listed on a rider attached hereto, if known at the time of issuance of the IFB. City may issue subsequent riders after contract award setting forth additional Entities desiring to utilize this bid.

Bidder must sign and submit the rider, if attached to this IFB, with its bid, indicating whether Bidder wishes to allow other Entities to use its bid. Bidder shall sign and return any subsequently issued riders within ten calendar days of receipt. Bidder's decision on whether to allow other Entities to use the bid shall not be a factor in awarding this IFB.

**Costs of Bidding.** Bidder shall bear any and all costs that are associated with the preparation of the Bid, attendance at the Pre-Submittal Conference, if any, or during any phase of the selection process.

**Rejection of Bids.**

City may reject any and all bids, in whole or in part, cancel the IFB and reissue the solicitation. City may reject a bid if:

Bidder misstates or conceals any material fact in the bid; or

The bid does not strictly conform to law or the requirements of the solicitation;

The bid is conditional; or

Any other reason that would lead City to believe that the bid is non-responsive or Bidder is not responsible.

City, in its sole discretion, may also waive any minor informalties or irregularities in any bid, such as failure to submit sufficient bid copies, failure to submit literature or similar attachments, or business affiliation information.

**Variances and Exceptions to Bid Terms.** In order to comply with State law, bidders must submit bids on the same material terms and conditions. Bids that contain material variances or exceptions to the terms and conditions, including additional terms and conditions, will be rejected.

**Changes to Bid Form.** Bids must be submitted on the forms furnished. Bids that change the format or content of City's IFB will be rejected.

**Withdrawal of Bids.** Bids may be withdrawn prior to the time set for the bid opening. Written notice of withdrawal shall be provided to the City Clerk for bids submitted in hard copy. Bids submitted electronically may be withdrawn electronically.

**Bid Opening.** Bids will be opened publicly and read aloud at 2:30 on the day the bids are due. Bid openings are held at Purchasing & General Services, Riverview Tower, 11<sup>th</sup> Floor, 111 Soledad, Suite 1100, San Antonio, Texas 78205.

**Evaluation and Award of Contract.**

Per Section §252.043 of the Texas Local Government Code, the contract will be awarded to the lowest responsible bidder. The Purchasing Division evaluates bids for responsiveness and the responsibility of the bidder, and makes a recommendation to the City Council. The City Council makes the final determination regarding award.

City reserves the right to make an award on the basis of low line item, low total line items, or in any other combination that serves the best interest of City, unless City designates this solicitation as an "all or none" bid in the Supplemental Terms & Conditions.

A written award of acceptance (manifested by a City Ordinance) and Purchase Order furnished to Bidder results in a binding contract without further action by either party. Vendor must have the Purchase Order before making any delivery.

City reserves the right to utilize historical usage data as a basis for evaluation of bids when future usages are unable to be determined.

Breaking of tie bids shall be in accordance with the Texas Local Government Code §271.901.

City reserves the right to delete items prior to the awarding of the contract, and purchase said items by other means.

#### Inspection of Facilities/Equipment.

Depending on the nature of the IFB, Bidders' facilities and equipment may be a determining factor in making the bid award. All bidders may be subject to inspection of their facilities and equipment.

Prospective bidders must prove beyond any doubt to City Purchasing Administrator that they are qualified and capable of performing the contract's requirements.

#### Prompt Payment Discount.

Provided Bidder meets the requirements stated herein, City shall take Bidder's offered prompt payment discount into consideration. The evaluation will not be based on the discount percentage alone, but rather the net price as determined by applying the discount to the bid price, either per line item or total bid amount. However, City reserves the right to reject a discount if the percentage is too low to be of value to City, all things considered. City may also reject a discount if the percentage is so high as to create an overly large disparity between the price City would pay if it is able to take advantage of the discount and the price City would pay if it were unable to pay within the discount period. City may always reject the discount and pay within the 30 day period, at City's sole option.

City will not consider discounts that provide fewer than 10 days to pay in order to receive the discount.

For example, payment terms of 2% 5, Net 30 will NOT be considered in bid evaluations or in the payment of invoices. However, payment terms of 2% 10, Net 30 will result in a two percent reduction in the bid price during bid evaluation, and City will take the 2% discount if the invoice is paid within the 10 day time period.

Tabulations. The Purchasing Division will post preliminary tabulations within 7 days of the advertised bid opening. The information on these tabulations will be posted for informational purposes only, and will be posted as read during the bid opening. This tabulation is not a notice of award of the contract. All bids are subject to review for completeness, accuracy and compliance with the terms set forth in the bid documents.

#### Bid Protest Procedures.

Any bidder who is adversely affected in connection with the solicitation, evaluation, or proposed award of a contract may file a protest with the Director and appeal any adverse decision to the City Manager of the City of San Antonio.

Bidder must deliver a written notice of protest to the Director within 7 calendar days of the posting of the intent to award. If Bidder does not file a written notice within this time, Bidder will have waived all rights to formally protest the intent to award. It is Bidder's responsibility to check the City's website posting.

Debriefing. Debriefing of contract award is available upon request and after award of the Contract.

Prohibited Financial Interest. The Charter of the City of San Antonio and its Ethics Code prohibit a City officer or employee, as those terms are defined in the Ethics Code, from having a financial interest in any contract with City or any City agency such as City-owned utilities. An officer or employee has a "prohibited financial interest" in a contract with City

or in the sale to City of land materials, supplies or service, if any of the following individual(s) or entities is a party to the contract or sale: the City officer or employee; his parent, child or spouse; a business entity in which he or his parent, child or spouse owns ten (10) percent or more of the voting stock or shares of the business entity, or ten (10) percent or more of the fair market value of the business entity; or a business entity in which any individual or entity above listed is a subcontractor on a City contract, a partner or a parent or subsidiary business entity.

**Conflict of Interest.** Effective January 1, 2006, Chapter 176 of the Texas Local Government Code requires that persons, or their agents, who seek to contract for the sale or purchase of property, goods, or services with the City, shall file a completed conflict of interest questionnaire with the City Clerk not later than the 7th business day after the date that the person: (1) begins contract discussions or negotiations with the City; or (2) submits to the City an application, response to a request for proposals or bids, correspondence, or another writing related to a potential agreement with the City. The conflict of interest questionnaire form is available from the Texas Ethics Commission at [www.ethics.state.tx.us](http://www.ethics.state.tx.us). Completed conflict of interest questionnaires may be mailed or delivered by hand to the Office of the City Clerk. If mailing a completed conflict of interest questionnaire, mail to: Office of the City Clerk, P.O. Box 839966, San Antonio, TX 78283-3966. If delivering a completed conflict of interest questionnaire, deliver to: Office of the City Clerk, City Hall, 2nd floor, 100 Military Plaza, San Antonio, TX 78205.\* Bidder should consult its own legal advisor with questions regarding the statute or form. Do not include this form with your sealed bid. The Purchasing Division will not deliver the form to the City Clerk for you.

**State of Texas Conflict of Interest Questionnaire (Form CIQ).** Chapter 176 of the Texas Local Government Code requires that persons, or their agents, who seek to contract for the sale or purchase of property, goods, or services with the City, shall file a completed Form CIQ with the City Clerk if those persons meet the requirements under 176.006(a) of the statute.

By law this questionnaire must be filed with the City Clerk not later than the 7th business day after the date the vendor becomes aware of facts that require the statement to be filed. See Section 176.006(a-1), Texas Local Government Code.

Form CIQ is available from the Texas Ethics Commission by accessing the following web address:

[https://www.ethics.state.tx.us/filinginfo/conflict\\_forms.htm](https://www.ethics.state.tx.us/filinginfo/conflict_forms.htm)

In addition, please complete the City's Addendum to Form CIQ (Form CIQ-A) and submit it with Form CIQ to the Office of the City Clerk. The Form CIQ-A can be found at:

<http://www.sanantonio.gov/attv/ethics/pdf/OCC-CIQ-Addendum.pdf>

When completed, the CIQ Form and the CIQ-A Form should be submitted together, either by mail or hand delivery, to the Office of the City Clerk. If mailing, mail to:

Office of the City Clerk, P.O. Box 839966, San Antonio, TX 78283-3966.

If delivering by hand, deliver to:

City Hall, 100 Military Plaza, San Antonio, TX 78205.

Do not include these forms with your sealed bid. The Purchasing Division will not deliver the forms to the City Clerk for you.

**Certificate of Interested Parties (Form 1295)**

The Texas Government Code §2252.908, and the rules issued by the Texas Ethics Commission found in Title 1, Sections 46.1, 46.3 and 46.5 of the Texas Administrative Code, require a business entity to submit a completed Form 1295 to the City before the City may enter into a contract with that business entity.

Form 1295 must be completed online. It is available from the Texas Ethics Commission by accessing the following web address: [https://www.ethics.state.tx.us/whatsnew/elf\\_info\\_form1295.htm](https://www.ethics.state.tx.us/whatsnew/elf_info_form1295.htm).

Print your completed Form 1295 and sign it in front of a notary. Submit your signed and notarized Form 1295 with your response to this solicitation. Where requested to provide the name of the public entity with whom you are contracting, insert "City of San Antonio". Where requested to provide the contract number, provide the solicitation number shown on the cover page of this solicitation (e.g. IFB 6100001234, RFO 6100001234 or RFCSP 6100001234).

The following definitions found in the statute and Texas Ethics Commission rules may be helpful in completing Form 1295.

"Business entity" includes an entity through which business is conducted with a governmental entity or state agency, regardless of whether the entity is a for-profit or nonprofit entity. The term does not include a governmental entity or state agency. (NOTE: The City of San Antonio should never be listed as the "Business entity".)

"Controlling interest" means: (1) an ownership interest or participating interest in a business entity by virtue of units, percentage, shares, stock, or otherwise that exceeds 10 percent; (2) membership on the board of directors or other governing body of a business entity of which the board or other governing body is composed of not more than 10 members; or (3) service as an officer of a business entity that has four or fewer officers, or service as one of the four officers most highly compensated by a business entity that has more than four officers. Subsection (3) of this section does not apply to an officer of a publicly held business entity or its wholly owned subsidiaries.

"Interested party" means: (1) a person who has a controlling interest in a business entity with whom a governmental entity or state agency contracts; or (2) an intermediary.

"Intermediary," for purposes of this rule, means a person who actively participates in the facilitation of the contract or negotiating the contract, including a broker, adviser, attorney, or representative of or agent for the business entity who:

- (1) receives compensation from the business entity for the person's participation;
- (2) communicates directly with the governmental entity or state agency on behalf of the business entity regarding the contract; and
- (3) is not an employee of the business entity or of an entity with a controlling interest in the business entity.

**004 - SPECIFICATIONS / SCOPE OF SERVICES**

- 4.1 SCOPE:** The City of San Antonio is soliciting bids to provide a 37 tractor trucks and rear ejection horizontal discharge brush trailers, 4 tractor trucks and walking floor trailers, and 8 tractors trucks in accordance with the Building and Equipment Services Department specifications listed herein. This equipment will be utilized by the Solid Waste Management department for various brush collection and mulch transport projects across the City.

This contract will provide Tractor Trucks and Trailers needs from the date of award through December 31, 2018:

Purchase:	Description:	Estimated Quantity:
Before October 2018	Tractor Truck & Rear Ejection Trailer (Combo)	13
Before October 2018	Tractor Truck & Walking Floor Trailer (Combo)	4
Before October 2018	Tractor Truck (Only)	8
After October 2018	Tractor Truck & Rear Ejection Trailer (Combo)	24

- 4.2 GENERAL CONDITIONS:** The following general conditions will apply to all items within this bid unless specifically excluded within any item.

**4.2.1** Equipment shall be manufacturer's latest design, standard production model and shall have been manufactured within the last 12 months from the date of delivery to City. All components shall be installed new, unused, and shall be manufacturer's standard equipment unless otherwise specified or replaced herein. Equipment is to be inspected, serviced, and adjusted in accordance with manufacturer's recommended pre-delivery checklist, and ready for operation upon delivery. Manufacturer's Statement of Origin (MSO) showing manufacture within the last 12 calendar months, and completed pre-delivery checklists will be required at delivery. Equipment offered under the below listed specifications will be considered unacceptable if, for any reason, the equipment's, or major component's, long term availability on the U.S. market, or in the local area, is in doubt. All equipment will conform to the best practice known to the body trade in design, quality of material and workmanship. Assemblies, subassemblies and component parts to be standard and interchangeable throughout the entire quantity of units as specified in this invitation to bid. The equipment furnished must conform to ANSI Safety Standard Z245.1-1999.

**4.2.2** Equipment must include the maximum standard manufacturer's warranty on all components, with parts and service included. All components, parts and service shall include, as a minimum, a one year unlimited mileage/hours warranty. All warranty times shall start the date the vehicle is placed in service as determined by the City, not on the delivery date. The dealer will be notified by letter of the in-service date of each vehicle by serial number. Bidder shall fully explain the warranty by attaching separate, authenticated correspondence or entering such information in the remarks section of this bid. Warranty, reliability, and replacement captive parts costs and availability shall be a consideration in award of this bid. Warranty parts and service must be available within 50 mile radius of San Antonio City Hall from and by a factory-authorized dealer (NO EXCEPTIONS). In the event that a unit purchased from a vendor requires transportation outside of Bexar County for a repair covered under warranty, that vendor shall be responsible for paying for all cost associated with the transportation to and from the warranty repair facility. If the vendor chooses to travel to inspect the unit to determine if the repair needed is covered under warranty, all expenses shall be paid for by the vendor. All warranty repairs must be completed within three (3) business days from the date equipment is delivered to the vendor unless otherwise approved by the appropriate City of San Antonio BESD Fleet Operations Manager or designate. Bidders must certify that all repairs needed after the warranty period will be available within 50 mile radius of San Antonio City Hall.

- 4.2.3 DELIVERY -** All deliveries are to be made inside the City limits of San Antonio. Vendor must deliver equipment to the following address:

City of San Antonio,  
 Northeast Service Center,  
 10303 Tool Yard, Bldg. #2,  
 San Antonio, TX 78233  
 Attn: Acquisitions

Delivery to a non-specified location will result in non-acceptance of the equipment by the City. All deliveries must be pre-arranged with a minimum 24-hour notification, NO EXCEPTIONS. Vehicles will be accepted 8:00 A.M. to

3:00 P.M. CST. Trucks may be allowed up to 2500 miles on the vehicle odometer. All vehicles are required to have a full tank(s) when delivered to City specified location.

- 4.2.4 Literature and Equipment Manuals** – The supplier shall furnish (2) complete sets per vehicle type, of the following: Parts Manual, Maintenance Manual, Service Manual, and Operators Manual, or (4) USB drives with Parts Manual, Maintenance Manual, Service Manual, and Operators Manual. The supplier shall furnish (4) complete sets of detailed literature and specifications of each vehicle type upon contract award. On-line access of Parts Manual, Maintenance Manual, and Service Manual, and Operators Manual is also acceptable.
- 4.2.5 Training** – The City may require operational and maintenance training for equipment. If so, training shall be provided by a qualified instructor and conducted at a designated City facility. The City will not pay any cost incurred by the successful bidder in providing training. Training shall be provided no later than 30 days after the City takes delivery and accepts the new equipment at the specified City facility. Unless otherwise specified, training shall consist of a minimum (1) eight hour day. Payment for new equipment will not be made to successful bidder until training is completed. Operator training shall be coordinated with Fleet Operations staff. For equipment requiring more complex operation the City may require job site operational training that could last multiple days to assure proper machine operation.
- 4.2.6 DEMONSTRATIONS** – The City may request, from selected vendors, a demonstration of proposed equipment. The City is under no obligation to demo all products proposed by vendors. If a demonstration is required, the City's Fleet Operations Manager will contact the vendor to schedule the product demonstration. This request will be considered an integral part of the bid process. Failure to comply may result in the bid being deemed nonresponsive, and therefore, not considered for award. Upon request, the vendor shall have a minimum of five (5) working days to provide and deliver the equipment to a location specified by City for the demonstration. The vendor shall make the equipment available for a minimum of five (5) working days at City's location, but not to exceed ten (10) working days.
- 4.2.7 EVALUATION** – In the event that a demonstration is required, the equipment will be evaluated to determine if the unit meets the minimum bid specifications at the City's discretion.
- 4.2.8 All prices will be quoted F.O.B., designated City of San Antonio facility. All bids should include complete manufacturer's specifications for each model being bid.**
- 4.2.9 Units shall be equipped with OEM, or equal, warning and shut down systems for low oil pressure and or high coolant temperature at a minimum. This requirement applies to all bid line items.**
- 4.2.10 The Manufacturer's Statement of Origin (MSO), Dealer Temporary license plates/tags, proper Invoice, Texas state inspection certificate, signed 130U form and State Weight Certificate/slip (for trucks over one ton) are required upon delivery of each vehicle. Any of these missing items will deem the vehicle delivered Not as Specified and will not be processed or accepted vehicle all required paperwork is completed and provided to Fleet Acquisition.**
- 4.2.11 All bodies and components in this bid will be installed in accordance with the appropriate complete Vehicle Data Manual. Certification of compliance will be posted on the left door post of the vehicle. Except for manufacturer's data plates (maximum 4" x 6"), vendor or manufacturer's identifying markings (decals and plates) will not be applied to the vehicle or mounted components. Installation will be completed in compliance with Federal Motor Vehicle Department of Transportation Standards and Texas State Highway requirements. Installation of body and accessories on City furnished vehicles will be accomplished by drilling holes in the frame. Welding on or cutting of frame is not authorized forward of the rear spring hanger or support. Bidders will be responsible for the relocation of any truck components to facilitate installation of the body and equipment. Such relocation must be included as part of the basic bid. No dealership nameplates, markings or decals will be permitted on the vehicles.**
- 4.2.12 All vehicles are to be equipped at the factory with air conditioning/Heater/defroster, (Maximum capacity cooling system offered by manufacturer), full headliner minimum OEM AM/FM radio, power steering, power ABS brakes, power and heated mirrors, manual tilt steering wheel and power windows and door locks. Each unit shall have a minimum three (3) sets of keys. Convenience Features: Vehicle shall be equipped with adjustable seats; intermittent wipers, cruise control. All lighting shall be LED where available.**
- 4.2.13 All units shall be equipped with safety equipment as required by the Federal Government. All units shall MEET ALL SAFETY STANDARDS AND REQUIREMENTS.**

- 4.2.14 Any diesel engine being bid must conform to latest NOx EPA and GHG emission standard in effect at the time of offer. Vendor must supply a copy of the latest Emissions Certificate of Conformity for the vehicles bid. Only engines using selective catalytic reduction (SCR) technology will be accepted.
- 4.2.15 All vehicles provided shall be equipped with OEM tinted glass.
- 4.2.16 Vehicles provided shall have a minimum of a driver's seat and one passenger seat, unless otherwise specified.
- 4.2.17 Exterior and Interior Color: Unless otherwise specified, each vehicle shall have a white exterior body color. Unless otherwise specified, interior coloring shall be grey.

4.3	ITEM	QUANTITY	DESCRIPTION
	1	37	1A - 52K or Greater GVWR Conventional Tractor Truck 1B - Rear Ejection, Horizontal Discharge Brush Trailers

**1A CONVENTIONAL TRACTOR TRUCK SPECIFICATIONS:**

**Tractors and Trailers are to be delivered as one combo unit. Upon delivery, wet kit connections must be completely equipped for operation with the Rear Ejection, Horizontal Discharge Brush Trailer.**

- 4.3.1 **ENGINE:** Minimum 8.9L diesel engine, minimum 350 net horsepower with engine brake.
- 4.3.2 **GVWR:** Minimum 52,000 lbs.
- 4.3.3 **ELECTRICAL:** Units to be equipped with heavy duty batteries capable of a total 2100 CCA.
- 4.3.4 **TRANSMISSION/ DRIVE:** Heaviest duty automatic transmission; Allison 3000 transmission is acceptable or equal. Shifter may be a dash/column/stock mounted. Floor mounted shifters will not be acceptable.
- 4.3.5 **FRAME:** 2,000,000 RBM and 120,000 yield strength minimums. Frame shall be anti-corrosion treated.
- 4.3.6 **FRONT AXLE:** SBFA minimum 12,000 lbs. wide track option with a minimum 12,000 lbs. spring with Stemco or proven equal front wheel bearing oiler or maintenance free axle approved. To include heavy duty front shocks. Sheppard HD94 power steering or equivalent. Must have capability to grease front springs.
- 4.3.7 **REAR AXLE:** Tandem axle configuration- 6x4 design. Single speed tandem drive, minimum 40,000 lbs. capacity with lube pump. Gear ratio installed must be capable of 70 +/- 2 mph geared road speed at full engine governed RPM. Driver controlled differential locks on both rear axles.
- 4.3.8 **SUSPENSION:** Equipped with manufacturer's heavy duty spring suspension applicable to axle ratings and overall gross vehicle weight
- 4.3.9 **WHEELS & TIRES:** Wheels to be 10 hole hub piloted steel disk wheel, minimum 11R-22.5, steel belted tubeless radials, minimum load range G tires, on/off highway tread design. Front wheels to be highway tread design. Rear dual wheel application to be on-off, self-cleaning, lug design. All wheels to be equipped with highest temperature rated fluorescent loose lug indicators.
- 4.3.10 **BRAKES:** Full air disc brake with dust shields and ABS brake control system. Brakes to be the maximum O.E.M size offered of disc brakes front and rear to meet or exceed Federal brake requirements. Air disc brake internal adjuster's front and rear. Minimum 15.9 CFM compressor, Bendix AD-IS air dryer or equal with automatic drain valves on all tanks. It is preferred that the air tanks be grouped together, easily accessible to an operator standing at the side of the truck. If not possible, all air tank drains shall be plumbed to a manifold system where drain valves are at one location, easily accessible to an operator standing at the side of the truck. Spring set parking brakes on rear axle are to be equipped. Female coupling ½" Milton M Type or approved equal to air tanks.
- 4.3.11 **FUEL SYSTEM:** Single left or right hand aluminum tank mounted under cab or dual left and right hand step tanks mounted under cab. Minimum to fuel capacity to be 70 gallons. Fuel filtration to include primary and secondary filtering systems with automatic water separator. Diesel Exhaust Fluid (DEF) tank and gauge to be equipped if applicable.

**4.3.12 CAB:** Air suspension cab with, tilt hood, left and right hand cab grab handles, and manufacturer's standard AM/FM radio. Convex mirrors installed on both front fenders to provide view of obstacles on right side of truck from front bumper to rear wheels. Driver seat to be air ride, high back bucket type. Passenger seating to be bench to seat 2. Seat belt will be safety orange (seat belt cover not acceptable).

**4.3.13 EXHAUST SYSTEM:** Horizontal muffler, heat guard and tailpipe turned out in front of rear tires.

**4.3.14 TOW HOOKS:** Two front tow hooks installed on frame and strengthened sufficiently to lift, pull, and tow truck without damaging bumper or other body parts. A wire rope, minimum 1" inch in diameter, shall be provided and fastened to both tow hooks to attach tow equipment.

**4.3.15 CATWALK:** A catwalk and access steps constructed of expanded metal grating or perforated metal to provide a non-slip surface. Aluminum will be acceptable unfinished. Provided and installed between the truck frame rails behind the cab and to extend all the way to the fifth wheel slide, to provide the operator a place to stand while making hydraulic, electrical, and pneumatic connections. Catwalk will be mounted as to not contact trailer while traversing uneven terrain. Vehicle shall have full coverage split rear steel fenders covering all wheels as to not contact trailer.

**4.3.16 ACCESSORIES:**

**4.3.16.1** Tractor air brake system and 7-line trailer connector.

**4.3.16.2** Backup alarm

**4.3.16.3** Power ports (2)

**4.3.16.4** Deleted:

**4.3.16.5** Vehicle shall have full coverage split rear steel fenders (tread plate or corrugated steel) covering all wheels as to not contact trailer. Same tread plate or corrugated steel shall be used for access to battery box and step into cab.

**4.3.16.6** Battery disconnect switch will be installed near the battery box or inside of cab.

**4.3.16.7** Truck shall be equipped with a Velvac Fleet Guard Advanced Vehicle Recording System, brand specific to include: HD420 DVR; (2) Velvac Aero hood mounted cameras, one forward facing camera and one camera mounted on rear of trailer. No substitutions shall be accepted.

**4.3.16.8** Mobileye 6 Series (Mobileye 630) Collision Avoidance System shall be installed. This is a vision sensor complete with audible and visual alerts to prevent collision. Visual alert can be dash mounted in driver's line of sight, and audible speaker can be mounted anywhere at passenger's side in cab. No substitutions shall be accepted.

**4.3.16.9** Truck shall be equipped with a modular Tilt-Tele on steering column.

**4.3.17 FIFTH WHEEL:** Heavy-duty type "A" mechanical spring lock with positive safety latch, angle on frame mounting and left hand release is required. Mounted at 50.5 inches and must be compatible with trailer kingpin position and height. Holland W-35 Series or equal, low profile. Unit shall be equipped with grease fittings able to be serviced while trailer is connected.

**4.3.18 WET KIT:** Trailer kit to include in-cab controls. A hot shift PTO mounted and a direct mount pump will be installed on the truck transmission which produces 50-90% of engine RPM. An aluminum hydraulic reservoir to be frame rail mounted and be a minimum of 100 gallon capacity. Hydraulic controls to be mounted inside truck cab readily accessible to the driver. Wet kit to be filled to capacity with SAE 10 Hydraulic oil. All valves and fittings required to make wet kit and trailer completely operational to include one female quick coupler and one make quick coupler. Tractor truck shall be equipped with ball valves on return side of trailer with filter on suction and return of tank.

**4.3.19 WET KIT CONNECTION PART NUMBERS FOR REAR EJECTION, HORIZONTAL DISCHARGE BRUSH TRAILER:**

**4.3.19.1** **TARP POWER PLUG CONNECTOR:** Napa part #740235, or equivalent part compatible to trailer design. Item should be installed on a minimum 150 amp circuit breaker tied to battery box.

**4.3.19.2** **HYDRAULIC QUICK CONNECT:** Part #5100s220b and #5100s520b, or equivalent parts compatible to trailer design.

**4.3.19.3** **FOUR-PRONG STROBE LIGHT PLUG:** Pollak part #11402 and #11404, equivalent parts compatible to trailer design

**4.3.20 SAFETY:** All vehicles will require an audible back up alarm and amber color LED strobe lights model Grote 77353, or equal. Strobe lights are to be installed in the front grill. Strobes to be wired to a direct connect battery cutoff switch installed in the cab.

**1B REAR EJECTION, HORIZONTAL DISCHARGE BRUSH TRAILER SPECIFICATIONS:**

**SPECIFICATION:** Semi-Trailer, rear ejection, horizontal discharge. Trailer length 37' minimum and 39' maximum. Trailer height, measured from the ground to the highest point of the trailer side rails, must not exceed 138 inches (+/- 2"). Sides to be minimum 10-gauge steel with vertical posts on 24 inch centers. A lockable, water tight, toolbox, approximately 18-inches high, 18-inches deep and 20-inches wide, shall be securely mounted to right side of the body.

**4.3.21 EJECTOR:** Entire load to be ejected by a push plate that is to be driven by a ejector cylinder that is double acting, 5-stage minimum with center support. Push plate to have replaceable steel shoes and be guided along a 6" car or ship channel track, minimum 15.3 to 16.3-lbs. System must be designed and capable of ejecting entire load in two and one-half (2 1/2) minutes or less. All hydraulic components including cylinders, seals, and connections shall be covered under a five (5)-year limited warranty to manufacturer defect for hydraulic cylinder from inservice date. Ejector cylinder shall be made available by vendor to the City of San Antonio within 48 hours of part request during and after warranty period.

**4.3.22 BODY CONSTRUCTION:** Corner post shall be 1/2" steel minimum 12" in width. Other posts to be minimum 10-gauge steel. A tapered gusset shall be installed approximately 12" high between rear post and first forward post from the rear. Two (2) full length side wall horizontal braces to be installed. Horizontal braces of minimum 10-gauge steel to be equally spaced for the length of the trailer, dirt shedder type design. Horizontal and vertical reinforcements for side and floor will be provided in a boxed design spaced no more than 24 inches apart. Length of floor to have minimum 6" I-beam long sills with minimum 4" Jr. I-beam cross members no more than 12" apart. Floor sheet rub rail to have return bends. Ten (10) grease fittings per side for lubricating ejector guide channels. Side to be minimum 10-gauge high tensile steel with vertical posts on 24" centers. Top rail to be of 3" X 4" X 1/4" box steel or tubing, angled to shed dirt. All seams will be fully welded and watertight. Completed body will be thoroughly cleaned, sprayed, or dipped in rust preventing primer. Primer coat to be thoroughly dry prior to final two coats. Body color will be Medium Grey Metallic, Sherwin-Williams, Dimensions, urethane enamel, paint code - DFP386, mix code - # 50374. Trailer shall have a "Sign Holder" constructed of carbon steel angle material. Approximate overall dimensions shall be 18" high X 36" long with continuous fillet wells on corners and no gaps with open top to insert signs. Sign holder shall be on both left and right side of trailer midpoint. A bracket shall be mounted to the trailer to secure a pitch fork on the curb side or right side. All electrical wiring and hydraulic hoses shall be protected by rubber grommets if routed through any metal bulkheads to prevent chafing of components. All wiring connections and pigtails shall be soldered and sealed with heat shrink.

**4.3.23 TAILGATE:** "Barn door" type, hinged at right side of tailgate allowing tailgate to swing out fully to right side of trailer. Four hinges evenly spaced from top to bottom, with minimum 1/2" hinge pins. Heavy-duty provisions to secure door in full open position against body side required. Tailgate to be manufactured of minimum 10-gauge steel with boxed type reinforcements on all sides with basic sheet wrapped over top and under bottom. Base section must be sloped to form a dirt-free self-cleaning edge. A positive firm locking latch, which can be operated from ground level, will be used to secure the doors in the closed position. Minimum three (3) each, ratchet type cam locks, to be installed on left side of door to ensure proper door closure. Design of door must include support of door on body platform instead of sides when doors are closed. All hinges will have Zert fittings to facilitate lubrication. Metal alignment ramp will be attached to aid in closing door.

**4.3.24 WHEELS & BRAKES:** Dual wheel, dual axle, system compatible to GVWR of vehicle. Brakes to be full air ABS with automatic slack adjusters and must meet or exceed D.O.T. requirements for rated GVWR. Wheels to be 10-stud hubs, outboard uni-mount drums with 11R 22.5 minimum, load range H, 16 ply rating steel belted radial tires self-cleaning lug design, (Goodyear G124 series or equal) installed. Must include highest temperature rated fluorescent loose lug indicators

**4.3.25 LIGHTING:** All lighting and reflectors will meet D.O.T. requirements. Reflectors shall be attached with mechanical fasteners. Stop lights, turn signals, marker and clearance lights shall be LED-type and mounted to reduce the possibility of damage from contact with brush. Four (4) strobe lights to be installed on the rear of the trailer in each corner. Strobe lights on trailer and tractor will be wired to operate whenever the ignition switch is on with no switch in the cab. Conspicuity tape markings will be installed on both sides and across the rear of the trailer. Strobe lights on trailer and tractor will be operated by a single switch in cab.

- 4.3.26 **LANDING GEAR:** Two-stage crank telescopic landing gear with minimum load capacity of 80,000-lbs. and lift capacity of 40,000-lbs. minimum, to include minimum 12"X12" landing gear pad. Landing gear shall have minimum storage height of 16 inches in the "up" position. Landing gear shall be long enough to stand without the aid of blocks for a top of fifth wheel height of 50.5".
- 4.3.27 **BODY COVER ASSEMBLY:** Tarp system to be Pull Tarps, Universal Super Shield Automated Arm System, part number S9EL, with steel arms, or equal. Motor to be mounted in the "down" position. A weather proof control panel, with a minimum 25-amp auto-reset breaker, to operate tarp system will be located in conjunction with the hydraulic controls and shall not be more than 6ft off the ground. Controls to operate the tarp system will not be placed in the cab of the tractor. Tarp material to be Pull Tarps Combo Mesh, or proven equal.
- 4.3.28 **AXLE/ SUSPENSION:** Dual / Tandem axle minimum 34,000 pound capacity with spring suspension containing leaf springs. Axles shall all be mounted a uniform distance from rear of the trailer.
- 4.3.29 **TOOLBOX:** A lockable water tight tool box, approximately 18" (inches) deep and 20" (inches) wide, shall be securely mounted to curbside of the body.

4.4	ITEM	QUANTITY	DESCRIPTION
	2	4	2A - 52K or Greater GVWR Conventional Tractor Truck 2B - Minimum 48' ft. Walking Floor Mulch Trailer

**2A CONVENTIONAL TRACTOR TRUCK SPECIFICATIONS:**

Tractors and Trailers are to be delivered as one combo unit. Upon delivery, wet kit connections must be completely equipped for operation with the Walking Floor Mulch Trailer specified.

- 4.4.1 **ENGINE:** Minimum 8.9L diesel engine, minimum 350 net horsepower with engine brake.
- 4.4.2 **GVWR:** Minimum 52,000 lbs.
- 4.4.3 **ELECTRICAL:** Units to be equipped with heavy duty batteries capable of a total 2100 CCA.
- 4.4.4 **TRANSMISSION/ DRIVE:** Heaviest duty automatic transmission; Allison 3000 transmission is acceptable or equal. Shifter may be a dash/column/stock mounted. Floor mounted shifters will not be acceptable.
- 4.4.5 **FRAME:** 2,000,000 RBM and 120,000 yield strength minimums. Frame shall be anti-corrosion treated.
- 4.4.6 **FRONT AXLE:** SBFA minimum 12,000 lbs. wide track option with a minimum 12,000 lbs. spring with Stemco or proven equal front wheel bearing oiler or maintenance free axle approved. To include heavy duty front shocks. Sheppard HD94 power steering or equivalent. Must have capability to grease front springs.
- 4.4.7 **REAR AXLE:** Tandem axle configuration- 6x4 design. Single speed tandem drive, minimum 40,000 lbs. capacity with lube pump. Gear ratio installed must be capable of 70 +/- 2 mph geared road speed at full engine governed RPM. Driver controlled differential locks on both rear axles.
- 4.4.8 **SUSPENSION:** Equipped with manufacturer's heavy duty spring suspension applicable to axle ratings and overall gross vehicle weight
- 4.4.9 **WHEELS & TIRES:** Wheels to be 10 hole hub piloted steel disk wheel, minimum 11R-22.5, steel belted tubeless radials, minimum load range G tires, on/off highway tread design. Front wheels to be highway tread design. Rear dual wheel application to be on-off, self-cleaning, lug design. All wheels to be equipped with highest temperature rated fluorescent loose lug indicators.
- 4.4.10 **BRAKES:** Full air disc brake with dust shields and ABS brake control system. Brakes to be the maximum O.E.M size offered of disc brakes front and rear to meet or exceed Federal brake requirements. Air disc brake internal adjuster's front and rear. Minimum 15.9 CFM compressor, Bendix AD-IS air dryer or equal with automatic drain valves on all tanks. It is preferred that the air tanks be grouped together, easily accessible to an operator standing at the side of the truck. If not possible, all air tank drains shall be plumbed to a manifold system where drain valves are at one location, easily accessible to an operator standing at the side of the truck. Spring set

parking brakes on rear axle are to be equipped. Female coupling ½" Milton M Type or approved equal to air tanks.

- 4.4.11 FUEL SYSTEM:** Single left or right hand aluminum tank mounted under cab or dual left and right hand step tanks mounted under cab. Minimum to fuel capacity to be 70 gallons. Fuel filtration to include primary and secondary filtering systems with automatic water separator. Diesel Exhaust Fluid (DEF) tank and gauge to be equipped if applicable.
- 4.4.12 CAB:** Air suspension cab with, tilt hood, left and right hand cab grab handles, and manufacturer's standard AM/FM radio. Convex mirrors installed on both front fenders to provide view of obstacles on right side of truck from front bumper to rear wheels. Driver seat to be air ride, high back bucket type. Passenger seating to be bench to seat 2. Seat belt will be safety orange (seat belt cover not acceptable).
- 4.4.13 EXHAUST SYSTEM:** Horizontal muffler, heat guard and tailpipe turned out in front of rear tires.
- 4.4.14 TOW HOOKS:** Two front tow hooks installed on frame and strengthened sufficiently to lift, pull, and tow truck without damaging bumper or other body parts. A wire rope, minimum 1" inch in diameter, shall be provided and fastened to both tow hooks to attach tow equipment.
- 4.4.15 CATWALK:** A catwalk and access steps constructed of expanded metal grating or perforated metal to provide a non-slip surface. Aluminum will be acceptable unfinished. Provided and installed between the truck frame rails behind the cab and to extend all the way to the fifth wheel slide, to provide the operator a place to stand while making hydraulic, electrical, and pneumatic connections. Catwalk will be mounted as to not contact trailer while traversing uneven terrain. Vehicle shall have full coverage split rear steel fenders covering all wheels as to not contact trailer.
- 4.4.16 ACCESSORIES:**
  - 4.4.16.1** Tractor air brake system and 7-line trailer connector.
  - 4.4.16.2** Backup alarm
  - 4.4.16.3** Power ports (2)
  - 4.4.16.4** Deleted.
  - 4.4.16.5** Vehicle shall have full coverage split rear steel fenders (tread plate or corrugated steel) covering all wheels as to not contact trailer. Same tread plate or corrugated steel shall be used for access to battery box and step into cab.
  - 4.4.16.6** Battery disconnect switch will be installed near the battery box or inside of cab.
  - 4.4.16.7** Truck shall be equipped with a Velvac Fleet Guard Advanced Vehicle Recording System, brand specific to include: HD420 DVR; (2) Velvac Aero hood mounted cameras, one forward facing camera and one camera mounted on rear of trailer. No substitutions shall be accepted.
  - 4.4.16.8** Mobileye 6 Series (Mobileye 630) Collision Avoidance System shall be installed. This is a vision sensor complete with audible and visual alerts to prevent collision. Visual alert can be dash mounted in driver's line of sight, and audible speaker can be mounted anywhere at passenger's side in cab. No substitutions shall be accepted.
  - 4.4.16.9** Truck shall be equipped with a modular Tilt-Tele on steering column.
- 4.4.17 FIFTH WHEEL:** Heavy-duty type "A" mechanical spring lock with positive safety latch, angle on frame mounting and left hand release is required. Mounted at 50.5 inches and must be compatible with trailer kingpin position and height. Holland W-35 Series or equal, low profile. Unit shall be equipped with grease fittings able to be serviced while trailer is connected.
- 4.4.18 WET KIT:** Trailer kit to include in-cab controls. A hot shift PTO mounted and a direct mount pump will be installed on the truck transmission which produces 50-90% of engine RPM. An aluminum hydraulic reservoir to be frame rail mounted and be a minimum of 100 gallon capacity. Hydraulic controls to be mounted inside truck cab readily accessible to the driver. Wet kit to be filled to capacity with SAE 10 Hydraulic oil. All valves and fittings required to make wet kit and trailer completely operational to include one female quick coupler and one make quick coupler. Tractor truck shall be equipped with ball valves on return side of trailer with filter on suction and return of tank.

**4.4.19 WET KIT CONNECTION PART NUMBERS FOR 48' WALKING MULCH TRAILER:**

- 4.4.19.1** PSI: Trailer shall be operated by a two (2) hose 3,000 psi wet kit.

**4.4.19.2 PRESSURE CONNECT:** Parker part #6105-16, or equivalent part compatible to trailer design.

**4.4.19.3 RETURN CONNECT:** Parker part #6105-20 or equivalent part compatible to trailer design.

**4.4.20 SAFETY:** All vehicles will require an audible back up alarm and amber color LED strobe lights model Grote 77353, or equal. Strobe lights are to be installed in the front grill. Strobes to be wired to a direct connect battery cutoff switch installed in the cab.

**2B MINIMUM 48' ft. WALKING FLOOR MULCH TRAILER SPECIFICATIONS:**

**Trailer design to be front mount drive system. No parts or hoses are to be under the trailer.**

**4.4.21 GROSS COMBINED WEIGHT (Lbs.):** The allowable gross combined weight (GCW) shall not be less than 80,000 pounds.

**4.4.22 BODY LENGTH:** Minimum length to be 48' ft. and not to exceed 56' ft.

**4.4.23 OUTSIDE BODY WIDTH:** Minimum outside body width to be 102"- no taper.

**4.4.24 INSIDE BODY WIDTH:** Minimum inside body width to be a 93"

**4.4.25 TRAILER OVERALL HEIGHT:** Minimum overall height to be between 13' and 14'.

**4.4.26 TRAILER CAPACITY:** Minimum 110 Cubic Yards

**4.4.27 TRAILER BODY INSIDE HEIGHT:** Minimum 102"

**4.4.28 CONSTRUCTION:** Trailer is to be all Aluminum, no steel superstructure. Steel components are limited to coupler and kingpin, landing gear, sub-frame, suspension, axles, hubs and drums, wheels, hinges, bumper and crossties at top.

**4.4.29 SIDES:** The wall will be .175 thick, 5454 H34 Aluminum alloy, solid welded to side posts, top rails and lower rails. Inside of trailer is smooth, no backer plates.

**4.4.30 EXTERIOR VERTICAL CONFIGURATIONS:** Exterior has no rivets, no hat sections. Exterior posts are 6061 T6 Aluminum Extrusions, 8" wide, by 4" deep and are on 28" centers. Post sides are tapered for aerodynamics. Each post is robotically solid welded to the side sheet and is solid welded to both the top and bottom rails.

**4.4.31 TOP RAILS:** Top rails are 606 I-T6 Aluminum extrusions, one piece, full length, 8" tall by 4 1/2" wide. The top is .400 thick and sheds to the inside. This is a heavy-duty spec. top rail that we use on all MSW trailers.

**4.4.32 BOTTOM RAILS:** Bottom rails are 6061 T6 Aluminum extrusion boxed 6"x4". It is full length, no splices. The floor cross members are solid welded to the inner face of the tube.

**4.4.33 BODY CROSS SILLS:** Body cross sills are 6061 T6 extruded aluminum I beams, 5" deep, 3" wide flange, solid welded to bottom rails on 12" centers. Web is .250 thick and flange is approximate .250 and weighs 3.4 lbs. per foot.

**4.4.34 SUSPENSION CROSS SILLS:** 4" x 2 1/4" x .188" 50,000 lb. minimum yield strength formed channels on 12" centers typical.

**4.4.35 KING PIN CROSS SILLS:** The coupler plate is all steel, 3/8" thick with 2" King pin set at 36". The cross sills supporting the coupler area are all Aluminum I- Beams, 5 1/2" deep with 5" flanges. Top flange is 1/2" thick, bottom Flange is 5/8" thick and web is 1/2" thick.

**4.4.36 FRONT INSPECTION WINDOW:** The window in the nose is 12" high x 16" with bottom 35" up and is off set to Drivers side with edge on center line.

**4.4.37 REAR TOW BAR:** These are steel hooks designed for this application and are bolted to the steel sub-frame.

- 4.4.38 JOINTS:** These are cross-pipes, securements of side walls at top of trailer. They are steel tubes at top, (front, middle and rear) 3x3x3- 1 6" steel bolted to an aluminum plate that is permanently attached to the side wall. The design is for ease of replacement in the aftermarket.
- 4.4.39 SUSPENSION:** Suspension is a Reyco 218-15/3 Leaf with high arch springs. 25,000 lb. rated axles with the same inner and outer bearings. Hangers are weld on straddle mounted.
- 4.4.40 AXLES:** Meritor brand, or equivalent, 5" round, 5/8" wall thickness, 25,000 lb. Capacity, 30" settings. Include hub odometer, stemco seals and visual Dust caps.
- 4.4.41 LANDING GEAR:** Holland Mark V 200,000 lb. static, 23,000 lb. side thrust, 2-speed crank-down with self-leveling round shock foot. Each landing gear leg to have one brace to rear and two braces to inside. Bracing shall be of 2"x 2"x W steel angle. Crank handle to be mounted high enough to prevent stooping or bending when rolling landing gear up or down. Operation to be from driver's side. Landing gear shall be long enough to stand without the aid of blocks.
- 4.4.42 BRAKES:** Standard ABS is 4S/2M Wabco which protects all 4 wheel ends and eliminates tire flat spotting.
- 4.4.43 TIRES & WHEELS:** 11R22.5 Load Range H, 16 ply. Wheels are to be 10 hole hub piloted steel disc wheels. Full mud flaps to be installed. Florescent loose lug indicators located on both axles.
- 4.4.44 TOP COVER:** Shall have an Aero Lid 2 side flip tarp system with electric conversion kit option and shall be installed with swing drop on driver's side.
- 4.4.45 REAR DISCHARGE DOORS:** Single Aluminum Door, sheet is .175 , 5454 H34 framed with 4 1/2" extruded boxed channel on four sides, manual steel cam lock rear closing system with 3 heavy-duty steel latches located on drivers side, welded solid to a steep pin allowing the latches to swing free. Steel latch fingers catch the center of the plates to close the gate locking it with a break over center action. Four (4) heavy-duty greasable hinges, with replicable hinge pins coated on the curbside of the trailer, bolted through the rear post. There will be a tailgate retainer chain from the chain from the gate that will slip through a bracket on the curbside of the trailer to hold the tailgate, including stop/turn, tag lights and 3 lamp markers. The goal is to stop trash from blocking and damaging the taillights. Mud flaps will be connected on the tailgate so that they swing out of the way while uploading, preventing damage and ripping loose.
- 4.4.46 FLOOR SYSTEM:** Floor system supplied shall be Halco with the following respective specifications.
- 4.4.47 CYLINDER MODULE:** Halco 8000 Brute series hydraulic cylinder module, equipped with three (3) 4.5" 1D bore cylinders with 8" stroke. Stationary cylinders arranged in tandem aluminum manifolds by eight (8) 3/8" grade 8 bolts which extend through the cylinder set. Cylinder shafts are to be a solid 2" diameter and chrome plated. Limited external plumbing to use 3/4" two wire braid hydraulic hose only. Heavy duty rectangular tube type, welded steel construction to be mounted directly to cylinder shafts only, via the Halco six (6) bolt assembly.
- 4.4.48 DECK:** Decking will be bolted to the cross drives with not less than four (4) 3/8" diameter counters Allen head bolts with lock nuts.
- 4.4.49 DECK BEARING:** Deck bearings to be high density polyethylene and supplied at 432 sq. inches per foot of trailer length. There shall be bearings mounted at each cross sill and additional maximum fill over tractor and trailer suspension areas. There shall be additional bearings installed at the front and rear of the drive unit and at each end of the trailer.
- 4.4.50 DECK SLATS:** Deck slats will be the Halco style 37-1 Triple Ridge (or equivalent) extruded from 6061-T6 aluminum. Each slat to be 3 7/8" wide and 1.81 25" in height. Minimum thickness shall be 3/16" on the upper floor. There shall be a 5/8" base to 3/8" tapered ridge at each edge. Deck will consist of (24) pieces for an overall deck width of 93.75". Deck widths less than 93.75" shall not be considered responsive. High density polyethylene hold down bearing blocks will be incorporated at the rear of the floor to support the deck.
- 4.4.50 DECK SLATS:** Deck slats will be the Halco style 37-O Triple Ridge HD (or equivalent) extruded from 6061-T6 aluminum. Deck will consist of (24) pieces for an overall deck width of 93.75". Deck widths less than 93.75" shall not be considered responsive High density polyethylene hold down bearing blocks will be incorporated at the rear of the floor to support the deck.
- 4.4.51 HYDRAULIC SYSTEM REQUIRED:** Between 25-45 gpm pump recommended; 2500-3000 psi pressure minimum. Hydraulic couplings to be mounted center front of trailer. Hydraulic lines shall be made of steel from 19

of 3/8 coupling to approximate area of drive unit. Couplings shall be secured so that they will not break when tractor is turning. All hydraulic hoses lines will be 3/4" minimum inside diameter 2 wire braids.

- 4.4.52 **HYDRAULIC OIL:** Select a petroleum or mineral base anti-wear (AW) hydraulic fluid in ISO viscosity grade 46 or 68. Most synthetic and vegetable based biodegradable hydraulic fluids are also compatible provided the moisture content in the fluid is kept below 1%. Hydraulic fluid temperatures must always be kept below 200° F (93° C).
- 4.4.53 **RELIEF VALVE:** The relief valve must be external, relieved directly to tank, and set at 3000 psi [207 Bar] maximum. The relief valve must be able to handle the maximum system flow rate.
- 4.4.54 **FILLER CAP:** Filler cap must have a fill filter and a breather cap (sized greater than the system flow rate) unless breather cap is already provided separately.
- 4.4.55 **QUICK CONNECTS:** Mating quick connects must be of the same type and must be rated above the maximum system flow.
- 4.4.56 **FILTER:** A 25 micron (or finer) filter rated above the maximum flow rate of the system must be installed on the return line.
- 4.4.57 **PRESSURE GAUGE:** 0 to 5000 PSI [0 to 350 Bar] range, glycerin filled.
- 4.4.58 **LIGHTS:** All lights to conform to applicable I.C.C. and D.O.T. requirements. There shall be a total of ten (10) clearance /marker lights, two (2) at the top front corner radius, and two (2) at the bottom front corner radius. There shall be four (4) 4" stop/turn/ tail combination lights on the lower apron and two (2) at the rear- each side. Lights on lower apron shall be protected above with steel shed/drip plates and have a hinged screen cover.
- 4.4.59 **WIRING:** Unit will have a sealed wiring harness and be equipped with grommets and ATA color coated with a 7 way connector- City standard.
- 4.4.60 **SEALER:** All interior floor level seams to be sealed with a silicone sealant.
- 4.4.61 **PAINT:** All steel to have one coat rust inhibitor epoxy primer and two coats of PPG DUHS 8000 (or equivalent) automotive grade industrial enamel white finish. All parts to receive one coat of primer before assembly.
- 4.4.62 **STEPS:** Unit shall be equipped with cast aluminum steps at front driver's side of trailer on 12" vertical centers.

4.5	ITEM	QUANTITY	DESCRIPTION
		3	8
			52K or Greater GVW Conventional Tractor Truck

Upon delivery, tractor wet kit connections must be completely equipped for operation with the Rear Ejection, Horizontal Discharge Brush Trailer.

- 4.5.1 **ENGINE:** Minimum 8.9L diesel engine, minimum 350 net horsepower with engine brake.
- 4.5.2 **GVWR:** Minimum 52,000 lbs.
- 4.5.3 **ELECTRICAL:** Units to be equipped with heavy duty batteries capable of a total 2100 CCA.
- 4.5.4 **TRANSMISSION/ DRIVE:** Heaviest duty automatic transmission; Allison 3000 transmission is acceptable or equal. Shifter may be a dash/column/stock mounted. Floor mounted shifters will not be acceptable.
- 4.5.5 **FRAME:** 2,000,000 RBM and 120,000 yield strength minimums. Frame shall be anti-corrosion treated.
- 4.5.6 **FRONT AXLE:** SBFA minimum 12,000 lbs. wide track option with a minimum 12,000 lbs. spring with Stemco or proven equal front wheel bearing oiler or maintenance free axle approved. To include heavy duty front shocks. Shepard HD94 power steering or equivalent. Must have capability to grease front springs.
- 4.5.7 **REAR AXLE:** Tandem axle configuration- 6x4 design. Single speed tandem drive, minimum 40,000 lbs. capacity with lube pump. Gear ratio installed must be capable of 70 +/- 2 mph geared road speed at full engine governed RPM. Driver controlled differential locks on both rear axles.

- 4.5.8 SUSPENSION:** Equipped with manufacturer's heavy duty spring suspension applicable to axle ratings and overall gross vehicle weight
- 4.5.9 WHEELS & TIRES:** Wheels to be 10 hole hub piloted steel disk wheel, minimum 11R-22.5, steel belted tubeless radials, minimum load range G tires, on/off highway tread design. Front wheels to be highway tread design. Rear dual wheel application to be on-off, self-cleaning, lug design. All wheels to be equipped with highest temperature rated fluorescent loose lug indicators.
- 4.5.10 BRAKES:** Full air disc brake with dust shields and ABS brake control system. Brakes to be the maximum O.E.M size offered of disc brakes front and rear to meet or exceed Federal brake requirements. Air disc brake Internal adjuster's front and rear. Minimum 15.9 CFM compressor, Bendix AD-IS air dryer or equal with automatic drain valves on all tanks. It is preferred that the air tanks be grouped together, easily accessible to an operator standing at the side of the truck. If not possible, all air tank drains shall be plumbed to a manifold system where drain valves are at one location, easily accessible to an operator standing at the side of the truck. Spring set parking brakes on rear axle are to be equipped. Female coupling ½" Milton M Type or approved equal to air tanks.
- 4.5.11 FUEL SYSTEM:** Single left or right hand aluminum tank mounted under cab or dual left and right hand step tanks mounted under cab. Minimum to fuel capacity to be 70 gallons. Fuel filtration to include primary and secondary filtering systems with automatic water separator. Diesel Exhaust Fluid (DEF) tank and gauge to be equipped if applicable.
- 4.5.12 CAB:** Air suspension cab with, tilt hood, left and right hand cab grab handles, and manufacturer's standard AM/FM radio. Convex mirrors installed on both front fenders to provide view of obstacles on right side of truck from front bumper to rear wheels. Driver seat to be air ride, high back bucket type. Passenger seating to be bench to seat 2. Seat belt will be safety orange (seat belt cover not acceptable).
- 4.5.13 EXHAUST SYSTEM:** Horizontal muffler, heat guard and tailpipe turned out in front of rear tires.
- 4.5.14 TOW HOOKS:** Two front tow hooks installed on frame and strengthened sufficiently to lift, pull, and tow truck without damaging bumper or other body parts. A wire rope, minimum 1" inch in diameter, shall be provided and fastened to both tow hooks to attach tow equipment.
- 4.5.15 CATWALK:** A catwalk and access steps constructed of expanded metal grating or perforated metal to provide a non-slip surface. Aluminum will be acceptable unfinished. Provided and installed between the truck frame rails behind the cab and to extend all the way to the fifth wheel slide, to provide the operator a place to stand while making hydraulic, electrical, and pneumatic connections. Catwalk will be mounted as to not contact trailer while traversing uneven terrain. Vehicle shall have full coverage split rear steel fenders covering all wheels as to not contact trailer.
- 4.5.16 ACCESSORIES:**
- 4.5.16.1** Tractor air brake system and 7-line trailer connector.
  - 4.5.16.2** Backup alarm
  - 4.5.16.3** Power ports (2)
  - 4.5.16.4** Deleted:
  - 4.5.16.5** Vehicle shall have full coverage split rear steel fenders (tread plate or corrugated steel) covering all wheels as to not contact trailer. Same tread plate or corrugated steel shall be used for access to battery box and step into cab.
  - 4.5.16.6** Battery disconnect switch will be installed near the battery box or inside of cab.
  - 4.5.16.7** Truck shall be equipped with a Velvac Fleet Guard Advanced Vehicle Recording System, brand specific to include: HD420 DVR; (2) Velvac Aero hood mounted cameras, one forward facing camera and one camera mounted on rear of trailer. No substitutions shall be accepted.
  - 4.5.16.8** Mobileye 6 Series (Mobileye 630) Collision Avoidance System shall be installed. This is a vision sensor complete with audible and visual alerts to prevent collision. Visual alert can be dash mounted in driver's line of sight, and audible speaker can be mounted anywhere at passenger's side in cab. No substitutions shall be accepted.
  - 4.5.16.9** Truck shall be equipped with a modular Tilt-Tele on steering column.

- 4.5.17 FIFTH WHEEL:** Heavy-duty type "A" mechanical spring lock with positive safety latch, angle on frame mounting and left hand release is required. Mounted at 50.5 inches and must be compatible with trailer kingpin position and height. Holland W-35 Series or equal, low profile. Unit shall be equipped with grease fittings able to be serviced while trailer is connected.
- 4.5.18 WET KIT:** Trailer kit to include in-cab controls. A hot shift PTO mounted and a direct mount pump will be installed on the truck transmission which produces 50-90% of engine RPM. An aluminum hydraulic reservoir to be frame rail mounted and be a minimum of 100 gallon capacity. Hydraulic controls to be mounted inside truck cab readily accessible to the driver. Wet kit to be filled to capacity with SAE 10 Hydraulic oil. All valves and fittings required to make wet kit and trailer completely operational to include one female quick coupler and one male quick coupler. Tractor truck shall be equipped with ball valves on return side of trailer with filter on suction and return of tank.
- 4.5.19 TRACTORS SHALL BE EQUIPPED WITH THE FOLLOWING WET KIT CONNECTION PART NUMBERS FOR REAR EJECTION, HORIZONTAL DISCHARGE BRUSH TRAILERS CURRENTLY IN FLEET:**
- 4.5.19.1 TARP POWER PLUG CONNECTOR:** Napa part #740235, or equivalent part compatible to trailer design. Item should be installed on a minimum 150 amp circuit breaker tied to battery box.
- 4.5.19.2 HYDRAULIC QUICK CONNECT:** Part #5100s220b and #5100s520b, or equivalent parts compatible to trailer design.
- 4.5.19.3 FOUR-PRONG STROBE LIGHT PLUG:** Pollak part #11402 and #11404, equivalent parts compatible to trailer design.
- 4.5.20 SAFETY:** All vehicles will require an audible back up alarm and amber color LED strobe lights model Grote 77353, or equal. Strobe lights are to be installed in the front grill. Strobes to be wired to a direct connect battery cutoff switch installed in the cab.

## 005 - SUPPLEMENTAL TERMS & CONDITIONS

### Original Contract Term.

This contract shall begin upon the effective date of the ordinance awarding the contract, or date specified in the award letter if this contract does not exceed \$50,000. This contract shall terminate upon completion of all work described herein or delivery of all goods ordered, as applicable.

### Liquidated Damages for Delay:

The parties agree that the actual damages that might be sustained by the City by reason of the breach by Vendor of its covenant to make delivery within the time specified on the Price Schedule, or later delivery per the Schedule provided by City, is uncertain and would be difficult of ascertainment, and that the sum of up to \$100.00 per day per unit for each day that delivery is late would be a reasonable compensation for such breach. Vendor hereby promises to pay, and City hereby agrees to accept, such sum as liquidated damages, and not as a penalty, in the event of such breach. Furthermore, the parties agree that City may withhold said liquidated damages from any payments due to Vendor hereunder. If Vendor's delay exceeds 30 days, City may, at its option, elect to terminate this contract in whole or in part. In such event, City may pursue actual damages, rather than applying this liquidated damages provision.

### Change Orders:

In order to comply with Texas law governing purchases made by municipalities, the following rules shall govern all change orders made under this contract. Any change orders that become necessary during the term of this contract as a result of changes in plans, specifications, quantity of work to be performed, materials, equipment or supplies to be furnished must be in writing and conform to the requirements of City Ordinance 2011-12-08-1014, as hereafter amended.

Any other change will require approval of the City Council, City of San Antonio.

Changes that do not involve an increase in contract price may be made by the Director.

No oral statement of any person shall modify or otherwise change, or affect the terms, conditions or specifications stated herein.

### Insurance:

Prior to the commencement of any work under this Agreement, Vendor shall furnish copies of all required endorsements and completed Certificate(s) of Insurance to the City's Finance Department - Purchasing Division, which shall be clearly labeled "Purchase of Brush Tractor Trucks and Trailers" in the Description of Operations block of the Certificate. The Certificate(s) shall be completed by an agent and signed by a person authorized by that insurer to bind coverage on its behalf. City will not accept a Memorandum of Insurance or Binder as proof of insurance. The certificate(s) must have the agent's signature and phone number, and be mailed, with copies of all applicable endorsements, directly from the insurer's authorized representative to City. City shall have no duty to pay or perform under this Agreement until such certificate and endorsements have been received and approved by City's Finance Department - Purchasing Division. No officer or employee, other than City's Risk Manager, shall have authority to waive this requirement.

City reserves the right to review the insurance requirements of this Article during the effective period of this Agreement and any extension or renewal hereof and to modify insurance coverages and their limits when deemed necessary and prudent by City's Risk Manager based upon changes in statutory law, court decisions, or circumstances surrounding this Agreement. In no instance will City allow modification whereby City may incur increased risk.

A Vendor's financial integrity is of interest to City; therefore, subject to Vendor's right to maintain reasonable deductibles in such amounts as are approved by City, Vendor shall obtain and maintain in full force and effect for the duration of this Agreement, and any extension hereof, at Vendor's sole expense, insurance coverage written on an occurrence basis, unless otherwise indicated, by companies authorized to do business in the State of Texas and with an A.M Best's rating of no less than A- (VII), in the following types and for an amount not less than the amount listed below:

TYPE	AMOUNTS
1. Workers' Compensation	Statutory
2. Employers' Liability	\$1,000,000/\$1,000,000/\$1,000,000
3. Commercial General Liability Insurance to include coverage for the following: a. Premises/Operations b. Products/Completed Operations c. Personal/Advertising Injury	For <u>Bodily Injury</u> and <u>Property Damage</u> of \$1,000,000 per occurrence; \$2,000,000 General Aggregate, or its equivalent in Umbrella or Excess Liability Coverage
4. Business Automobile Liability a. Owned/leased vehicles b. Non-owned vehicles c. Hired Vehicles	<u>Combined Single Limit</u> for <u>Bodily Injury</u> and <u>Property Damage</u> of \$1,000,000 per occurrence

Vendor agrees to require, by written contract, that all subcontractors providing goods or services hereunder obtain the same insurance coverages required of Vendor herein, and provide a certificate of insurance and endorsement that names Vendor and City as additional insureds. Vendor shall provide City with said certificate and endorsement prior to the commencement of any work by the subcontractor. This provision may be modified by City's Risk Manager, without subsequent City Council approval, when deemed necessary and prudent, based upon changes in statutory law, court decisions, or circumstances surrounding this agreement. Such modification may be enacted by letter signed by City's Risk Manager, which shall become a part of the contract for all purposes.

As they apply to the limits required by City, City shall be entitled, upon request and without expense, to receive copies of the policies, declaration page, and all endorsements thereto and may require the deletion, revision, or modification of particular policy terms, conditions, limitations, or exclusions (except where policy provisions are established by law or regulation binding upon either of the parties hereto or the underwriter of any such policies). Vendor shall be required to comply with any such requests and shall submit a copy of the replacement certificate of insurance to City at the address provided below within 10 days of the requested change. Vendor shall pay any costs incurred resulting from said changes.

City of San Antonio  
Attn: Finance Department-Purchasing Division  
P.O. Box 839966  
San Antonio, Texas 78283-3966

Vendor agrees that with respect to the above required insurance, all insurance policies are to contain or be endorsed to contain the following provisions:

Name City, its officers, officials, employees, volunteers, and elected representatives as additional insureds by endorsement, as respects operations and activities of, or on behalf of, the named insured performed under contract with City, with the exception of the workers' compensation and professional liability policies;

Provide for an endorsement that the "other insurance" clause shall not apply to the City of San Antonio where City is an additional insured shown on the policy;

Workers' compensation, employers' liability, general liability and automobile liability policies will provide a waiver of subrogation in favor of City; and

Provide advance written notice directly to City of any suspension, cancellation, non-renewal or material change in coverage, and not less than ten (10) calendar days advance notice for nonpayment of premium.

Within five (5) calendar days of a suspension, cancellation or non-renewal of coverage, Vendor shall provide a replacement Certificate of Insurance and applicable endorsements to City. City shall have the option to suspend Vendor's performance should there be a lapse in coverage at any time during this contract. Failure to provide and to maintain the required insurance shall constitute a material breach of this Agreement.

In addition to any other remedies City may have upon Vendor's failure to provide and maintain any insurance or policy endorsements to the extent and within the time herein required, City shall have the right to order Vendor to stop work

hereunder, and/ or withhold any payment(s) which become due to Vendor hereunder until Vendor demonstrates compliance with the requirements hereof.

Nothing herein contained shall be construed as limiting in any way the extent to which Vendor may be held responsible for payment of damages to persons or property resulting from Vendor's or its subcontractors' performance of the work covered under this Agreement.

It is agreed that Vendor's insurance shall be deemed primary and non-contributory with respect to any insurance or self insurance carried by City for liability arising out of operations under this Agreement.

It is understood and agreed that the insurance required is in addition to and separate from any other obligation contained in this Agreement and that no claim or action by or on behalf of City shall be limited to insurance coverage provided.

Vendor and any subcontractors are responsible for all damage to their own equipment and/or property.

**Incorporation of Attachments:**

Each of the attachments listed below is an essential part of this contract, which governs the rights and duties of the parties, incorporated herein by reference, and shall be interpreted in the order of priority as appears below, with this document taking priority over all attachments:

Attachment A – Price Schedule

Attachment B – City of San Antonio Local Preference Program Forms

Attachment C – Veteran-Owned Small Business Preference Program Tracking Form

## 006 - GENERAL TERMS & CONDITIONS

**Electronic Bid Equals Original.** If Vendor is submitting an electronic bid, City and Vendor each agree that this transaction may be conducted by electronic means, as authorized by Chapter 322, Texas Business & Commerce Code, known as the Electronic Transactions Act.

### **Delivery of Goods/Services.**

**Destination Contract.** Vendor shall deliver all goods and materials F.O.B., City of San Antonio's designated facility, inside delivery, freight prepaid, to the address provided in this IFB or, if different, in the Purchase Order. Vendor shall bear the risk of loss until delivery. Freight charges will be paid only when expedited delivery is requested and approved in writing by the City. Vendor shall be responsible for furnishing necessary personnel or equipment and/or making necessary arrangements to off load at City of San Antonio facility, unless otherwise noted herein.

**Failure to Deliver.** When delivery is not met as provided for in the contract, City may make the purchase on the open market, with any cost in excess of the contract price paid by Vendor, in addition to any other direct, indirect, consequential or incidental damages incurred by City as a result thereof. In addition, Vendor may be removed from the City's list of eligible bidders.

**Purchase Orders.** Each time a City department wishes to place an order against this contract, it will issue Vendor a purchase order. Vendor must have the purchase order before making any delivery.

**Acceptance by City.** City shall have a reasonable time (but not less than 30 days) after receipt to inspect the goods and services tendered by Vendor. City at its option may reject all or any portion of such goods or services which do not, in City's sole discretion, comply in every respect with all terms and conditions of the contract. City may elect to reject the entire goods and services tendered even if only a portion thereof is nonconforming. If City elects to accept nonconforming goods and services, City, in addition to its other remedies, shall be entitled to deduct a reasonable amount from the price thereof to compensate City for the nonconformity. Any acceptance by City, even if non-conditional, shall not be deemed a waiver or settlement of any defect in such goods and services.

**Testing.** After award of contract, City may, at its sole option, test the product delivered to ensure it meets specifications. Initial testing shall be at City's expense. However, if the product does not to meet specifications, Vendor shall reimburse City for the costs of testing. City may withhold the cost of testing from any amounts owed to Vendor under this or any other contract, or invoice Vendor for same. If invoiced, Vendor shall pay City within 30 calendar days' of the invoice.

**Warranty.** A minimum of 90-days product guarantee or the manufacturer's standard commercial warranty, whichever is greater, shall apply to all products and/or services purchased under this IFB, unless otherwise specified in the Specifications/Scope of Services section of this IFB. This warranty shall provide for replacement of defective merchandise, parts, and labor, and shall include pick-up of the defective merchandise from City and delivery of the replacement(s) to the same location. The warranty shall be effective from the date of acceptance of the merchandise, or completion of the service, as applicable.

**REJECTION OF DISCLAIMERS OF WARRANTIES & LIMITATIONS OF LIABILITY.** ANY TERM OR CONDITION IN ANY DOCUMENT FURNISHED BY VENDOR, DISCLAIMING THE IMPLIED WARRANTY OF MERCHANTABILITY OR OF FITNESS FOR A PARTICULAR PURPOSE, OR ATTEMPTING TO LIMIT VENDOR'S LIABILITY SHALL BE OF NO FORCE OR EFFECT, AND SHALL BE STRICKEN FROM THE CONTRACT DOCUMENTS AS IF NEVER CONTAINED THEREIN.

### **Invoicing and Payment.**

**Address for Invoices.** All original invoices must be sent to: City of San Antonio, Attn: Accounts Payable, P.O. Box 839976, San Antonio, Texas 78283-3976.

### **Information Required On Invoice.**

All invoices must be in a form and content approved by the City. City may require modification of invoices if necessary in order to satisfy City that all billing is proper and pursuant to the terms of the contract. Invoices are required to show each City Purchase Order Number. Invoices must be legible. Items billed on invoices must be specific as to applicable stock, manufacturer, catalog or part number (if any). All invoices must show unit prices for each item being billed, the quantity of items being billed and the total for each item, as well as the total for all items on the invoice. If prices are based on list prices basis, then the list prices, the percentage discount or percentage surcharge, net unit prices,

extensions and net total prices must be shown. Prompt payment discounts offered shall be shown separately on the invoice.

**Payment by City.**

In accordance with the Texas Prompt Payment Act, City shall have not less than 30 days to pay for goods or services. Time for payment, including payment under discount terms, will be computed from the later of: (1) the date City receives conforming goods under the contract; (2) the date performance of the service under the contract is completed; or (3) the date City receives a correct and valid invoice for the goods or services. Payment is deemed to be made on the date of mailing of the check. Payment is made in US dollars only.

This provision shall not apply where there is a bona fide dispute between City and Vendor about the goods delivered or the service performed that causes the payment to be late, or where the invoice is not mailed to the address provided herein.

The payment amount due on invoices may not be manually altered by City personnel. Once disputed items are reconciled, Vendor must submit a corrected invoice or a credit memorandum for the disputed amount. City will not make partial payments on an invoice where there is a dispute.

**NECESSITY OF TIMELY INVOICE / WAIVER OF PAYMENT.** NOTWITHSTANDING THE FORGOING, THE CITY CANNOT PAY FOR ANY GOODS OR SERVICES WITHOUT AN INVOICE. VENDOR MUST INVOICE CITY NO LATER THAN 90 CALENDAR DAYS FROM THE DATE GOODS ARE DELIVERED OR SERVICES RENDERED. FAILURE TO SUBMIT AN INVOICE WITHIN SAID 90 DAYS SHALL NEGATE ANY LIABILITY ON THE PART OF CITY AND CONSTITUTE A WAIVER BY VENDOR OF ANY AND ALL RIGHT OR CLAIMS TO COLLECT MONEYS THAT VENDOR MAY RIGHTFULLY BE OTHERWISE ENTITLED TO FOR GOODS OR SERVICES PERFORMED.

The total price for all goods and/or services is shown on the Price Schedule. No additional fees or expenses of Vendor shall be charged by Vendor nor be payable by City. The parties hereby agree that all compensable expenses of Vendor are shown on the Price Schedule. If there is a discrepancy on the Price Schedule between the unit price for an item, and the extended price, the unit price shall govern.

**Change Orders.** In order to comply with Texas law governing purchases made by municipalities, the following rules shall govern all change orders made under this contract.

Any change orders that become necessary during the term of this contract as a result of changes in plans, specifications, quantity of work to be performed, materials, equipment or supplies to be furnished may be approved by the Director, provided that such change orders:

- are made in writing, signed by the Director;
- do not involve an increase or decrease in contract price of more than \$25,000; and
- sufficient funds have already been allocated by City or are available to the Director to cover any increase in contract price.

Any other change will require approval of the City Council, City of San Antonio.

Changes that do not involve an increase in contract price may, however, be made by the Director.

No oral statement of any person shall modify or otherwise change, or affect the terms, conditions or specifications stated herein.

**Termination.**

**Termination-Breach.** Should Vendor fail to fulfill in a timely and proper manner, as determined solely by the Director, its material obligations under this contract, or violate any of the material terms of this contract, City shall have the right to immediately terminate the contract in whole or in part. Notice of termination shall be provided in writing to Vendor, effective upon the date set forth in the notice. City may, in City's sole discretion, provide an opportunity for Vendor to cure the default. If City elects to offer an opportunity to cure, City shall provide notice to Vendor specifying the matters in default and the cure period. If Vendor fails to cure the default within the cure period, City shall have the right, without further notice, to terminate the contract in whole or in part. Such termination shall not relieve Vendor of any liability to the City for damages sustained by virtue of any breach by Vendor.

**Termination-Notice.** City may terminate this contract, in whole or in part, without cause. City shall be required to give Vendor notice ten days prior to the date of termination of the contract without cause.

**Termination-Funding.** City retains the right to terminate this contract at the expiration of each of City's budget periods. This contract is conditioned on a best efforts attempt by City to obtain and appropriate funds for payment of any debt due by City herein.

Termination by City may be effected by Director, without further action by the San Antonio City Council.

**Independent Contractor.** Vendor covenants and agrees that it is an independent contractor and not an officer, agent, servant or employee of City. City shall not be liable for any claims which may be asserted by any third party occurring in connection with the services to be performed by Vendor under this contract and that Vendor has no authority to bind City. The doctrine of respondent superior shall not apply as between City and Vendor.

## **INDEMNIFICATION.**

VENDOR covenants and agrees to FULLY INDEMNIFY, DEFEND and HOLD HARMLESS, CITY and the elected officials, employees, officers, directors, volunteers and representatives of CITY, individually and collectively, from and against any and all costs, claims, liens, damages, losses, expenses, fees, fines, penalties, proceedings, actions, demands, causes of action, liability and suits of any kind and nature, including but not limited to, personal or bodily injury, death and property damage, made upon CITY directly or indirectly arising out of, resulting from or related to VENDOR'S activities under this Agreement, including any acts or omissions of VENDOR, any agent, officer, director, representative, employee, consultant or subcontractor of VENDOR, and their respective officers, agents employees, directors and representatives while in the exercise of the rights or performance of the duties under this Agreement. The indemnity provided for in this paragraph shall not apply to any liability resulting from the negligence of CITY, its officers or employees, in instances where such negligence causes personal injury, death, or property damage. IN THE EVENT VENDOR AND CITY ARE FOUND JOINTLY LIABLE BY A COURT OF COMPETENT JURISDICTION, LIABILITY SHALL BE APPORTIONED COMPARATIVELY IN ACCORDANCE WITH THE LAWS FOR THE STATE OF TEXAS, WITHOUT, HOWEVER, WAIVING ANY GOVERNMENTAL IMMUNITY AVAILABLE TO THE CITY UNDER TEXAS LAW AND WITHOUT WAIVING ANY DEFENSES OF THE PARTIES UNDER TEXAS LAW. In addition, Vendor agrees to indemnify, defend, and hold the City harmless from any claim involving patent infringement, trademarks, trade secrets, and copyrights on goods supplied.

The provisions of this INDEMNITY are solely for the benefit of the parties hereto and not intended to create or grant any rights, contractual or otherwise, to any other person or entity. VENDOR shall advise CITY in writing within 24 hours of any claim or demand against CITY or VENDOR known to VENDOR related to or arising out of VENDOR's activities under this AGREEMENT and shall see to the investigation and defense of such claim or demand at VENDOR's cost. CITY shall have the right, at its option and at its own expense, to participate in such defense without relieving VENDOR of any of its obligations under this paragraph.

**Assignment.** Except as otherwise stated herein, Vendor may not sell, assign, pledge, transfer or convey any interest in this contract, nor delegate the performance of any duties hereunder, by transfer, by subcontracting or any other means, without the consent of Director. As a condition of such consent, if such consent is granted, Vendor shall remain liable for completion of the services and provision of goods outlined in this contract in the event of default by the successor Vendor, assignee, transferee or subcontractor. Any attempt to transfer, pledge or otherwise assign this Contract without said written approval, shall be void ab initio and shall confer no rights upon any third person.

**Ownership of Documents.** Pursuant to Texas Local Government Code Chapter 201, any and all Records produced by Vendor pursuant to the provisions of this contract are the exclusive property of City; and no such Record shall be the subject of any copyright or proprietary claim by Vendor. The term "Record" as used herein shall mean any document, paper, letter, book, map, photograph, sound or video recording, microfilm, magnetic tape, electronic medium, or other information recording medium, regardless of physical form or characteristic. Vendor understands and acknowledges that as the exclusive owner of any and all such Records, City has the right to use all such Records as City desires, without restriction.

## **Records Retention.**

Vendor and its subcontractors, if any, shall properly, accurately and completely maintain all documents, papers, and records, and other evidence pertaining to the services rendered hereunder ("Documents"), and shall make such Documents available to the City at their respective offices, at all reasonable times and as often as City may deem necessary during the contract period, including any extension or renewal hereof, and the record retention period

established herein, for purposes of audit, inspection, examination, and making excerpts or copies of same by City and any of its authorized representatives.

Vendor shall retain any and all Documents produced as a result of services provided hereunder for a period of four years ("Retention Period") from the date of termination of the contract. If, at the end of the Retention Period, there is litigation or other questions arising from, involving or concerning these Documents or the services provided hereunder, Vendor shall retain the records until the resolution of such litigation or other such questions. Vendor acknowledges and agrees that City shall have access to any and all such Documents at any and all times, as deemed necessary by City, during said Retention Period. City may, at its election, require Vendor to return the documents to City at Vendor's expense prior to or at the conclusion of the Retention Period. In such event, Vendor may retain a copy of the documents.

Vendor shall notify City, immediately, in the event Vendor receives any requests for information from a third party, which pertain to the Documents referenced herein. Vendor understands and agrees that City will process and handle all such requests.

**Severability.** If any clause or provision of this contract is held invalid, illegal or unenforceable under present or future federal, state or local laws, including but not limited to the City Charter, City Code, or ordinances of the City of San Antonio, Texas, then and in that event it is the intention of the parties hereto that such invalidity, illegality or unenforceability shall not affect any other clause or provision hereof and that the remainder of this contract shall be construed as if such invalid, illegal or unenforceable clause or provision was never contained herein. It is also the intention of the parties hereto that in lieu of each clause or provision of this contract that is invalid, illegal, or unenforceable, there be added as a part of the contract a clause or provision as similar in terms to such invalid, illegal or unenforceable clause or provision as may be possible, legal, valid and enforceable.

**Compliance with Law.** Vendor shall provide and perform all services required under this Agreement in compliance with all applicable federal, state and local laws, rules and regulations.

**Certifications.** Vendor warrants and certifies that Vendor and any other person designated to provide services hereunder has the requisite training, license and/or certification to provide said services, and meets all competence standards promulgated by all other authoritative bodies, as applicable to the services provided herein.

**Non-waiver of Performance.** Unless otherwise specifically provided for in this Agreement, a waiver by either Party of a breach of any of the terms, conditions, covenants or guarantees of this Agreement shall not be construed or held to be a waiver of any succeeding or preceding breach of the same or any other term, condition, covenant or guarantee herein contained. Further, any failure of either Party to insist in any one or more cases upon the strict performance of any of the covenants of this Agreement, or to exercise any option herein contained, shall in no event be construed as a waiver or relinquishment for the future of such covenant or option. In fact, no waiver, change, modification or discharge by either party hereto of any provision of this Agreement shall be deemed to have been made or shall be effective unless expressed in writing and signed by the party to be charged. No act or omission by a Party shall in any manner impair or prejudice any right, power, privilege, or remedy available to that Party hereunder or by law or in equity, such rights, powers, privileges, or remedies to be always specifically preserved hereby.

**Venue.** Venue of any court action brought directly or indirectly by reason of this contract shall be in Bexar County, Texas. This contract is made and is to be performed in Bexar County, Texas, and is governed by the laws of the State of Texas.

**Non-discrimination.** As a condition of entering into this agreement, Vendor represents and warrants that it will comply with City's Commercial Nondiscrimination Policy, as described under Section ILLC.1 of the SBEDA Ordinance. As part of such compliance, Vendor shall not discriminate on the basis of race, color, religion, ancestry or national origin, sex, age, marital status, sexual orientation, or on the basis of disability or other unlawful forms of discrimination in the solicitation, selection, hiring or commercial treatment of subcontractors, vendors, suppliers, or commercial customers, nor shall Vendor retaliate against any person for reporting instances of such discrimination. Vendor shall provide equal opportunity for subcontractors, vendors and suppliers to participate in all of its public sector and private sector subcontracting and supply opportunities, provided that nothing contained in this clause shall prohibit or limit otherwise lawful efforts to remedy the effects of marketplace discrimination that have occurred or are occurring in the City's Relevant Marketplace. Vendor understands and agrees that a material violation of this clause shall be considered a material breach of this agreement and may result in termination of this agreement, disqualification of Vendor from participating in City contracts, or other sanctions. This clause is not enforceable by or for the benefit of, and creates no obligation to, any third party. Vendor shall include this nondiscrimination clause in all subcontracts for the performance of this contract.

As a party to this contract, Vendor understands and agrees to comply with the *Non-Discrimination Policy* of the City of San Antonio contained in Chapter 2, Article X of the City Code and further, shall not discriminate on the basis of race, color, religion, national origin, sex, sexual orientation, gender identity, veteran status, age or disability, unless exempted by state or federal law, or as otherwise established herein.

**Prohibition on Contracts with Companies Boycotting Israel**

Texas Government Code §2270.002 provide that a governmental entity may not enter into a contract with a company for goods or services, unless the contract contains a written verification from the company that it:

- (1) does not boycott Israel; and
- (2) will not boycott Israel during the term of the contract.

"Boycott Israel" means refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations specifically with Israel, or with a person or entity doing business in Israel or in an Israeli-controlled territory, but does not include an action made for ordinary business purposes.

"Company" means a for-profit sole proprietorship, organization, association, corporation, partnership, joint venture, limited partnership, limited liability partnership, or limited liability company, including a wholly owned subsidiary, majority-owned subsidiary, parent company, or affiliate of those entities or business associations that exists to make a profit.

By submitting an offer to or executing contract documents with the City of San Antonio, Company hereby verifies that it does not boycott Israel, and will not boycott Israel during the term of the contract. City's hereby relies on Company's verification. If found to be false, City may terminate the contract for material breach.

**Contracts with Iran, Sudan, or foreign terrorist organizations prohibited.**

Texas Government Code §2252.152 provides that a governmental entity may not enter into a governmental contract with a company that is identified on a list prepared and maintained under Texas Government Code §§ 806.051, 807.051, or 2252.153.

VENDOR hereby verifies that it does not currently have a contract with or provide supplies or services to Iran, Sudan, or a foreign terrorist organization; and will not during the term of the CONTRACT with CITY enter into a contract with or provide supplies or services to Iran, Sudan, or a foreign terrorist organization. CITY hereby relies on VENDOR'S verification. If found to be false, CITY may terminate the CONTRACT for material breach.

**Delinquent Taxes.** In the event that Vendor is or subsequently becomes delinquent in the payment of taxes owed to the City of San Antonio, the City reserves the right to deduct any delinquent taxes from payments that the City may owe to the delinquent Vendor as a result of this contract.

**Binding Contract.** This contract shall be binding on and inure to the benefit of the parties hereto and their respective heirs, executors, administrators, legal representatives, and successors and assigns, except as otherwise expressly provided for herein.

**Entire Agreement.** This contract, including City's final electronically posted online version, together with its authorizing ordinance and its price schedule(s), attachments, purchase orders, and exhibits, if any, constitutes the final and entire agreement between the parties hereto and contains all of the terms and conditions agreed upon. No other agreements, oral or otherwise, regarding the subject matter of this contract shall be deemed to exist or to bind the parties hereto, unless same be in writing, dated subsequent to the date hereof, and be duly executed by the parties, in accordance with the Change Order provision herein. Parties agree that City's final electronically posted online version of this solicitation contains the agreed upon specifications, scope of services, and terms and conditions of this contract, and shall control in the event of a conflict with any printed version signed and submitted by Vendor.

007 - SIGNATURE PAGE

By submitting a bid, whether electronically or by paper, Bidder represents that:

(s)he is authorized to bind Bidder to fully comply with the terms and conditions of City's Invitation for Bid for the prices stated therein;

(s)he has read the entire document, including the final version issued by City, and agreed to the terms therein;

Bidder is in good standing with the Texas State Comptroller's Office; and

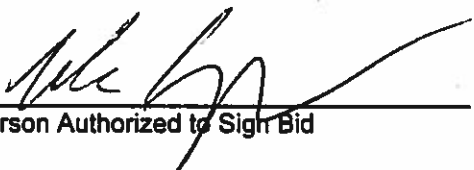

to the best of his/her knowledge, all information is true and correct.

If submitting your bid by paper, complete the following and sign on the signature line below. Failure to sign and submit this Signature Page will result in rejection of your bid.

## 008 - STANDARD DEFINITIONS

---

Whenever a term defined by the Uniform Commercial Code ("UCC"), as enacted by the State of Texas, is used in the Contract, the UCC definition shall control, unless otherwise defined in the Contract.

**All-or-None Bid** - an invitation to bid in which the City will award the entire contract to one bidder only.

**Alternate Bid** - two or more bids with substantive variations in the item or service offered from the same bidder in response to a solicitation.

**Assignment** - a transfer of claims, rights or interests in goods, services or property.

**Bid** - a complete, signed response to a solicitation. The term "bid" is synonymous with the term "offer".

**Bid Opening** - a public meeting during which bid responses are disclosed.

**Bidder** - a person, firm or entity that submits a bid in response to a solicitation. The bidder whose bid is accepted by City may also be referred to herein as Contractor, Vendor or Supplier.

**Bid Bond or Bid Guarantee** - security to ensure that Bidder (a) will not withdraw the bid within the period specified for acceptance, and (b) will furnish any required bonds or performance guarantees, and any necessary insurance within the time specified in the solicitation.

**Change Order** - a change to the plans or specifications of the contract, or an increase or decrease in the quantity of work to be performed or of materials, equipment, or supplies to be furnished, issued by the Director after the bid has been accepted by the City.

**City** - the City of San Antonio, a Texas home-rule municipal corporation.

**Contract** - the binding legal agreement between the City and Vendor.

**Contractor** - the bidder whose bid is accepted by the City and is, therefore, the person, firm or entity providing goods or services to the City under a contract.

**Director** - the Director of City's Purchasing & General Services Department, or Director's designee.

**Equal or Equivalent** - terms to indicate that similar products or other brands may be acceptable for purchase if specifications and functional requirements are met.

**Invitation for Bid (IFB)** - a solicitation requesting pricing for a specified good or a service.

**Line Item** - a listing of items in a bid for which a bidder is expected to provide separate pricing.

**Low Bid** - a bid which is lowest in price, but may not meet all requirements or specifications.

**Lowest Responsible Bidder** - the bidder whose bid meets all requirements of the specifications, terms and conditions of the IFB and results in the lowest cost to the City in an award based solely on price, taking into consideration the bidder's competence and qualifications to perform the contract.

**Non-Responsive Bid** - a bid or offer that does not comply with the terms and conditions, or specifications and/or requirements of the IFB.

**Offer** - a complete, signed response to an IFB that, if accepted, would bind the bidder to perform the resultant contract. The term "offer" is synonymous with the term "bid".

**Payment Bond** - a particular form of security provided by the contractor to protect the City against loss due to the contractor's failure to pay suppliers and subcontractors.

**Performance Bond** - a particular form of security provided by the contractor to protect the City against loss due to the contractor's inability or unwillingness to complete the contract as agreed.

Performance Deposit - security provided by the contractor to protect the City against loss due to the contractor's inability or unwillingness to complete the contract as agreed.

Pre-Submittal Conference - a meeting conducted by the City, held in order to allow bidders to ask questions about the proposed contract and particularly, the contract specifications.

Purchase Order - a validly issued order placed by an authorized City department for the purchase of goods or services, written on the City's standard purchase order form, and which is Vendor's authority to deliver to and invoice the City for the goods or services specified in an IFB for the price stated in Vendor's bid.

Responsible Bidder - a bidder who is known to have the necessary competence and qualifications to perform and provide all requirements of an intended contract.

Responsive Bidder - a bidder who tenders a bid which meets all requirements of the invitation to bid and is a responsible bidder.

Sealed Bid - a bid submitted as a sealed document, whether hard copy or electronic, by a prescribed time to the location indicated in the IFB. The contents of the bid will not be made public prior to the bid opening.

Specifications - a description of what the City requires and what the bidder must offer; a description of the physical or functional characteristics of a product or material, or the nature of a service or construction item.

Subcontractor - a person, firm or entity providing goods or services to a vendor to be used in the performance of the Vendor's obligations under the contract with the City.

Supplier - the bidder whose bid is accepted by the City and is, therefore, the person, firm or entity providing goods or services to the City under a contract.

Vendor - the bidder whose bid is accepted by the City and is, therefore, the person, firm or entity providing goods or services to the City under a contract.

Waiver of Irregularity - noting, but disregarding an immaterial variance within a bid.

Attachment A

PRICE SCHEDULE

Local Preference Program (LPP) Ordinance

The 82nd Texas Legislature adopted a revision to the law that allowed the City of San Antonio (City) to adopt a policy that would grant contracting preferences to local businesses for certain types of contracts. The City adopted such a policy, known as the Local Preference Program, described in the San Antonio City Code Chapter 2, Article XII, effective for solicitations issued after May 1, 2013.

This solicitation is subject to the Local Preference Program. For more information on the program, refer to the Local Preference Program Identification Form attached to this solicitation.

In order to receive consideration the Local Bidder must complete and return the attached Local Preference Identification Form.

**City of San Antonio**  
**Finance Department - Purchasing Division**  
**Local Preference Program Identification Form**

---

The City of San Antonio Local Preference Program, described in the San Antonio City Code Chapter 2, Article XII, establishes a local preference for specific contracting categories. Each time a bidder or respondent submits a bid for a solicitation, this Local Preference Program Identification Form must be completed and turned in with the solicitation response in order to be identified as a City Business and receive the preference described below. The City will not rely on Local Preference Program Identification Forms submitted with prior or contemporaneous bids or proposals.

The Local Preference Program allows the City to grant a preference to a business meeting the definition of *City Business* in the award of the following types of contracts, when selection is made based on price alone:

- **Personal Property (Goods / Supplies):** The local bidder's price must be within 3% of the price of the lowest non-local bidder for contracts of \$50,000 or more;
- **Non-professional Services:** The local bidder's price must be within 3% of the price of the lowest non-local bidder for contracts of \$50,000 to under \$500,000;
- **Construction Services:** The local bidder's price must be within 3% of the price of the lowest non-local bidder for contracts of \$50,000 to under \$100,000, excluding contracts awarded using alternative delivery methods.

The Local Preference Program also allows the award of additional points, when multiple evaluation criteria are used in the award of professional service contracts, where the selection process is not governed by statute and in revenue generating and concession contracts. A business meeting the definition of *City Business* stated below may be awarded 10 points for being headquartered within the city, or 5 points for having a local office within the city.

Moreover, the program recognizes joint venture agreements and allows for apportioning of points based upon the percentage of ownership of joint ventures by *City Businesses* responding to solicitations for which discretionary points are applied. For solicitations where selection is made based on price alone, all members of a joint venture must be *City Businesses* for the preference to be applied.

***City Business*** is defined as a business headquartered within the incorporated San Antonio city limits for one year or more OR one that meets the following conditions:

- Has an established place of business for one year or more in the incorporated limits of the City:
  - (a) from which at least 100 of its employees OR at least 20% of its total full-time, part-time and contract employees are regularly based; and
  - (b) from which a substantial role in the business' performance of a commercially useful function or a substantial part of its operations is conducted by those employees.

A location utilized solely as a post office box, mail drop or telephone message center or any similar combination, with no other substantial work function, is not a *City Business*.

For the purposes of this program, Headquartered is defined as the place where a business entity's officers direct, control, and coordinate the entity's activities.

**NOTE:** Bidders / Respondents are required to submit documentation to substantiate that the requirements of a *City Business* have been met. Examples of documentation may include, but are not limited to the following:

1. Existence of local headquarters or office: For corporations, Texas Comptroller's listing of names/addresses of officers and directors. For partnerships, partnership agreement and any documents identifying the current managing partners and their current work addresses
2. Evidence of local headquarters or office in existence for one year or more: Utility bills, real property lease agreements, equipment leases, personal property taxes, real property taxes
3. Evidence of number of employees: Organizational charts, payroll records by location

**City of San Antonio  
Finance Department - Purchasing Division**

**Local Preference Program Identification Form**

CITY RESERVES THE RIGHT TO REQUEST ADDITIONAL INFORMATION TO VALIDATE BIDDERS/RESPONDENTS' DESIGNATION AS A CITY BUSINESS.

COMPLETE THE FOLLOWING FORM AND SUBMIT WITH YOUR RESPONSE EVEN IF YOU ARE NOT SEEKING A LOCAL PREFERENCE. THE BIDDER / RESPONDENT MUST COMPLETE THE FOLLOWING FORM TO BE IDENTIFIED AS A CITY BUSINESS. IF BIDDER / RESPONDENT IS SUBMITTING AS A JOINT VENTURE, EACH CITY BUSINESS THAT IS A MEMBER OF THE JOINT VENTURE MUST COMPLETE AND SIGN THIS FORM.

PROVIDE THE FOLLOWING INFORMATION IF BIDDER/ RESPONDENT IS SUBMITTING AS PART OF A JOINT VENTURE. Joint Venture means a collaboration of for-profit business entities, in response to a solicitation, which is manifested by a written agreement, between two or more independently owned and controlled business firms to form a third business entity solely for purposes of undertaking distinct roles and responsibilities in the completion of a given contract. Under this business arrangement, each joint venture partner shares in the management of the joint venture and also shares in the profits or losses of the joint venture enterprise commensurately with its contribution to the venture.

STATE BIDDER'S / RESPONDENT'S PERCENTAGE OF OWNERSHIP IN THE JOINT VENTURE: 100 %

SUBMIT A COPY OF THE JOINT VENTURE AGREEMENT. SUBMIT ANY OTHER DOCUMENTATION REQUESTED BY CITY TO SUBSTANTIATE THE EXISTANCE OF AND/OR PARTICIPATION IN THE JOINT VENTURE. NO PREFERENCE POINTS WILL BE ALLOCATED TO A JOINT VENTURE THAT FAILS TO SUBMIT REQUIRED DOCUMENTATION.

SOLICITATION NAME/NUMBER: 6100009897

**City of San Antonio**  
**Veteran-Owned Small Business Program Tracking Form**

---

**Authority.** San Antonio City Code Chapter 2, Article XI describes the City's veteran-owned small business preference program.

**Tracking.** This solicitation is not eligible for a preference based on status as a veteran-owned small business (VOSB). Nevertheless, in order to determine whether the program can be expanded at a later date, the City tracks VOSB participation at both prime contract and subcontract levels.

**Certification.** The City relies on inclusion in the database of veteran-owned small businesses (VOSB) maintained by the U.S. Small Business Administration to verify VOSB status; however, veteran status may also be confirmed by certification by another public or private entity that uses similar certification procedures.

**Definitions.**

The program uses the federal definitions of veteran and veteran-owned small business found in 38 CFR Part 74.

- The term "veteran" means a person who served on active duty with the U.S. Army, Air Force, Navy, Marine Corps, Coast Guard, for any length of time and at any place and who was discharged or released under conditions other than dishonorable. Reservists or members of the National Guard called to federal active duty or disabled from a disease or injury incurred or aggravated in line of duty or while in training status.
- A veteran-owned small business is a business that is not less than 51 percent owned by one or more veterans, or in the case of any publicly owned business, not less than 51 percent of the stock of which is owned by one or more veterans; the management and daily business operations of which are controlled by one or more veterans and qualifies as "small" for Federal business size stand purposes.

The program uses the below definition of joint venture.

- Joint Venture means a collaboration of for-profit business entities, in response to a solicitation, which is manifested by a written agreement, between two or more independently owned and controlled business firms to form a third business entity solely for purposes of undertaking distinct roles and responsibilities in the completion of a given contract. Under this business arrangement, each joint venture partner shares in the management of the joint venture and also shares in the profits or losses of the joint venture enterprise commensurately with its contribution to the venture.

The program does not distinguish between a veteran and a service-disabled veteran-owned business and is not limited geographically.

**COMPLETE THE FOLLOWING FORM AND SUBMIT WITH YOUR BID/PROPOSAL.**

**INSTRUCTIONS**

- IF SUBMITTING AS A PRIME CONTRACTOR ONLY, COMPLETE SECTION 1 OF THIS FORM.
- IF SUBMITTING AS A PRIME CONTRACTOR UTILIZING A SUBCONTRACTOR, COMPLETE SECTIONS 1 AND 2 OF THIS FORM.
