DPCD will provide MIG with a detailed list of all “expert groups” and other significant stakeholders. The City and MIG will collaborate on the most appropriate forum to engage the various stakeholders and will be support staff at all meetings and tele-conferences (as applicable). The City will be responsible for the logistical organization of all meetings and tele-conferencing and will produce all copies and printed materials.

City staff will provide one consolidated and internally confirmed set of comments, from City staff, advisory committees, and confirmed decision makers, on the draft policy papers to the MIG Team. The MIG Team will then update each paper to address and reflect City staff comments and direction.

The strategy will include components such as a schedule, key priorities, structure, community involvement and outreach activities, and identification of key stakeholders and relationships. It will also include a detailed process diagram to illustrate the sequence and timing of project activities in a succinct format. The strategy will be coordinated and integrated with other City outreach efforts, most specifically the Sustainability Plan and Transportation Plan projects. The community engagement strategy will be synthesized and detailed in a PowerPoint presentation that will be provided to City staff so the ideas can be discussed and vetted at the City Council's Comprehensive Planning Committee. MIG will develop all materials and presentations for the public participation task. MIG will collaborate with City staff in preparing two (2) large-scale community open house events and will co-facilitate said events. The format and content of these open house events will be a collaborative and creative process that will occur between the City and MIG, with final approval of said format and planning process by the Director, or his designee.

MIG will be responsible for the development of a professional and interactive Comprehensive Plan website, with final approval of the website content and appearance by the Director, or his designee. The website is intended to be interactive and fully utilized as a tool for public outreach and engagement throughout the planning process.

All comprehensive plan news and events shall be posted in a timely manner on the project website. The website shall have a concise and memorable internet address and shall have a private log-in page for staff and consultant collaboration and the exchange of information in a secure environment. The website shall be developed in collaboration with the City of San Antonio's Information Technology Services Department and transferrable to the City's servers upon termination of this contract.

Further, DPCD will support MIG in the maintenance and upkeep of the Comprehensive Plan website and will provide necessary information in a timely manner. For maximum efficiency, all requested content changes will be completed either by MIG staff or a designated City staff (with administrator access permission to the site) in a timely manner.

3.3.4 Develop Urban Design Illustrations

MIG's Responsibility: For inclusion in the comprehensive plan document as it relates to urban form, MIG will create up to twenty (20) urban design illustrations of various town, village, and neighborhood design concepts. These illustrations will depict birds-eye and other views of specific growth center types and will include the "before and after" applications of smart-growth concepts as are commonly applied to existing commercial corridors, neighborhood centers, transit nodes and other growth center types. The primary illustrations will be developed with a hand-drawn effect. MIG shall supplement these illustrations with computer-aided design techniques to ensure the proper appearance of each illustration.

Further, MIG will develop a "building prototype technical manual" and supplemental PowerPoint presentation, of images of the building prototypes to achieve desired density in the recommended growth centers. These illustrations are not required to be hand-drawn; actual photographs and examples are deemed more appropriate for this portion of the task. Example: Many of these buildings may be medium-density structures that are compatible within an existing neighborhood context and should relate architecturally to a neighborhood in San Antonio.

The deliverables in this task will be up to twenty (20) urban design illustrations in original and digital format, to include PDF (MIG can prepare

additional illustrations based upon scope and budget discussion with City staff). Additionally, MIG will deliver a “Recommended Building Prototypes Technical Manual” with a supplemental PowerPoint (with notes pages) detailing the findings and illustrations that will be presented by City staff at the City Council’s Comprehensive Planning Committee. All illustrations, in original and digital format, the “Recommended Building Prototypes Technical Manual” and the supplemental PowerPoint will be submitted to the City by May 29, 2015.

City’s Responsibility: DPCD will collaborate with MIG on the concepts behind the illustrations and shall approve all work prior to being considered final. Further, DPCD will collaborate with MIG on the selection of neighborhoods that may be used in depicting context-sensitive infill development solutions for the “building prototype technical manual.” City staff will also provide one consolidated and internally confirmed set of comments from City staff, advisory committees, and confirmed decision makers, on the draft illustrations to the MIG Team. The MIG Team will then update the illustrations to address and reflect City staff comments and direction.

3.3.5 Draft the Comprehensive Plan and Implementation Document; “E-Plan”

MIG will develop the comprehensive plan in an interactive electronic platform, such as “TownSquare” software. The electronic platform will be hosted by MIG, be transferable to the City, and will be the intellectual property of the City of San Antonio. MIG will train relevant City staff in the use of the software and enable staff to make edits as needed. The document will comply with the all federal, state, and local laws, rules and regulations.

The deliverable in this task will include a draft and final web-based Comprehensive Plan supplemented by a cover memo and PowerPoint (with notes pages) detailing the findings that will be presented by City staff at the City Council’s Comprehensive Planning Committee. The final web-based Comprehensive Plan (“E-Plan”) shall be submitted electronically to the City and in PDF format by November 20, 2015.

This provision may be modified by City's Risk Manager, without subsequent City Council approval, when deemed necessary and prudent, based upon changes in statutory law, court decisions, or circumstances surrounding this agreement. Such modification may be enacted by letter signed by City's Risk Manager, which shall become a part of the contract for all purposes.

10.5 As they apply to the limits required by the City, the City shall be entitled, upon request and without expense, to receive copies of the policies, declaration page, and all endorsements thereto and may require the deletion, revision, or modification of particular policy terms, conditions, limitations, or exclusions (except where policy provisions are established by law or regulation binding upon either of the parties hereto or the underwriter of any such policies). 10.10 It is understood and agreed that the insurance required is in addition to and separate from any other obligation contained in this Agreement and that no claim or action by or on behalf of the City shall be limited to insurance coverage provided.

IN THE EVENT CONSULTANT AND CITY ARE FOUND JOINTLY LIABLE BY A COURT OF COMPETENT JURISDICTION, LIABILITY SHALL BE APPORTIONED COMPARATIVELY IN ACCORDANCE WITH THE LAWS FOR THE STATE OF TEXAS, WITHOUT, HOWEVER, WAIVING ANY**

GOVERNMENTAL IMMUNITY AVAILABLE TO THE CITY UNDER TEXAS LAW AND WITHOUT WAIVING ANY DEFENSES OF THE PARTIES UNDER TEXAS LAW.

11.2 The provisions of this INDEMNITY are solely for the benefit of the parties hereto and not intended to create or grant any rights, contractual or otherwise, to any other person or entity. CONSULTANT shall advise the CITY in writing within 24 hours of any claim or demand against the CITY or CONSULTANT known to CONSULTANT related to or arising out of CONSULTANT's activities under this AGREEMENT and shall see to the investigation and defense of such claim or demand at CONSULTANT's cost. The CITY shall have the right, at its option and at its own expense, to participate in such defense without relieving CONSULTANT of any of its obligations under this paragraph.

11.3 Defense Counsel - City shall have the right to select or to approve defense counsel to be retained by CONSULTANT in fulfilling its obligation hereunder to defend and indemnify City, unless such right is expressly waived by City in writing. If CONSULTANT fails to retain Counsel within such time period, City shall have the right to retain defense counsel on its own behalf, and CONSULTANT shall be liable for all costs incurred by City. City shall also have the right, at its option, to be represented by advisory counsel of its own selection and at its own expense, without waiving the foregoing.

Persons retained to perform work pursuant to this Agreement shall be the employees or subcontractors of Consultant. Consultant, its employees or its subcontractors shall perform all necessary work.

12.2 It is City's understanding and this Agreement is made in reliance thereon that Consultant intends to use the following subcontractors in the performance of this Agreement: Parsons Brinckerhoff, EPS and Ximenes & Associate. 12.3 Any work or services approved for subcontracting hereunder shall be subcontracted only by written contract and, unless specific waiver is granted in writing by the City, shall be subject by its terms to each and every provision of this Agreement. Compliance by subcontractors with this Agreement shall be the responsibility of Consultant. As a condition of such consent, if such consent is granted, Consultant shall remain liable for completion of the services outlined in this Agreement in the event of default by the successor Consultant, assignee, transferee or subcontractor.

12.5 Any attempt to transfer, pledge or otherwise assign this Agreement without said written approval, shall be void ab initio and shall confer no rights upon any third person. Should Consultant assign, transfer, convey, delegate, or otherwise dispose of any part of all or any part of its right, title or interest in this Agreement, City may, at its option, cancel this Agreement and all rights, titles and interest of Consultant shall thereupon cease and terminate, in accordance with Article VII. Termination, notwithstanding any other remedy available to City under this Agreement. The violation of this provision by Consultant shall in no event release Consultant from any obligation under the terms of this Agreement, nor shall it relieve or release Consultant from the payment of any damages to City, which City sustains as a result of such violation.

XIII. INDEPENDENT CONTRACTOR

Consultant covenants and agrees that he or she is an independent contractor and not an officer, agent, servant or employee of City; that Consultant shall have exclusive control of and exclusive right to control the details of the work performed hereunder and all persons performing same, and shall be responsible for the acts and omissions of its officers, agents, employees, contractors, subcontractors and consultants; that the doctrine of “respondeat superior” shall not apply as between City and Consultant, its officers, agents, employees, contractors, subcontractors and consultants, and nothing herein shall be construed as creating the relationship of employer-employee, principal-agent, partners or joint venturers between City and Consultant. The parties hereto understand and agree that the City shall not be liable for any claims which may be asserted by any third party occurring in connection with the services to be performed by the Consultant under this Agreement and that the Consultant has no authority to bind the City.

XIV. SMALL BUSINESS ECONOMIC DEVELOPMENT ADVOCACY (SBEDA)

A. SBEDA Program

The CITY has adopted a Small Business Economic Development Advocacy Ordinance (Ordinance No. 2010-06-17-0531 and as amended, also referred to as “SBEDA” or “the SBEDA Program”), which is posted on the City’s Economic Development (EDD) website page and is also available in hard copy form upon request to the CITY. The SBEDA Ordinance Compliance Provisions contained in this section of the Agreement are governed by the terms of this Ordinance, as well as by the terms of the SBEDA Ordinance Policy & Procedure Manual established by the CITY pursuant to this Ordinance, and any subsequent amendments to this referenced SBEDA Ordinance and SBEDA Policy & Procedure Manual that are effective as of the date of the execution of this Agreement. Unless defined in a contrary manner herein, terms used in this section of the Agreement shall be subject to the same expanded definitions and meanings as given those terms in the SBEDA Ordinance and as further interpreted in the SBEDA Policy & Procedure Manual.

B. Definitions

Affirmative Procurement Initiatives (API) – Refers to various Small Business Enterprise, Minority Business Enterprise, and/or Women Business Enterprise (“S/M/WBE”) Program tools and Solicitation Incentives that are used to encourage greater Prime and subcontract participation by S/M/WBE firms, including bonding assistance, evaluation preferences, subcontracting goals and joint venture incentives. (For full descriptions of these and other S/M/WBE program tools, see Section III. D. of Attachment A to the SBEDA Ordinance.)

Centralized Vendor Registration System (CVR) – a mandatory electronic system wherein the City requires all prospective Respondents and Subcontractors that are ready, willing and able to sell goods or services to the City to register. The CVR system assigns a unique identifier to each registrant that is then required for the purpose of submitting solicitation responses and invoices, and for receiving payments from the City. The CVR-assigned identifiers are also used by the Goal Setting Committee for measuring relative availability and tracking utilization of SBE and M/WBE firms by Industry or commodity codes, and for establishing Annual Aspirational Goals and Contract-by-Contract Subcontracting Goals.

Certification or “Certified” – the process by which the Small Business Office (SBO) staff determines a firm to be a bona-fide small, minority-, women-owned, or emerging small business enterprise. Emerging Small Business Enterprises (ESBEs) are automatically eligible for Certification as SBEs. Any firm may apply for multiple Certifications that cover each and every status category (e.g., SBE, ESBE, MBE, or

WBE) for which it is able to satisfy eligibility standards. The SBO staff may contract these services to a regional Certification agency or other entity. For purposes of Certification, the City accepts any firm that is certified by local government entities and other organizations identified herein that have adopted Certification standards and procedures similar to those followed by the SBO, provided the prospective firm satisfies the eligibility requirements set forth in this Ordinance in Section III.E.6 of Attachment A.

Commercially Useful Function – an S/M/WBE firm performs a Commercially Useful Function when it is responsible for execution of a distinct element of the work of the contract and is carrying out its responsibilities by actually performing, staffing, managing and supervising the work involved. To perform a Commercially Useful Function, the S/M/WBE firm must also be responsible, with respect to materials and supplies used on the contract, for negotiating price, determining quantity and quality, ordering the material, and installing (where applicable) and paying for the material itself. To determine whether an S/M/WBE firm is performing a Commercially Useful Function, an evaluation must be performed of the amount of work subcontracted, normal industry practices, whether the amount the S/M/WBE firm is to be paid under the contract is commensurate with the work it is actually performing and the S/M/WBE credit claimed for its performance of the work, and other relevant factors. Specifically, an S/M/WBE firm does not perform a Commercially Useful Function if its role is limited to that of an extra participant in a transaction, contract or project through which funds are passed in order to obtain the appearance of meaningful and useful S/M/WBE participation, when in similar transactions in which S/M/WBE firms do not participate, there is no such role performed. The use of S/M/WBE firms by CONTRACTOR to perform such “pass-through” or “conduit” functions that are not commercially useful shall be viewed by the CITY as fraudulent if CONTRACTOR attempts to obtain credit for such S/M/WBE participation towards the satisfaction of S/M/WBE participation goals or other API participation requirements. As such, under such circumstances where a commercially useful function is not actually performed by the S/M/WBE firm, the CONTRACTOR shall not be given credit for the participation of its S/M/WBE subcontractor or joint venture partner towards attainment of S/M/WBE utilization goals, and the CONTRACTOR and S/M/WBE firm may be subject to sanctions and penalties in accordance with the SBEDA Ordinance.

Evaluation Preference – an API that may be applied by the Goal Setting Committee (“GSC”) to Construction, Architectural & Engineering, Professional Services, Other Services, and Goods and Supplies contracts that are to be awarded on a basis that includes factors other than lowest price, and wherein responses that are submitted to the City by S/M/WBE firms may be awarded additional Points in the evaluation process in the scoring and ranking of their proposals against those submitted by other prime CONTRACTORS or Respondents.

Good Faith Efforts – documentation of the CONTRACTOR’s or Respondent’s intent to comply with S/M/WBE Program Goals and procedures including, but not limited to, the following: (1) documentation within a solicitation response reflecting the Respondent’s commitment to comply with SBE or M/WBE Program Goals as established by the GSC

for a particular contract; or (2) documentation of efforts made toward achieving the SBE or M/WBE Program Goals (e.g., timely advertisements in appropriate trade publications and publications of wide general circulation; timely posting of SBE or M/WBE subcontract opportunities on the City of San Antonio website; solicitations of bids/proposals/qualification statements from all qualified SBE or M/WBE firms listed in the Small Business Office's directory of certified SBE or M/WBE firms; correspondence from qualified SBE or M/WBE firms documenting their unavailability to perform SBE or M/WBE contracts; documentation of efforts to subdivide work into smaller quantities for subcontracting purposes to enhance opportunities for SBE or M/WBE firms; documentation of a Prime Contractor's posting of a bond covering the work of SBE or M/WBE Subcontractors; documentation of efforts to assist SBE or M/WBE firms with obtaining financing, bonding or insurance required by the Respondent; and documentation of consultations with trade associations and consultants that represent the interests of SBE and/or M/WBEs in order to identify qualified and available SBE or M/WBE Subcontractors.) Without limitation, CONTRACTOR further agrees to the following terms as part of its contract compliance responsibilities under the SBEDA Program:

As part of such compliance, CONTRACTOR shall not discriminate on the basis of race, color, religion, ancestry or national origin, sex, age, marital status, sexual orientation or, on the basis of disability or other unlawful forms of discrimination in the solicitation, selection, hiring or commercial treatment of Subcontractors, vendors, suppliers, or commercial customers, nor shall the company retaliate against any person for reporting instances of such discrimination. The company shall provide equal opportunity for Subcontractors, vendors and suppliers to participate in all of its public sector and private sector subcontracting and supply opportunities, provided that nothing contained in this clause shall prohibit or limit otherwise lawful efforts to remedy the effects of marketplace discrimination that have occurred or are occurring in the CITY's Relevant Marketplace. XV. CONFLICT OF INTEREST

15.1 Consultant acknowledges that it is informed that the Charter of the City of San Antonio and its Ethics Code prohibit a City officer or employee, as those terms are defined in Part B, Section 10 of the Ethics Code, from having a financial interest in any contract with the City or any City agency such as city owned utilities. An officer or employee has a "prohibited financial interest" in a contract with the City or in the sale to the City of land, materials, supplies or service, if any of the following individual(s) or entities is a party to the contract or sale: a City officer or employee; his parent, child or spouse; a business entity in which the officer or employee, or his parent, child or spouse owns ten (10) percent or more of the voting stock or shares of the business entity, or ten (10) percent or more of the fair market value of the business entity; a business entity in which any individual or entity above listed is a subcontractor on a City contract, a partner or a parent or subsidiary business entity.

15.2 Pursuant to the subsection above, Consultant warrants and certifies, and this Agreement is made in reliance thereon, that it, its officers, employees and agents are neither officers nor employees of the City. Notwithstanding, the City Manager is authorized to negotiate an amendment or extension that will cause the amendment expenditure to be no more than \$50,000 without further action by the San Antonio City Council. Any such amendment shall be subject to and contingent upon appropriation of funds for any increase in expenditures by the City.

XVII. SEVERABILITY

If any clause or provision of this Agreement is held invalid, illegal or unenforceable under present or future federal, state or local laws, including but not limited to the City Charter, City Code, or ordinances of the City of San Antonio, Texas, then and in that event it is the intention of the parties hereto that such invalidity, illegality or unenforceability shall not affect any other clause or provision hereof and that the remainder of this Agreement shall be construed as if such invalid, illegal or unenforceable clause or provision was never contained herein; it is also the intention of the parties hereto that in lieu of each clause or provision of this Agreement that is invalid, illegal, or unenforceable, there be added as a part of the Agreement a clause or provision as similar in terms to such invalid, illegal or unenforceable clause or provision as may be possible, legal, valid and enforceable.

Further, any failure of either Party to insist in any one or more cases upon the strict performance of any of the covenants of this Agreement, or to exercise any option herein contained, shall in no event be construed as a waiver or relinquishment for the future of such covenant or option. In fact, no waiver, change, modification or discharge by either party hereto of any provision of this Agreement shall be deemed to have been made or shall be effective unless expressed in writing and signed by the party to be charged. In case of City, such changes must be approved by the City Council, as described in Article XVI. Amendments.
