**CLOSING, VACATING, AND ABANDONING AN IMPROVED PORTION
OF S. MAIN STREET ADJACENT TO NCB 100 WITH CONDITIONS,
BOUNDED BY DOLOROSA STREET TO THE NORTH AND EAST
NUEVA/WEST NUEVA TO THE SOUTH, IN COUNCIL DISTRICT 1, AS
REQUESTED BY BEXAR COUNTY; AND WAIVING ASSOCIATED

* * * * *

WHEREAS, Bexar County wishes to address multiple existing security challenges posed by the court system operations; and

WHEREAS, Bexar County will continue to allow emergency services to have unobstructed access through the area and will provide an easement for public access; **NOW THEREFORE**,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF SAN ANTONIO:

SECTION 1. Subject to the reservation below, the City finds the following right-of-way (“Right-of-Way Segment”) described in Section 2 is no longer essential to the safe and efficient flow of traffic in the area in which the right of way is located. As an exercise of its discretion, the City Council closes, vacates, and abandons the Right-of-Way Segment. Conditions of the closure, vacation, and abandonment are set out below in section 5 of this Ordinance.

SECTION 2. The detailed description of the Right-of-Way Segment is set forth on **Attachment I**. Attachment I is incorporated into this ordinance for all purposes as if it were fully set forth. All properties abutting the Right-of-Way Segment being closed, vacated and abandoned are owned by Bexar County, who is requesting the closure.

SECTION 3. All presently existing water and wastewater lines and facilities, electric transmission and distribution lines and facilities, gas lines and facilities, communication lines and facilities, or any other public utility lines and facilities, if any, may remain in place despite this Ordinance and may continue to be used, repaired, enlarged, and maintained in the ordinary course of business. Any person wanting removal of an existing utility line or facility must negotiate separately with the pertinent utility. Any person building on the Right-of-Way Segment without first reaching an agreement with a utility having lines or facilities in the segment does so at his own risk. After the date of this Ordinance, no utility may add additional utility lines or facilities in the Right-of-Way Segment based on a claim that the Right-of-Way Segment is public right of way. All existing drainage rights in the Right-of-Way Segment are retained by the City. This closure does not give up any right arising other than from the plat or other instrument creating the public street or alley right of way. Neither does this Ordinance create new easement rights.

SECTION 4. The following are conditions of the closure, vacation, and abandonment:

1. City's receipt of the fee set out below in the funding section of this Ordinance;
2. An easement is properly executed and recorded in substantially the same form as **Attachment III**.

If these conditions have not been met within a year of the passing of this Ordinance, this Ordinance is void. Bexar County may present evidence to the City Manager or her designee at any time that the required conditions have been met. If the City Manager is satisfied with the evidence, the City Manager or the Manager's designee may sign a certificate stating that the Ordinance did not become void in the relevant period, which may be filed in the real property records of the county. If Bexar County fails to timely complete or comply with the conditions, the City of San Antonio may at any time after the one year period re-enter the Property and reinstate the public right of way by filing in the Bexar County real property records a Notice of Re-Entry.

SECTION 5. The City Manager or her designee, severally, are authorized and directed to execute and deliver all documents and to do all other things conducive to reflect this closure, abandonment, and vacation, including executing an Abandonment of Street Dedication in substantially the same form as **Attachment II** and acceptance of the dedicated easement.

SECTION 6. The Right-of-Way Segment exists by easement. The underlying fee ownership of the Right-of-Way Segment by the adjacent lot owners is now unburdened by the rights closed, vacated, and abandoned. The City Manager or her designee is authorized to execute and record an Abandonment of Street Dedication document, a sample of which is attached as Attachment II, provided such document has been reviewed for content and form by the City Attorney's Office.

SECTION 7. There is no fiscal language associated with this ordinance at this time.

SECTION 8. The requirements of Section 37-11 of the City Code for fee reduction are waived. There is no fee for this street closure. Disposition of this property must be coordinated through the city's Finance Department as necessary to assure the removal of these assets into the City's financial records and to record the proper accounting transactions.

SECTION 9. The financial allocations in this Ordinance are subject to approval by the Director of Finance, City of San Antonio. The Director of Finance, may, subject to concurrence by the City Manager or the City Manager's designee, correct allocations to specific SAP Fund Numbers, SAP Project Definitions, SAP WBS Elements, SAP Internal Orders, SAP Fund Centers, SAP Cost Centers, SAP Functional Areas, SAP Funds Reservation Document Numbers, and SAP GL Accounts as necessary to carry out the purpose of this Ordinance.

SECTION 10. This ordinance becomes effective 10 days after passage, unless it receives the eight votes requisite to immediate effectiveness under San Antonio Municipal Code § 1-15, in which case it becomes effective immediately.

PASSED AND APPROVED this ____ day of _____ 2014.
