At Wells Fargo in my current role, I co-manage \$5.3 million in philanthropic investments for Austin and San Antonio, mobilize Wells Fargo volunteers to support our community and non-profit organizations, and execute on enterprise-wide community programs and initiatives that support our markets with a focus on financial health, housing affordability, and small business growth. Please provide a brief narrative outlining your reasons for seeking appointment to this board or commission:

I am seeking appointment to this board because I think I bring a unique perspective to the Board of Trustees. I am a female minority who grew up in the southern sector of San Antonio and was able to see firsthand the unequal investments in infrastructure for that community vs other areas of our city. We need to continue to improve and invest in older neighborhoods while looking to the future of where businesses and non-profit organizations need support in order to

	<p>prosper. Accessible and affordable transportation is not a luxury but a needed commodity for all. I believe this still holds true for all metropolitan cities across the US, which have seen increased demand for transportation networks, while having to balance repair of older infrastructure and inventory. I am a connector and believe in building relationships. As we make financial and environmental decisions for the future of metro San Antonio, we need to have a balanced approach.</p>
