

AN ORDINANCE 2018-02-15-0106

AUTHORIZING THE SUBMISSION OF 16 GRANT RENEWAL APPLICATIONS AND THE ACCEPTANCE OF FUNDS UPON AWARD IN AN AMOUNT UP TO \$13,941,659.00 FROM THE TEXAS DEPARTMENT OF STATE HEALTH SERVICES FOR PUBLIC HEALTH FUNCTIONS OF THE SAN ANTONIO METROPOLITAN HEALTH DISTRICT FOR THE PERIOD JULY 1, 2018 THROUGH DECEMBER 31, 2019.

* * * * *

WHEREAS, as the public health authority for Bexar County, the San Antonio Metropolitan Health District (Metro Health) actively addresses the public health functions of policy development, health assessment, and health assurance; and

WHEREAS, to carry out these responsibilities, Metro Health operates evidenced based programs in various settings throughout the County; and

WHEREAS, Metro Health provides services to residents at public health settings and service locations located throughout the City and Bexar County; and

WHEREAS, with state grant support, Metro Health provides preventive health services, community education, limited clinical services to prevent communicable disease, emergency preparedness, disease control, supplemental nutrition programs, and dental health services; and

WHEREAS, Metro Health receives approximately 67% of its total budget support through contract and grant awards from the State of Texas in both direct funding and federal pass-through funding; and

WHEREAS, since 2007, this support has been authorized by City Council through a block submission of state grant applications and renewals, most recently on January 12, 2017 (Ordinance 2017-01-12-0007) as well as individual actions; and

WHEREAS, Metro Health will request approximately \$13,941,659.00 in funding from the Texas Department of State Health Services through this ordinance; **NOW THEREFORE:**

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF SAN ANTONIO:

SECTION 1. The City Manager or her designee or the Director of the San Antonio Metropolitan Health District or her designee is authorized to submit sixteen grant renewal applications and accept funds upon award in an amount up to \$13,941,659.00 from the Texas Department of State Health Services (TDSHS) for public health functions of the San Antonio Metropolitan Health District for the period of July 1, 2018 through December 31, 2019. If awarded, the City is

authorized to provide up to \$296,410.00 in in-kind services from the General Fund. A copy of each application is on file with the San Antonio Metropolitan Health District and a program synopsis is attached and incorporated herein for all purposes as **Attachment I**.

SECTION 2. The City Manager or her designee or the Director of the San Antonio Metropolitan Health District or her designee is authorized to initiate, negotiate, and execute any and all necessary documents and grant contracts to effectuate the application and acceptance of the grants referenced in Section 1, and to execute contract amendments pertaining to these contracts, to include: a) carry-over funds, when ascertained and approved by the funding agency through a revised notice of award; b) line item budget revisions authorized by the funding agency; c) modifications to the performance measures authorized by the funding agency and listed in the contracts so long as the terms of the amendment stay within the general parameters of the intent of the grant; d) no cost extensions; e) amendments which will provide supplemental grant funds to a grant by the funding agency in an amount up to 20% of the total amount initially awarded to the grant; f) reimbursement increases of administrative funds for each participant served; g) amendments funding one time equipment purchases or defined program services; and h) changes in state regulations mandated by the funding agency.

SECTION 3. Should funding be awarded, upon acceptance of this award, new funds and internal order numbers will be created, upon which the award amount will be appropriated from the Texas Department of State Health Services (TDSHS). The proposed budget attached hereto and incorporated herein for all purposes as **Attachment I** is approved. A formal final budget for each contract which will include SAP Internal Order numbers and SAP GL Accounts will be submitted by the department upon award. The City Council of the City of San Antonio finds there is a public purpose served by the City's participation in these grants and authorizes incidental expenditures for grant program participants consistent with grant program parameters.

SECTION 4. The proposed personnel complement of one hundred fifty-five (155) positions which is attached hereto and incorporated herein as **Attachment I** is hereby approved. Should funding be awarded, the personnel complement is approved. The Director of the San Antonio Metropolitan Health District or her designee is further authorized to change personnel complement classifications within the approved personnel complement number so long as there is no increase to the overall budget.

SECTION 5. The financial allocations in this Ordinance are subject to approval by the Director of Finance, City of San Antonio. The Director of Finance may, subject to concurrence by the City Manager or the City Manager's designee, correct allocations to specific SAP Fund Numbers, SAP Project Definitions, SAP WBS Elements, SAP Internal Orders, SAP Fund Centers, SAP Cost Centers, SAP Functional Areas, SAP Funds Reservation Document Numbers, and SAP GL Accounts as necessary to carry out the purpose of this Ordinance.

SAMHD State and Federal Pass Through Grants for FY 15

Department of State Health Services										
Area	Description	Summary	START	END	Proposed Amount	Proposed FTEs	In Kind	Program Income	CFDA #	Grantor
Communicable Disease	Immunization Local	Local Immunizations Program works to eliminate barriers, expand immunization delivery, and establish consistent policies to immunize pre-school age children. The goal of the program is to prevent, control, and eliminate indigenous vaccine-preventable diseases by providing immunizations and applying epidemiologic principles and outbreak control measures in San Antonio and Bexar County.	9/1	8/31	\$594,495	9	\$0	\$25,000	N/A	State
Communicable Disease	STD/HIV	STD Support Program conducts disease investigation and counseling to control and prevent the spread of sexually transmitted diseases such as syphilis, HIV, gonorrhea, and Chlamydia. The program provides diagnosis, treatment and partner notification.	1/1	12/31	\$1,273,447	13	\$0	\$0		
Communicable Disease	HIV/AIDS Surveillance	HIV Surveillance Program enables compliance with a state law that requires HIV and AIDS cases to be reported to the local public health agency. Metro Health's HIV Surveillance Program compiles disease reports from community healthcare providers, laboratories, and hospitals through chart reviews in providers' offices and in hospitals for adult HIV/AIDS disease. Statistical reports are developed and forwarded to the TDSHS central office in Austin. These reports are also used for local analysis of HIV/AIDS disease trends and evaluation of the effectiveness of various local programs	9/1	8/31	\$225,552	4	\$0	\$0	N/A	State
Communicable Disease	HIV Prevention	The HIV Prevention Program allows the STD division to concentrate on two key strategies that will assist in the prevalence of HIV/AIDS infection among the MSM population in the Bexar County area of San Antonio, which is linking HIV/AIDS clients to medical care as well as community mobilization, which will focus on awareness of HIV/AIDS to the community through engagement of conversation via focus groups, community forums, and through other community venues, and expansion of HIV testing of MSMs of color and Hispanic MSMs. Funds are also used for testing for syphilis, HIV and Hep C.	1/1	12/31	\$250,000	4	\$0	\$0	N/A	State
Communicable Disease	TB Special Team Project	Special TB Team Program is one of two annual contracts providing patient home visits for directly observed therapy. This consists of administration of anti-tuberculosis medications to patients at home, work and school, and directly observing medication ingestion to ensure compliance with physicians' orders as required by law.	1/1	12/31	\$318,216	6	\$63,643	\$0	93.116	CDC
Communicable Disease	TB Prevention and Control State	TB Prevention and Control Program is one of two annual contracts to investigate, diagnose and manage suspected or confirmed cases of tuberculosis. TB services are available to residents and visitors of Bexar County.	9/1	8/31	\$430,771	5	\$86,154	\$5,000	N/A	State
Communicable Disease	TB Waiver	This project will focus on expanding Tuberculosis (TB) screenings, with a special focus on high risk populations in Bexar County in order to reduce the spread of Tuberculosis. This project will increase targeted testing for latent tuberculosis testing for latent tuberculosis infection (LTBI) in high risk populations, provide routine testing for LTBI with interferon gamma release assays (IGRAs) instead of tuberculin skin testing, provide routine treatment of LTBI through a 12 dose and utilize a 12 week regimen administered by Directly Observed Therapy (DOT) to improve patient adherence and completion of LTBI therapy.	10/1	8/31	\$2,405,040	8	\$0	\$0	93.363	HHS
Communicable Disease	Surveillance Epidemiology	Epidemiologist shall conduct surveillance for all notifiable conditions listed in 25 TAC §97.3 and conduct telephone interviews of patients with notifiable conditions and individuals who are determined by the Emerging and Acute Infectious Disease Branch (EAID) of the Department of State Health Services (DSHS) to be part of a cluster or outbreak to ascertain possible risk factors. Epidemiologist may also perform surveillance and epidemiology activities during other major outbreaks and/or disasters.	9/1	8/31	\$136,562	2	\$0	\$0	N/A	State

SAMHD State and Federal Pass Through Grants for FY 15

Communicable Disease	PHEP Lab	Public Health Preparedness Laboratory funding under this grant contract is used primarily for the Metro Health Biosafety Level Three (BSL-3) Laboratory opened in 2005. Staff in this facility can rapidly identify terrorist threat agents including smallpox, anthrax, plague, and tularemia, as well as influenza, food borne illnesses and other diseases.	7/1	6/30	\$244,077	2	\$24,408	\$0	93.069	CDC
Communicable Disease	Milk Group	Milk Sample Lab Testing Program analyzes approximately 5,000 milk samples per year from processing plants located in San Antonio and the surrounding TDSHS Region 8 area. Samples are processed within 48 to 72 hours after collection and tested for bacteria, pasteurization, antibiotics, and excess water.	9/1	8/31	\$71,771	0	\$0	\$0	N/A	State
Communicable Disease	Flu Surveillance	Also known as Infectious Diseases Program funds influenza surveillance activities conducted by Metro Health.	9/1	8/31	\$5,000	0	\$0	\$0	N/A	State
Community Health	WIC	Women, Infants & Children (WIC) provides nutritious food, nutrition education, and breastfeeding promotion and support to qualified pregnant, breastfeeding and postpartum women and their infants and children less than five years of age.	10/1	9/30	\$6,295,393	84	\$0	\$0	10.557	USDA
Community Health	Local Public Health (Triple O)	Local Public Health Service Program (Triple O) funding supports core public health activities that include community-based Chronic Disease Prevention programming, health education, and community health planning.	9/1	8/31	\$226,056	4	\$0	\$0	N/A	State
Community Health	Title V Dental Fee for Service	Title V-Dental contract provides funding for preventative dental services to children ages 0-21 who do not qualify for Medicaid or CHIP. SAMHD provides all enrollment and intake activities related to the grant, while the University of Texas Health Science Center San Antonio Dental School is the subcontractor for direct patient care.	9/1	8/31	\$211,064	1	\$0	\$0	93.994	HHS
Environmental Safety	PHEP Bioterrorism Preparedness	Public Health Emergency Preparedness (PHEP) funding supports the Metro Health's all-hazards emergency preparedness activities and additional Pandemic Influenza Preparedness activities. In conjunction with the Emergency Management Division, City/County First Responders, and local hospital systems, PHEP uses recent exercise outcomes to evaluate existing emergency plans and develop new response systems. This program and plan development is in collaboration with community resources and neighboring counties.	7/1	6/30	\$1,002,347	11	\$100,235	\$0	93.069	CDC
Environmental Safety	PHEP Cities Readiness Initiative	Cities Readiness Initiative (CRI) is a program to enhance the planning efforts of local response partners who will have access to the equipment, supplies and medications of the Strategic National Stockpile (SNS). Specifically, CRI provides initial funding for the planning stage to coordinate SNS response activities among the surrounding counties comprising the Metropolitan Service Area. CRI provides the framework to build a response system that allows for the City's increased population during daytime hours, and for standardization of bioterrorism response planning efforts among Bexar, Atascosa, Wilson, Guadalupe, Comal, Kendall, Bandera, and Medina counties. The planning activities include standardizing Point of Dispensing selection, adopting dispensing procedures, dispensing medical materials to treatment centers, controlling SNS inventory, public information and security, as well as uniform coordination of training, exercising and evaluation, and tactical communication, command and control.	7/1	6/30	\$219,698	2	\$21,970	\$0	93.069	CDC
