

COVID-19 UPDATES

A SESSION – JANUARY 14, 2021

Presented by :

Colleen M. Bridger, MPH, PhD

Assistant City Manager and Interim Health Director

CURRENT STATUS BEXAR COUNTY

 **138,785**

7 day rolling average: 1,688

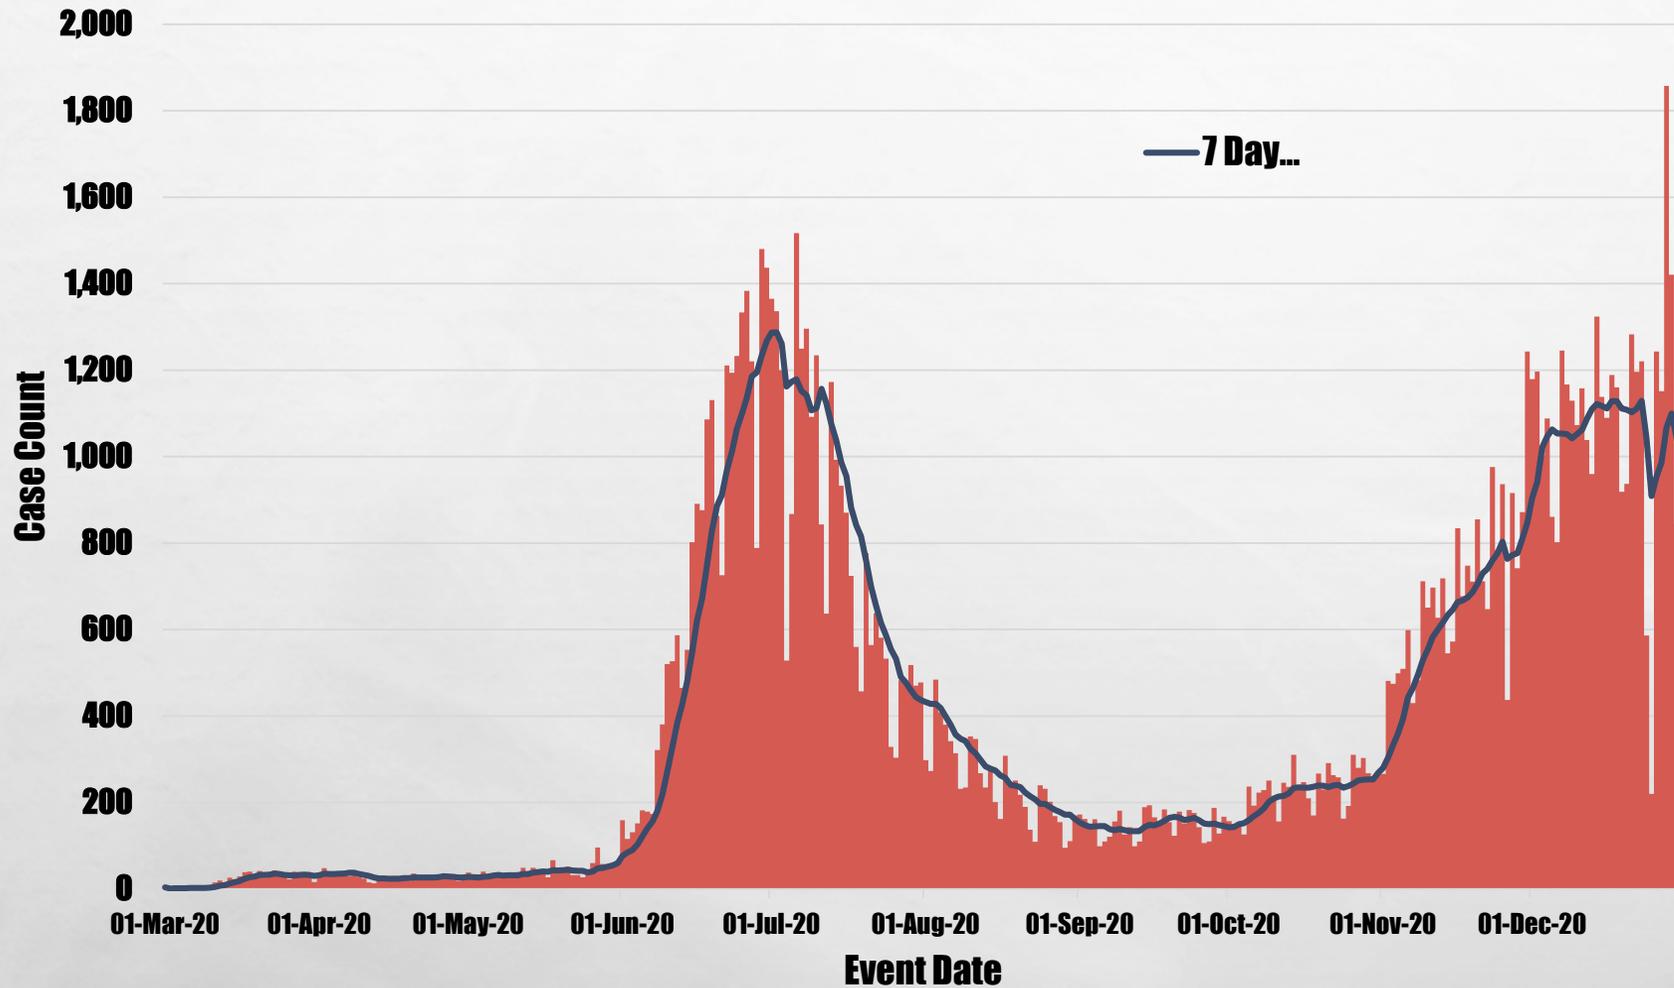

Positivity Rate: 19.7%

**Total Deaths
Confirmed
1,685**

**Active
17,823
(weekly estimate)**

**Recovered
119,277
(weekly estimate)**

Bexar County COVID-19 Cases by Event Date*

**TOTAL COVID-19
CASES IN
BEXAR COUNTY
THROUGH
12/31/2020**

Vaccination Priorities

- 1) Monitor vaccine doses received and administered;
- 2) Expand access to mass vaccination clinics;
- 3) Ensure equity is at the heart of vaccine distribution;
- 4) Clearly communicate to the community where vaccine is available

Monitoring Doses

as of 1/13/2021:

Bexar County

- Doses Received – 154,500
- Hosp/Pharm Doses Administered: 62,078
- Mass Vax Doses given by 1-16: ~30,000
- Doses given, not yet reported: ~22,730
- Total doses remaining as of 1-16: ~39,000

Expand Mass Vaccination Locations

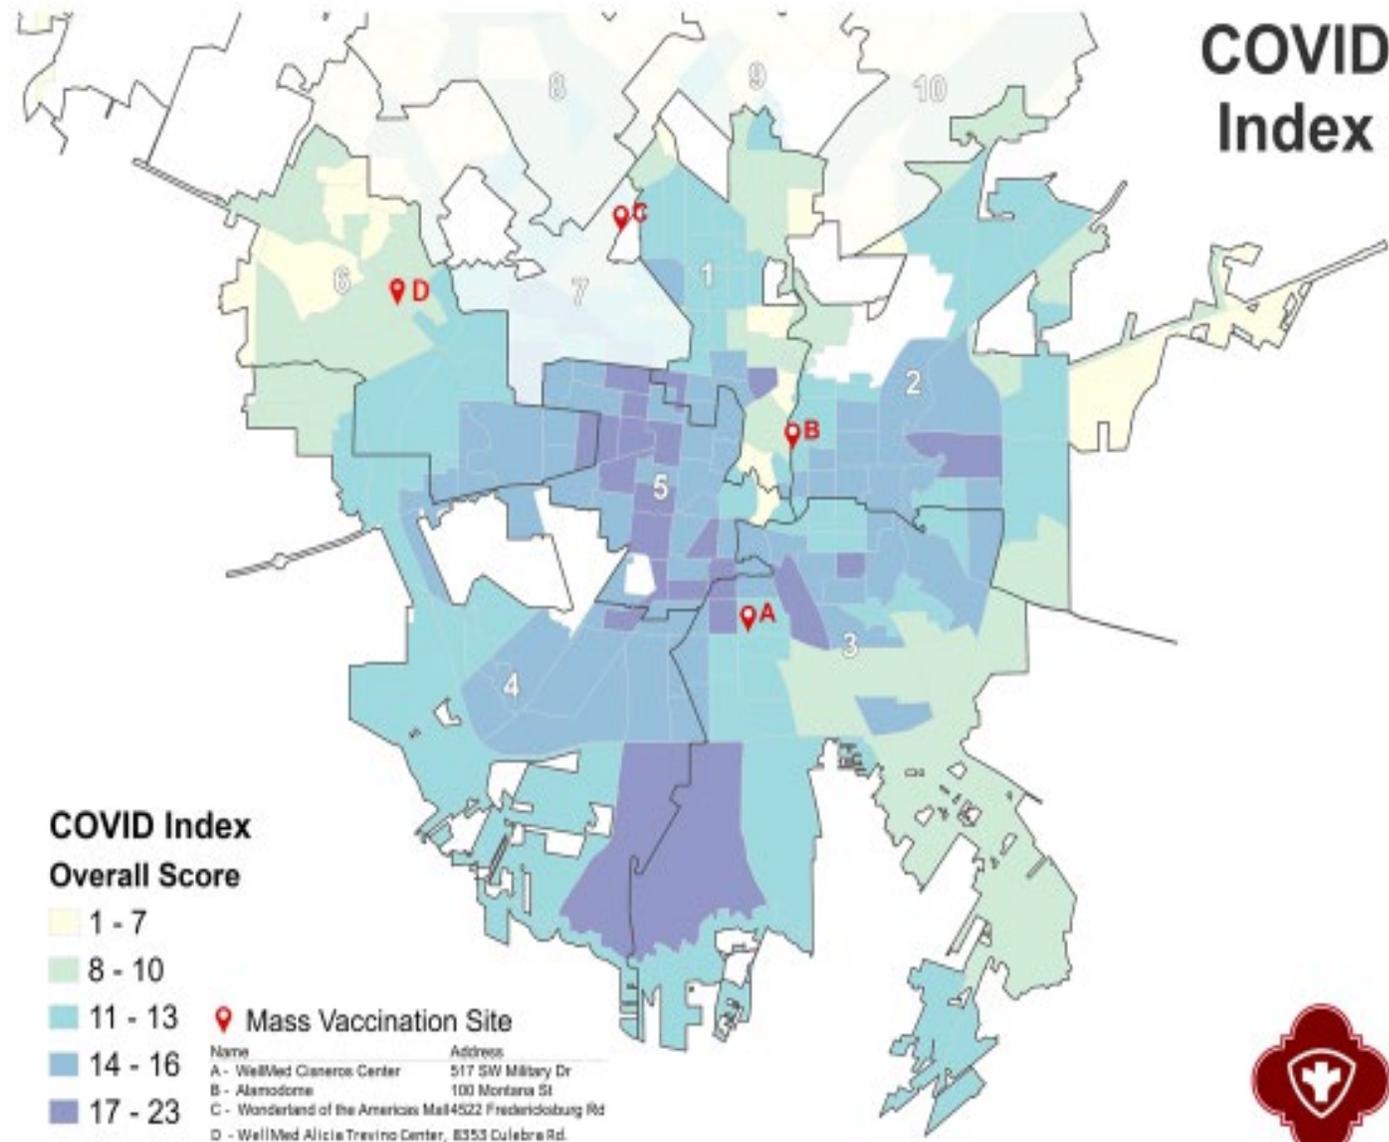

Four mass vaccination sites are operational in the San Antonio/Bexar County area:

- Wonderland Mall ~ 1600 doses per day
- Alamodome ~ 1,500 doses per day
- WellMed Cisneros Site ~ 1000 doses per day
- WellMed Lopez Center ~ 500 doses per day

Expand Mass Vaccination Locations

- A = Wonderland Mall
- B = Alamodome
- C = WellMed Cisneros
- D = WellMed Lopez

COVID Index Overall Score = Equity index + COVID Case Score + COVID Mortality Score

Embedding Equity in our Vaccination Efforts

- **Location of Mass Vaccination clinics**
- **Use of Community Health Workers and others in priority census tracts**
- **Pivoting CRC to CREC and expanding community membership**

Communications

- Email Updates
- Press Releases
- Social Media Updates
- Press Events
