Property: 10.077 acres of land, more or less, being Lot 1, Block 3, NCB 10147, Spriggsdale Plaza Subdivision, a subdivision of record in Volume 9567, Page 12, Deed and Plat Records, Bexar County, Texas, and the remaining portion of that certain 10.072 acre tract of land (the "Land") described in deed to William A. The Land, Improvements, Rights, Appurtenances and Personalty are collectively referred to as the "Property" in this Warranty Deed.

Grantor, in consideration of the cancellation and extinguishment of the unpaid balance on the Note and for other valuable consideration, grants, sells, and conveys to Grantee the Property, together with all and singular the rights and appurtenances thereto in any wise belonging, located in Bexar County, Texas, TO HAVE AND TO HOLD IT to Grantee and Grantee's successors and assigns forever. Grantor binds Grantor and Grantor's successors and assigns to warrant and forever defend all and singular the Property to Grantee and Grantee's successors and assigns, against every person who lawfully claims the Property or any part thereof, subject to the matters set forth on an instrument marked for purposes of identification as **Exhibit 'B'** (the "Permitted Exceptions") which is attached hereto and incorporated herein for all purposes.

Grantor and Grantee agree to the following:

1. This Warranty Deed and the conveyances being made by it are being executed, delivered, and accepted in lieu of foreclosure and will be interpreted and construed as a foreclosure of the Liens that secure the repayment of the Note and as an absolute conveyance to Grantee of all right, title, and interest in the Property, including specifically but without limitation any equity or rights of redemption of Grantor or others in or to the Property.
2. Notwithstanding the cancellation of the unpaid balance of the Note and any provision of this Warranty Deed, each and all of the Liens that evidence or secure the payment of the Note are not released or relinquished but will remain valid, continuous, and in full force and effect for a period of four (4) years from the date of this Warranty Deed unless released on an earlier date by written instrument executed by Grantee and recorded in the Official Public Records of Bexar County, Texas. The release of the Liens may be made at Grantee's sole discretion.
3. Neither Grantor nor Grantee intend there to be, and there will not be, a merger of any of the Liens with the title or other interest of Grantee by virtue of this conveyance. The parties

expressly provide that each interest in the Liens will remain separate and distinct from the title to the Property.

4. The title and other interest of Grantee in the Property under this Warranty Deed will not merge with the Liens. For the purpose of priority between intervening or inferior liens, claims, or encumbrances on or against the Property and the Liens, all rights of Grantee to exercise its remedies of foreclosure by private power of sale or by judicial foreclosure of any of the Liens or any other remedies are expressly preserved and, for purposes of limitations and any other applicable time-bar defenses, are expressly extended by this instrument.

5. The priority of the Liens is intended to be and will remain in full force and effect, and nothing in this Warranty Deed or in any instruments executed in connection with this Warranty Deed will be construed to subordinate the priority of the Liens to any other liens or encumbrances.

6. The acceptance of this Warranty Deed by Grantee is expressly conditioned on the representation and warranty of Grantor that title to the Property is good and indefeasible title, free and clear of all liens and encumbrances of any nature other than the Liens. If title to the Property is not good and indefeasible as represented and warranted herein by Grantor, then Grantee may, in addition to any other remedy available to it under this Warranty Deed or at law or in equity and in the exercise of the Grantee's sole option and discretion, reinstate the Note and upon such reinstatement, the cancellation of the Note and any qualifications on the Liens, as stated above, will be null and void for all purposes. Upon any reinstatement, all rights of Grantee to exercise its remedies against the Property under the Note will be expressly extended for purposes of limitations and other time-bar defenses.

7. This Warranty Deed and the warranty of title contained herein are additionally made and accepted subject to the Permitted Exceptions only to the extent that they remain valid and enforceable with respect to the Property.

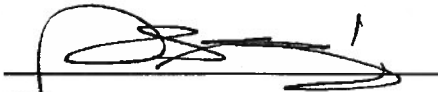

8. As used herein, "Grantor" includes Grantor's successors and assignees, and "Grantee" includes Grantee's successors and assignees.

When the context requires, singular nouns and pronouns include the plural.
