Review, testing, evaluation and monitoring may be conducted before and after the award of a contract. Testing and monitoring may include user acceptance testing. 2. Contractor agrees to cooperate fully and provide DSHS and its representatives timely access to Products, records, and other items and information needed to conduct such review, evaluation, testing, and monitoring.

- ii. If the Products will be in the custody of the state or an DSHS' client or recipient after the Contract expiration or termination, the Products will continue to comply with Accessibility Standards after the expiration or termination of the Contract Term, unless DSHS or its clients or recipients, as applicable, use the Products in a manner that renders it noncompliant.
- 2. - 1. Under Tex. Gov't Code § 2054.465, neither the Contractor nor any other person has cause of action against DSHS for a claim of a failure to comply with Tex. Gov't Code Chapter 2054, Subchapter M, and rules of the Department of Information Resources.
- 2. In the event of a breach of Contractor's representations and warranties, Contractor will be liable for direct, consequential, indirect, special, or liquidated damages and any other remedies to which DSHS may be entitled under this Contract and other applicable law.
