OFFICE OF THE CITY COUNCIL
Shirley Gonzales, District 5

From: Councilwoman Shirley Gonzales

Subject: Higher Education Student Advisory Committee Member

Date: March 1, 2019

This memo serves as notification of my appointment of Alyssah Gonzalez from Our Lady of the Lake University to the Higher Education Student Advisory Board.

The Higher Education Student Advisory Board was created in February of 2018. Alyssah's concern regarding affordable housing, public safety and multi modal transportation align with the needs and interest of District 5.

I am confident of Alyssah's ability to be an active and vital member on this advisory board.
