

AN ORDINANCE 2014 - 03 - 06 - 0138

AUTHORIZING THE SUBMISSION OF 15 GRANT RENEWAL APPLICATIONS AND THE ACCEPTANCE OF FUNDS UPON AWARD IN AN AMOUNT UP TO \$11,729,656.00 FROM THE TEXAS DEPARTMENT OF STATE HEALTH SERVICES FOR PUBLIC HEALTH FUNCTIONS OF THE SAN ANTONIO METROPOLITAN HEALTH DISTRICT FOR THE PERIOD OF SEPTEMBER 1, 2014 THROUGH SEPTEMBER 30, 2015.

* * * * *

WHEREAS, as the public health authority for Bexar County, the San Antonio Metropolitan Health District (Metro Health) actively addresses the public health functions of policy development, health assessment, and health assurance; and

WHEREAS, to carry out these responsibilities, Metro Health operates evidenced based programs in various settings throughout Bexar County; and

WHEREAS, Metro Health provides services to residents at public health settings and service locations located throughout the City and Bexar County; and

WHEREAS, with state grant support, Metro Health provides preventive health services, community education, and limited clinical services to prevent communicable disease, emergency preparedness, disease control, supplemental nutrition programs, and dental health; and

WHEREAS, Metro Health receives approximately 69% of its total budget support through contract and grant awards from the State of Texas in both direct funding and federal pass-through funding; and

WHEREAS, since 2007, this support has been authorized by City Council through a block submission of state grant applications and renewals most recently on April 4, 2013 (Ordinance 2013-04-04-0226) as well as individual actions; and

WHEREAS, Metro Health will request approximately \$11,729,656.00 in funding from the Texas Department of State Health Services through this ordinance; **NOW THEREFORE:**

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF SAN ANTONIO:

SECTION 1. The City Manager or her designee or the Director of the San Antonio Metropolitan Health District or his designee is authorized to submit fifteen (15) grant renewal applications and accept funds upon award in an amount up to \$11,729,656.00 from the Texas Department of State Health Services (TDSHS) for core public health functions of the San

Antonio Metropolitan Health District for the period of September 1, 2014 through September 30, 2015. If awarded, the City will provide up to \$327,614.00 in in-kind services from the General Fund. A copy of each application is on file with the San Antonio Metropolitan Health District and a program synopsis is attached and incorporated herein for all purposes as **Attachment I**.

SECTION 2. The City Manager or her designee or the Director of the San Antonio Metropolitan Health District or his designee is authorized to execute any and all necessary documents and grant contracts to effectuate the applications and acceptance of the grants referenced in Section 1 of this ordinance. The City Manager or her designee or the Director of the San Antonio Metropolitan Health District or his designee, is further authorized to execute contract amendments pertaining to these contracts in the following instances a) carry-over funds, when ascertained and approved by the funding agency through a revised notice of award; b) line item budget revisions authorized by the funding agency; c) modifications to the performance measures authorized by the funding agency and listed in the contracts so long as the terms of the amendment stay within the general parameters of the intent of the grant; d) no cost extensions; e) amendments which will provide supplemental grant funds to a grant by the funding agency in an amount up to 20% of the total amount initially awarded to the grant; f) reimbursement increases of administrative funds for each participant served; g) amendments funding one time equipment purchases or defined program services; and h) changes in state regulations mandated by the funding agency.

SECTION 3. Should funding be awarded, Fund 26016000 entitled "Texas Department of State Health Service" is hereby designated for use in the accounting for the fiscal transaction in the acceptance of these grants and a sum not to exceed \$11,729,656.00 from the TDSHS and \$327,614.00 from the General Fund will be appropriated in said fund. A proposed budget which is attached hereto and incorporated herein for all purposes as **Attachment I** is approved. A final budget for each grant which will include SAP Internal Orders and SAP GL Accounts will be submitted by the San Antonio Metropolitan Health District upon award.

SECTION 4. The proposed personnel complement of one hundred fifty-nine (159) positions which is attached hereto and incorporated herein as **Attachment I** is hereby approved. Should funding be awarded, the personnel complement is approved.

SECTION 5. The financial allocations in this Ordinance are subject to approval by the Director of Finance, City of San Antonio. The Director of Finance may, subject to concurrence by the City Manager or the City Manager's designee, correct allocations to specific SAP Fund Numbers, SAP Project Definitions, SAP WBS Elements, SAP Internal Orders, SAP Fund Centers, SAP Cost Centers, SAP Functional Areas, SAP Funds Reservation Document Numbers, and SAP GL Accounts as necessary to carry out the purpose of this Ordinance.

Area	Description	Summary	START	END	Proposed Amount	Proposed FTEs
Community Health	WIC	Women, Infants & Children (WIC) provides nutritious food, nutrition education, and breastfeeding promotion and support to qualified pregnant, breastfeeding and postpartum women and their infants and children less than five years of age. In addition, funds provided by TDSHS for the WIC program supports a contract in the amount of \$15,000.00 for a certified lactation consultant.	10/1	9/30	\$ 6,357,475	97
Community Health	Local Public Health (Triple O)	Local Public Health Service Program (Triple O) funding supports core public health activities that include community-based Chronic Disease Prevention programming, health education, and community health planning.	9/1	8/31	\$279,082	4
Community Health	Title V Dental Fee for Service	Title V-Dental contract provides funding for preventative dental services to children ages 0-21 who do not qualify for Medicaid or CHIP. SAMHD provides all enrollment and intake activities related to the grant, while the University of Texas Health Science Center San Antonio Dental School is the subcontractor for direct patient care.	9/1	8/31	\$236,754	1
Communicable Disease	TDSHS Immunization Local	Local Immunizations Program works to eliminate barriers, expand immunization delivery, and establish consistent policies to immunize pre-school age children. The goal of the program is to prevent, control, and eliminate indigenous vaccine-preventable diseases by providing immunizations and applying epidemiologic principles and outbreak control measures in San Antonio and Bexar County.	9/1	8/31	\$ 710,809	11
Communicable Disease	STD/HIV (Federal)	STD Support Program conducts disease investigation and counseling to control and prevent the spread of sexually transmitted diseases such as syphilis, HIV, gonorrhea, and Chlamydia. The program provides diagnosis, treatment and partner notification.	9/1	8/31	\$ 696,434	9
Communicable Disease	HIV/AIDS Surveillance - State	HIV Surveillance Program enables compliance with a state law that requires HIV and AIDS cases to be reported to the local public health agency. Metro Health's HIV Surveillance Program compiles disease reports from community healthcare providers, laboratories, and hospitals through chart reviews in providers' offices and in hospitals for adult HIV/AIDS disease. Statistical reports are developed and forwarded to the TDSHS central office in Austin. These reports are also used for local analysis of HIV/AIDS disease trends and evaluation of the effectiveness of various local programs.	9/1	8/31	\$ 266,386	4
Communicable Disease	HIV Prevention	The HIV Prevention Program is a new contract awarded that allows the STD division to concentrate on two key strategies that will assist in the prevalence of HIV/AIDS infection among the MSM population in the Bexar County area of San Antonio, which is linking HIV/AIDS clients to medical care as well as community mobilization, which will focus on awareness of	9/1	8/31	\$ 300,720	4
Communicable Disease	TB Special Team Project (Federal)	Special TB Team Program is one of two annual contracts providing patient home visits for directly observed therapy. This consists of administration of anti-tuberculosis medications to patients at home, work and school, and directly observing medication ingestion to ensure compliance with physicians' orders as required by law.	9/1	8/31	\$ 527,336	6
Communicable Disease	TB Prevention and Control State	TB Prevention and Control Program is one of two annual contracts to investigate, diagnose and manage suspected or confirmed cases of tuberculosis. TB services are available to residents and visitors of Bexar County. In addition, this activity will receive approximately \$8,800.00 from patient co-payments and Medicaid reimbursements.	9/1	8/31	\$ 620,309	5
Environmental Safety	PHEP Bioterrorism Preparedness	Public Health Emergency Preparedness (PHEP) funding supports the Metro Health's all-hazards emergency preparedness activities and additional Pandemic Influenza Preparedness activities. In conjunction with the Emergency Management Division, City/County First Responders, and local hospital systems, PHEP uses recent exercise outcomes to evaluate existing emergency plans and develop new response systems. This program and plan development is in collaboration with community resources and neighboring counties.	9/1	8/31	\$ 1,143,661	12

SAMHD State and Federal Pass Through Grants for FY 15

Environmental Safety	PHEP Cities Readiness Initiative	Cities Readiness Initiative (CRI) is a program to enhance the planning efforts of local response partners who will have access to the equipment, supplies and medications of the Strategic National Stockpile (SNS). Specifically, CRI provides initial funding for the planning stage to coordinate SNS response activities among the surrounding counties comprising the Metropolitan Service Area. CRI provides the framework to build a response system that allows for the City's increased population during daytime hours, and for standardization of bioterrorism response planning efforts among Bexar, Atascosa, Wilson, Guadalupe, Comal, Kendall, Bandera, and Medina counties. The planning activities include standardizing Point of Dispensing selection, adopting dispensing procedures, dispensing medical materials to treatment centers, controlling SNS inventory, public information and security, as well as uniform coordination of training, exercising and evaluation, and tactical communication, command and control.	9/1	8/31	\$ 249,771	3
Environmental Safety	PHEP Lab	Public Health Preparedness Laboratory funding under this grant contract is used primarily for the Metro Health Biosafety Level Three (BSL-3) Laboratory opened in 2005. Staff in this facility can rapidly identify terrorist threat agents including smallpox, anthrax, plague, and tularemia, as well as influenza, food borne illnesses and other diseases.	9/1	8/31	\$ 244,436	2
Environmental Safety	Milk Group	Milk Sample Lab Testing Program analyzes approximately 5,000 milk samples per year from processing plants located in San Antonio and the surrounding TDSHS Region 8 area. Samples are processed within 48 to 72 hours after collection and tested for bacteria, pasteurization, antibiotics, and excess water	9/1	8/31	\$ 57,417	0
Environmental Safety	CPS Laboratory Response Network - HPP	Provides competency based training to laboratory personnel on proper packaging and shipping of specimens for healthcare workers who respond to public health emergencies	9/1	8/31	\$ 34,066	1
