Dear Mr. Lee:

On September 8, 2016, the Aquifer Protection and Evaluation Section of the San Antonio Water System (SAWS) received a letter issued by your office requesting a category determination for the above-referenced project. Based on a review of the documentation submitted and in accordance with Chapter 34, Article VI, Division 6, Section 34-925 of the City Code, **Category 1** classification of **North Pointe Unit 4B-1, Approximately 8.252 Acres** is confirmed.

Please be aware that the occurrence of a "substantial alteration", as identified in Section 34-926 of the City Code, may result in a loss of Category 1 status and may cause a recategorization of the property or portion(s) thereof. Upon the expiration of the application(s) or permit(s) causing the property to be designated Category 1; the property will automatically be placed in its appropriate category as of the date of expiration.
