However, continuation of this CONTRACT beyond September 30, 2018, is subject to and contingent upon annual appropriation by City Council as evidenced by passage of the City's annual budget ordinance.
- 3.2 **Renewal.** **CITY**, at its sole discretion, shall have the option to renew and extend this CONTRACT for up to two (2) one (1) year periods under the same terms and conditions as herein established.
- 3.3 Prices hereunder shall be fixed through September 30, 2015. After September 30, 2015, the unit cost may be revised annually to increase prices in an amount not to exceed the greater of (i) the average percentage increase in the PPI or (ii) 5%. PPI shall be calculated with reference to the Bureau of Labor Statistics' Producers Price Index (PPI). Calculations will be based on multiplying the percentages of change in the index to the current contract pricing. For all PPC items, the PPI commodity code WPU15710505 for Protective Clothing will be utilized. Reference <http://data.bls.gov/cgi-bin/srgate>.

To calculate changes in the PPI, two formulas are used.

To determine the index point change, use the following formula:

Current PPI – Previous PPI = Index Point Change

To determine the percent change represented by the index, use the

following formula:

Index Point Change / Previous PPI X 100 = Percent Change

Any price increase in excess of PPI will require proof of said increases and must be agreed to by the parties, with approval by **CITY** not to be unreasonably withheld. Increase notice must be provided by **VENDOR** sixty (60) days prior to such annual renewal period for the **CITY** approval.

**3.3.1** The same pricing practices shall be followed for repair, alteration, tailoring and cleaning of the PPC items.

#### **IV. LIQUIDATED DAMAGES**

**4.1** Other than with respect to an event of force majeure described below herein, if the **VENDOR** fails to have a fit line of bunker boots and an appropriate number of suspenders and hoods available for immediate issue, replacement or exchange or any new bunker coat, pants or boot order within 60 (sixty) days from receipt of order, **VENDOR** may be subject to fixed and liquidated damages of 5% of the Unit Cost for each item delivered late. This shall be assessed on a one-time only basis per occurrence so that once **VENDOR** has failed to deliver within the timescales noted above, **CITY** may assess liquidated damages of 5% of the Unit Cost for each item delivered late and no other assessments may be made.

**4.2** If the **VENDOR** fails to complete alterations, repairs, cleaning and services within the time frames established herein, then the **VENDOR** may be subject to fixed and liquidated damages of five dollars (\$5.00) per day with a maximum of forty dollars (\$40.00) per occurrence that the **VENDOR** fails to complete the work required.

**4.4** Unannounced inspections by **CITY** will take place on a regular basis to confirm that NFPA 1851 rules and regulations are followed properly. If **VENDOR** fails to comply with NFPA 1851 rules and regulations, **VENDOR** may be subject to fixed and liquidated damages of one hundred dollars (\$100.00) per calendar day until compliance is attained.

**4.5** In the event that the performance by either party of any of its obligations or undertakings hereunder shall be interrupted or delayed by any occurrence and not occasioned by the conduct of either party hereto, whether such occurrence be an Act of God or the common enemy or the result of war, riot, civil commotion,

sovereign conduct, or the act or conduct of any person or persons not a party or privy hereto (provided, however, that Vendor shall be responsible for the acts of its Service Provider), then such party shall be excused from performance, and associated liquidated damages, for a period of time as is reasonably necessary after such occurrence to remedy the effects thereof, and each party shall bear the cost of any expense it may incur due to the occurrence.
