Re: Appointment to the Conservation Advisory Board

Dear Ms. Vacek:

The San Antonio River Authority (SARA) appreciates the opportunity to once again serve the citizens of San Antonio by providing a representative to the Edwards Aquifer Protection Initiative Conservation Advisory Board (CAB). We are nominating Stephen Graham, PE, SARA's Assistant General Manager to replace John Chisholm, who served on the CAB since 2015.

Mr. Graham has been employed with SARA since 1991 and has over 28 years of experience in Water Resource projects, environmental protection and other related activities. With his engineering background, he has extensive knowledge of watershed engineering/management programs and sustainable development/green infrastructure practices. Mr. Graham has also worked directly with state and federal resource agencies including the Texas Parks and Wildlife Department, the Texas Commission on Environmental Quality, the United States Geological Service, Federal Emergency Management Agency and the Natural Resource Conservation Service. Enclosed is Mr. Graham's narrative bio and he may be contacted by phone at (210) 302-3622 or via e-mail at [sgraham@sara-tx.org](mailto:sgraham@sara-tx.org).

Thank you for providing SARA the opportunity to continue our representation on the Conservation Advisory Board.

Respectfully,

  
SUZANNE B. SCOTT  
General Manager
