

**TASER International, Inc.'s Hardware Warranty, Limitations and Release for  
Law Enforcement CEW Products and On-Officer Cameras (U.S. and Canada)  
(Effective March 12, 2014)**

The following TASER International, Inc. (TASER) warranty provisions are applicable on all sales or transfers of TASER Law Enforcement Products, including conducted electrical weapons (CEWs), on-officer audio/video cameras and related accessories.<sup>1</sup> The term "Purchaser" means any purchaser, possessor, or user of the TASER brand products. **BY USING THE TASER PRODUCT YOU ARE AGREEING TO BE BOUND BY THE TERMS OF THE WARRANTY AS SET OUT BELOW.**

**Manufacturer's Limited Warranty<sup>2</sup>**

TASER warrants that its Law Enforcement Hardware Products<sup>3</sup> are free from defects in workmanship and materials for a period of ONE (1) YEAR from the date of receipt. CEW cartridges and Smart cartridges that are expended are deemed to have operated properly.<sup>4</sup> TASER-Manufactured Accessories<sup>5</sup> are covered under a limited 90-DAY warranty from the date of receipt. Non-TASER manufactured accessories are covered under the manufacturer's warranty. In the event any country or state imposes a longer express warranty term than that described in this warranty document, then the country or state's term will take precedence.

If a valid warranty claim is received by TASER within the warranty period, TASER agrees to repair or replace the product which TASER determines in its sole discretion to be defective under normal use, as defined in the product instructions. TASER's sole responsibility under this warranty is to either repair

or replace with the same or like product, at TASER's option.

**Optional Extended Hardware Warranty for AXON flex, AXON body, ETM, EVIDENCE.com Dock, TASER CAM HD, X2, X26, and X26P**

The optional extended warranty, when available, may only be purchased at the point of sale of the product. The extended warranty runs from the date of receipt of the extended warranty through the balance of the 1-year limited warranty plus the term of the extended warranty measured after the expiration of the 1-year limited warranty. Purchaser may not buy more than one extended warranty for any one specific product. The extended warranty does not cover user-removable battery replacement, abuse, intentional or deliberate damage to the product, or force majeure during the extended warranty period.<sup>6</sup> For customers who purchase an extended warranty TASER warrants it will repair or replace the TASER product, which fails to function for any reason not excluded by this warranty, during the extended warranty period with the same or like product, at TASER's option. Purchaser may not buy a new extended warranty for any replacement or repaired product which is replaced or repaired under the extended warranty.

**Exclusions and Limitations**

A replacement product will be new or like new and have the remaining warranty period of the original product or 90 days from the date of replacement or

repair, whichever period is longer. When a product or part is exchanged, any replacement item becomes Purchaser's property and the replaced item becomes TASER's property. After the warranty period, TASER may, at its sole option, repair or replace a TASER product for a fee. A paid for out-of-warranty repair or replacement product comes with the manufacturer's limited warranty.

This warranty does not apply and TASER will not be responsible for any loss, data loss, damage, or other liabilities arising from: (a) damage from failure to follow instructions relating to the product's use; (b) damage caused by use with non-TASER products or from the use of cartridges, batteries or other parts, components or accessories that are not manufactured or recommended by TASER; (c) damage caused by abuse, misuse, intentional or deliberate damage to the product, or force majeure; (d) damage to a product or part that has been repaired or modified by persons other than TASER authorized personnel or without the written permission of TASER; or (e) if any TASER serial number has been removed or defaced.

**To the extent permitted by law, this warranty and the remedies set forth above are exclusive and in lieu of all other warranties, remedies, and conditions, whether oral or written, statutory, express or implied, as permitted by applicable law. TASER specifically disclaims any and all statutory or implied warranties, including**

<sup>1</sup> The warranty does not apply to software or services offered for, by, on, or through the TASER.com or EVIDENCE.com websites. This warranty only applies to hardware.

<sup>2</sup> A product's estimated useful life or expiration date may not be the product's warranty expiration date.

<sup>3</sup> TASER Law Enforcement Hardware Products include TASER X2, X26, and X26P CEWs, Simulation Handles assembled by TASER, TASER CAM and TASER CAM HD recorders, CEW cartridges, and Smart cartridges, AXON flex camera (including

the universal magnetic clip), AXON body camera, Evidence Transfer Managers (ETMs), and EVIDENCE.com Docks.

<sup>4</sup> Broken blast doors are not covered under TASER's limited warranty.

<sup>5</sup> TASER-Manufactured Accessories include, but are not limited to: batteries; battery chargers; carrying cases; cables; docking bars; USB data download kits; headbands; holsters; mounts; DPM, XDPM, CDPM, PPM, TPPM, APPM, XPPM, TPM, and

Shockwave Power Magazine modules; and the X-Rail mounting system.

<sup>6</sup> The manufacturer's limited warranty provides coverage for AXON flex camera, AXON flex controller or AXON body batteries that have failed or are exhibiting diminished capacity as result of a manufacturing defect. Under the extended warranty, replacement of the AXON flex camera battery is covered, but replacement of the AXON flex controller battery and AXON body battery are not covered.

**TASER International, Inc.'s Hardware Warranty, Limitations and Release for  
Law Enforcement CEW Products and On-Officer Cameras (U.S. and Canada)  
(Effective March 12, 2014)**

---

without limitation, warranties of merchantability, design, fitness for a particular purpose, arising from a course of dealing, usage or trade practice, warranties against hidden or latent defects, and warranties against patent infringement. If statutory or implied warranties cannot be lawfully disclaimed, then all such warranties are limited to the duration of the express warranty described above and limited by the other provisions contained in this warranty document.

The remedies provided for in the above warranty are expressly in lieu of any other liability TASER may have. TASER's cumulative liability to any party for any loss or damage resulting from any claims, demands, or actions arising out of or relating to any TASER product will not exceed the purchase price paid to TASER for the product. In no event will TASER be liable for any direct, special, indirect, incidental, exemplary, punitive or consequential damages, however caused, whether for breach of warranty, breach of contract, negligence, strict liability, tort or under any other legal theory, even if TASER has been advised of the possibility of those damages or if those damages could have been reasonably foreseen, and notwithstanding any failure of essential purpose of any exclusive remedy provided in this warranty. Some local laws do not allow for the limitation or exclusion of liability for incidental or consequential damages, so the above limitation or exclusion may not apply to you. Any repair to or replacement of any product under this warranty may result in a loss of programs or data.

#### **Release**

**Purchaser agrees to release TASER from any and all liability arising out of the deployment, use, or misuse of the TASER product, including**

**any claims for damages and personal injuries. Purchaser agrees to assume all risks of loss and all liability for any damages and personal injury which may result from the deployment, use, or misuse of the TASER product. TASER is not liable for the failure of the TASER product to perform and TASER is not liable for any claims made by a third party or by Purchaser for or on behalf of a third party.**

#### **Purchaser Responsibilities and Product Registration**

Purchaser should update product software and/or firmware as they become available through TASER, as well as perform periodic data uploads to EVIDENCE.com services or download/backup copies of the information, data, and/or video contained on the TASER product storage media to protect the contents and as a precaution against possible operational failures.

To register your TASER product, please go to [www.taser.com/register](http://www.taser.com/register). Registration of your product allows TASER to contact you with important product notifications and provides a record in case of product loss or theft. Registration is voluntary and failure to register will not diminish your limited warranty rights.

#### **Warranty Repair Procedure**

For warranty return and repair procedures, including troubleshooting guides, please go to TASER's websites [www.taser.com/support](http://www.taser.com/support) or [www.evidence.com](http://www.evidence.com), as indicated in the appropriate product user manual or quick start guide.

Failure to provide the required information for the returned product will delay the return of the repaired or replaced item. If Purchaser fails to provide the required information, including the RMA number, then TASER assumes no liability for loss of the returned product. Any TASER product that has not

been paid for, when required, or for which the required information has not been provided during a period of 90 days after receipt of the TASER product by TASER is deemed abandoned and TASER may dispose of the TASER product without any liability, compensation, or further notification to Purchaser.

Before you deliver your product for warranty service, it is your responsibility to upload the data contained in the product to the EVIDENCE.com services or download the product and keep a separate backup copy of the contents. During warranty service the contents of the storage media will be deleted and reformatted. TASER is not responsible for any loss of software programs, data, or other information contained on the storage media or any other part of the product services. The product will be returned to you configured as originally purchased, subject to applicable firmware updates. Recovery and reinstallation of software programs and user data are not covered under this warranty. *If you require attempted data recovery this must be specifically requested (and a fee may be required) or the contents of your product will be deleted and the storage media reformatted in the course of warranty service.*

#### **General**

This warranty supersedes any prior, contrary, or additional representations, whether written or oral. This warranty is TASER's only hardware warranty and may not be changed or enlarged by any agent, employee, distributor, dealer, or other person. This warranty, including any extended warranty, is non-transferable.
