The Tax Year 2016 Assessed value is estimated at \$412,329,497.00. The Projected Captured value for Tax Year 2036 is \$653,958,651.00 net of exemptions. The term of the zone is projected to be 20.66 years with the TIRZ being in existence through September 30, 2037.

## **Eligible Expenses**

This TIRZ can reimburse eligible expenses in accordance with Chapter 311 including organizational costs necessary to implement the project plan.

## **Finance Plan**

The Tax Year 2016 Assessed value of the Hemisfair TIRZ is estimated at \$412,329,497.00. Projected Captured values are expected to grow from \$1,211,310.00 in Tax Year 2018 to \$653,958,651.00 in Tax Year 2036.

The City is the only participating taxing entity, with the City's current tax rate per \$100 valuation at \$0.55827. This is expected to produce annual revenues of \$6,627.13 in Fiscal Year 2019 to \$3,577,837.86 in Fiscal Year 2037. A 3.25% growth in values is assumed based on analysis of historic and projected valuation growth.

The City and the TIRZ Board may use Tax Increment Fund to pay eligible expenditures in the following order of priority of payment:

1. To pay interest and principal should the City issue any debt instrument such as bonds, notes, certificates of obligation or other public debt to cover Project Costs;
2. To fully reimburse eligible Designation Fee;
3. To pay all ongoing Annual Administrative Fees to the City for administering the Tax Increment Fund and/or the Zone;
4. To reimburse the City for costs of the repair, replacement, or re-construction of public infrastructure and associated costs as described in any applicable development agreement.
5. To reimburse the City under any reclaim of funds pursuant to any applicable development agreement; and
6. To reimburse developers for eligible expenses, including financing costs and organizational costs, as provided in the applicable Development Agreements and in the Project Plan to the extent that funds in the Tax Increment Fund are available for this purpose.

TIRZ collections for this project shall not extend beyond September 30, 2037 and may be terminated earlier.

TABLE – TIRZ Contributions		
Participating Taxing Entities	Maximum Dollar Contribution *	Maximum Length of Contribution
City of San Antonio	N/A	September 30, 2037

\* Hemisfair TIRZ is a City Initiated TIRZ, therefore doesn't have a Maximum Dollar Contribution. The City's participation rate and maximum contribution shall be based on the overall impact to the City's Operational Budget and Debt Plan, and the Finance Plan must not adversely impact the City's ability to deliver services or its debt capacity.

**Limited Obligation of the City or Participating Taxing Entities**

The City shall have a limited obligation to impose and collect taxes, and deposit such tax receipts into the Hemisfair TIRZ fund so long as the project is viable and capital costs incurred by the City and/or a developer (if any) have not been fully paid. Hemisfair TIRZ collections for this project shall not extend beyond September 30, 2037, and may be terminated prior to September 30, 2037, upon payment of public improvement capital costs incurred by the City and/or a developer (if any), or for the failure of the TIRZ Project to perform as projected in the Project and Finance Plans.

Any costs incurred by a developer (if any) are not and shall never in any event become general obligations or debt of the City or any of the Participating Taxing Entities. The eligible expenses including organizational costs incurred by a developer shall be reimbursed solely from the Hemisfair TIRZ revenues and shall never constitute a debt, indebtedness or a pledge of the faith and credit or taxing power of the State, the City, the Participating Taxing Entities, any political corporation, subdivision, or agency of the State.
