Councilmember Lopez read a portion of a letter from State Representative Justin Rodriguez in support of changes to the San Antonio Fire and Police Pension Fund. He highlighted three reasons for supporting the change noting that it would reduce the City's contribution to

the Fund saving an estimated \$225 million over the next 30 years without increasing member contribution.

Mayor Taylor called upon the citizens registered to speak.

He expressed concern that adoption of the Legislation would not be viewed favorably by the Bond Rating Agencies. He further recommended the development of a written funding policy to become fully funded.

Mr. Coyle replied that he did not have the information at this time but did not believe that any exemptions were included.
