Collectively, the CITY, SWISD, and the Board may be referred to as the "Parties". This Agreement is made pursuant to Chapter 791, Texas Government Code.

RECITALS

WHEREAS, Chapter 791 of the Texas Government Code (the "Interlocal Cooperation Act") provides that a local government may contract or agree with another local government to perform governmental functions and services in accordance with this chapter; and

WHEREAS, the Act defines local government as a county, municipality, special district, junior college district, or other political subdivision of this state or another state; and

WHEREAS, the City of San Antonio is a municipal corporation and SWISD is a political subdivision of the State making each eligible to contract under the Act; and

WHEREAS, the Act allows eligible entities to contract with each other for the performance of governmental functions which include "public health and welfare" and "other governmental functions in which the contracting parties are mutually interested"; and

WHEREAS, virtual learning has been utilized in each San Antonio school district to provide parents with an option to have their children learn virtually at home to protect the health and safety of the family; and

WHEREAS, in order to utilize virtual learning, it is imperative that students have the necessary equipment to access the internet and to complete assignments; and

WHEREAS, to allow SWISD, for public health and welfare reasons, to partake in virtual learning during the pandemic, the City is providing funding through SWISD for the expansion of broadband capacity and costs associated therein, to serve SWISD teachers and students who are utilizing distance learning; and

WHEREAS, the governing bodies of the Parties accordingly desire that City provide funding to SWISD from City's local Coronavirus Relief Fund (hereinafter "CRF"), for SWISD's expansion of broadband

capacity and costs associated therein, in an amount of \$60,000.00, subject to the provisions stated herein below; and

WHEREAS, the Parties further desire to memorialize the aforementioned arrangement and make this Agreement pursuant to Chapter 791 of the Texas Government Code (Interlocal Cooperation Act) with respect to governmental functions in which the contracting parties are mutually interested;

NOW, THEREFORE, the Parties, in consideration of the mutual covenants and agreements herein contained, do mutually agree as follows:

TERMS

I. OBLIGATIONS OF THE PARTIES

A. CITY Obligations

City will provide SWISD with funding by way of a lump sum payment in the amount of sixty-thousand dollars (\$60,000) from City's local CRF, for the purpose of procuring, in accordance with SWISD policy, approximately two thousand (2,000) hotspots and costs associated therein, illustrated by Exhibit A, for the expansion of broadband capacity in order to provide for an online curriculum and to support the practice of virtual learning through the pandemic. It is anticipated that providing these resources, in conjunction with those provided separately by SWISD, will assist in reducing the impact and spread of the Coronavirus by providing families with the option of virtual learning in times when the student is not able to attend in-person class due to the vulnerability of a family member, when they themselves are feeling ill and may be infected with the coronavirus, or in the event of a shutdown of in-school classes.

B. SWISD Obligations

- a) SWISD shall utilize the funding provided by City to purchase approximately two thousand (2,000) hotspots and costs associated therein, to be distributed to teachers or students during the pandemic. Funds provided through City's local CRF must be expended prior to December 30, 2020. Additionally, any goods or services procured by City's local CRF must be delivered or performed by December 30, 2020, unless the delay of such goods or services is due to circumstances beyond SWISD's control. Funds provided through City's local CRF must be used to reimburse costs that were incurred during the period that begins on March 1, 2020 and ends on December 30, 2020 and pursuant to CARES Act/CRF guidelines. SWISD shall determine the criteria for providing teachers or students with such devices and shall ensure that all necessary security protocols are followed by the teacher or student during its use. Following purchase, SWISD shall supply City with an invoice indicating the serial numbers of the devices purchased with City funding under this Agreement.

- b) SWISD shall complete, and comply with, all required documentation, conditions, formalities and obligations mandated under the CARES Act/CRF, other applicable Federal, State and local laws, as well as this Agreement. SWISD is, and remains for the duration of this Agreement, under an

affirmative obligation to timely notify City, in writing, if SWISD learns of any impediment(s) or change(s) affecting its acquisitions/funding mechanisms under this Agreement.

- c) SWISD acknowledges and agrees that City's funding under this Agreement shall be in accordance with City's customary procedures. While preserving the integrity of the total sum stated above, City reserves the right to make any necessary adjustments to payment(s) as might be required by the City for any reason, during the course of this Agreement;
- d) SWISD acknowledges that the funding source, for any funding payable by City to SWISD under this Agreement, is anticipated to be local Coronavirus Relief Funds, received by City pursuant to the CARES Act and, as such, City considers such funding an eligible expenditure under the CARES Act. Notwithstanding the above, in the event of a later finding by an auditing Federal agency that City's funding to SWISD, of aforementioned expenses/order costs, does not meet eligibility criteria under the CARES Act (including related Federal memoranda/regulations/rules/laws), whether in whole or in part, SWISD shall refund previously received monies to City, to the extent such are found ineligible by the auditing agency. Said refund must be received by City no later than the deadline indicated to SWISD by City, following notification from the applicable Federal agency of said finding. SWISD shall further maintain, for the minimum period required under applicable laws, all records and other documentation relating to the funding herein, and shall allow City access to, and the right to copy, audit and inspect such records and documentation, as deemed necessary by City, within said minimum period. In the event of an audit by any Federal agency, or indication received thereof, the Parties agree to cooperate with each other generally, and particularly in the sharing/exchange of applicable information and documents, to the extent allowed by law and as required for compliance. The Parties acknowledge and agree that this Article I, Section B, (c) survives termination of the Agreement.
- e) At any time, following City's aforementioned funding, should either Party determine that the amount of the payment, or a portion thereof, is erroneous, for any reason whatsoever, the Parties shall cooperate with each other in rectifying the error.
- f) SWISD shall, periodically, inspect devices to ensure no violations of use are occurring and that the devices remain in good working order. SWISD is responsible for all maintenance and repair of the devices during the term of this Agreement and City shall not be asked to provide additional funding for said purposes.

II. TERM AND TERMINATION

- A. This Agreement shall become effective on the date of last execution stated herein and, except to the extent of Article I, Section B, (c) above, which survives termination of the Agreement, shall remain effective until December 30, 2020. Following City's payment, the Agreement may be terminated, prior to its natural expiration, for any or no reason, by either Party with thirty (30) days written notice to the

other Party and such termination alone shall not be deemed a breach or incur any penalty under this Agreement.
