**NOTICE OF PUBLIC HEARING**  
*Notificación para audiencia pública*  
**BUILDING STANDARDS BOARD**

As the owner, lienholder, mortgagee of record, or person responsible for the above property, you are hereby notified that pursuant to Article VIII, Chapter 6 of the City Code of San Antonio, Texas, a public hearing will be held before the City of San Antonio Building Standards Board (BSB) on **September 7, 2017** at 9:00 a.m. at the Cliff Morton Development and Business Services Center, One Stop Building, located at 1901 S. Alamo St.

An investigation by the Code Enforcement Section has found the referenced property to be in violation of the San Antonio Property Maintenance Code (SAPMC). The specific violations observed are listed below:

Sub-Section	Section Description	Violation Detail
304.2 Protective treatment	<p>All exterior surfaces, including but not limited to, doors, door and window frames, cornices, porches, trim, balconies, and decks shall be maintained in good condition. Exterior wood surfaces, other than decay resistant woods, shall be protected from the elements and decay by painting or other protective covering or treatment. All siding and masonry joints, as well as those between the building envelope and the perimeter of windows, doors and skylights, shall be maintained weather resistant and water tight. All metal surfaces subject to rust or corrosion shall be coated to inhibit such rust and corrosion, and all surfaces with rust or corrosion shall be stabilized and coated to inhibit future rust and corrosion. Oxidation stains shall be removed from exterior surfaces. Surfaces designed for stabilization by oxidation are exempt from this requirement.</p> <p>The roof and flashing shall be sound, tight and not have defects that admit rain. Roof drainage shall be adequate to prevent dampness or deterioration in the walls or interior portion of the structure. Roof drains, gutters and downspouts shall be maintained in good repair and free from obstructions.</p>	Structure was lacking weather protection including but not limited to the exterior walls, door and window trim, the overhang
304.6 Exterior walls	All exterior walls shall be free from holes, breaks, and loose or rotting materials; and maintained weatherproof and properly surface coated where required to prevent deterioration.	Exterior wall in disrepair to include but not limited to, holes in the wall, vent is missing, the 4 X 8 siding sheets are detaching and separating, some cracks at the joints are visible, & rotted wood

304.7 Roof and drainage	The roof and flashing shall be sound, tight and not have defects that admit rain. Roof drainage shall be adequate to prevent dampness or deterioration in the walls or interior portion of the structure. Roof drains, gutters and downspouts shall be maintained in good repair and free from obstructions.	Sections of the roof decking in disrepair to include but not limited to expose to the elements, rotting wood, attached porch overhang covering in need of repair, gutter collapsing, sections of the roof covering are missing and others in need of replacing
604.3 Electrical system hazards	Where it is found that the electrical system in a structure constitutes a hazard to the occupants or the structure by reason of inadequate service, improper fusing, insufficient receptacle and lighting outlets, improper wiring or installation, deterioration or damage, or for similar reasons, the code official shall require the defects to be corrected to eliminate the hazard.	Electrical hazards on the east side of the structure to include but not limited to, Conduit from the panel box not properly anchored, wiring is not in proper conduit running from the side of the structure to the rear and into the structure, porch light improperly installed

Notice of the violation and a correction order was provided to the person responsible. The Code Enforcement Section has initiated a hearing before the BSB. The purpose of this hearing is to determine whether the above property has been in violation of the SAPMC. If at the conclusion of the hearing the BSB finds that a violation existed, it may order action to be taken to abate the violation, assess a civil penalty up to \$1,000 per day, or both.

You or a designated representative may present testimony and evidence on your behalf at the hearing for the BSB's consideration. The Code Enforcement Section will present evidence regarding the condition of the property and will recommend actions to abate any violations found by the BSB. For more information, please contact the Building Standards Board Liaison at (210) 207-5422.

Sincerely,

Amanda M. Almanza
