Submission of Offers.

Submission of Hard Copy Offers. Submit one original offer, signed in ink, and two copies of the offer enclosed in a sealed envelope addressed to the Purchasing and General Services Department at the address and by the due date provided on the Cover Page. The name and address of offeror, the offer due date and RFO number and title shall be marked on the outside of the envelope(s). All times stated herein are Central Time. Any offer or modification received after the time and date stated on the Cover Page shall be rejected.

Submission of Electronic Offers. Submit one offer electronically by the due date provided on the Cover Page. All times stated herein are Central Time. Any offer or modification received after the time and date stated on the Cover Page shall be rejected. All forms in this solicitation which require a signature must have a signature affixed thereto, either by manually signing the document, prior to scanning it and uploading it with your submission, or affixing it electronically.

Offers sent to City by facsimile or email shall be rejected.

Modified Offers. Offers may be modified provided such modifications are received prior to the time and date set for submission of offers, and submitted in the same manner as original offers. For hard copy offers, provide a cover letter with the offer, indicating it is a modified offer and that the Original offer is being withdrawn. For electronic offers, a modified offer will automatically replace a prior offer submission. See below for information on submitting Alternate Offers.

City shall not be responsible for lost or misdirected offers or modifications.

Offerors must sign the Signature Page on hard copy offers and return the RFO document to City. For electronic offers, Offeror's electronic submission, with accompanying affirmations, constitutes a binding signature for all purposes.

Offerors are cautioned that they are responsible for the security of their log on ID and password, since unauthorized use could result in Offeror's being held liable for the submission.

Certified Vendor Registration Form. If Offeror has not completed the City's Certified Vendor Registration (CVR) Form, Offeror is required to do so prior to the due date for submission of offers. The CVR form may be accessed at <http://www.sanantonio.gov/purchasing/>. Offerors must identify the correct name of the entity that will be providing the goods and/or services under the contract. No nicknames, abbreviations (unless part of the legal title), shortened or short-hand names will be accepted in place of the full, true and correct legal name of the entity.

Alternate Offers. Alternate offers may be allowed at the sole discretion of City.

Hard Copy Alternate Offers. Hard copy alternate offers must be submitted in separate sealed envelopes in the same manner as submission of other offers. Alternate offers must be marked consecutively on the envelope as Alternate Offer No. 1, 2, etc. Failure to submit alternate offers in separate envelopes may result in rejection of an offer.

Electronic Alternate Offers Submitted Through the Portal. All alternate offers are recorded with original offers when submitted electronically.

Catalog Pricing. (This section applies to offers using catalog pricing, unless this is a cooperative purchase.)

The offer will be based on manufacturer's latest dated price list(s). Said price list(s) must denote the manufacturer, latest effective date and price schedule.

Offerors shall be responsible for providing one copy of the manufacturer's catalog for each manufacturer for which an offer is submitted. Offeror shall provide said catalog at the time of submission of its offer. Manufacturers' catalogs may be submitted in any of the following formats: paper copy or CD ROM for bids submitted on paper, or PDF file for offers submitted electronically.

Offerors may submit price lists other than the manufacturer's price list. Said price list(s) must denote the company name, effective date and price schedule. These price lists are subject to approval of the City Purchasing & General Services Department.

Specified items identified herein, if any, are for overall offer evaluation and represent the commonly and most used items. Net prices entered for those specified items must reflect the actual price derived from quoted price list less all discounts offered.

Restrictions on Communication.

Offerors are prohibited from communicating with: 1) elected City officials and their staff regarding the RFO or offers from the time the RFO has been released until the contract is posted as a City Council agenda item; and 2) City employees from the time the RFO has been released until the contract is awarded. These restrictions extend to “thank you” letters, phone calls, emails and any contact that results in the direct or indirect discussion of the RFO and/or offer submitted by Offeror. Violation of this provision by Offeror and/or its agent may lead to disqualification of the offer from consideration.

Exceptions to the restrictions on communication with City employees include:

Offerors may ask verbal questions concerning this RFO at the Pre-Submittal Conference.

Offerors may submit written questions, or objections to specifications, concerning this RFO to the Staff Contact Person listed on the Cover Page on or before 3 calendar days prior to the date offers are due. Questions received after the stated deadline will not be answered. Questions submitted and the City’s responses will be posted with this solicitation. All questions shall be sent by e-mail or through the portal.

Offerors may provide responses to questions asked of them by the Staff Contact Person after responses are received. The Staff Contact Person may request clarification to assist in evaluating the Offeror’s response. The information provided is not intended to change the offer response in any fashion. Such additional information must be provided within two business days from City’s request.

Offerors and/or their agents are encouraged to contact the Small Business Office of the International and Economic Development Department for assistance or clarification with issues specifically related to the City’s Small Business Economic Development Advocacy (SBEDA) Program policy and/or completion of the SBEDA form (s), if any. The point of contact is identified on the Cover Page. Contacting the Small Business Office regarding this RFO after the due date is not permitted. If this solicitation contains Affirmative Procurement Initiatives, it will be noted on the Cover Page.

If this solicitation contains DBE/ACDBE requirements, respondents and/or their agents may contact the Aviation Department’s DBE/ACDBE Liaison Officer for assistance or clarification with issues specifically related to the DBE/ACDBE policy and/or completion of the required form(s). Point of contact is Ms. Lisa Brice, who may be reached via telephone at (210) 207-3505 or through e-mail at lisa.brice@sanantonio.gov. Respondents and/or their agents may contact Ms. Brice at any time prior to the due date for submission of bids. Contacting her or her office regarding this RFO after the due date is not permitted. If this solicitation contains DBE/ACDBE requirements, it will be noted on the Cover Page.

Pre-Submittal Conference.

If a Pre-Submittal Conference is scheduled, it will be held at the time and place noted on the Cover Page. Offerors are encouraged to prepare and submit their questions in writing in advance of the Pre-Submittal Conference in order to expedite the proceedings. City’s responses to questions received prior to the conference may be distributed at the Pre-Submittal Conference and posted with this solicitation. Attendance at the Pre-Submittal Conference is optional, but highly encouraged.

This meeting place is accessible to disabled persons. Call the Staff Contact Person for information on the location of the wheelchair accessible entrance, or to request an interpreter for the deaf. Interpreters for the deaf must be requested at least 48 hours prior to the meeting. For other assistance, call (210) 207-7245 Voice/TTY.

Any oral response given at the Pre-Submittal Conference that is not confirmed in writing and posted with this solicitation shall not be official or binding on City.

Changes to RFO.

Changes to this RFO made prior to the offer due date shall be made directly to the original RFO. Changes are captured by creating a replacement version each time the RFO is changed. It is Offeror’s responsibility to check for new versions until the offer due date. City will assume that all offers received are based on the final version of the RFO as it exists on the day offers are due.

No oral statement of any person shall modify or otherwise change or affect the terms, conditions or specifications stated in the RFO.

Preparation of Offers.

All information required by the RFO must be furnished or the offer may be deemed non-responsive and rejected. Any ambiguity in the offer as a result of omission, error, unintelligible or illegible wording shall be construed in the favor of City.

Correct Legal Name. If an Offeror is found to have incorrectly or incompletely stated the name of the entity that will provide goods and/or services, the offer may be rejected.

Line Item Offers. Any offer that is considered for award by each unit or line item, must include a price for each unit or line item for which Offeror wishes to be considered. All offers are awarded on the basis of low line item, low total line items, or in any other combination that serves the best interest of City, unless City designates this solicitation as an "all or none" offer in the Supplemental Terms & Conditions.

All or None Offers. Any offer that is considered for award on an "all or none" basis must include a price for all units or line items. In an "All or None" offer, a unit price left blank shall result in the offer being deemed nonresponsive and disqualified from consideration. An "All or None" offer is one in which City will award the entire contract to one offeror only.

Delivery Dates. Proposed delivery dates must be shown in the offer form where required and shall include weekends and holidays, unless specified otherwise in this RFO. Proposed delivery times must be specific. Phrases such as "as required", "as soon as possible" or "prompt" may result in disqualification of the offer. Special delivery instructions, if any, may be found in the Specifications / Scope of Services section of this document, or in the Purchase Order.

Tax Exemption. The City of San Antonio is exempt from payment of federal taxes, and State of Texas limited sales excise and use taxes. Offerors must not include such taxes in offer prices. An exemption certificate will be signed by City where applicable upon request by Offeror after contract award.

Samples, Demonstrations and Pre-award Testing. If requested by City, Offeror shall provide product samples, demonstrations, and/or testing of items offered to ensure compliance with specifications prior to award of the contract. Samples, demonstrations and/or testing must be provided within 7 calendar days of City's request. Failure to comply with City's request may result in rejection of an offer. All samples (including return thereof), demonstrations, and/or testing shall be at Offeror's expense. Samples will be returned upon written request. Requests for return of samples must be made in writing at the time the samples are provided. Otherwise, samples will become property of City at no cost to City. Samples that are consumed or destroyed during demonstrations or testing will not be returned.

Estimated Quantities for Annual Contracts.

Designation as an "annual" contract is found in the contract's title on the Cover Page of this document. The quantities stated are estimates only and are in no way binding upon City. Estimated quantities are used for the purpose of evaluation. City may increase or decrease quantities as needed. Where a contract is awarded on a unit price basis, payment shall be based on the actual quantities supplied.

Offerors shall thoroughly examine the drawings, specifications, schedule(s), instructions and all other contract documents.

Offerors shall make all investigations necessary to thoroughly inform themselves regarding plant and facilities for delivery of material and equipment, or conditions and sites/locations for providing goods and services as required by this RFO. No plea of ignorance by Offeror will be accepted as a basis for varying the requirements of City or the compensation to Offeror.

Confidential or Proprietary Information. All offers become the property of City upon receipt and will not be returned. Any information deemed to be confidential by Offeror should be clearly noted; however, City cannot guarantee that it will not be compelled to disclose all or part of any public record under the Texas Public Information Act, since information deemed to be confidential by Offeror may not be considered confidential under Texas law, or pursuant to a Court order. Pricing may be tabulated and posted to City's website, so shall not be considered proprietary or confidential.

Costs of Preparation. Offeror shall bear any and all costs that are associated with the preparation of the Offer, attendance at the Pre-Submittal conference, if any, or during any phase of the selection process.

Rejection of Offers.

City may reject any and all offers, in whole or in part, cancel the RFO and reissue the solicitation. City may reject an offer if:

Offeror misstates or conceals any material fact in the offer; or

The offer does not strictly conform to law or the requirements of the offer;

The offer is conditional; or

Any other reason that would lead City to believe that the offer is non-responsive or Offeror is not responsible.

City, in its sole discretion, may also waive any minor informalities or irregularities in any offer, such as failure to submit sufficient offer copies, failure to submit literature or similar attachments, or business affiliation information.

Changes to Offer Form. Offers must be submitted on the forms furnished. Offers that change the format or content of City's RFO may be rejected.

Withdrawal of Offers. Offers may be withdrawn prior to the due date. Written notice of withdrawal shall be provided to the Staff Contact Person for offers submitted in hard copy. Offers submitted electronically may be withdrawn electronically.

Evaluation and Award of Contract.

City reserves the right to make an award on the basis of City's best interests. Award may also be made based on low line item, low total line items, or in any other combination that serves the best interest of City, unless City designates this solicitation as an "all or none" offer in the Supplemental Terms & Conditions.

A written award of acceptance, manifested by a City Ordinance, and a purchase order furnished to Offeror results in a binding contract without further action by either party. Offeror must have the Purchase Order before making any delivery.

City reserves the right to delete items prior to the awarding of the contract, and purchase said items by other means.

Inspection of Facilities/Equipment. Depending on the nature of the RFO, Offerors' facilities and equipment may be a determining factor in making the offer award. All Offerors may be subject to inspection of their facilities and equipment.

Prompt Payment Discount.

Provided Offeror meets the requirements stated herein, City shall take Offeror's offered prompt payment discount into consideration. The evaluation will not be based on the discount percentage alone, but rather the net price as determined by applying the discount to the offer price, either per line item or total offer amount. However, City reserves the right to reject a discount if the percentage is too low to be of value to City, all things considered. City may also reject a discount if the percentage is so high as to create an overly large disparity between the price City would pay if it is able to take advantage of the discount and the price City would pay if it were unable to pay within the discount period. City may always reject the discount and pay within the 30 day period, at City's sole option.

City will not consider discounts that provide fewer than 10 days to pay in order to receive the discount.

For example, payment terms of 2% 5, Net 30 will NOT be considered in offer evaluations or in the payment of invoices. However, payment terms of 2% 10, Net 30 will result in a two percent reduction in the offer price during offer evaluation, and City will take the 2% discount if the invoice is paid within the 10 day time period.

Prohibited Financial Interest. The Charter of the City of San Antonio and its Ethics Code prohibit a City officer or employee, as those terms are defined in the Ethics Code, from having a financial interest in any contract with City or any City agency such as City-owned utilities. An officer or employee has a "prohibited financial interest" in a contract with City or in the sale to City of land materials, supplies or service, if any of the following individual(s) or entities is a party to the contract or sale: the City officer or employee; his parent, child or spouse; a business entity in which he or his parent, child or spouse owns ten (10) percent or more of the voting stock or shares of the business entity, or ten (10) percent or more of the fair market value of the business entity; or a business entity in which any individual or entity above listed is a subcontractor on a City contract, a partner or a parent or subsidiary business entity.

Conflict of Interest:

State of Texas Conflict of Interest Questionnaire (Form CIQ). Chapter 176 of the Texas Local Government Code requires that persons, or their agents, who seek to contract for the sale or purchase of property, goods, or services with the City, shall file a completed Form CIQ with the City Clerk if those persons meet the requirements under §176.006(a) of the statute.

By law this questionnaire must be filed with the City Clerk not later than the 7th business day after the date the vendor becomes aware of facts that require the statement to be filed. See Section 176.006(a-1), Texas Local Government Code.

005 - SUPPLEMENTAL TERMS & CONDITIONS

Original Contract Term.

This contract shall begin upon the effective date of the ordinance awarding the contract and terminate on the fifth anniversary of the effective date, or upon expiration of the last TASER Assurance Plan then in effect, whichever shall occur later.

Temporary Short Term Extensions.

City shall have the right to extend this contract under the same terms and conditions beyond the original term or any renewal thereof, on a month to month basis, not to exceed three months. Said month to month extensions shall be in writing, signed by Director, and shall not require City Council approval, subject to and contingent upon appropriation of funding therefore.

Temporary Contract Pending Award of Contract by City Council

Occasionally, the City has a need for goods or services prior to the date set for the San Antonio City Council to consider a contract for award. If such a situation arises with regard to this solicitation, and if City intends to recommend Vendor's bid to the City Council for award of a contract, City may require Vendor to provide goods or services prior to the date set for City Council to consider the bid for award of a contract. City shall provide Vendor advance written notice if such occasion arises.

In such event, City's written notice shall constitute acceptance of Vendor's bid and shall result in a temporary contract to provide goods and/or services until City Council considers and awards the contract contemplated in this solicitation. The total expenditure under the temporary contract shall not exceed \$50,000. The temporary contract shall begin on the date set forth in City's written notice and shall terminate when the total expenditure reaches \$50,000, or upon subsequent written notice from City, whichever shall occur sooner. Should City Council authorize award of a contract to Vendor pursuant to this solicitation, said award shall automatically terminate the temporary contract upon the effective date of the newly awarded contract.

During the term of the temporary contract, all goods or services shall be provided in accordance with the terms and conditions contained in this solicitation, with the exception of the Original Contract Term, which is modified as indicated above for the temporary contract.

Acceptance of Vendor's bid for the purposes of award of a temporary contract does not constitute award of the full contract with the Original Contract Term. Such a contract may only be awarded by the San Antonio City Council by passage of an ordinance. Neither does award of a temporary contract obligate City to recommend Vendor's bid for award to the City Council, or guarantee that the City Council will award the contract to Vendor.

Warranty.

A minimum of 90-days product guarantee or the manufacturer's standard commercial warranty, whichever is greater, shall apply to all products and/or services purchased under this RFO, unless otherwise specified in the Specifications/Scope of Services section of this RFO. This warranty shall provide for replacement of defective merchandise, parts, and labor, and shall include pick-up of the defective merchandise from City and delivery of the replacement(s) to the same location. The warranty shall be effective from the date of acceptance of the merchandise, or completion of the service, as applicable.

Internal / External Catalog.

San Antonio e-Procurement. The City is using an “e-Procurement” system (SAePS) based on SAP’s Supplier Relationship Management (SRM) software. SAePS is a secure, web browser-based system that gives City employees the ability to shop for items from online catalogs and brings the items back automatically into SAePS. Online catalogs include both a SAePS internal catalog and externally hosted catalogs on supplier websites.

SAePS Electronic Catalog Options. Vendor shall furnish an electronic catalog that contains only the items awarded by City and displays pricing bid under this contract. Vendor may choose either Option 1 or Option 2 below as the method for furnishing the catalog.

Option 1. Vendor shall host an online catalog (Punch Out Catalog) with Open Catalog Interface (OCI) compliant integration to the SAePS system. This Punch Out Catalog shall have e-commerce functions, including, but not limited to, cataloging, searching and shopping cart functionality. Integration includes linking to the online catalog from SAePS, shopping, and electronically returning the data back to SAePS.

Option 2. Internal Catalog. Vendor shall provide a list of products and services awarded under this contract for uploading into the COSA e-Procurement system in an electronic format as specified by City. The electronic submission may be through email, unless it exceeds City’s maximum allowable file size limit. In such case, Vendor shall provide the submission on a CD or other means approved by City.

Paper Catalog. If a Punch Out Catalog is not available and Vendor elects to provide an Internal Catalog, City, at its sole option, may require Vendor to provide its Internal Catalog in paper form in addition to the electronic form.

Catalog Content. All catalogs, regardless of the form in which they are provided, must include these elements, at a minimum.

- Your part number
- Short and long descriptions
- Units of measure
- Pricing, contract pricing, tiered pricing
- Classification of parts
- Manufacturer and Manufacturer part number
- Keywords, tags

Time to Provide Catalog. Catalogs required under this provision must be provided within 10 business days of request by City, and no later than 5 business days from the date of contract award.

Catalog Updates.

If this contract allows for increases in price, Vendor must provide timely updates to the City. For Punch Out catalogs, Vendor must update pricing on their website and provide City a notification and detailed explanation of the price updates. For Internal Catalogs, Vendor must provide an updated pricing file with details of the pricing updates. If paper catalogs have been requested, updated paper catalogs must be provided concurrently with Internal Catalog files, or as soon thereafter as printed catalogs become available.

The City will not accept a Memorandum of Insurance or Binder as proof of insurance. The certificate(s) must be signed by the Authorized Representative of the carrier, and list the agent’s signature and phone number. The City shall have no duty to pay or perform under this Agreement until such certificate and endorsements have been received and approved by the City’s Finance Department/Purchasing Division. No officer or employee, other than the City’s Risk Manager, shall have authority to waive this requirement.

The City reserves the right to review the insurance requirements of this Article during the effective period of this Agreement and any extension or renewal hereof and to modify insurance coverages and their limits when deemed

necessary and prudent by City's Risk Manager based upon changes in statutory law, court decisions, or circumstances surrounding this Agreement. In no instance will City allow modification whereby City may incur increased risk.

A Vendor's financial integrity is of interest to the City; therefore, subject to Vendor's right to maintain reasonable deductibles in such amounts as are approved by the City, Vendor shall obtain and maintain in full force and effect for the duration of this Agreement, and any extension hereof, at Vendor's sole expense, insurance coverage written on an claims made basis, unless otherwise indicated, by companies authorized to do business in the State of Texas and with an A.M Best's rating of no less than A- (VII), in the following types and for an amount not less than the amount listed below:

**TASER International, Inc.'s Sales Terms and Conditions for the
X2/X26P and TASER CAM HD Recorder TASER Assurance Plan (U.S. Only)
(Effective May 20, 2015)**

These Sales Terms and Conditions ("Terms") apply to your purchase of the TASER® X2™ or X26P™ conducted electrical weapon (CEW), TASER CAM™ HD recorder, related accessories, and the TASER Assurance Plan ("TAP"). The Covered Products and TAP are expressly subject to and conditioned upon the terms set forth below. By signing a quote, issuing a purchase order, or accepting delivery of the products, you accept and are bound to these Terms. Any different or additional terms set forth by you, whether in your purchase order or another communication, are expressly objected to and will not be binding on TASER.

TASER Assurance Plan (TAP). TAP provides you with hardware extended warranty coverage, Spare Products, and Upgrade Models at the end of the TAP term. TAP only applies to the X2 CEW, X26P CEW, and the TASER CAM HD recorder; depending on the product you purchase ("Covered Product"). TAP's purchase price does not include the cost of the Covered Product or any other hardware accessories or software services. TAP does not apply to software or services offered for, by, on, or through the TASER.com or Evidence.com websites. You may not buy more than one TAP for any one Covered Product.

TAP Warranty Coverage. See TASER's current *Hardware Warranty, Limitations and Release for Law Enforcement CEW Products and On-Officer Cameras* at www.TASER.com ("Hardware Warranty"). TAP includes the extended warranty coverage as described in the current Hardware Warranty, starting on the date of initial receipt of the Covered Product. TAP warranty coverage starts at the beginning of the TAP term and continues as long as you continue to pay the required annual fees for TAP. You may not have both an optional extended warranty and TAP on the Covered Product.

Spare Products. TASER will provide a predetermined number of spare CEWs or TASER CAM HD recorders, whichever is applicable, (collectively "Spare Products") to you to keep at your agency location to replace broken or non-functioning units in order to improve the availability of the units to officers in the field. You must return to TASER, through TASER's RMA process, any broken or non-functioning units for which a Spare Product is utilized, and TASER will repair or replace the non-functioning unit with a replacement product. TASER warrants it will repair or replace the unit which fails to function for any reason not excluded by the TAP warranty coverage, during the TAP term with the same product or a like product, at TASER's sole option. You may not buy a new TAP for the

replacement product or the Spare Product.

Within 30 days of the end of the TAP term you must return to TASER all Spare Products. You will be invoiced for and are obligated to pay to TASER the MSRP then in effect for all Spare Products not returned to TASER. If all the Spare Products are returned to TASER, then TASER will refresh your allotted number of Spare Products with Upgraded Models if you purchase a new TAP for the Upgraded Models.

TAP Upgrade Models. After final payment for the 5th year of the TAP term, you must contact TASER at sales@taser.com to arrange return of the Covered Products to TASER. TASER will upgrade those Covered Products, free of charge, with a new unit that is the same product or a like product, in the same weapon class ("Upgrade Model"). For example: (a) if the Covered Product is a single bay CEW, then you may choose any single bay CEW model as your Upgrade Model; (b) if the Covered Product is a multi-bay CEW, then you may choose any multi-bay CEW model as your Upgrade Model; and (c) if the Covered Product is a TASER CAM recorder, then you may choose any TASER CAM model as your Upgrade Model. To continue TAP coverage for the Upgrade Model, you must elect TAP and will be invoiced for the first year payment at the time the upgrade is processed. The TAP payment amount will be the rate then in effect for TAP.

You may elect to receive the Upgrade Model anytime in the 5th year of the TAP term as long as you have made the final TAP payment.

TAP Contract Start Date. The TAP term start date is based upon the shipment date of the Covered Product. If the shipment of the Covered Product occurred in the first half of the month, then the TAP term starts on the 1st of the following month. If the shipment of the Covered Product occurred in the second half of the month, then the TAP term starts on the 15th of the following month.

TAP Early Cancellation or Termination. If written notification of cancellation is received by TASER or an invoice for TAP is more than 30 days past due, then TASER may terminate TAP and all outstanding TAPs for Covered Products with your agency. TASER will provide notification to you that coverage is terminated. Once TAP coverage is terminated, then:

1. TAP coverage will terminate as of the date of cancellation/termination.

**TASER International, Inc.'s Sales Terms and Conditions for the
X2/X26P and TASER CAM HD Recorder TASER Assurance Plan (U.S. Only)
(Effective May 20, 2015)**

2. You will not be eligible to receive TAP coverage in the future for CEW or TASER CAM products.
3. TASER will not and has no obligation to provide the free Upgrade Models at the end of the TAP term.
4. If you made two or more TAP payments, then you will: retain the extended warranty coverage; receive a 50% credit for the difference between TAP payments paid prior to termination and the extended warranty price then in effect for each CEW covered under TAP; and have until the date listed on the termination notification to apply that credit toward the purchase of any TASER products. The credit amount available and expiration date of the credit will be provided to you as part of the termination notification.
5. If you made only one TAP payment, then you may elect to pay the difference between the price for the extended warranty then in effect and the payments made under TAP to continue extended warranty coverage. This election must be made when written notice of cancellation is submitted by you. If you do not elect to continue with an extended warranty, then warranty coverage will terminate as of the date of cancellation/termination.
6. If you received a credit towards your first TAP payment as part of a trade-in promotion, then upon cancellation/termination you will be assessed a \$100 cancellation fee for each Covered Product.
7. You will be invoiced for and are obligated to pay to TASER the MSRP then in effect for all Spare Products provided to you under TAP. If the Spare Products are returned within 30 days of the Spare Product invoice date, credit will be issued and applied against the Spare Product invoice.

TAP Payment Terms. TAP may only be purchased at the point of sale and at time of upgrade under TAP. TASER will separately invoice you on an annual basis for the cost of TAP and you are responsible for payment within 30 days of the invoice (even if TASER does not receive an annual purchase order from you prior to issuing the invoice). The payment due date is based upon the TAP term start date. If multiple purchases of the Covered Products have been made, each purchase may have a separate TAP payment due date. Payment will be considered past due if not paid in full or if not received within 30 days of the invoice date.

Sales Terms. TASER's current *Sales Terms and Conditions for Direct Sales to End User Purchasers*, located at <https://www.taser.com/legal>, are also applicable to your purchase.

No Assignment. You may not assign TAP or any related order and you may not delegate your duties under these Terms without TASER's prior written consent, which will not be unreasonably withheld.

Entire Agreement. These Terms, along with the quote, sales order acknowledgement, *Sales Terms and Conditions for Direct Sales to End User Purchasers*, Hardware Warranty, license and service agreement(s), constitute the entire agreement between the parties for the purchase of the Covered Products and TAP. These Terms supersede and replace any prior agreement or understanding between the parties, including any oral representations concerning the subject matter of this agreement.

**TASER International, Inc.'s Hardware Warranty, Limitations and Release for
Law Enforcement CEW Products and On-Officer Cameras (U.S. and Canada)
(Effective March 12, 2014)**

The following TASER International, Inc. (TASER) warranty provisions are applicable on all sales or transfers of TASER Law Enforcement Products, including conducted electrical weapons (CEWs), on-officer audio/video cameras and related accessories.¹ The term "Purchaser" means any purchaser, possessor, or user of the TASER brand products. **BY USING THE TASER PRODUCT YOU ARE AGREEING TO BE BOUND BY THE TERMS OF THE WARRANTY AS SET OUT BELOW.**

Manufacturer's Limited Warranty²

TASER warrants that its Law Enforcement Hardware Products³ are free from defects in workmanship and materials for a period of ONE (1) YEAR from the date of receipt. CEW cartridges and Smart cartridges that are expended are deemed to have operated properly.⁴ TASER-Manufactured Accessories⁵ are covered under a limited 90-DAY warranty from the date of receipt. Non-TASER manufactured accessories are covered under the manufacturer's warranty. In the event any country or state imposes a longer express warranty term than that described in this warranty document, then the country or state's term will take precedence.

If a valid warranty claim is received by TASER within the warranty period, TASER agrees to repair or replace the product which TASER determines in its sole discretion to be defective under normal use, as defined in the product instructions. TASER's sole responsibility under this warranty is to either repair

or replace with the same or like product, at TASER's option.

Optional Extended Hardware Warranty for AXON flex, AXON body, ETM, EVIDENCE.com Dock, TASER CAM HD, X2, X26, and X26P

The optional extended warranty, when available, may only be purchased at the point of sale of the product. The extended warranty runs from the date of receipt of the extended warranty through the balance of the 1-year limited warranty plus the term of the extended warranty measured after the expiration of the 1-year limited warranty. Purchaser may not buy more than one extended warranty for any one specific product. The extended warranty does not cover user-removable battery replacement, abuse, intentional or deliberate damage to the product, or force majeure during the extended warranty period.⁶ For customers who purchase an extended warranty TASER warrants it will repair or replace the TASER product, which fails to function for any reason not excluded by this warranty, during the extended warranty period with the same or like product, at TASER's option. Purchaser may not buy a new extended warranty for any replacement or repaired product which is replaced or repaired under the extended warranty.

Exclusions and Limitations

A replacement product will be new or like new and have the remaining warranty period of the original product or 90 days from the date of replacement or

repair, whichever period is longer. When a product or part is exchanged, any replacement item becomes Purchaser's property and the replaced item becomes TASER's property. After the warranty period, TASER may, at its sole option, repair or replace a TASER product for a fee. A paid for out-of-warranty repair or replacement product comes with the manufacturer's limited warranty.

This warranty does not apply and TASER will not be responsible for any loss, data loss, damage, or other liabilities arising from: (a) damage from failure to follow instructions relating to the product's use; (b) damage caused by use with non-TASER products or from the use of cartridges, batteries or other parts, components or accessories that are not manufactured or recommended by TASER; (c) damage caused by abuse, misuse, intentional or deliberate damage to the product, or force majeure; (d) damage to a product or part that has been repaired or modified by persons other than TASER authorized personnel or without the written permission of TASER; or (e) if any TASER serial number has been removed or defaced.

To the extent permitted by law, this warranty and the remedies set forth above are exclusive and in lieu of all other warranties, remedies, and conditions, whether oral or written, statutory, express or implied, as permitted by applicable law. TASER specifically disclaims any and all statutory or implied warranties, including

¹ The warranty does not apply to software or services offered for, by, on, or through the TASER.com or EVIDENCE.com websites. This warranty only applies to hardware.

² A product's estimated useful life or expiration date may not be the product's warranty expiration date.

³ TASER Law Enforcement Hardware Products include TASER X2, X26, and X26P CEWs, Simulation Handles assembled by TASER, TASER CAM and TASER CAM HD recorders, CEW cartridges, and Smart cartridges, AXON flex camera (including

the universal magnetic clip), AXON body camera, Evidence Transfer Managers (ETMs), and EVIDENCE.com Docks.

⁴ Broken blast doors are not covered under TASER's limited warranty.

⁵ TASER-Manufactured Accessories include, but are not limited to: batteries; battery chargers; carrying cases; cables; docking bars; USB data download kits; headbands; holsters; mounts; DPM, XDPM, CDPM, PPM, TPPM, APPM, XPPM, TPM, and

Shockwave Power Magazine modules; and the X-Rail mounting system.

⁶ The manufacturer's limited warranty provides coverage for AXON flex camera, AXON flex controller or AXON body batteries that have failed or are exhibiting diminished capacity as result of a manufacturing defect. Under the extended warranty, replacement of the AXON flex camera battery is covered, but replacement of the AXON flex controller battery and AXON body battery are not covered.

**TASER International, Inc.'s Hardware Warranty, Limitations and Release for
Law Enforcement CEW Products and On-Officer Cameras (U.S. and Canada)
(Effective March 12, 2014)**

without limitation, warranties of merchantability, design, fitness for a particular purpose, arising from a course of dealing, usage or trade practice, warranties against hidden or latent defects, and warranties against patent infringement. If statutory or implied warranties cannot be lawfully disclaimed, then all such warranties are limited to the duration of the express warranty described above and limited by the other provisions contained in this warranty document.

The remedies provided for in the above warranty are expressly in lieu of any other liability TASER may have. TASER's cumulative liability to any party for any loss or damage resulting from any claims, demands, or actions arising out of or relating to any TASER product will not exceed the purchase price paid to TASER for the product. In no event will TASER be liable for any direct, special, indirect, incidental, exemplary, punitive or consequential damages, however caused, whether for breach of warranty, breach of contract, negligence, strict liability, tort or under any other legal theory, even if TASER has been advised of the possibility of those damages or if those damages could have been reasonably foreseen, and notwithstanding any failure of essential purpose of any exclusive remedy provided in this warranty. Some local laws do not allow for the limitation or exclusion of liability for incidental or consequential damages, so the above limitation or exclusion may not apply to you. Any repair to or replacement of any product under this warranty may result in a loss of programs or data.

Release

Purchaser agrees to release TASER from any and all liability arising out of the deployment, use, or misuse of the TASER product, including

any claims for damages and personal injuries. Purchaser agrees to assume all risks of loss and all liability for any damages and personal injury which may result from the deployment, use, or misuse of the TASER product. TASER is not liable for the failure of the TASER product to perform and TASER is not liable for any claims made by a third party or by Purchaser for or on behalf of a third party.

Purchaser Responsibilities and Product Registration

Purchaser should update product software and/or firmware as they become available through TASER, as well as perform periodic data uploads to EVIDENCE.com services or download/backup copies of the information, data, and/or video contained on the TASER product storage media to protect the contents and as a precaution against possible operational failures.

To register your TASER product, please go to www.taser.com/register. Registration of your product allows TASER to contact you with important product notifications and provides a record in case of product loss or theft. Registration is voluntary and failure to register will not diminish your limited warranty rights.

Warranty Repair Procedure

For warranty return and repair procedures, including troubleshooting guides, please go to TASER's websites www.taser.com/support or www.evidence.com, as indicated in the appropriate product user manual or quick start guide.

Failure to provide the required information for the returned product will delay the return of the repaired or replaced item. If Purchaser fails to provide the required information, including the RMA number, then TASER assumes no liability for loss of the returned product. Any TASER product that has not

been paid for, when required, or for which the required information has not been provided during a period of 90 days after receipt of the TASER product by TASER is deemed abandoned and TASER may dispose of the TASER product without any liability, compensation, or further notification to Purchaser.

Before you deliver your product for warranty service, it is your responsibility to upload the data contained in the product to the EVIDENCE.com services or download the product and keep a separate backup copy of the contents. During warranty service the contents of the storage media will be deleted and reformatted. TASER is not responsible for any loss of software programs, data, or other information contained on the storage media or any other part of the product services. The product will be returned to you configured as originally purchased, subject to applicable firmware updates. Recovery and reinstallation of software programs and user data are not covered under this warranty. *If you require attempted data recovery this must be specifically requested (and a fee may be required) or the contents of your product will be deleted and the storage media reformatted in the course of warranty service.*

General

This warranty supersedes any prior, contrary, or additional representations, whether written or oral. This warranty is TASER's only hardware warranty and may not be changed or enlarged by any agent, employee, distributor, dealer, or other person. This warranty, including any extended warranty, is non-transferable.
