This Certificate of Exemption is executed and filed with the Finance Department as follows:

1. The undersigned is authorized to approve an exemption.
2. An exemption according to Section 252.022 of the Local Government Code exists. More specifically, the following event has occurred:

The San Antonio Police Department is requesting to purchase DuoDote Auto-Injectors through Meridian Medical Technologies, Inc. to distribute among the officers as part of their PPE equipment. These injectors would only be used by the officers on themselves in emergency situations that require immediate medical attention, meaning no civilians would receive the doses. The officers are required to carry three injectors with their PPE equipment. The current issued injectors are approaching the end of their life cycle. To ensure the safety of all officers, it is imperative the issued DuoDotes be replaced as soon as possible. Additionally, Meridian Medical Technologies has been and continues to be the preferred DuoDote systems supplier for the San Antonio Police Department. Meridian Medical Technologies is preferred by the department due to being able to return all expired DuoDote Auto-injectors for proper disposal at no cost. If a different vendor is utilized, the department would have to find a disposal vendor and pay for the disposal of the drugs.

3. Because the exemption stated above exists, the City of San Antonio intends to contract with Meridian Medical Technologies, Inc which will cost approximately \$ 376,200.00.
