August 16, 2018

Background

- ▶ April 11, 2018 City Clerk received three petitions from Fire Union for Charter Amendment election:
 - Relax Referendum requirements and expand scope
 - Limit compensation, term, and hiring of future City Manager
 - Allow Fire Union to unilaterally call for binding arbitration on CBA negotiations
- ▶ City Clerk certified signatures on May 17, 2018
- ▶ State law requires Council to call an election to be held on next uniform election date – Nov. 6, 2018

Proposition A

- Expand the types of ordinances that may be subject to referendum including appropriation of money, levying a tax, granting a franchise, fixing public utility rates, zoning and rezoning of property
- Increase the number of days a petition may be filed seeking a referendum on a Council ordinance from 40 to 180 days after passage of the ordinance
- Provide that no more than 20,000 signatures of registered voters are required for a referendum petition instead of 10% of electors qualified to vote at the last regular municipal election

Proposition B

- Limit the term a City Manager may serve to no more than eight years
- Limit the compensation of the City Manager to no more than ten times the annual salary furnished to the lowest paid full-time city employee
- Require a supermajority vote to appoint the City Manager

Proposition C

- ▶ Provide the International Association of Fire Fighters Local 624 with unilateral authority to require the City to participate in binding arbitration of all issues in dispute.

Action by Council

- ▶ Under State law once the City Clerk certifies the signatures the Council “votes” to place the petitions on the ballot.
- ▶ This is a “ministerial act” – no consideration of the petition on the merits
- ▶ Council should act with no debate or discussion of the content of the petitions

Next Steps

- ▶ Notice of the election will be published in the newspaper on the same day in each of two successive weeks
- ▶ Notice must include:
 - Substantial copy of proposed amendments
 - Estimate of anticipated fiscal impact to the City if proposed amendments are approved at the election
- ▶ Fiscal Impact assessment published
- ▶ Election will be held Tuesday, November 6, 2018
- ▶ Contract for Election Services with the Bexar County Elections Administrator will be brought at a later date
