City also reserves the right to perform any and all additional audits relating to Caterer's services, provided that such audits are related to those services performed by the Caterer for City. These examinations shall be conducted at the offices maintained by Caterer, if Caterer maintains an office in Bexar, County Texas; however, if Caterer does not maintain an office in Bexar County, then Caterer shall be responsible for delivering all such books and records related to this Agreement to the City, or a place reasonably identified by its Director.

23.05 During the retention period, City may require that any or all of such records and accounts be submitted for audit to City or to a Certified Public Accountant selected by City. City shall use its best business efforts to require any Certified Public Accountant selected by City to sign a non-disclosure agreement provided by Caterer. In the event Caterer fails to furnish City any documentation required hereunder within 10 days following the written request for same, then Caterer shall be in default of this Agreement.

23.06 Should City discover errors in internal controls or in record keeping associated with the scope of work covered by this Agreement, Caterer shall correct such discrepancies either upon discovery or within a reasonable period of time, not to exceed 60 days after discovery and notification by City to Caterer of such discrepancies. Documents relating to (i) the performance of services under 27.4 of this Agreement or (ii) testing of Gross Revenue calculations shall be retained by Caterer for a period of four years after the termination of the Initial Term of this Agreement and any applicable Option Term, in order to be available for audit by City or its designee.

24.1.1 City may require Caterer to submit reports in a format that is reasonably requested by the City and/or City's designated Auditor. Caterer may seek approval of the City's Director by proposing a format in which information shall be provided to City.

24.2 Periodical audits, described further in 24.2.1 and 24.2.3, may be required during the terms of this Agreement.

24.2.1 City's Audit: City or its authorized representative shall at all reasonable times without prior notice have the right to examine, inspect, and audit all books, papers, and bank records of Caterer as necessary to determine the accuracy of reports relative to the

Gross Receipts of Caterer's operations under this Agreement. The cost and expenses incurred by City incident thereto shall be the sole responsibility of and borne by City. Such records shall without limitation include the records of all daily receipts and deposits, and all books, accounts, memoranda, and all or any other documents of Caterer and/or any of Caterer's Members and subcontractors performing under this Agreement indicating and substantiating the amount of any expenditures and receipts related to 27.4 of this Agreement, including all deposit slips, bills, vouchers, purchase orders, and other pertinent records that, under recognized accounting and industry practices, contain information bearing upon or relating to income, Gross Receipts. City must accept the Report of Agreed Upon Procedures within 30 days of receipt. If City deems the Report of Agreed Upon Procedures to be unacceptable, City may consult an independent CPA firm to assist Caterer in revising said Report of Agreed Upon Procedures so that they are acceptable to City. In no case shall the Report of Agreed Upon Procedures be accepted after 120 days after the effective date of this Agreement due to the fault of Caterer.

24.2.3 Caterer's Audit: In lieu of the Report of Agreed Upon Procedures, City may require Caterer, up to a maximum of three times during the initial term of this Agreement, to perform an audit by an independent auditing firm approved by City to review revenue, commissions paid to the City, sales taxes and other like items. The cost of the audits will be shared equally by City and Caterer unless the Auditor finds that the Caterer underpaid the City by more than a 2% variance from what sums were paid to the City by Caterer as previously reported to the City, in which case Caterer will pay for all costs associated with the Audit. A copy of all Audit Reports and Management Letters prepared as a result of such audit shall be provided to City. If such audit reveals an error in the calculation of the payments made by Caterer to City under this Agreement, then the auditor's report shall be furnished to both Caterer and City within 30 days of the conclusion of the Audit. If a corrected payment required by the auditor's report is due City, Caterer shall pay City the amount due within 15 business days of Caterer's receipt of such report together with interest at the rate of 18% per annum on commissions due on unreported Gross Receipts (but in no event greater than the maximum legal rate allowed under applicable law) from the date payment should have been made until payment is received by City. If the auditor's report indicates a refund is due Caterer, Caterer shall notify City in writing and include a copy of the auditor's report within 30 days. City shall pay Caterer the amount due within 30 days of City's receipt of such report but it is expressly agreed that City shall pay no interest on such refund.

24.3 Either Caterer or City may dispute the findings of audits performed under 24.2.1 or 24.2.3 within 30 days of receiving the results of said audit. The Party electing to dispute the audit results shall within 30 days following receipt of the auditor's report submit such additional information as may be required to correct the auditor's report. If upon examination of additional information by the designated auditor:

- a) such report reflects that a refund is owed to Caterer, then City shall refund such monies to Caterer within 30 days thereafter; or
- b) such report reflects that monies are owed to City by Caterer from unreported Gross Receipts, then Caterer shall pay such monies to City, together with interest at the rate of 18% per annum from the date when said payment should have been made until the date payment is received by City, within 30 days thereafter.

24.4 Any changes to audit intervals and record retention will be determined by the City in its sole discretion.

XXVII. SMALL BUSINESS ECONOMIC DEVELOPMENT ADVOCACY PROGRAM

27.1 SBEDA Program. The CITY has adopted a Small Business Economic Development Advocacy Ordinance (Ordinance No. 2010-06-17-0531 and as amended, also referred to as "SBEDA" or "the SBEDA Program"), which is posted on the City's Economic Development (EDD) website page and is also available in hard copy form upon request to the CITY. The SBEDA Ordinance Compliance Provisions contained in this section of the Agreement are governed by the terms of this Ordinance, as well as by the terms of the SBEDA Ordinance Policy & Procedure Manual established by the CITY pursuant to this Ordinance, and any subsequent amendments to this referenced SBEDA Ordinance and SBEDA Policy & Procedure Manual that are effective as of the date of the execution of this Agreement. Unless defined in a contrary manner herein, terms used in this section of the Agreement shall be subject to the same expanded definitions and meanings as given those terms in the SBEDA Ordinance and as further interpreted in the SBEDA Policy & Procedure Manual.

27.2 Definitions. In this Article XXVII, the following definitions shall apply:

Affirmative Procurement Initiatives (API) – Refers to various Small Business Enterprise, Minority Business Enterprise, and/or Women Business Enterprise ("S/M/WBE") Program tools and Solicitation Incentives that are used to encourage greater Prime and subcontract participation by S/M/WBE firms, including bonding assistance, evaluation preferences, subcontracting goals and joint venture incentives. (For full descriptions of these and other S/M/WBE program tools, see Section III. D. of Attachment A to the SBEDA Ordinance.)

Certification or "Certified" – the process by which the Small Business Office (SBO) staff determines a firm to be a bona-fide small, minority-, women-owned, or emerging small business enterprise. Emerging Small Business Enterprises (ESBEs) are automatically eligible for Certification as SBEs. Any firm may apply for multiple Certifications that cover each and every status category (e.g., SBE, ESBE, MBE, or WBE) for which it is able to satisfy eligibility standards. The SBO staff may contract these services to a regional Certification agency or other entity. For purposes of Certification, the City accepts any firm that is certified by local government entities and other organizations identified herein that have adopted Certification standards and procedures similar to those followed by the SBO, provided the prospective firm satisfies the eligibility requirements set forth in the SBEDA Ordinance in Section III.E.6 of Exhibit A to the SBEDA Ordinance.

Centralized Vendor Registration System (CVR) – a mandatory electronic system wherein the City requires all prospective Caterers and Subcontractors that are ready, willing and able to sell goods or services to the City to register. The CVR system assigns a unique identifier to each registrant that is then required for the purpose of submitting solicitation responses and invoices, and for receiving payments from the City. The CVR-assigned identifiers are also used by the Goal Setting Committee for measuring relative availability and tracking utilization of SBE and M/WBE firms by Industry or commodity codes, and for establishing Annual Aspirational Goals and Contract-by-Contract Subcontracting Goals.

Commercially Useful Function – an S/M/WBE firm performs a Commercially Useful Function when it is responsible for execution of a distinct element of the work of the contract and is carrying out its responsibilities by actually performing, staffing, managing and supervising the work involved. To perform a Commercially Useful Function, the S/M/WBE firm must also be responsible, with respect to materials and supplies used on the contract, for negotiating price, determining quantity and quality, ordering the material, and installing (where applicable) and paying for the material itself. To determine whether an S/M/WBE firm is performing a Commercially Useful Function, an evaluation must be performed of the amount of work subcontracted, normal industry practices, whether the amount the S/M/WBE firm is to be paid under the contract is commensurate with the work it is actually performing and the S/M/WBE credit claimed for its performance of the work, and other relevant factors. Specifically, an S/M/WBE firm does not perform a Commercially Useful Function if its role is limited to that of an extra participant in a transaction, contract or project through which funds are passed in order to obtain the appearance of meaningful and useful S/M/WBE participation, when in similar transactions in which S/M/WBE firms do not participate, there is no such role performed. The use of S/M/WBE firms by CATERER to perform such “pass-through” or “conduit” functions that are not commercially useful shall be viewed by the CITY as fraudulent if CATERER attempts to obtain credit for such S/M/WBE participation towards the satisfaction of S/M/WBE participation goals or other API participation requirements. As such, under such circumstances where a commercially useful function is not actually performed by the S/M/WBE firm, the CATERER shall not be given credit for the participation of its S/M/WBE subcontractor or joint venture partner towards attainment of S/M/WBE utilization goals, and the CATERER and S/M/WBE firm may be subject to sanctions and penalties in accordance with the SBEDA Ordinance.

Evaluation Preference – an API that may be applied by the Goal Setting Committee (“GSC”) to Construction, Architectural & Engineering, Professional Services, Other Services, and Goods and Supplies contracts that are to be awarded on a basis that includes factors other than lowest price, and wherein responses that are submitted to the City by S/M/WBE firms may be awarded additional Points in the evaluation process in the scoring and ranking of their proposals against those submitted by other prime contractors or Caterers.

Good Faith Efforts – documentation of the Caterer’s intent to comply with S/M/WBE Program Goals and procedures including, but not limited to, the following: (1) documentation within a solicitation response reflecting the Caterer’s commitment to comply with SBE or M/WBE Program Goals as established by the GSC for a particular contract; or (2) documentation of efforts made toward achieving the SBE or M/WBE Program Goals (e.g., timely advertisements in appropriate trade publications and publications of wide general circulation; timely posting of SBE or M/WBE subcontract opportunities on the City of San Antonio website; solicitations of bids/proposals/qualification statements from all qualified SBE or M/WBE firms listed in the Small Business Office’s directory of certified SBE or M/WBE firms; correspondence from qualified SBE or M/WBE firms documenting their unavailability to perform SBE or M/WBE contracts; documentation of efforts to subdivide work into smaller quantities for subcontracting purposes to enhance opportunities for SBE or M/WBE firms; documentation of a Prime Contractor’s posting of a bond covering the work of SBE or M/WBE Subcontractors; documentation of efforts to assist SBE or M/WBE firms with obtaining financing, bonding or insurance required by the Caterer; and documentation of consultations with trade associations and consultants that represent the interests of SBE and/or M/WBEs in order to identify qualified and available SBE or M/WBE Subcontractors.) The appropriate form and content of CATERER’s Good Faith Efforts documentation shall be in accordance with the SBEDA Ordinance as interpreted in the SBEDA Policy & Procedure Manual.

HUBZone Firm – a business that has been certified by U.S. Small Business Administration for participation in the federal HUBZone Program, as established under the 1997 Small Business Reauthorization Act. To qualify as a HUBZone firm, a small business must meet the following criteria: (1) it must be owned and Controlled by U.S. citizens; (2) at least 35 percent of its employees must reside in a HUBZone; and (3) its Principal Place of Business must be located in a HUBZone within the San Antonio Metropolitan Statistical Area. [See 13 C.F.R. 126.200 (1999).]

Independently Owned and Operated – ownership of an SBE firm must be direct, independent and by Individuals only. In the absence of a waiver granted by the SBO, the failure of CATERER to attain this subcontracting goal for **SBE firm participation** in the performance of a Commercially Useful Function under the terms of its contract shall be a material breach and grounds for termination of the contract with the CITY, and may result in debarment from performing future CITY contracts, withholding of payment for retainage equal to the dollar amount of the underutilization below the agreed upon **SBE subcontracting goal**, and/or shall be subject to any other remedies available under the terms of this Agreement for violations of the SBEDA Ordinance, or under any other law; **and**

In the absence of a waiver granted by the SBO, the failure of CATERER to attain the Subcontracting Goal for **M/WBE firm participation** in the performance of a Commercially Useful Function under the terms of its contract shall be a material breach and grounds for termination of the contract with the CITY, and may result in debarment from performing future CITY contracts, withholding of payment for retainage equal to the dollar amount of the underutilization below the agreed upon **M/WBE Subcontracting Goal**, and/or shall be subject to any other remedies available under the terms of this Agreement for violations of the SBEDA Ordinance, or under any other law.

(d) **Subcontracting Diversity:** The City of San Antonio strongly encourages each bidder to be as inclusive as possible, and to reach out to all segments of the M/WBE community in its efforts to exercise good faith in achieving the **SBE subcontracting goal of 20%** and **M/WBE subcontracting goal of 14%** that have been established for this contract. While the relative availability of ready, willing, and able firms within various ethnic and gender categories will vary significantly from contract to contract based upon the particular trades that are involved, overall in the San Antonio Professional Services industry, as reflected in the City's Centralized Vendor Registration system for the month of **April 2014**, African-American owned firms represent approximately 2.66% of available subcontractors, Hispanic-American firms represent approximately 8.30%, Asian-American firms represent approximately 0.93%, Native American firms represent approximately 0.09%, and Women-owned firms represent approximately 4.48% of available professional services industry subcontractors.

The company shall provide equal opportunity for Subcontractors, vendors and suppliers to participate in all of its public sector and private sector subcontracting and supply opportunities, provided that nothing contained in this clause shall prohibit or limit otherwise lawful efforts to remedy the effects of marketplace discrimination that have occurred or are occurring in the CITY's Relevant Marketplace. The company understands and agrees that a material violation of this clause shall be considered a material breach of this Agreement and may result in termination of this Agreement, disqualification of the company from participating in CITY contracts, or other sanctions. This clause is not enforceable by or for the benefit of, and creates no obligation to, any third party. CATERER's certification of its compliance with this Commercial Nondiscrimination Policy as submitted to the CITY pursuant to the solicitation for this contract is hereby incorporated into the material terms of this Agreement. CATERER shall incorporate this clause into each of its Subcontractor and supplier agreements entered into pursuant to CITY contracts.

36.6 Caterer shall be responsible for all direct losses and damages to City including but not limited to the Food Service Areas, resulting directly from Caterer's default, failure to observe the terms and conditions of this Agreement, or from Caterer's negligence.

XXXVII. INDEPENDENT CONTRACTOR

Caterer covenants and agrees that it is an independent contractor and not an officer, agent, servant or employee of City. City shall not be liable for any claims which may be asserted by any third party occurring in connection with the services to be performed by Caterer under this contract and that Caterer has no authority to bind City. The doctrine of respondeat superior shall not apply as between City and Caterer.

XXXVIII. CONFLICT OF INTEREST

38.1 Caterer acknowledges that it is informed that the Charter of the City of San Antonio and its Ethics Code prohibit a City officer or employee, as those terms are defined in Part B, Section 10 of the Ethics Code, from having a financial interest in any contract with the City or any City agency such as city owned utilities. An officer or employee has a "prohibited financial interest" in a contract with the City or in the sale to the City of land, materials, supplies or service, if any of the following individual(s) or entities is a party to the contract or sale: a City officer or employee; his parent, child or spouse; a business entity in which the officer or employee, or his parent, child or spouse owns 10% or more of the voting stock or shares of the business entity, or 10% or more of the fair market value of the business entity; a business entity in which any individual or entity above listed is a subcontractor on a City contract, a partner or a parent or subsidiary business entity.

38.2 Pursuant to the subsection above, Caterer warrants and certifies, and this Agreement is made in reliance thereon, that it, its officers, employees and agents are neither officers nor employees of City. Caterer further warrants and certifies that it has tendered to City a Discretionary Contracts Disclosure Statement in compliance with City's Ethics Code.

XXXIX. ASSIGNMENT AND SUBCONTRACTING

39.1 Caterer shall supply all qualified personnel as may be necessary to complete the work to be performed under this Agreement. Persons retained to perform work pursuant to this Agreement shall be the employees or subcontractors of Caterer. Caterer, its employees or its subcontractors shall perform all necessary work.

39.2 Caterer may not sell, assign, pledge, transfer or convey any interest in this Agreement, nor delegate the performance of any duties hereunder, by transfer or any other means, without the prior written consent of City, such consent to not be unreasonably withheld. As a condition of such consent, if such consent is granted, Caterer shall remain liable for completion of the services outlined in this Agreement in the event of default by the successor Caterer, assignee, transferee or subcontractor.

39.3 Any attempt to transfer, pledge or otherwise assign this Agreement without said approval, shall be void ab initio and shall confer no rights upon any third person. Should Caterer assign, transfer, convey, delegate, or otherwise dispose of any part of all or any part of its right, title or interest in this Agreement, City may, at its option, cancel this Agreement and all rights, titles and interest of Caterer shall thereupon cease and terminate, in accordance with Article VII Termination, notwithstanding any other remedy available to City under this Agreement. The violation of this provision by Caterer shall in no event release Caterer from any obligation under the terms of this Agreement, nor shall it relieve or release Caterer from the payment of any damages to City, which City sustains as a result of such violation.

39.4 Any work or services provided by Caterer's subcontractors shall be subcontracted only by written contract, agreement, purchase order, invoice or the like and, unless specific waiver is granted in writing by the City, shall be subject by its terms to the applicable business terms of this Agreement. Compliance by subcontractors with this Agreement shall be the responsibility of Caterer. City shall in no event be obligated to any third party, including any subcontractor of Caterer, for performance of services or payment of fees.

XL. LAW APPLICABLE

THIS AGREEMENT SHALL BE CONSTRUED UNDER AND IN ACCORDANCE WITH THE LAWS OF THE STATE OF TEXAS AND ALL OBLIGATIONS OF THE PARTIES CREATED HEREUNDER ARE PERFORMABLE IN BEXAR COUNTY, TEXAS.

XLI. VENUE

Any legal action or proceeding brought or maintained, directly or indirectly, as a result of this Agreement shall be heard and determined in the City of San Antonio, Bexar County, Texas.

XLII. AMENDMENTS

Except where the terms of this Agreement expressly provide otherwise, any amendment to this Agreement shall not be binding on the Parties unless such amendment be in writing, executed by both City and Caterer and dated subsequent to the date hereof, and subject to City Council approval, if required.

XLIII. SEVERABILITY

If any clause or provision of this contract is held invalid, illegal or unenforceable under present or future federal, state or local laws, including but not limited to the City Charter, City Code, or ordinances of the City of San Antonio, Texas, then and in that event it is the intention of the parties hereto that such invalidity, illegality or unenforceability shall not affect any other clause or provision hereof and that the remainder of this contract shall be construed as if such invalid, illegal or unenforceable clause or provision was never contained herein. It is also the intention of the parties hereto that in lieu of each clause or provision of this contract that is invalid, illegal, or unenforceable, there be added as a part of the contract a clause or provision as similar in terms to such invalid, illegal or unenforceable clause or provision as may be possible, legal, valid and enforceable.

XLIV. COMPLIANCE

Caterer shall provide and perform all services under this Agreement in compliance with all applicable federal, state, local laws, rules and regulations, including City permitting requirements.

XLV. ACTS OF GOD

If the Facility or any portion thereof is destroyed or damaged by fire or other calamity so as to prevent the use of the Facility for the purposes and during the periods specified in this Agreement, or if the use of the Facility by Caterer shall be prevented by an act of God, strike lockout, material or labor shortage, restrictions by any governmental authority, civil riot, flood or any other cause beyond the control of the City, then, notwithstanding any other remedies available to City under this Agreement, this Agreement shall terminate. City shall not be liable or responsible to Caterer for any damages caused thereby and Caterer hereby waives any claims against City for damages by reason of such termination.

XLVI. NON-WAIVER OF PERFORMANCE

Unless otherwise specifically provided for in this Agreement, a waiver by either Party of a breach of any of the terms, conditions, covenants or guarantees of this Agreement shall not be construed or held to be a waiver of any succeeding or preceding breach of the same or any other term, condition, covenant or guarantee herein contained. Further, any failure of either Party to insist in any one or more cases upon the strict performance of any of the covenants of this Agreement, or to exercise any option herein contained, shall in no event be construed as a waiver or relinquishment for the future of such covenant or option. In fact, no waiver, change, modification or discharge by either party hereto of any provision of this Agreement shall be deemed to have been made or shall be effective unless expressed in writing and signed by the party to be charged. No act or omission by a Party shall in any manner impair or prejudice any right, power, privilege, or remedy available to that Party hereunder or by law or in equity, such rights, powers, privileges, or remedies to be always specifically preserved hereby.
