

CITY OF SAN ANTONIO  
**METROPOLITAN HEALTH DISTRICT**

Agreements with the University of South Alabama  
and Accredited Educational Institutions

Presented by: Dr. Colleen M. Bridger, Director

Agenda Item #20

April 19, 2018

# Background

---

- Execute an agreement with the University of South Alabama to host a Masters of Nursing program studies graduate student
- Authorize an Ordinance that would allow Metro Health to execute agreements with accredited educational institutions outside of San Antonio and Texas

# Background

---

- Previous City Council approval allows for agreements with local institutions
- Increase in requests from local students attending institutions outside of San Antonio or completing online degree programs
- This ordinance would allow us to pursue other agreements without coming to Council for every student learning opportunity

# Fiscal Impact

---

- Term for agreement with University of South Alabama: Through April 19, 2019
- There is no impact to General Fund

# Recommendation

Staff recommends approval of the Ordinance
