21. CITY MANAGER'S REPORT

POTHOLE REPAIR PROGRAM

Mrs. Sculley highlighted the Pothole Repair Program managed by the Transportation and Capital Improvements (TCI) Department. She noted that the program had gone through many changes over the last three years that have led to improvements in customer service, increased productivity, and a record number of potholes filled in FY 2018. She stated that the program consists of 16 crews divided equally among each quadrant of the city that proactively identify potholes and complete repairs within two business days. She indicated that to further optimize the repair process and improve customer service; the Pothole Patrol was established in 2018 as part of a new public campaign to engage the community and increase awareness of the pothole program. She stated that compared to previous years; TCI's proactive approach had produced notable results with 84,500 potholes repaired in FY 2018. She congratulated TCI and their Pothole Repair Crews for their great efforts.

FY 2019 ADOPTED BUDGET

Mrs. Sculley reported that the City's FY 2019 Budget of \$2.8 billion was posted on the City's Website on Monday, October 1st. She stated that the 777-page document detailing the City's Operating and Capital Spending Plan could be found on the City of San Antonio Budget Office Webpage. She noted that hard copies of the budget document would be available at City Libraries and the Office of the City Clerk next week. She mentioned that a Budget and Financial Transparency Website was created in 2014 as a way to provide the public a single point for access to its financial data. As part of this effort, the city implemented Opengov in 2017 which provides five years of historical information. She indicated that the FY 2019 Budget was available at the line item level in Opengov. She stated that quarterly updates would be provided to the public and City Council on the financial performance of the FY 2019 Budget, Initiatives, and Performance Metrics through the city's website and Opengov.

WORLD RABIES DAY

Mrs. Sculley reported that September 28th was World Rabies Day, a global health observance that started in 2007 to raise awareness of rabies and bring together partners to enhance prevention and control efforts worldwide. She stated that in San Antonio, the Animal Care Services Department partnered with the San Antonio Humane Society to provide free rabies vaccinations and microchips to pets of San Antonio Residents at the Brooks Spay/Neuter Clinic. She noted that during the event; 171 animals were provided free rabies vaccinations and 126 animals received free registered microchips.

Melissa Ramirez presented Item Z-1 and stated that staff recommended denial while the Zoning Commission recommended approval. She reported that of 10 notices mailed; one was returned in favor

and two in opposition. She added that the case would require nine votes to approve due to the opposition exceeding 20%.

Mayor Nirenberg called upon Mr. Mike Smith to speak.

Mike Smith, Property Owner, spoke of his current business and noted that he had made improvements to the appearance of the building. He stated that he was looking to utilize it as a truck repair center and would like to expand it in the future.

Councilmember Treviño called Mr. Garrett Newman to the podium. Mr. Newman stated that he was the Engineer for the project and highlighted the improvements that would be made. He noted that they had worked with the surrounding community to address their concerns. Councilmember Treviño stated that they were sensitive to the needs of the residents of the area and felt that the property owner had mitigated their concerns.

Councilmember Treviño moved to approve Item Z-1 as submitted by the applicant. Councilmember Viagran seconded the motion. The motion to approve prevailed by the following vote:

DENIED

Z-10. ZONING CASE # Z2018258 S (Council District 3): Ordinance amending the Zoning District Boundary from "C-2 AHOD" Commercial Airport Hazard Overlay District to "C-2 S AHOD" Commercial Airport Hazard Overlay District with Specific Use Authorization for a Carwash on 0.71 acres out of NCB 10939, located at 1003 Avondale Avenue. Staff and Zoning Commission recommend Approval with Conditions. (Continued from September 20, 2018)

Melissa Ramirez presented Item Z-10 and stated that staff and the Zoning Commission recommended approval with the following conditions: 1) An eight-foot solid screen fence along residential uses; 2) No temporary signs, no temporary promotional banners, no pennant flags, no feather flags and no streamers or strings; 3) Solid screen fencing along vacuums for noise reduction; and 4) Lighting shall be directed downward onto property. She noted that the applicant had agreed to added conditions: 1) No outside amplification systems; 2) No Loitering & No Trespassing signage must be visible and displayed on site at all times; and 3) Installation of a security camera on site. She reported that of 17 notices mailed; one was returned in favor and 9 in opposition. She stated that the Highland Hills Neighborhood Association was opposed to the request. She added that the case would require 9 votes to approve due to opposition exceeding 20%.

Mayor Nirenberg called upon the citizens registered to speak.

Raquel Borrego stated that she was opposed to the request noting that a car wash would not comply with the neighborhood plan. She mentioned safety concerns with a car wash and asked that the case be postponed in order to give the community the opportunity to speak with the property owner.

Santos Villarreal stated that he was speaking on behalf of the applicant in support of their request. He noted that they had met with the school and daycare in the area and had come to an agreement. He expressed concern that the community did not want any development in the area.

Ian Cochran stated that he was also speaking on behalf of the applicant in support of their request. He noted that they had worked with the neighborhood association and Jubilee Academy and had agreed to install a fence around the car wash.

Billie Zimmerman stated that she was opposed to the request noting safety concerns that a car wash would bring to the area.

Councilmember Viagran thanked all of the individuals that spoke and stated that she had heard many perspectives and concerns regarding the request. She noted that she also had concerns with the request due to the vacuums and 24-hour operation of the facility within a residential area. She expressed concern with the verbiage from the developer to neighborhood representatives and asked the applicant representatives if they would be amenable to a 30-day continuance. Mr. Ian Cochran replied that they were not agreeable to a continuance.

Councilmember Viagran moved to deny Item Z-10. Councilmember Treviño seconded the motion.

Councilmember Pelaez asked of the verbiage that was exchanged by the developer to the neighborhood association. Mr. Cochran replied that he was not aware of the specific verbiage but the developer was upset that neighborhood residents had initially expressed support and subsequently changed their mind. Councilmember Pelaez expressed concern that the developer had threatened neighborhood residents and had done the same in a previous zoning case in another council district.

Councilmember Treviño stated that he had gone through a similar situation in District 1 and that they were not opposed to development. However, they were in support of thoughtful projects that were coordinated with the neighborhood.

Councilmember Brockhouse stated that Councilmember Viagran had performed her due diligence and confirmed with the applicant representatives that they did not agree to a continuance. Mr. Cochran confirmed that they did not agree to continue the case.

The motion to deny prevailed by the following vote:

AYE: Mayor Nirenberg, Treviño, Viagran, Saldaña, Gonzales, Brockhouse, Sandoval, Pelaez, Courage, and Perry
