WHEREAS, the Project, which calls for design and installation of approximately 0.9 miles of a new wastewater and recycled water mains located in northwest Bexar County; and

WHEREAS, the System has determined that acquisition of the Easements is necessary for the Project, the general location and general description of the Project being more particularly set out in Attachment I to this Resolution, and the route of the Project being depicted on Attachment II to this Resolution, both attached hereto and incorporated herein for all purposes; and

WHEREAS, the System intends to use every effort available to obtain the required Easements through good faith negotiations, but may require eminent domain if the negotiations fail; and

WHEREAS, the System finds that the acquisition of such Easements for the Project is necessary for the public health, safety, welfare, and best interests of the citizens of the City and the surrounding region; and

WHEREAS, the San Antonio Water System Board of Trustees desires to (i) affirm and declare that the Project is for a public use and the acquisition of the Easements is for public use and is a public necessity for the completion of the Project, (ii) direct the System staff to negotiate the acquisition of the Easements, (iii) authorize and direct the institution and prosecution to conclusion of all necessary proceedings to condemn such Easements, in the event that the System's staff is unable to acquire one or more parcels of the Easements by negotiation, (iv) request that the City Council adopt an ordinance to (a) reaffirm and declare that the Project is for a public use and the acquisition of the Easements is for public use and is a public necessity for the completion of the Project, (b) authorize the System to take all appropriate action to acquire the Easements by negotiation and/or condemnation, (c) declare that the conveyance of such Easements shall be to the City for the use and benefit of the System, and (d) authorize the City Manager, or designees, including the City Attorney, SAWS General Counsel and/or designated Special Counsel to file eminent domain proceedings and prosecute such proceedings through final judgment and any appeals, if deemed necessary; and (v) provide and approve funding for the acquisition of the Easements; now therefore:

BE IT RESOLVED BY THE SAN ANTONIO WATER SYSTEM BOARD OF TRUSTEES:

1. That the Project is hereby declared to be a necessary public project and a public necessity is hereby declared for the acquisition of the Easements for public use by negotiation and/or condemnation, if necessary, for the Project.
2. That a public necessity hereby exists to acquire the Easements over, under and across certain privately owned real property, by negotiation and/or condemnation, if necessary, for the location, construction, operation, reconstruction, improvement, repair and maintenance of public improvements, including, but not limited to improvements and expansion of the public sanitary sewer system and recycled water system as part of the Project.
3. That the System's staff is hereby directed to negotiate with the owner(s) of the respective parcels for the acquisition of the Easements, to execute easements and/or sales agreements or other documents acquiring the Easements from the owners of the Easements and to finalize such acquisitions on behalf of the City, for the use and benefit of the System.
4. That in the event the System's staff is unable to acquire one or more parcels of the Easements by negotiation by reason of its inability to agree with the owners thereof as to the value of the Easements, or is unable to acquire the Easements for any other reason, the City Manager, or designees, including the City Attorney, SAWS General Counsel and/or designated Special Counsel, are hereby authorized and directed to institute and prosecute to conclusion all necessary proceedings to condemn such Easements.

5. That the City Council of the City is hereby requested to (i) adopt an ordinance to reaffirm and declare that the Project is for a necessary public use and the acquisition of the Easements is for a public use and is a public necessity for the completion of the Project, (ii) authorize the System to take all appropriate action to acquire the Easements by negotiation and/or condemnation, (iii) declare that the conveyance of such Easements shall be to the City for the use, benefit and control of the System and (iv) authorize the City Manager, or designees, including the City Attorney, SAWS General Counsel and/or designated Special Counsel to file eminent domain proceedings and prosecute such proceedings through final judgment and any appeals, if deemed necessary.

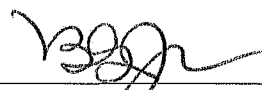

6. That funding for the acquisition of the Easements is found in the 2014 Capital Improvement Program, Wastewater Core Business, –Governmental – Wastewater Category, and the Water Resource Core Business, Recycle Water Category for the Huebner Creek Enhanced Conveyance LC17 - Phase III Project.

7. It is officially found, determined and declared that the meeting at which this resolution is adopted was open to the public, and that public notice of the time, place and subject matter of the public business to be conducted at such meeting, including this resolution, was given to all as required by the Texas Codes Annotated, as amended, Title 5, Chapter 551, Government Code.

8. If any part, section, paragraph, sentence, phrase or word of this resolution is for any reason held to be unconstitutional, illegal, inoperative or invalid, or if any exception to or limitation upon any general provision herein contained is held to be unconstitutional, illegal, invalid or ineffective, the remainder of this resolution shall nevertheless stand effective and valid as if it had been enacted without the portion held to be unconstitutional, illegal, invalid or ineffective.

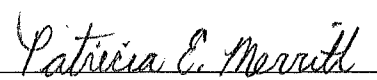

9. This resolution becomes effective immediately upon its passage.

PASSED AND APPROVED this 2nd day of December, 2014.
