**SECTION 8.** As required by and in accordance with Section 3.009(b)(5) and (7) through (9) of the Texas Election Code, the City, as of its fiscal year beginning October 1, 2016, had outstanding an aggregate principal amount of debt equal to \$1,624,100,000; the aggregate amount of the interest owed on such City debt obligations, through respective maturity, totaled \$668,558,861.39; and the City levied an ad valorem debt service tax rate for its outstanding debt obligations of 0.2115 per \$100 of taxable assessed valuation. The City estimates an ad valorem debt service tax rate of \$0.2115 per \$100 of taxable assessed valuation if the bonds that are subject of the Election are approved and are issued (taking into account the outstanding City bonds and bonds that are the subject of this Election, but not future bond authorizations of the City). The bonds that are the subject of this Election shall mature serially or otherwise overall a specified number of years (not more than 40 years from their date), as permitted by applicable Texas law, though the City estimates that, based on current bond market conditions, such bonds will amortize over a 20-year period from their respective date of issue. The foregoing estimated tax rate and amortization period are only estimates, provided for Texas statutory compliance, and do not serve as a cap on any City ad valorem tax rate or the amortization period for bonds that are the subject of this Election.

**SECTION 9.** The Council authorizes the May 6, 2017 Bond Election to be held jointly with other participating local political subdivisions located within the County. The City shall execute an agreement with the County to conduct the Election as a joint election with the other political subdivisions identified in the agreement, at a future meeting.

Pursuant to the Texas Election Code, Section 61.012, as amended, the Administrator shall provide at least one accessible voting system in each polling place used in the Election. The voting system shall comply with Texas and federal laws establishing the requirements for voting systems that permit voters with physical disabilities to cast a confidential or secret ballot.

The Council will contract with the Administrator to conduct this Bond Election. The Council shall consider and approve this contract at a future meeting.

**SECTION 10.** The recitals contained in the preamble hereof are hereby found to be true, and such recitals are hereby made a part of this Ordinance for all purposes and are adopted as a part of the judgment and findings of the Council.

**SECTION 11.** All ordinances and resolutions, or parts thereof, which are in conflict or inconsistent with any provision of this Ordinance are hereby repealed to the extent of such conflict, and the provisions of this Ordinance shall be and remain controlling as to the matters ordained herein.

**SECTION 12.** This Ordinance shall be construed and enforced in accordance with the laws of the State of Texas and the United States of America.

**SECTION 13.** It is officially found, determined, and declared that the meeting at which this Ordinance is adopted was open to the public and public notice of the time, place, and subject matter of the public business to be considered at such meeting, including this Ordinance, was given, all as required by Chapter 551, as amended, Texas Government Code.

**SECTION 14.** If any provision of this Ordinance or the application thereof to any person or circumstance shall be held to be invalid, the remainder of this Ordinance and the application of such provision to other persons and circumstances shall nevertheless be valid, and this Council hereby declares that this Ordinance would have been enacted without such invalid provision.

**SECTION 15.** Pursuant to the provisions of Section 1201.028, as amended, Texas Government Code, this Ordinance shall be effective immediately upon adoption, notwithstanding any provision of the City Charter to the contrary.

**PASSED and APPROVED** on the 9<sup>th</sup> day of February, 2017.
