

CITY OF SAN ANTONIO

METROPOLITAN HEALTH DISTRICT

Texas Department of State Health
Services' funding opportunity for
Healthy Texas Babies

Presented by: Dr. Colleen M. Bridger, Director
Agenda Item

November 30, 2017

Background

- African American & Hispanic women are not getting 1st trimester prenatal care

- Late care/ no care = low birth weight, preterm birth and infant mortality

Background

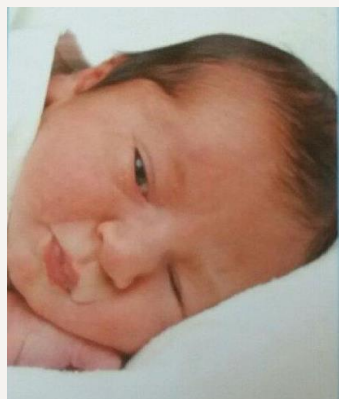

Too Many, Too Small, Too Soon

Too many babies dying. Too many born too small and too soon.

Collective impact takes work.

And the rewards are so sweet!

Fiscal Impact

- Funding is provided by the Texas Department of State Health Services- Healthy Texas Babies
- Funding Amount: \$50,625.00
- Term: December 1, 2017 through August 31, 2018 (with opportunity for continued funding)
- Funds one full-time position
- There is no impact to general fund

Recommendation

Staff recommends approval by
City Council
