LEASE OF GROUNDWATER

This Lease of Groundwater ("Lease") is entered into to be effective this ____ day of _____, 2015 the "Effective Date", by and between Raymond and Carole Bartram (hereinafter referred to as "Lessor" whether one or more) and Northern Hills Management Corp., a Texas corporation, and or assigns (the "Lessee"). Lessor hereby leases to Lessee the following unrestricted, fully transferable Edwards Aquifer water rights and related rights, on the following terms and conditions:

1. Water Rights.

Lessor leases to Lessee the Lessor's groundwater rights and Lessor's permit rights from the Edwards Aquifer Authority ("EAA") to withdraw 150 acre-feet of unrestricted Edwards Aquifer groundwater per annum, under EAA Initial Regular Permit P 101-241 (ME00445) recorded as Document No. _____ in Volume __, Page ____ of the Official Public Records of Comal and Bexar County, Texas, and any successor permits (the "Groundwater Withdrawal Permit(s)") (the "Water Rights"). The Water Rights include all property rights to and for the quantity of rights above referenced, including the right to withdraw and/or beneficially use the Water Rights and all real and personal property rights, appurtenances, permits, authorities, licenses, consents and contracts, if any, pertaining to all such property rights.

2. Additional Lease Rights.

The lease of the Water Rights as defined above shall also expressly include all of Lessor's Groundwater Withdrawal Permit rights pertaining to the Water Rights, all withdrawal or other permits pertaining to the Water Rights, and all modifications, amendments, renewals, extensions or successor or substitute permits relating to any of the above described items, and the right to withdraw and/or beneficially use the Edwards Aquifer water related to or pertaining to the Water Rights.

3. Term.

The term of this Lease ("Term") shall be—subject to Section 4 herein—for a period of **five (5) years** commencing on January 1, 2016 (the "Commencement Date") and continuing through December 31, 2020 (the "Expiration Date"). Under this Lease, each calendar year that this Lease is in effect, beginning with the calendar year in which the Commencement Date occurs, is a Lease Year.

4. Rent.

The rent for the Water Rights for the first (1st) lease year shall be ONE HUNDRED FORTYAND NO/100 DOLLARS (**\$140.00**) per acre-foot, for a total lease payment of TWENTY-ONE THOUSAND AND NO/100 DOLLARS (**\$21,000.00**) per Lease Year ("Rent"). Rent for each Lease Year is due in one lump-sum payment on or before January 20th of each Lease Year. The rent shall be the same for each year thereafter

UNLESS Lessor notifies Lessee in writing at least sixty (60) days before the current Lease Expiration Date of a change to what Lessor deems to be “market rate” for Water Rights. Upon receipt of the Notice from Lessor, Lessee may accept the New Rent for the following year by notifying Lessor in writing, or contact Lessor in an attempt to negotiate a New Rent for the following year. If Lessor and Lessee are unable to reach an agreement as exhibited by a written modification agreement of this Section 4 setting forth the New Rent, this Lease shall terminate at the expiration date of the then current Lease Term.

5. Reductions and Changes in Designation.

In the event that there is a permanent reduction by the EAA or other governmental authority of the maximum authorized withdrawal amount of the Groundwater Withdrawal Permit(s) (“Permanent Reduction”), Lessor must elect one of the two following options within sixty (60) days of the effective date of such Permanent Reduction: (1) Lessor may elect that the amount of the Water Rights leased by Lessee under this Lease shall be reduced on an equal percentage basis (or such method adopted by the EAA or other governmental authority) as of the effective date of the reduction of each Groundwater Withdrawal Permit under the Permanent Reduction, and the Rent shall be reduced accordingly on the per acre foot basis as described in Section 4 of this Lease for the first Lease Year in which the Permanent Reduction is applicable and each subsequent Lease Year; or (2) if Lessor, after such Permanent Reduction, owns sufficient rights under the Groundwater Withdrawal Permit(s) relating to the Water Rights to provide the full amount of the Water Rights described in Section 1, Lessor may elect that there is no reduction of the Water Rights or the Rent under this Lease. If, as a result of the first election, Lessee has prepaid Rent for a Lease Year in which Rent is reduced, then Lessor shall refund to Lessee the amount of the reduction in the Rent within 30 days of date Lessor makes such an election if the reduction in Rent occurs in the final Lease Year. If it is not the final Lease Year, then Lessor shall refund to Lessee the amount of the reduction in Rent for the Lease Year within 30 days of date Lessee makes such a request. If Lessee does not make such a request, Lessee may set off such refund amount against any Rent due Lessor in subsequent Lease Years. In the event of the second election, the parties agree to execute and deliver any documents which are required by the EAA or any other governmental authority.

This section 5 does not apply to a temporary reduction in the use of any part of the Water Rights due to demand management, critical period or similar rules of the EAA or other government authority.

6. Documents to be Delivered on Effective Date of Lease.

On the Effective Date of this Lease, Lessor shall deliver to Lessee the following documents executed and acknowledged by Lessor: an EAA Application to Transfer and Amend Initial Regular Permit for the Water Rights, including all Exhibits and other forms or documents required by the EAA to approve the transfer of the use of the Water Rights to Lessee.

7. Assignability.

Lessor and Lessee shall have the right without recourse to freely assign this Lease or any rights hereunder. Lessee may freely sublease all or any portion of the Water Rights.

8. Notices.

Any notices to be given hereunder shall be given by placing the notice in the United States mail, certified or registered, properly stamped and addressed to the address shown below or such other addresses as the respective party may direct in writing to the other, by overnight delivery service, or by personal delivery to such address.
