2.01. Landlord leases the Premises to Tenant, and Tenant takes the Premises from Landlord on the terms and conditions of this Lease.

2.02. Landlord hereby agrees to permit Tenant use of above described Premises. Tenant agrees that the Premises shall be utilized for the sole purpose of arts, crafts, and skills display and retail sales.

2.02.01. Tenant agrees that it will cooperate with CITY in facilitating the intended objectives set forth in Ordinance 01-355 dated October 12, 1939 which was re-confirmed by resolution dated July 7, 1981 defining the goals, objectives, and policies of La Villita insofar as they may still be applicable. The Tenant further agrees that its lease of the Premises is conditioned on Tenant's maintaining the following breakdown of Tenant's inventory: a minimum of 90% of Tenant's displayed inventory must consist of Clothing/Accessories. ("Class 1 Inventory"); and a maximum of 10% of Tenant's displayed inventory must consist of home goods. ("Class 2 Inventory") as defined in TENANT'S response to the La Villita RFP in Attachment A, Part Three, Proposed Plan and attached to this lease agreement as ATTACHMENT I.

2.02.02. The Tenant further agrees that its lease of the Premises is conditioned on following the Merchandising Display Plan attached hereto as Attachment II adopted from Tenant's RFP response.

2.02.02. Both the inventory requirements contained in Attachment I and the Merchandising Display Plan contained in Attachment II may be changed with written approval of the Landlord, acting by and through the Director, provided however any requests for changes must be submitted in writing at least 45 days in advance of the requested change. 2.02.03. TENANT understands and agrees that any violation of the above stated inventory restrictions and Merchandising Display Plan would be a material breach of this Agreement, that just compensation for the harm suffered by CITY that would be caused by such violations would be difficult to quantify, and that the following charges and procedures are a reasonable and good faith estimate by the parties of the extent of the damage which is reasonably certain to occur in the event of a violation:

1. The first violation shall result in a written notice from CITY. TENANT shall immediately cure matter upon receipt of this notice.
2. TENANT shall pay CITY \$50.00 for each violation thereafter. Each day during which TENANT has failed to cure the violation shall be deemed a separate violation.
3. At the Landlord's option, the fifth or any succeeding violation, including a single violation for which TENANT has failed to cure for 5 days, may be deemed a material breach and default and cause for lease termination without opportunity to cure.

2.03. In using the Premises for the purposes described in this section, the Tenant may, with the prior written permission of the Director arrange for associates to learn, demonstrate, exhibit or practice a specific art or craft on said Leased Premises. The Tenant covenants and agrees that it will operate and conduct its business except during the Construction/Set Up Phase or while the Premises are untenable by reason of fire or other casualty. The Tenant agrees to conduct its business in the Premises at all time in a first-class manner consistent with reputable business standards and practices for such business.

2.05.04. TENANT understands and agrees that any violation of the above stated operating hours requirements would be a material breach of this Agreement, that just compensation for the harm suffered by CITY that would be caused by such violations would be difficult to quantify, and that the following charges and procedures are a reasonable and good faith estimate by the parties of the extent of the damage which is reasonably certain to occur in the event of a violation:

1. The first violation during any one year period shall result in a written notice from CITY.

2. TENANT shall pay CITY \$50.00 for each violation thereafter occurring during that one year period.

3. Rent.

3.01. Rent includes all sums due to Landlord under this lease, whether Base Rent, Common Area Maintenance (CAM) Fees, Utilities Fees, reimbursement for repairing damages caused by Tenant, express liquidated damages provided for herein, or otherwise, no matter how denominated.

3.02. Base Rent is comprised of charges for leased retail space. Tenant shall not be charged for Outdoor Display Area depicted in Exhibit B. Base Rent, Common Area Maintenance (CAM) Charges, and Utilities payment for the first year of the Initial Term are as follows:

	Amount Per Square Foot Per Month	Square Feet	Total Amount Per Month

Common Area Maintenance Fees payment will increase 2.5% annually on each anniversary of the Commencement Date. 3.0. Tenant must pay Base Rent, Common Area Maintenance Fees, and Utilities Fees payments in the amounts described in this section in advance on the first day of each month, beginning the earlier of 60 days after lease commencement or the day that Tenant begins commercial operations selling its merchandise to the public, i.e. no rent shall be paid during the Construction Phase. commence. If Tenant is delinquent in paying any Rent, Tenant must pay to Landlord upon demand a late charge of \$50.00. Tenant shall be charged a fee for any insufficient funds checks used to pay the rent and shall be subject to other rules and regulations adopted by Landlord's Treasury Division, including the insufficient funds fee. Late charges are in addition to all Landlord's other rights and remedies.

3.05. Tenant's covenant to pay Rent and Landlord's covenants are independent. Tenant may not abate Rent for any reason.

5. Term, Termination, Renewal.

5.01. The term of this Lease is the Initial Term, unless sooner terminated as provided in this Lease.

5.02. Either party may terminate this lease on 90 days' written notice.

5.03. If Tenant is not in default under the Lease, Tenant may ask to renew this Lease for two additional two-year terms by giving Landlord six months prior written notice before expiration of the previous term. Landlord's acquiescence in Tenant's holding over is not acquiescence to renewal. Renewal is effected only after written notice of intent to renew, negotiated agreement on rent for the renewal term, and approval of the proposed renewal by further City Council ordinance. Though no renewal is effective unless approved by City Council, Landlord has no duty to present a proposed renewal to Council, even though Tenant has given the requisite notice.

5.04. Renewal Terms are governed by this Lease just as the Initial Term, except for Rent. Rent will be renegotiated prior to the Renewal Term.

6. Tenant's Affirmative Promises.

Tenant promises that it will:

6.01. Accept the Premises in their present condition "AS IS," the Premises being currently suitable for the Permitted Use.

6.02. 6.04. Allow Landlord to enter the Premises to perform Landlord's obligations, inspect the Premises, and show the Premises to prospective purchasers or tenants.

6.05. Repair, replace, and maintain any part of the Premises that Landlord is not obligated to repair, replace, or maintain, normal wear excepted. If Landlord sells the Premises, Tenant must deliver to the buyer or the buyer's lender a subordination, nondisturbance, and attornment agreement reasonably satisfactory to the buyer and its lender. Tenant's obligation to deliver the agreement may be conditioned on buyer's agreement to honor this Lease according to its terms, but buyer will not be estopped to act on Tenant's default under this Lease.

6.10. Maintain a fully functioning lock system on the premises. Any changes to the lock systems shall receive the prior written approval of the Landlord through Director and any and all other necessary departments, boards or commissions of the City of San Antonio, including, but not limited to, the Historic and Design Review Commission; and ensure that the Landlord through Director or his/her designee will be provided a copy of keys to enter the leased

premises.

6.11. Sales Reports: Tenant shall provide Landlord a copy of all written sales tax reports reported to the Texas State Comptroller (“Comptroller”) contemporaneously with such report being delivered to Comptroller. If Comptroller rules do not require Tenant to make a monthly sales tax report, Tenant’s quarterly or annual report to the City shall include a monthly breakdown of total sales.

6.12. Tenant agrees to work with and/or participate in programs provided by the City to enhance and increase potential business practices and maximize business plans such as but not limited to: merchandising, display layout, finance, customer experience, sales, marketing, etc.

7. Indemnity.

7.01. TENANT covenants and agrees to FULLY INDEMNIFY, DEFEND and HOLD HARMLESS, the CITY and the elected officials, employees, officers, directors, volunteers and representatives of the CITY, individually and collectively, from and against any and all costs, claims, liens, damages, losses, expenses, fees, fines, penalties, proceedings, actions, demands, causes of action, liability and suits of any kind and nature, including but not limited to, personal or bodily injury, death and property damage, made upon the CITY directly or indirectly arising out of, resulting from or related to TENANT’ activities under this Agreement, including any acts or omissions of TENANT, any agent, officer, director, representative, employee, Tenant or subcontractor of TENANT, and their respective officers, agents employees, directors and representatives while in the exercise of the rights or performance of the duties under this Agreement. IN THE EVENT TENANT AND CITY ARE FOUND JOINTLY LIABLE BY A COURT OF COMPETENT JURISDICTION, LIABILITY SHALL BE APPORTIONED COMPARATIVELY IN ACCORDANCE WITH THE LAWS FOR THE STATE OF TEXAS, WITHOUT, HOWEVER, WAIVING ANY GOVERNMENTAL IMMUNITY AVAILABLE TO THE CITY UNDER TEXAS LAW AND WITHOUT WAIVING ANY DEFENSES OF THE PARTIES UNDER TEXAS LAW.

7.02. The provisions of this INDEMNITY are solely for the benefit of the parties hereto and not intended to create or grant any rights, contractual or otherwise, to any other person or entity. TENANT shall advise the CITY in writing within 36 hours of any claim or demand against the CITY or TENANT known to TENANT related to or arising out of TENANT’ activities under this AGREEMENT and shall see to the investigation and defense of such claim or demand at TENANT’s cost. The CITY shall have the right, at its option and at its own expense, to participate in such defense without relieving TENANT of any of its obligations under this paragraph.

11. Construction of Premises and Alterations.

11.01. All improvements required for Tenant's Work to be made to the Premises shall be substantially as set forth in **Attachment II** and any other requirements required by the City. Tenant shall construct and install all of its improvements (including both fixtures and equipment) to the Premises so that the Premises will provide attractive, well-designed facilities that promote the marketing of merchandise, products and/or services and present a positive image to La Villita patrons.

11.04. Tenant shall deliver to the Director a copy of the Certificate of Occupancy with respect to the Premises within 20 days after Tenant's receipt thereof from the City.

11.05. Tenant shall not construct, or allow to be constructed, any improvements or structures on the Leased Premises nor shall Tenant make, or allow to be made, any alterations to the Leased Premises without the prior written approval of the Landlord through Director and any and all other necessary departments, boards or commissions of the City of San Antonio, including, but not limited to, the Historic and Design Review Commission.

11.06. Tenant shall not attach anything to the exterior of the Premises including but not limited to telecommunications or other electronic equipment.

11.07. Physical additions or improvements to the Premises made by Tenant will become the property of Landlord. Landlord may require that Tenant, at the end of the Term and at Tenant's expense, remove any physical additions and improvements, repair any alterations, and restore the Premises to the condition existing at the Commencement Date, normal wear excepted.

11.08. The City will provide rental abatements in the amount of 80% of approved, documented, and verified capital improvements to the lease space over the first five (5) years of the lease agreement. Any and all improvements must be reviewed and approved by City.

12. Insurance.

12.01. Prior to the commencement of any work under this Agreement, Tenant shall furnish copies of all required endorsements and completed Certificate(s) of Insurance to the City’s Department for Culture & Creative Development, which shall be clearly labeled “*La Villita – Retail Shops, Galleries & Working Artist Galleries*” in the Description of Operations block of the Certificate. The Certificate(s) shall be completed by an agent and signed by a person authorized by that insurer to bind coverage on its behalf. The City will not accept a Memorandum of Insurance or Binder as proof of insurance. The certificate(s) must have the agent’s signature and phone number, and be mailed, with copies of all applicable endorsements, directly from the insurer’s authorized representative to the City. The City shall have no duty to pay or perform under this Agreement until such certificate and endorsements have been received and approved by the City’s Department for Culture & Creative Development. No officer or employee, other than the City’s Risk Manager, shall have authority to waive this requirement.

12.02. The City reserves the right to review the insurance requirements of this Article during the effective period of this Agreement and any extension or renewal hereof and to modify insurance coverage and their limits when deemed necessary and prudent by City’s Risk Manager based upon changes in statutory law, court decisions, or circumstances surrounding this Agreement. In no instance will City allow modification whereby City may incur increased risk.

12.03. City of San Antonio
 Attn: Finance Department – Purchasing Division
 P.O. Box 839966
 San Antonio, Texas 78283-3966

12.06. Tenant agrees that with respect to the above required insurance, all insurance policies are to contain or be endorsed to contain the following provisions:

- Name the City, its officers, officials, employees, volunteers, and elected representatives as additional insured by endorsement, as respects operations and activities of, or on behalf of, the named insured performed under contract with the City, with the exception of the workers' compensation and professional liability policies;

- Provide for an endorsement that the “other insurance” clause shall not apply to the City of San Antonio where the City is an additional insured shown on the policy;
- Workers’ compensation, employers’ liability, general liability and automobile liability policies will provide a waiver of subrogation in favor of the City; and
- Provide advance written notice directly to City of any suspension, cancellation, non-renewal or material change in coverage, and not less than ten (10) calendar days advance notice for nonpayment of premium.

12.07. Within five (5) calendar days of a suspension, cancellation or non-renewal of coverage, Tenant shall provide a replacement Certificate of Insurance and applicable endorsements to City. City shall have the option to suspend Tenant’s performance should there be a lapse in coverage at any time during this contract. Failure to provide and to maintain the required insurance shall constitute a material breach of this Agreement.

12.08. In addition to any other remedies the City may have upon Tenant’s failure to provide and maintain any insurance or policy endorsements to the extent and within the time herein required, the City shall have the right to order Tenant to stop work hereunder, and/or withhold any payment(s) which become due to Tenant hereunder until Tenant demonstrates compliance with the requirements hereof.

12.09. Nothing herein contained shall be construed as limiting in any way the extent to which Tenant may be held responsible for payments of damages to persons or property resulting from Tenant’s or its subcontractors’ performance of the work covered under this Agreement.

12.10. It is agreed that Tenant’s insurance shall be deemed primary and non-contributory with respect to any insurance or self insurance carried by the City of San Antonio for liability arising out of operations under this Agreement.

12.11. It is understood and agreed that the insurance required is in addition to and separate from any other obligation contained in this Agreement and that no claim or action by or on behalf of the City shall be limited to insurance coverage provided.

12.12. Tenant and any Subcontractors are responsible for all damage to their own equipment and/or property.

12.13. If Tenant makes leasehold improvements, Tenant must provide Builder’s Risk Insurance Coverage, Worker’s Compensation and Employer’s Liability Insurance Coverage, Professional Liability Insurance Coverage and any other liability or other insurance required by Landlord’s Risk Manager. The policies likewise must be in amounts required by Landlord’s Risk Manager and must cover all risks of physical loss during the term of any construction contract and until work is accepted by the City of San Antonio. Tenant must maintain the insurance during the construction phase. Tenant or its contractors or subcontractors must further provide payment and performance bonds naming Landlord as indemnitee. If the construction is minor, Tenant may request the requirements of this Section be waived, but a waiver may be granted only by Landlord’s Risk Manager. In deciding whether to waive, Landlord’s Risk manager has absolute discretion. The Risk Manager may make the waiver without further action of council.

12.14. Tenant understands and agrees that violation of the insurance requirements of this section would be a material breach of this lease and cause for the Landlord to terminate without the opportunity to cure. Because Landlord's damages from such a breach would be difficult to estimate or quantify, Tenant accepts the amount of \$50 per day in violation of this section as a reasonable, negotiated estimate of Landlord's damages.

13. Release of Claims/Subrogation.

The insurance requirements of this Lease are a bargained-for allocation of risk of loss. Landlord and Tenant release each other from claims arising from injury or loss to either of them or to third parties to which they are liable, if the injury or loss is covered by insurance the waiving party is required by this Lease to maintain, whether or not the party actually has the insurance ("Covered Claims"). This release is additional to and does not limit any other release contained in this lease. Landlord and Tenant, to the maximum extent allowable without causing cancellation of a required policy, will require their insurers to waive subrogation against each other for Covered Claims.

14. Environmental Matters.

14.01. "Environmental Laws" means applicable federal, state, and local laws relating to protection of the public health, welfare, and the environment, including without limitation, those laws relating to the storage, handling, and use of chemicals and other hazardous substances, those relating to the generation, processing, treatment, storage, transport, disposal, or other management of waste materials of any kind, and those relating to the protection of environmentally sensitive areas.

14.02. "Hazardous Material" means "hazardous substance," "pollution or contaminant," "petroleum," and "natural gas liquids," as those terms are defined by or used in Environmental Laws, or that are regulated because of their effect or potential effect on human health and the environment.

14.03. "Release" means depositing, spilling, pumping, pouring, emitting, emptying, discharging, injecting, escaping, leaching, dumping, or disposing.

14.04. In its use of the Premises, Tenant must comply with all applicable Environmental Laws and must cause its employees, agents, and contractors on the Premises to do so as well. Tenant will obtain all permits required under Environmental Law for its use of the Premises. At least 180 days before expiration of any such permit, Tenant must present proof to Landlord that it has applied for renewal.

14.05. Tenant must not allow the Release of any Hazardous Material from its use of the Premises on, onto, or from the Property. Tenant further must not to handle, use, or otherwise manage any Hazardous Material on the Premises or the Property in violation of any Environmental Laws or in any but a reasonable and prudent manner.

14.06. Tenant must to immediately provide to Landlord copies of: (i) any documents required to be submitted to a Governmental Authority under Environmental Law; (ii) any notice alleging a violation of Environmental Law, or (iii) any demand from or allegation by any third

party in relation to Hazardous Materials or Environmental Law. Tenant must promptly deliver to Landlord any information it receives regarding any Release of Hazardous Materials on, to, from, or about the Premises.

14.07. Landlord may conduct, at Tenant's expense, periodic inspections of the Premises and Tenant's operations thereon to assure compliance with Tenant's environmental covenants. Tenant need not pay the expense of more than one such inspection in any 12-month period.

14.08. If Tenant breaches any of its representations, warranties or covenants, Tenant at its sole expense, must take all actions required, including environmental cleanup of the Premises, to comply with the representations, warranties, and covenants or applicable law. Tenant must take all action required by applicable Environmental Laws. If Tenant's actions under this provision involve cleaning up a Release of Hazardous Materials, Tenant must perform the cleanup consistently with residential use of the Premises and will not use any institutional controls or engineering controls in lieu of clean-up. Tenant will further obtain a Certificate of Completion from the TCEQ's Voluntary Cleanup Program. Institutional controls include laws, rules, or regulations or private prohibitions limiting use of a property, such as a prohibition against water well use within a certain contaminated track or area of a local government's jurisdiction. Engineering controls mean physical apparatus such as an asphalt or concrete cap, detention basin, extraction well, or other engineered device to control, contain, or remove pollutants.

14.09. Tenant must indemnify Landlord and hold Landlord and its officials, employees, and contractors from loss, cost, liability, or expense (including, but not limited to, attorneys' fees and expenses, including all attorney's fees and expenses incurred by Tenant in enforcing this indemnity) arising from or relating to breach of Tenant's environmental representations, warranties, and covenants.

15. Landlord's Municipal Powers.

Landlord is a municipality as well as landlord under this Lease. As a municipality, it may from time to time exercise municipal powers unrelated to the Lease that will nevertheless adversely affect Tenant. Such actions may include redirection of traffic, street closures, or other actions intended to facilitate public safety, the public interest, or the conduct of major events. No such action by Landlord as a municipality is a breach of Landlord's duties as landlord or entitles Tenant to any relief under this Lease. Likewise, no breach of contract or other duty by municipal utility providers is a breach of Landlord's duties as landlord or entitles Tenant to any relief under this Lease. Tenant has no more rights under this Lease than it would if its landlord were a private entity.

16. Prohibited Interests in Contracts.

16.01. The Charter of the City of San Antonio and its Ethics Code prohibit a City officer or employee, as defined in Section 2-52 of the Ethics Code, from having a financial interest in any contract with the City or any City agency such as city owned utilities. An officer or employee has a "prohibited financial interest" in a contract with the City or in the sale to the City of land, materials, supplies or service, if any of the following individual(s) or entities is a party to the contract or sale:

- (i) a City officer or employee;
- (ii) his parent, child or spouse;
- (iii) a business entity in which the officer or employee, or his parent, child or spouse owns (i) 10% or more of the voting stock or shares of the business entity, or (ii) 10% or more of the fair market value of the business entity;
- (iv) a business entity in which any individual or entity above listed is a (i) subcontractor on a City contract, (ii) a partner, or (iii) a parent or subsidiary business entity.

16.02. Tenant warrants and certifies as follows:

- (i) Tenant and its officers, employees and agents are neither officers nor employees of the City.
- (ii) Tenant has tendered to the City a Discretionary Contracts Disclosure Statement in compliance with the City's Ethics Code.

16.03. Tenant acknowledges that City's reliance on the above warranties and certifications is reasonable.

17. Casualty/Total or Partial Destruction.

17.01. If the Premises are damaged by casualty and can be restored within ninety days, Landlord will, if funding is available, at its expense, restore the roof, foundation, exterior doors, windows, Common Areas, and structural soundness of the exterior walls of the Premises. Restoration must be to substantially the same condition existing before the casualty. If Landlord fails to complete the portion of the restoration for which Landlord is responsible within ninety days from the date of written notification by Tenant to Landlord of the casualty, Tenant may terminate this lease by written notice delivered to Landlord before Landlord completes Landlord's restoration obligations.

17.02. If the Premises cannot be restored within ninety days from the date of written notification by Tenant to Landlord, Landlord has an option to restore the Premises. If Landlord chooses not to restore, this lease will terminate. If Landlord chooses to restore, Landlord will notify Tenant of the estimated time to restore and give Tenant an option to terminate this lease by notifying Landlord within ten days. If Tenant does not terminate this lease, the lease will continue, and Landlord will restore the Premises as provided above.

17.03. To the extent the Premises are untenable after the casualty; the Rent will be adjusted as may be deemed fair and reasonable by Landlord.

17.04. If Landlord is obligated to rebuild or chooses to do so, Tenant must promptly rebuild and restore all improvements the maintenance of which are its responsibility under this Lease. Restoration must be to substantially the same condition existing before the casualty.

17.05. As with the insurance requirements, the rebuilding obligations of this paragraph are a bargained-for allocation of risk.

17.06 If, during any approved renovations, the interior of the Premises is found to be damaged by water due to Landlord's failure to perform its maintenance obligations or asbestos or lead paint is discovered Landlord will, if funding is available, at its expense, restore the damaged interior areas of the Premises, excluding Tenant's furniture, fixtures and other personal property. If Landlord fails to complete the portion of the restoration for which Landlord is responsible within ninety days from the date of written notification by Tenant to Landlord of the casualty, Tenant may as its sole remedy terminate this lease by written notice delivered to Landlord before Landlord completes Landlord's restoration obligations.

17.07 If the Premises cannot be restored within ninety days from the date of written notification by Tenant to Landlord, Landlord has an option to restore the Premises. If Landlord chooses not to restore, this lease will terminate. If Landlord chooses to restore, Landlord will notify Tenant of the estimated time to restore and give Tenant an option to terminate this lease by notifying Landlord within ten days. If Tenant does not terminate this lease, the lease will continue, and Landlord will restore the Premises as provided above.

18. Condemnation/Substantial or Partial Taking.

18.01. If the Premises cannot be used for the purposes contemplated by this lease because of condemnation or purchase in lieu of condemnation, this lease will terminate.

18.02. If there is a condemnation or purchase in lieu of condemnation and this lease is not terminated, Landlord will, at Landlord's expense, restore the Premises, and the Rent payable during the unexpired portion of the Term will be adjusted as may be fair and reasonable.

18.03. Tenant will have no claim to the condemnation award or proceeds in lieu of condemnation.

19. Holdover.

If Tenant holds over after termination or expiration of this Lease, the terms of this Lease apply during the holdover period, except (A) the Lease shall have a month to month term, and (B) the Base Rent is 110% of what it was immediately before the term ended.

20. Contractual Lien.

20.01. To secure the payment of Rent and the full performance of this Lease by Tenant, Tenant hereby grants to Landlord an express first and prior security interest and contract lien on all property (including fixtures, furniture, furnishings, equipment, chattels, merchandise, goods, inventory, and all other personal property) that may now or hereafter be placed in the Premises and all additions, accessions and replacement thereto, and all proceeds therefrom and also upon all proceeds of any insurance that may accrue to Tenant by reason of destruction of or damage to any such property ("Collateral"). Tenant must not remove the Collateral from the Premises without Landlord's written consent until Rent arrearages then due to Landlord are paid in full. Tenant waives all exemption laws in favor of this lien and security interest. Landlord does not waive its statutory lien, and this lien and security interest is cumulative with the statutory lien.

20.02. In case of an event of default, Landlord may, in addition to any other remedies,

enter the Premises and take possession of any and all personal property of Tenant situated on the Premises, without liability for trespass or conversion. This lien may be foreclosed with or without court proceedings by public or private sale provided Landlord gives Tenant at least 10-days notice of the time and place of sale. Landlord has the right to bid and purchase at the sale. Any sale or disposition of the Collateral made under this section is commercially reasonable (A) if held at the Premises or where the Collateral is located and (A) if the time, place, and method of sale and a general description of the Collateral to be sold is advertised in a daily newspaper published in the county in which the property is located for five consecutive days before the date of sale. Tenant must inform Landlord as soon as reasonably possible after receiving the notice of sale about any and all prospects of whom Tenant is aware who have any interest in purchasing any of the Collateral. Tenant must further inform Landlord of any marketing or selling activity that Tenant believes will bring a fair sale price for the Collateral, balancing the cost of the activity. Should Tenant fail to cooperate in offering information to assist in the disposition of the Collateral, Tenant should not be heard to complain about the Landlord's disposition made according to this Lease.

20.03. The proceeds from any disposition of the Collateral, less any and all expenses connected with the taking of possession, holding and selling of the Collateral (including reasonable attorney's fees and other expenses), will be applied as a credit against the indebtedness secured by the security interest granted in this paragraph. Any surplus goes to Tenant or as otherwise required by law, and the Tenant must pay any deficiencies forthwith. Contemporaneously with the execution of this Lease (and if requested hereafter by Landlord), Tenant shall execute and deliver to Landlord Uniform Commercial Code financing statements in sufficient form so that, when properly filed, the security interest will be perfected. If Landlord requests, Tenant must also execute and deliver to Landlord Uniform Commercial Code financing statement change instruments in sufficient form to reflect any proper amendment of, modification in, or extension of the contract lien and security interest hereby granted. A carbon, photographic, or other reproduction of this Lease is sufficient as a financing statement. In addition to all of its rights, Landlord also has all the rights and remedies of a secured party under the Uniform Commercial Code as adopted in Texas. Landlord may execute any financing statement as agent for Tenant so that the document is in proper form to be filed.

21. Default, Remedies for Default.

21.01. Events of Default. If Tenant permits or fails to prevent any of the following occurrences, it is a Tenant event of default:

21.01.01. Tenant fails to pay any installment of Rent when due.

21.01.02. Tenant fails to comply with any term, provision or covenant of this Lease, other than the payment of rental or expenses demanded by Landlord and does not cure such failure within 30 days after written notice thereof to Tenant, or any representation or warranty by Tenant is false or misleading in any material respect when given to Landlord.

21.01.03. This Lease for the Premises or any part thereof is taken upon execution or by other process of law directed against Tenant, or is taken upon or subject to any

attachment at the instance of any creditor or claimant against Tenant, and the attachment is not to be discharged or disposed of within 30 days after the levy thereof.

21.01.04. Tenant files a petition in bankruptcy or insolvency or for reorganization or arrangement under the bankruptcy laws of the United States or under any insolvency act of any state, or voluntarily takes advantage of any such law or act by answer or otherwise, or is dissolved, or makes a transfer in fraud of creditors or makes an assignment for the benefit of creditors, or admits in writing its inability to pay its debts as they mature.

21.01.05. Involuntary proceedings under any such bankruptcy law or insolvency act or for the dissolution of Tenant is instituted against Tenant, as the case may be, or a receiver or trustee of all or substantially all of the property of Tenant is appointed, and such proceeding is not dismissed or such receivership or trusteeship vacated within sixty (60) days after such institution or appointment.

21.01.06. Tenant deserts, vacates or abandons all or any portion of the Premises, or ceases to physically occupy any substantial portion of the Premises and continuously operate its business on the Premises, or fails to commence business operations in the Premises on or before the Commencement Date. If Tenant removes or makes preparations to remove its goods, equipment, inventory, and fixtures (other than in the normal course of business) in amounts sufficient to indicate a probable intent to vacate the Premises, Tenant's breach is established conclusively.

21.01.07. Tenant does or permits to be done anything which creates a lien upon the Premises.

21.01.08. The business operated by Tenant is closed for failure to pay any State sales tax as required or for any other reason, other than repairs, death of the principals of Tenant, or normal business holidays.

21.01.09. This Lease or the estate of Tenant hereunder is transferred to, or passes to any other person or party except in a manner permitted herein.

21.02. Remedies for Default. Upon the occurrence of any Tenant event of default, Landlord has the option to pursue anyone or more of the following:

21.02.01. In addition to, and without limiting any other remedies available to Landlord at law or in equity, immediately terminate this Lease and all rights of Tenant hereunder. Upon termination, Tenant must immediately surrender the Premises to Landlord. If Tenant fails to do so, Landlord may, without prejudice to any other remedy, enter and take possession of the Premises or any part thereof and expel or remove Tenant and any other person who may be occupying the Premises or any part thereof, by force if necessary, without being liable for prosecution or any claim of damages.

21.02.02. Enter upon and take possession of the Premises or any part thereof and expel or remove Tenant and any other person who may be occupying said Premises or any part thereof, by force if necessary, without being liable for prosecution or any claim for damages therefor without having terminated the Lease.

21.02.03. Enter upon the Premises, by force if necessary, without being liable for prosecution or any claim for damages, and do whatever Tenant is obligated to do under the terms of this Lease. In such case, Tenant must reimburse Landlord on demand for expenses Landlord may incur in thus effecting compliance with Tenant's obligations. Landlord is not liable for any damages resulting to the Tenant from such action.

21.02.04. Alter all locks and other security devices at the Premises without terminating this Lease. If Landlord does so:

(i) Landlord need not allow Tenant re-entry to the Premises or provide Tenant with a new key unless and until Tenant cures any and all defaults under this Lease,

(ii) Landlord may refuse to give Tenant a new key unless Tenant establishes a security deposit by an amount determined by Landlord,

(iii) If Landlord does provide Tenant with a key, it will do so only during the Landlord's regular business hours, and

(iv) Tenant must pay Landlord all costs and expenses incurred by Landlord in connection with altering the locks and other security devices.

Landlord's remedies and rights under this Lease entirely supersede and supplant the provisions of Texas Property Code § 93.002.

21.03. *Repossession and Alteration of Locks.* Landlord's exercise of one or more remedies is not acceptance of Tenant's purported surrender of the Premises, whether by agreement or by operation of law. Surrender can occur only by the written agreement of Landlord and Tenant. No such alteration of locks or other security devices and no removal or other exercise of dominion by Landlord over the property of Tenant or others at the Premises is unauthorized or constitutes conversion. Tenant consents to Landlord's exercise of dominion over Tenant's property within the Premises in case of Tenant's default. Tenant waives (A) all claims for damages by reason of such reentry, repossession, or alteration of locks or other security devices and (B) all claims for damages by reason of any distress warrant, forcible detainer proceedings, sequestration proceedings, or other legal process. Re-entry by Landlord may be pursuant to judgment obtained in forcible detainer proceedings or other legal proceedings or without the necessity for any legal proceedings, as Landlord may elect. Landlord is not liable in trespass or otherwise for such re-entry. Landlord's remedies and rights under this Lease entirely supersede and supplant the provisions of Texas Property Code § 93.002.

21.04. *Effect of Termination.* If Landlord terminates the Lease for an event of default, then despite the termination, Tenant is liable for and must pay Landlord, at the Address for Payment of Rent, all Rent accrued to the date of termination. Landlord's acceptance of past-due rent after termination does not reinstate the Lease.

21.05. *Effect if No Termination.* If Landlord repossesses the Premises without terminating the Lease, then Tenant is liable for and must pay Landlord, at the Address for Payment of Rent, all Rent accrued to the date of repossession, plus Rent due during the remainder of the term until the date of expiration. Tenant's obligation is diminished by any net sums thereafter received by Landlord through reletting the Premises (after deducting expenses of reletting). Tenant is liable for the full Rent for the remainder of the Lease term if the Premises are not relet. In no event is Tenant entitled to any excess of any rental obtained by reletting over and above the Rent. Actions to collect amounts due by Tenant to Landlord may be brought at one time or from time to time, on one or more occasions, without the necessity of Landlord's waiting until expiration of the Lease term. In the alternative, if Landlord relets the Premises, Landlord may recover from Tenant (A) the unpaid Rent accrued before Tenant's default, plus (B) the then present value of the amount by which the Rent for the remainder of the term exceeds the rental received from reletting the Premises. Present value is computed by allowing interest at 1% in excess of the discount rate of the Federal Reserve Bank of Dallas, Texas. No repossession of the Premises by Landlord hereunder is either an acceptance of surrender or an election to terminate this Lease. Neither does it cause a forfeiture of Rent remaining to be paid during the balance of the Lease term, unless a written notice of such intention is given to Tenant or unless the termination thereof be decreed by a court of competent jurisdiction. Notwithstanding Landlord's right to relet and collect the difference in rental values, Landlord may, at any time after default, terminate this Lease. Landlord also may decline to repossess the Premises, and may from time to time, without terminating this Lease, recover all rent as it becomes due.

21.06. *Liability for Costs Incurred.* If Tenant defaults, in addition to any other sum required by this Lease, Tenant must also pay to Landlord, at the Address for Payment of Rent, (A) brokers and management fees incurred by Landlord in connection with reletting the whole or any part of the Premises; (B) the costs of removing and storing Tenant's or any other occupant's property, (C) the costs of repairing, altering, remodeling, or otherwise putting the Premises into a condition acceptable to a new tenant or tenants, (D) all rental concessions as a result of reletting, and (E) any and all other costs, fees, and expenses associated with reletting the Premises and all reasonable expenses incurred by Landlord in repossessing the Premises and in enforcing or defending Landlord's rights and/or remedies, including reasonable attorney's fees, which shall be not less than 10% of all sums then owing by Tenant to Landlord.

21.07. *Obligation to Reimburse.* If Tenant fails to timely make any payment or cure any default, Landlord, without an obligation to do so and without waiving default, may make the payment or remedy the other default for the account of Tenant (and enter the Premises for such purposes). Thereupon Tenant must pay upon demand, all costs, expenses, and disbursements (including reasonable attorney's fees) incurred by Landlord in taking the remedial action.

21.08. *Default by Landlord.* If Landlord defaults, Tenant's exclusive remedy is an action for damages (Tenant hereby waiving the benefit of any laws granting it a lien upon the property

of Landlord or on rent due Landlord). Tenant is not permitted to withhold Rent. Before filing any such action Tenant must give Landlord 30-days prior written notice specifying the alleged default and giving Landlord opportunity to cure. Unless and until Landlord fails to timely cure a default after written notice, Tenant has no remedy or cause of action by reason thereof. All obligations of Landlord are covenants, not conditions. Landlord's liability to Tenant for default is limited to actual, direct, but not consequential, damages. **Tenant hereby waives its statutory lien under § 91.004 of the Texas Property Code.**

21.09. *Payments After Termination.* Tenant's payment of money to Landlord after termination or after notice of default (other than a demand for payment of money within any applicable cure period) does not reinstate, continue, or extend the term or affect any notice given to Tenant prior to the payment. After the service of a suit or after any final judgment granting Landlord possession of the Premises, Landlord may receive and collect any sums due under the terms of this Lease or may otherwise exercise any of its rights and remedies hereunder. Such payment, whether as rent or otherwise, does not waive any notice or a termination of Tenant's right of possession, or in any manner affect any suit theretofore commenced or judgment previously obtained.

21.10. *Rights Respecting Personal Property.* If Landlord takes possession of the Premises under the authority of this Lease, Landlord may keep in place and use all furniture, fixtures, and equipment at the Premises, including that owned by or leased to Tenant at all times before foreclosure thereon by Landlord or repossession thereof by any lessor thereof or lienholder thereon. Landlord may also remove from the Premises (without obtaining a distress warrant, writ of sequestration, or other legal process) all or any part of the furniture, fixtures, equipment, and other property and place same in storage anywhere in the county in which the Premises are located. In such case, Tenant is liable to Landlord for costs incurred by Landlord in the removal and storage and must indemnify Landlord from all loss, damage, cost, expense, and liability arising from or relating to the removal and storage. Landlord also may relinquish all or any part of the furniture, fixtures, equipment, and other property to any person ("Claimant") who presents to Landlord a copy of any instrument represented to have been executed by Tenant, if the instrument purports to grant Claimant the right under various circumstances to take possession of the property. Landlord need not inquire into the authenticity of the instrument or Tenant's or Tenant's predecessor's signature thereon. Landlord further need not investigate or inquire into the validity of the factual or legal basis on which Claimant purports to act. Tenant hereby indemnifies Landlord from all loss, cost, liability, or expense arising from or relating to Landlord's relinquishment of property to a Claimant. These rights of Landlord are additional to any other rights that Landlord has or may hereafter have at law or in equity. Tenant stipulates that the rights herein granted Landlord are commercially reasonable.

21.11. *Cumulative Remedies.* Each right and remedy provided to Landlord in this Lease is cumulative to every other right or remedy provided to Landlord by this Lease or applicable law, including, but not limited to, suits for injunctive relief and specific performance. The exercise or beginning of the exercise by Landlord of one or more of the right or remedy does not preclude the simultaneous or later exercise by Landlord of another remedy. All costs incurred by Landlord in collecting any amounts and damages owed by Tenant under this Lease or to enforce

any provision of it, including reasonable attorneys' fees from the date any such matter is turned over to litigation counsel, are also recoverable by Landlord from Tenant.

22. Landlord's Mitigation of Damages.

Any duty imposed by law on Landlord to mitigate damages after a default by Tenant under this Lease will be satisfied in full if Landlord undertakes to lease the Premises to another tenant (a "Substitute Tenant") in accordance with the following criteria:

22.01. Landlord will have no obligation to solicit or entertain negotiations with any other prospective tenants for the Premises until Landlord obtains full and complete possession of the Premises including without limitation, the final and unappealable legal right to relet the Premises free of any claim of Tenant;

22.02. Landlord will not be obligated to lease or show the Premises on a priority basis, or offer the Premises to a prospective tenant when other space in the Building suitable for the prospective tenant's use is (or soon will be) available;

22.03. Landlord will not be obligated to lease the Premises to a Substitute Tenant for a Rent less than the current fair market Rent then prevailing for similar uses in comparable buildings in the same market area as the Building, nor will Landlord be obligated to enter into a new lease under terms and conditions that are unacceptable to Landlord under Landlord's then current leasing policies for comparable space in the Building.

22.04. Landlord will not be obligated to enter into a lease with a Substitute Tenant whose use would:

- (i) violate any restriction, covenant, or requirement contained in the lease of another tenant of La Villita;
- (ii) adversely affect the reputation of La Villita; or
- (iii) be incompatible with other users of La Villita.

22.05. Landlord will not be obligated to enter into a lease with any proposed Substitute Tenant that does not have, in Landlord's reasonable opinion, sufficient financial resources to operate the Premises in a first class manner; and

22.06. Landlord will not be required to expend any amount of money to alter, remodel, or otherwise make the Premises suitable for use by a proposed Substitute Tenant unless:

- (i) Tenant pays any such sum to Landlord in advance of Landlord's execution of a lease with the proposed Substitute Tenant (which payment will not be in lieu of any damages or other sums to which Landlord may be entitled as a result of Tenant's default under this Lease; or

(ii) Landlord, in Landlord's reasonable discretion, determines that any such expenditure is financially justified in connection with entering into a lease with the prospective Substitute Tenant.

23. Tenant's Bankruptcy.

In addition to other available remedies, if Tenant becomes the subject of a voluntary or involuntary bankruptcy, reorganization, composition, or other similar proceeding under the federal bankruptcy laws:

23.01. "Adequate protection" of Landlord's interest in the Premises pursuant to Sections 361 and 363 (or their successor sections) of the Bankruptcy Code, 11 U.S.C., Paragraph 101, et seq., as amended from time to time ("Bankruptcy Code"), before assumption or assignment of the Lease by Tenant include but are not limited to all (or any part) of the following:

- (i) continued payment by Tenant of all Rent due and owing hereunder and the performance of all other covenants and obligations hereunder by Tenant;
- (ii) hiring security guards to protect the Premises if Tenant abandons or ceases operations, the obligation of Tenant only to be effective so long as Tenant remains in possession and control of the Premises to the exclusion of Landlord;
- (iii) furnishing an additional/new security deposit by Tenant in the amount of three times the then-current monthly Base Rental and Additional Rent payable hereunder.

23.02. "Adequate assurance of future performance" by Tenant or any assignee of Tenant pursuant to Bankruptcy Code Section 365 includes (but is not be limited to) payment of an additional/new Security Deposit in the amount of three times the then-current monthly Base Rental and Additional Rent payable hereunder.

23.03. Any person or entity to which this Lease is assigned pursuant to the Bankruptcy Code, assumes, without further act or deed, all obligations of Tenant arising under this Lease on and after the effective date of such assignment. Any such assignee must, on demand by Landlord, execute and deliver to Landlord an instrument confirming the assumption of liability.

23.04. Despite anything in this Lease to the contrary, all amounts payable by Tenant to or on behalf of the Landlord under this Lease, whether or not expressly denominated as "rent", constitute "rent" for the purposes of Section 502(b)(6) of the Bankruptcy Code.

23.05. If this Lease is assigned to any person or entity pursuant to the Bankruptcy Code, any and all monies or other considerations payable or otherwise to be delivered to Landlord (including Base Rentals and other rent hereunder) remain the exclusive property of Landlord and are not property of Tenant or of the bankruptcy estate of Tenant. Any and all monies or other considerations constituting Landlord's property under the preceding sentence not paid or delivered to Landlord must be held in trust by Tenant or Tenant's bankruptcy estate for the benefit of Landlord and must be promptly paid to Landlord.

23.06. If Tenant assumes this Lease and proposes to assign it to a specific assignee on specific terms, Tenant must deliver to Landlord notice of the proposed assignment. The notice must set forth (i) the name and address of the proposed assignee; (ii) all terms and conditions of the offer, and (iii) the adequate assurance to be provided Landlord to assure the assignee's future performance under the Lease. Tenant must deliver the notice no later than 20 days after Tenant's receipt of the proposal, but in no event later than 10 days before Tenant applies to a court of competent jurisdiction for authority and approval of the proposed assumption and assignment. Landlord thereupon has the prior right and option to accept the assignment itself on the same terms and conditions and for the same consideration, if any, as Tenant's proposed assignee, less any brokerage commission otherwise payable by the proposed assignee. Landlord must exercise its prior right and option by delivering notice to Tenant not later than 30 days after Landlord's receipt of the notice.

23.07. To the extent permitted by law, this Lease is a contract under which applicable law excuses Landlord from accepting performance from (or rendering performance to) any person other than Tenant.

24. Warranty Disclaimer.

24.01. There are no implied warranties of merchantability, of fitness for a particular purpose, or of any other kind arising out of this lease, and there are no warranties that extend beyond those expressly stated in this lease. Without limitation, this Lease contains no express or implied warranty that the Premises have no latent defects or that the Premises are or will remain suitable for Tenant's purposes.

24.01. Tenant acknowledges it has had ample opportunity to perform due diligence regarding the Premises and accepts the Premises in their present condition, as-is.

25. Abandoned Property.

Landlord may retain, destroy, or dispose of any property left on the Premises at the end of the Term.

26. Appropriations.

All obligations of the City of San Antonio under this instrument are funded through the City of San Antonio General Fund and are subject to the discretion of City Council whether to appropriate funding for any given year of a term. If the City Council fails to appropriate money for this Lease in an annual City of San Antonio Budget, the City may terminate this Lease and have no further liability.

27. Sublease, Assignment.

Tenant cannot assign or sublease this lease without Landlord's prior written consent. Assignments include any transaction in which (A) a material part of Tenant's assets are sold outside the ordinary course of business or (B) a change in the identity of those owning, holding, or controlling the power to vote of 50% of the equity interest in Tenant. Tenant shall pay to Landlord an assignment fee of \$2,000.00 for any assignment.

28. Dispute Resolution.

28.01. Before bringing any action arising out of this agreement, including an action for declaratory relief but not an action specifically excepted below, the disputants must first submit in good faith to mediation. The parties may not assert limitations, laches, waiver, and estoppel based upon attempts to mediate.

28.02. Filing suit on a claim that should be mediated waives the filer's right to demand mediation. But one party's waiver does not affect another party's right. A defendant does not waive mediation for so long as, within a reasonable time after appearing, the defendant gives written notice to the plaintiff or its counsel of intent to require compliance with this paragraph.

28.03. Mediation must be conducted in San Antonio, Bexar County, Texas.

28.04. The party desiring relief has the burden to initiate mediation. Waiting for another party to initiate mediation does not waive the right to it.

28.05. If the parties can otherwise agree on a mediator, they may do so. Alternatively, either party may petition any court of competent jurisdiction to appoint a mediator. The only predicate issues the court need consider before appointing a mediator are whether (i) the copy of the contract before the court is authentic and (ii) the contract was duly signed and delivered by all parties to be bound to mediate. If neither of those issues is denied under oath, the court may appoint a mediator upon motion, without trial.

28.06. Mediator fees must be borne equally.

28.07. The parties need not mediate before going to court (1) for either party to seek emergency injunctive relief or (2) for Landlord to seek forcible entry and detainer relief against Tenant.

29. Miscellaneous.

Replace paving at main entrance door to create single gently sloping area to meet TAS.

MECHANICAL, ELECTRICAL, AND PLUMBING REPORT

Air-conditioning and heating. Existing 1980s five-ton chilled water cooling/electric heating fan-coil reported by tenant to be sufficient since the chilled water coil was recently replaced. There is no hood over the electric equipment used to make the scent chips.

Plumbing. There is no plumbing other than condensation piping; no problems reported.

Electrical. Panel board appears to be in working order but is an older model and it may be increasingly difficult to acquire new circuit breaker replacements. Exterior junction and device boxes are held together with tape or are exposed to elements. Exterior receptacles are not GFCI type.

Noahmaya Candle Co., dba Scentships

Vision Statement

Scentships success is built on offering the highest quality product, exceptional customer service and a truly unique shopping experience. Scentships have been made by hand in our original factory in La Villita for more than 35 years. It is our vision to continue to serve both locals and tourists by providing a shopping experience unparalleled by the average candle store. Scentships currently occupies building 21 in La Villita at 503 East Nueva, and is applying for building 21A as a Working Artist Studio.

Scentships has been a leader in the home fragrance industry since 1979 and boasts our exclusive Create-A-Scent™ mixing tables where customers can create their own blend. As a working Artist Studio, our fragrance has drawn millions of tourists and locals for over 3 decades. Customers comment on a daily basis that our fragrance draws them in and our quality brings them back.

Scentships plans to continue its growth through retail, wholesale and web business and maintain its presence in the market.

OPERATIONS PLAN

Location

Located in the heart of La Villita in downtown San Antonio, Scentships occupies a place that is central to the 11.5 million tourists that visit the River Walk annually. The majority of our retail business is from tourists and close proximity to the River Walk, Convention Center and the Alamo are enormously beneficial. (see Figure I attached). Hours of operation are 10-6 every day of the week. Scentships often extends its hours based on conventions and special functions occurring in La Villita.

Products and Services Which Enhance the Visitor Experience

Scentchips will provide locals and visitors to San Antonio a unique experience. Customers can see the product being made by hand and are enchanted with the process. Customers can purchase any of our premixed fragrance blends or create their own custom fragrance by blending their own. There are over 80 fragrances to mix from and thousands of blends possible. Scentchips are best when melted, and our store carries an enormous variety of warmers to suit every style and décor. Our warmers range from classic ceramic to more modern glass and metal. We offer holiday packages, gift packs, Sachet Scents®, and handmade soaps.

We will maintain a staff that is knowledgeable and courteous. We have staff members that have been with us since the year we took over the business.

Scentchips is currently expecting a container of our own exclusive line of warmers which we are excited to launch before the holidays.

Scentchips has been a destination spot to thousands of visitors each year. Our customers return to our shop each time they are in town to replenish their fragrances and see what is new. We have had several customers tell us they come at least once a year for over 20 years, just to visit our shop. Scentchips exceptional customer service has been an integral part of our success.

Authentic to San Antonio

We plan to embrace the authentic nature of San Antonio by offering a product that is made in the heart of the city. We have been a part of La Villita for 35 years and I believe we are integral to the fabric of the village. As a native San Antonian, I am proud to own a local business and offer a product that is Texas made. Our factory in La Villita is the only place in the United States where Scentchips are made.

USE OF SPACE

The current space for Scentchips is ideal for its use in that the factory is connected to the retail. Manufacturing space is approximately 812 sf. and retail occupies approximately 337 sf. It is our intention to continue to manufacture Scentchips and offer the finished product and accessories alongside.

Interior Space & Displays

As stated in "RFP Building Rates and Information"(pg 8), the current Scentchips building needs quite a bit of work. A majority of the windows and doors need to be replaced, a corner of the building needs the brick rebuilt and the entrance ramp needs to be repaired to meet code.

Scentschips plans to completely redo the interior of the shop and factory. In the shop area we plan to change out the flooring, replace many of the existing display shelves, change out our Create-A-Scent™ tables to newer more modern look. (See Figure 2 attached).

Scentschips has set up stores throughout the United States and has extensive experience in using a space for maximum benefit. Our warmers are displayed so that they may be turned on and off, showing the customers the extensive variety we offer. Space will be planned out to maximize the square footage while maintaining a comfortable shopping atmosphere.

In the factory area we will be rebuilding the area that holds the melting tanks for manufacturing, paint the trim on the doors and windows and reorganize all equipment.

Scentschips will redo all signage - interior and exterior to reflect our new look which is sleek, simple and eye catching. Scentschips will continue to change our temporary signage which draws customers in by inviting them to "Experience the Fragrance of the Day."

MARKETING

Description of the Total Market

According to research home fragrance retail sales reached nearly \$5.6 billion in 2012 posting the highest rate of growth in the past 5 years. Wax melts were the fastest growing home fragrance category, with a 40% growth over the previous year. Specialty retail stores and online sales are the main avenues for home fragrance growth.

Americans love fragrance for themselves as well as their home and they are spending more every year on fragrance products. Packaging, fragrance and product information is important to consumers. Scentschips follows market trends by continuously adding new fragrance which reflect consumer preferences. We plan to be diligent about package design and informing customers about key elements such as burn time and strength of fragrance.

Target Market

Scentschips La Villita location is ideal because of its close proximity to the River Walk. The River Walk is host to more than 11.5 million visitors a year, which contribute \$3 billion in revenue to the local economy.

Since we have owned the business, we have noted that 98% of our customers are tourists. For this reason we concentrate our marketing efforts in the downtown area. Women make up the majority of our clients, but men purchase fragrance as well. We have increased our selection of masculine fragrances to serve all customers.

Marketing Plan

Scentschips will continue to increase marketing efforts locally and online. Scentschips is proud to be partnered with Valero Alamo Bowl, The San Antonio Chamber, SAVE 2015 and the Cocoa

Women's Marathon organization. Through these channels we are able to target the millions of downtown tourists. Recently we have marketed in various publications such as the 78209 magazine, San Antonio Woman, Express News Gift Guide, San Antonio Guestbook, The Current and numerous local sponsorship opportunities.

Scotchips spends more time marketing through the various downtown channels than any other tenant. As owners we constantly create coupons and advertisement pieces which promote awareness of our store as well as the entire village. It is our goal to increase traffic to La Villita by continuing to reach out to the hotels, trolleys, Segway, CVB, Amigos, and any other entity which can drive consumers to the village.

Scotchips uses social media to promote specials and daily fragrances being made in our Working Artist Studio. Customers love knowing what is being made on various days. Social media is a huge part of our marketing efforts and has been very effective in growing customer awareness. (See Figure 3 attached)

Hosting Exhibits and Receptions

If selected for a space in La Villita, Scotchips will host exhibits and receptions as lined out in the lease. Scotchips will provide special pricing and promote the custom blending for a unique shopping experience. We can let customers create their own gift packs and gifts based on the time of year of such events. We will use social media and our website to promote all activities.

BUDGET

Store Enhancements

Scotchips proposes spending \$10,000 to redo the interior of the Retail Space. This includes new signage.

Factory Enhancements

Scotchips proposes spending \$12,000 to redo the manufacturing space.

Scotchips is a financially sound business with no outstanding debt. We have always paid our vendors on time and are in good standing with our leases.

Scotchips will look to the city to make the much needed repairs to the buildings. This includes brick work, painting and replacing doors and windows.
