The Parties hereto severally and collectively agree, for the consideration herein set forth, and by the execution hereof are bound, to the mutual obligations herein contained and to the performance and accomplishment of the tasks hereinafter described:

ARTICLE I. AGREEMENT PURPOSE

GRANTEE shall undertake the Project which is anticipated to promote local economic development and to stimulate business and commercial activity in the CITY and in the TIRZ. The CITY and TIRZ are supporting the Project through this economic development grant to provide funds for the purpose of defraying costs associated with the Project's construction and intended to spur development in the CITY's Tax Increment Reinvestment Zone. The grant is of TIF funds to be used for Project Costs, as defined by the TIF Act, Texas Tax Code Ch. 311 and in accordance with Chapter 380 of the Texas Local Government Code. This Project will be added to the Project and Finance Plans for the Inner CITY TIRZ.

ARTICLE II. PROJECT REQUIREMENTS

A. Investment. GRANTEE shall make a minimum investment of approximately (\$3,100,000.00) (the "Minimum Investment) in construction costs in the Project, which Investment plus real estate acquisition is approximately (_____) which shall include approximately FIVE HUNDRED AND EIGHTEEN THOUSAND AND ZERO CENTS (\$518,000.00) of Public Improvements and pre-development costs. For the purposes of this agreement, "Public Improvements" shall include installation of underground utilities, streets, sidewalks, and other infrastructure improvements pertaining to the development of the Property, as more particularly described in **Exhibit "D"** attached and incorporated herein. For the purposes of this Agreement, "Investment" means all expenditures made by Grantee directly or indirectly, without limitation, to develop the project, including: Architectural, engineering and surveying expenses, financing costs and fees, construction period interest, property acquisition, closing and settlement expenses, demolition, construction, site preparation, paving, landscaping, utilities, project marketing, legal expenses, and reasonable fees paid to consultants, contractors and GRANTEE. For the purposes of this agreement, "Pre-development cost" shall include Architectural, engineering and surveying expenses, and well as demolition pertaining to the development of the Property, as more particularly described in **Exhibit "D"**.

B. Construction and Completion. GRANTEE shall make all commercially reasonable efforts to commence construction and demolition on or before December 1, 2015 ("Commencement Date") and shall use commercially reasonable efforts to complete construction on the Public Improvements described in **Exhibit "D"** no later than June 1, 2017 (the "Completion Date") subject to Force Majeure. The Commencement Date shall be determined by the issuance of a building permit for the Project Site and CITY's receipt of correspondence from the general contractor for the Project certifying that construction has commenced. The Completion Date shall be determined by the following: (1) Construction of the Public Improvement as required by this Agreement in accordance with the engineer's design; and (2) In order for a Public Improvement to have achieved a state of "Completion", the improvement must: (a) be inspected by a design engineer, and be the subject of a certification letter from the design engineer, sealed with the engineer's professional seal, certifying that the Public

Improvements were designed in such a manner as to endure without need for maintenance, repair or replacement for five (5) years, taking into consideration the site and traffic conditions, present and future, at or near the improvements, and certifying that the Public Improvements were constructed according to the specifications required by the engineer's design for each improvement; and (b) be approved by the CITY as evidenced by a letter of acceptance issued by an authorized official of the CITY; and (c) for streets and drainage improvements only, be or have been subject to the one-year extended warranty bond required by Chapter 35 of the CITY's Unified Development Code.

1. GRANTEE shall provide progress reports to CITY on the Project and Project Site on a quarterly basis through the term of this Agreement. In addition to the quarterly progress reports, should CITY request an interim progress report during the term of this Agreement, GRANTEE shall provide such progress report within fifteen (15) business days.

2. GRANTEE shall comply with all applicable Federal, State and local laws and regulations, including federal Environmental Protection Agency (EPA), Texas Department of State Health Services (TDSHS) and Texas Commission on Environmental Quality (TCEQ) rules and regulations and all other regulations and laws relating to the environment, Asbestos Containing Materials (ACM), Hazardous Substances or exposure to ACM and Hazardous Substances as applicable and shall develop and operate the Project in accordance with the terms and conditions of this Agreement.

3. No streets, sidewalks, drainage, public utility infrastructure, or other public improvements ("Public Improvements") with a lien still attached may be offered to the CITY for dedication. If any lien or claim of lien, whether choate or inchoate (collectively, any "Mechanic's Lien") is filed against GRANTEE regarding the Public Improvements on the Project by reason of any work, labor, services or materials supplied or claimed to have been supplied by, or on behalf of, GRANTEE, or any of its agents or Contractors, GRANTEE shall cause the same to be satisfied or discharged of record, or effectively prevent the enforcement or foreclosure against the Project's Public Improvements by injunction, payment, deposit, bond, court order or otherwise.

4. GRANTEE is responsible for complying with all applicable CITY Code provisions, including provisions of the Unified Development Code, enforced pursuant to the CITY's subdivision platting authority, and as amended, including, but not limited to, those provisions related to drainage, utilities, and substandard public street rights-of-ways for development and construction of the Project including the Public Improvements. In addition, GRANTEE shall exercise commercially reasonable efforts to follow the recommendations of the applicable Master Plan and shall consider incorporating low impact development strategies for water quality, storm water and drainage where appropriate for the Project. This Agreement in no way obligates CITY to approve any subsequent permits or requests for the Project as GRANTEE is still responsible for acquiring all necessary permits and/or approvals as needed for the Project.

5. Payment and Performance Bonds. For all Phases, in accordance with Chapter 2253 of the Texas Government Code, the GRANTEE shall cause its general contractor or general contractors to obtain payment and performance bonds naming the CITY as a beneficiary or obligee of the bonds. The GRANTEE and its contractors must wait for approval of the bonds by the CITY's Risk Management Department prior to construction, in order for the Public Improvements to be eligible for reimbursement. Failure to meet the CITY's minimum standards for these bonds prior to the commencement of construction for each Phase will be considered a breach of this Agreement. The payment and performance bonds for each Phase shall be in an amount sufficient to cover the entire contract cost of the Public Improvements for that Phase.

a. The CITY's Risk Management Department shall determine whether the bonds meet the minimum standard. Failure of the GRANTEE to comply with this Section or Chapter 2253 of the Texas Government Code is a breach of this Agreement, and the CITY may exercise the full range of legal remedies available, including but not limited to: terminating this Agreement, exercising its rights under Article X, and/or removing the value of Phases and lots which are ineligible for reimbursement.

6. The GRANTEE shall, at its own cost and expense, maintain or cause to be maintained all Public Improvements not dedicated to the CITY upon completion. For all Public Improvements dedicated to the CITY upon completion, the GRANTEE shall, at its own cost and expense, maintain or cause to be maintained all Public Improvements until acceptance by the CITY as evidenced by written acceptance and for one year after Completion.

a. If applicable and upon acceptance of a street or drainage improvement for maintenance by the CITY, GRANTEE shall deliver to the CITY a one-year extended warranty bond, naming the CITY as the obligee, in conformity with Chapter 35 of the CITY's Unified Development Code. The cost of repair, replacement, reconstruction and maintenance for defects discovered during the first year after Completion shall be paid by the GRANTEE or the bond company and shall not be paid out of the TIF Fund.

b. After the expiration of the one year extended warranty bond, the cost of the repair, replacement, reconstruction and maintenance of the Public Improvements dedicated to the CITY shall be the CITY's responsibility. The CITY shall be reimbursed from the TIF Fund for those costs incurred, including, but not limited to: demolition, rebuilding, engineering, design, reconstruction or any other cost necessitated by the failure without regard to fault or degree ("failure") of Public Improvements, which is discovered within years two through ten after Completion of said Public Improvements.

c. Payment of the CITY under this Section shall take priority over reimbursement of the GRANTEE.

- d. The CITY's reimbursement from the TIF Fund shall not be considered an amendment of the Finance Plan and requires no action by the Board or the CITY Council to be effective.
- e. The TIF Unit shall report any CITY reimbursement for the reconstruction or repair of any Public Improvements to the Board in a timely manner.
- f. It shall be no defense to the CITY's reimbursement of itself out of the TIF Fund that the CITY or its agents have inspected, accepted or approved the Public Improvement. Approval or acceptance of a Public Improvement is not a waiver of claims. The CITY may attempt multiple repairs on the same infrastructure and reimburse itself for each attempt.
- g. The GRANTEE, its agents, employees, and contractors will not interfere with reasonable use of all the Public Improvements by the general public, except for drainage retention improvements. In accordance with the Construction Schedule, the GRANTEE shall use its best efforts to dedicate (or grant a public easement to) the Public Improvements where applicable to the appropriate taxing entity (as determined by the CITY), at no additional cost or expense to the CITY or any other Participating Taxing Entity within 60 days after completion and acceptance of the improvements.
- h. Reimbursement of the GRANTEE shall not be unreasonably denied provided the Public Improvement has reached Completion, and provided the CITY has no active claim for reimbursement.
- i. The requirements of this Agreement cannot be waived or modified in any way by an engineer, employee or other official of the CITY or its subordinate agency with responsibility for inspecting or certifying public infrastructure. The actions of a CITY employee or agent do not work as an estoppel against the CITY under this Agreement or the Unified Development Code.
- j. This subsection 6 a-j shall survive termination of this Agreement.

ARTICLE III. ECONOMIC DEVELOPMENT PROGRAM GRANT

A. **Economic Development Program Grant.** The TIRZ is providing GRANTEE with an Economic Development Program Grant. - (3) Commencement of construction on the Project to be evidenced by the submission and receipt of a letter confirming commencement by the general contractor to CITY on or prior to the Commencement Date; and
- (4) Receipt by the CITY of evidence in the form of a letter from a qualified financial institution confirming GRANTEE has funds available on deposit or under an existing credit facility or construction loan sufficient to complete the Project on or prior to the Commencement Date.

2. **Project Reimbursement** (Maximum of FIVE HUNDRED AND EIGHTEEN THOUSAND AND ZERO CENTS \$518,000.00). Subject to the terms and conditions of this Agreement and the Payment Conditions (defined herein), the GRANTEE shall be reimbursed in the following:

(1) **CPPR Approval.** Upon completion of the Public Improvements in each Phase of the Project in accordance with **Exhibit "D"**, the GRANTEE shall submit to the TIF Unit within ninety (90) days a completed Contract Progress Payment Request (hereinafter "CPPR"), as detailed in **Exhibit E** hereof. The CPPR shall be presented to the Board for review and possible reimbursement authorization after the CITY review and approval, as evidenced by a written CPPR Approval issued by the CITY. Failure to timely submit CPPR's in accordance with this Section shall result in disallowance of any such GRANTEE requests for reimbursement of expenses.

(2) **Corrections to CPPR.** Should there be discrepancies in the CPPR or if more information is required, GRANTEE will have thirty (30) days upon notice by CITY to correct any discrepancies or submit additional information requested by CITY. Failure to timely submit the additional information requested by the CITY shall result in disallowance of the GRANTEE's requested expense reimbursement.

(3) **Maximum Reimbursement of GRANTEE.** Following the Board's authorizations, the GRANTEE shall receive, in accordance with this Agreement, total reimbursements for Public Improvements from the CITY of a maximum of FIVE HUNDRED AND EIGHTEEN THOUSAND AND ZERO CENTS (**\$518,000.00**) for public improvements on eligible project costs, as full reimbursement for designing and constructing the Public Improvements required under this Agreement.

(4) **Processing of Payment Requests.** Board-authorized reimbursements of Available TIF Funds shall be made to the GRANTEE by the CITY within forty-five (45) days if

funds are available for disbursement, if the GRANTEE is in compliance with laws, statutes, ordinances and the requirements of this Agreement.

(5) **Available Tax Increment Funds.** The sole source of the funds to reimburse the GRANTEE for Project Costs shall be the Available TIF Funds levied and collected on the TIRZ Property and contributed by the Participating Taxing Entities participating in the TIRZ to the fund created and maintained by the CITY for the purpose of implementing the Public Improvements of the Project.

(6) **Order or Priority of Payment.** The Parties agree that the CITY and the Board may use funds in the TIF Fund to pay eligible expenditures in the following order or priority of payment: (i) to fully reimburse eligible startup Administrative Costs incurred by CITY; (ii) to pay all other ongoing Administrative Costs to the CITY for administering the TIF Fund and/or the TIRZ, except that if there are insufficient funds for the full reimbursement of ongoing Administrative Costs to the CITY, then the ongoing Administrative Costs of the CITY shall be reimbursed on a pro rata basis; (iii) to reimburse the CITY for costs of the repair, replacement, and maintenance of public infrastructure and associated costs as described in TIRZ Eleven executed Agreements; (iv) to reimburse the CITY under any reclaim of funds pursuant to Article IX; (v) to reimburse the GRANTEE for Public Improvements, including financing costs, as provided in this Agreement and to the extent that funds in the TIF Fund are available for this purpose. The foregoing notwithstanding, no funds will be paid from the TIF Fund to a Participating Taxing Entity or the GRANTEE for its financial or legal services in any dispute arising under this Agreement or a related interlocal agreement between the GRANTEE and a Participating Taxing Entity or between Participating Taxing Entities.

(7) **Partial Payments.** If Available TIF Funds do not exist in an amount sufficient to make payments in full when the payments are due under this Agreement, partial payment shall be made in the order of priority above, and the remainder shall be paid as Available TIF Funds become available. No fees, costs, expenses or penalties shall be paid to any Party on any late payment.

(8) **Repayment of Invalid Payments.** If any payment to the GRANTEE is held invalid, ineligible, illegal or unenforceable under federal, state or local laws, including but not limited to the charter, codes, or ordinances of the CITY, then and in that event it is the intention of the Parties that such invalid, ineligible, illegal or unenforceable payment shall be repaid in full by the GRANTEE to the CITY for deposit into the TIF Fund, and that the remainder of this Agreement shall be construed as if such invalid, illegal or unenforceable payment was never contained in this Agreement.

Notwithstanding the Effective Date, payment of any and all funds set out in this Agreement is contingent upon the inclusion of the Project through an official amendment of the TIRZ Project Plan and Finance Plans or approval of an Ordinance authorizing the inclusion of the Project through an amendment to the TIRZ Project and Finance Plan by the governing body of the TIRZ and CITY.

ARTICLE IV. AGREEMENT PERIOD

This Agreement shall commence upon the Effective Date listed on the signature page and shall terminate upon the earlier of: (A) the final payment of Grant Funds by CITY and/or TIRZ to GRANTEE in the amount of the Maximum Disbursement Amount; (B) September 30, 2017 obligations of ; or (C) termination of this Agreement as otherwise provided herein (the “Term”).

B. Neither CITY nor TIRZ will be liable to GRANTEE or any other entity for any costs incurred by GRANTEE in connection with this Agreement.

C. The CITY agrees to act as the fiscal agent on behalf of the TIRZ by making disbursements from the TIF Fund for the Project pursuant to this Agreement. Additionally, the CITY shall monitor GRANTEE’s compliance with the terms and conditions of this Agreement and provide updated information to the TIRZ regarding the progress of the Project.

D. Any and all amounts payable by the TIRZ under this Agreement are payable solely from the TIRZ TIF Funds, and no claim for payment of any amount outside of this contribution shall be made, claimed or permitted against any other funds, properties, assets or the general credit of the TIRZ and/or the CITY.

ARTICLE VI. RETENTION AND ACCESSIBILITY OF RECORDS

A. GRANTEE shall maintain the fiscal records and supporting documentation for expenditures of Grant Funds associated with this Agreement. GRANTEE shall retain such records and any supporting documentation for the greater of: (1) five (5) years from the end of the Agreement period; or (2) the period required by other applicable laws and regulations.

B. GRANTEE shall, following reasonable advance written notice from the CITY, give the CITY, its designee, or any of their duly authorized representatives, access to and the right to examine all material records related to the cost of Project (the “Records”) and the expenditure of the Grant Funds. CITY’s access to the Records will be limited to information needed to verify that GRANTEE is and has been complying with the terms of this Agreement. Any information that is not required by law to be made public shall be kept confidential by the CITY. GRANTEE shall not be required to disclose to the CITY or TIRZ any information that by law GRANTEE is required to keep confidential. Should any good faith dispute or question arise as to the validity of the data provided, the CITY reserves the right to require GRANTEE to obtain an independent firm to verify the information. This certified statement by an independent firm shall be provided at the sole cost of GRANTEE. The rights to access the Records shall continue as long as the Records are retained by GRANTEE. Failure to provide reasonable access to the Records to authorized CITY representatives shall be cause for CITY and/or TIRZ to provide notice of intent to suspend or terminate this Agreement as provided for herein, or any portion thereof, for reason of default. Notwithstanding Section A above, all Records shall be retained by GRANTEE for a period of five (5) years after all performance requirements are achieved for audit purposes until such audits or other administrative, civil or criminal matters including, but not limited to,

If the monitoring report notes deficiencies in GRANTEE's performances under the terms of this Agreement, the monitoring report shall include a listing of requirements for the correction of such deficiencies by GRANTEE and a reasonable amount of time in which to attain compliance. Failure by GRANTEE to take action specified in the monitoring report within a reasonable amount of time may be cause for suspension or termination of this Agreement, in accordance with Articles VIII and IX herein.

B. The GRANTEE shall allow the CITY and the Board access to the Project Property for inspections during and upon completion of construction, and to documents and records reasonably considered necessary by the CITY and/or the Board to assess the GRANTEE's compliance with this Agreement.

ARTICLE VIII. DEFAULT/CURE PERIOD/SUSPENSION

A. Notwithstanding the provisions of Chapter 2251 of the Texas Government Code, in the event GRANTEE fails to comply with the terms of this Agreement such non-compliance shall be deemed a default. CITY shall provide GRANTEE with written notification as to the nature of the default (the "Notice of Default") and grant GRANTEE a sixty (60) day period from the date of CITY's written notification to cure such default (the "Cure Period"). Should GRANTEE fail to cure the default within the Cure Period, CITY may, upon written notification (the "Notice of Suspension"), suspend this Agreement in whole or in part and withhold further payments to GRANTEE. Such Notice of Suspension shall include: (1) the reasons for such suspension; (2) the effective date of such suspension; and, (3) in the case of partial suspension, the portion of the Agreement to be suspended.

B. In the case of default for causes beyond GRANTEE's reasonable control, which cannot with due diligence be cured within the Cure Period, CITY may, in its sole discretion, extend the Cure Period provided that GRANTEE shall: (1) immediately upon receipt of Notice of Default advise CITY of GRANTEE's intention to institute all steps necessary to cure such default and the associated time frame; and (2) institute and thereafter prosecute to completion with reasonable dispatch all steps necessary to cure same.

C. A suspension under this Article VIII may be lifted only at the sole discretion of the CITY upon a showing of compliance with or written waiver by CITY of the term(s) in question.

D. CITY shall not be liable to GRANTEE or to GRANTEE's creditors for costs incurred during any term of suspension of this Agreement.

E. Any failure of either Party to insist in any one or more cases upon the strict performance of any of the covenants of this Agreement, or to exercise any option herein, shall in no event be construed as a waiver or relinquishment for the future of such covenant or option. In fact, no

waiver, change, modification or discharge by either Party of any provision of this Agreement shall be deemed to have been made or shall be effective unless expressed in writing and signed by the Party to be charged.

ARTICLE IX. TERMINATION

A. Should GRANTEE fail to timely meet the Commencement Date for the Project in accordance with Article II(B) above, at CITY's sole discretion, and with 30 days prior notice to GRANTEE, CITY may terminate the Agreement, in which instance any and all Grant Funds disbursed to GRANTEE by CITY and TIRZ shall be repaid.

B. CITY and/or TIRZ shall have the right to terminate this Agreement in whole or in part for cause should GRANTEE fail to perform under the terms and conditions herein, or should GRANTEE fail to cure a default after receiving written notice of such default with sixty (60) days opportunity to cure. CITY and TIRZ may, upon issuance to GRANTEE of written notice of termination (the "Notice of Termination"), terminate this Agreement for cause and all Grant Funds disbursed to GRANTEE by CITY and/or TIRZ shall be repaid. A Notice of Termination shall include: (1) the reasons for such termination; and (2) the effective date of such Termination.

C. Should CITY and/or TIRZ terminate this Agreement for cause, then CITY shall have the right to recapture any and all disbursed Grant Funds made under this Agreement. CITY shall be entitled to the repayment of the Grant Funds within sixty (60) calendar days from the date of the Notice of Termination.

D. In addition to the above, this Agreement may be terminated by written agreement of the Parties as follows:

1. By the CITY (with the consent of GRANTEE) in which case the two parties shall agree upon the termination conditions, including the repayment of funds and the effective date of termination; or
2. By the GRANTEE (with the consent of the CITY) upon written notification to CITY, setting forth the reasons of such termination, a proposed pay-back plan of all funds disbursed, and the proposed effective date of such termination.

E. Notwithstanding the foregoing, GRANTEE shall not be relieved of its obligation to repay any and all disbursed funds made under this Agreement, nor shall GRANTEE be relieved of any liability to CITY for actual damages due to CITY by virtue of any breach by GRANTEE of any terms of this Agreement.

F. Other Remedies Available. The CITY shall have the right to seek any remedy at law to which it may be entitled, in addition to termination and repayment of funds, if GRANTEE defaults under the material terms of this Agreement and fails to cure such default within the cure period set forth above.

ARTICLE X. NOTICE

Any notice required or permitted to be given hereunder by one Party to the other shall be in

writing and the same shall be given and shall be deemed to have been served and given if: (a) delivered in person to the address set forth herein below for the Party to whom the notice is given; (b) placed in the United States mail with postage prepaid, return receipt requested, properly addressed to such Party at the address hereinafter specified; or (c) deposited, with fees prepaid, into the custody of a nationally recognized overnight delivery service such as FedEx, addressed to such Party at the address hereinafter specified. A. Employment. GRANTEE, in accordance with Chapter 2264 of the Texas Government Code, agrees not to knowingly employ any undocumented workers at the Project during the Term of this Agreement. If GRANTEE is convicted of a violation under 8 U.S.C. Section 1324a (f), then GRANTEE shall repay the CITY or TIRZ the Incentives paid under this Agreement for the tax year(s) covered under this Agreement during which such violation occurred. Such payment shall be made within 120 business days after the date GRANTEE is notified by the CITY of such violation. The CITY, in its sole discretion, may extend the period for repayment herein. Additionally, GRANTEE shall pay interest on the amounts due to CITY or TIRZ at the rate periodically announced by the Wall Street Journal as the prime or base commercial lending rate, or if the Wall Street Journal shall ever cease to exist or cease to announce a prime or base lending rate, then at the annual rate of interest from time to time announced by Citibank, N.A. (or by any other New York money center bank selected by the CITY) as its prime or base commercial lending rate, from the date of such violation notice until paid.

B. Termination of TIRZ. The Parties agree that, in the event that the CITY, acting in

accordance with State law, terminates Reinvestment Zone #11 or adopts an ordinance that causes the termination date of Reinvestment Zone #11 to occur on a date earlier than provided in the ordinance that initially established the TIRZ, the CITY may amend this Agreement, in its sole discretion in accordance with the material terms and conditions of this Agreement.

C. Public Information. GRANTEE acknowledges that this Agreement and all documents ancillary to it are public information within the meaning of Chapter 552 of the Texas Government Code and accordingly may be disclosed to the public. Nothing in this Agreement or any document delivered pursuant to this Agreement waives an otherwise applicable exception to disclosure.

D. Duty to pay taxes. GRANTEE shall pay, on or before their respective due dates, to the appropriate collecting authority all Federal, State, and local taxes and fees which are now or may be levied upon the Zone Property, the GRANTEE or upon the business conducted on the Zone Property or any of the GRANTEE's property used in connection therewith, including employment taxes. ARTICLE XII. CONFLICT OF INTEREST

A. GRANTEE shall ensure that no employee, officer, or individual agent of CITY shall participate in the selection, award or administration of a subcontract supported by funds provided hereunder if a conflict of interest, real or apparent, would be involved. Such conflict of interest would arise when: (1) the employee, officer, or individual agent; (2) any member of his or her immediate family; (3) his or her partner; or, (4) any organization which employs, or is about to employ any of the above, has a financial or other interest in the firm or person selected to perform the subcontract and the relationship calls for payments to be made to such subcontractor on terms which are greater than those which are customary in the industry for similar services conducted on similar terms. GRANTEE shall comply with Chapter 171, Texas Local Government Code as well as the CITY's Code of Ethics.

B. CITY may terminate this Agreement immediately if the GRANTEE has offered, conferred, or agreed to confer any benefit on a CITY of San Antonio employee or official that the CITY of San Antonio employee or official is prohibited by law from accepting. Benefit means anything reasonably regarded as pecuniary gain or pecuniary advantage, including benefit to any other person in whose welfare the beneficiary has a direct or substantial interest, but does not include a contribution or expenditure made and reported in accordance with law. Notwithstanding any other legal remedies, the CITY may obtain reimbursement for any expenditure made to the GRANTEE resulting from the improper offer, agreement to confer, or conferring of a benefit to a CITY of San Antonio employee or official.

As part of such compliance, GRANTEE shall not discriminate on the basis of race, color, religion, ancestry or national origin, sex, age, marital status, sexual orientation, or on the basis of disability or other unlawful forms of discrimination in the solicitation, selection, hiring or commercial treatment of subcontractors, vendors, suppliers, or commercial customers funded in whole or in part with funds made available under this Agreement, nor shall GRANTEE retaliate against any person for reporting instances of such discrimination. GRANTEE shall provide equal opportunity for subcontractors, vendors and suppliers to participate in all of its public sector and private sector subcontracting and supply opportunities, provided that nothing contained in this clause shall prohibit or limit otherwise lawful efforts to remedy the effects of marketplace discrimination that have occurred or are occurring in the CITY's relevant marketplace. GRANTEE understands and agrees that a material violation of this clause shall be considered a material breach of this Agreement and may result in termination of this Agreement, disqualification of GRANTEE from participating in CITY contracts, or other sanctions as provided by applicable law. This clause is not enforceable by or for the benefit of, and creates no obligation to, any third party.

B. Each transfer or assignment, to which there has been consent, shall be by instrument in writing, in form reasonably satisfactory to the CITY and the TIRZ and shall be executed by the transferee or assignee who shall agree in writing to be bound by and to perform the terms, covenants and conditions of this Agreement. 7. perform as required by subsections a-g with the certificates of coverage to be provided to the person for whom they are providing services.

K. By signing this Agreement or providing or causing to be provided a certificate of coverage, the GRANTEE is representing to the CITY that all employees of the GRANTEE who will provide services on the Project will be covered by workers' compensation coverage for the duration of the applicable Phase of the Project, that the coverage will be based on proper reporting of classification codes and payroll amounts, and that all coverage agreements will be filed with the appropriate insurance carrier or, in the case of a self-insured, with the commission's Division of Self-Insurance Regulation. Providing false or misleading information may subject the GRANTEE to administrative penalties, criminal penalties, civil penalties, or other civil actions.

L. The GRANTEE's failure to comply with any of these provisions is a breach of this Agreement by the GRANTEE, which entitles the CITY to declare the Agreement void and

exercise all legal remedies including to terminate if the GRANTEE does not remedy the breach within ten (10) days after receipt of notice of breach from the CITY without necessity of the ninety (90) day cure period set forth in Article VIII and Article IX.
