

STATE OF TEXAS

COUNTY OF BEXAR

BASIC FIRE SERVICES AGREEMENT

This Basic Fire Services Agreement (hereinafter referred to as "Fire Services Agreement") is made and entered into by and between the City of San Antonio (hereinafter referred to as "CITY"), a Texas municipal corporation, acting by and through its City Manager or designee, pursuant to Ordinance No. 2010-12-09-1046 dated December 9, 2010 and Texas Research and Technology Foundation (hereinafter referred to as "TRTF"), a non-profit foundation formed under the laws of the State of Texas, acting by and through its Executive Director hereto duly authorized.

WHEREAS, TRTF is the current owner of an approximately 930 acre tract of land situated in Bexar and Medina Counties, Texas, which is more particularly described in Attachment I hereto (hereinafter referred to as the "Property"), and which is located within the extraterritorial jurisdiction of the City of San Antonio, as that term is defined in Section 42.021, Extent of Extraterritorial Jurisdiction, Local Government Code V.A.T.C.S., and has been designated the TRTF Industrial District by CITY ordinance; and

WHEREAS, TRTF's Industrial District contract is due to expire on December 29, 2010 and TRTF desires to continue its Industrial District designation and renew its Industrial District Non-Annexation Agreement and Fire Services Agreement with CITY, pursuant to Section 42.044(d) and 42.044(e) of the Local Government Code V.A.T.C.S., as amended; and

WHEREAS, CITY and TRTF desire to enter into a Fire Services Agreement that will run concurrently and be subject to the Industrial District Non-Annexation Agreement to be entered into between CITY and TRTF and which is authorized by Ordinance No. 2010-12-09-1046 passed by the City Council of the City of San Antonio, Texas on the 9th day of December 9, 2010; (hereinafter referred to as the "Industrial District Agreement"); **NOW THEREFORE**:

The Parties hereto severally and collectively agree, and by the execution hereof are bound, to the mutual obligations herein contained and the performance and accomplishment of the tasks hereinafter described:

SECTION 1. CITY agrees to provide fire protection and fire fighting services to the Property in the same manner and to the same extent as if said Property were located within the CITY limits of San Antonio, except as limited by the provisions of this Fire Services Agreement. CITY shall provide said services beginning on the date of execution of this Fire Services Agreement and ending December 31, 2015 unless terminated earlier pursuant to the Industrial District Agreement or pursuant to the provisions of this Fire Services Agreement (hereinafter referred to as the "Term of the Fire Services Agreement"). TRTF understands and agrees that the CITY does not provide emergency medical services ("EMS") to unincorporated areas of Bexar County.

Therefore, CITY will not be providing "First Responder" services to the TRTF Industrial District.

SECTION 2. For and in consideration of TRTF receiving fire protection and fire fighting services from CITY, TRTF shall pay CITY a basic fire service fee of thirty five thousand dollars (\$35,000.00) annually. TRTF shall pay CITY said \$35,000.00 on the date of execution of this Fire Services Agreement and thereafter TRTF shall pay CITY \$35,000.00 no later than the anniversary date of the execution of this Agreement every year of the Term of the Fire Services Agreement. Such basic service fee shall not include the response fee(s) required for hazardous materials (HAZMAT) incidents as such fee(s) are established in City Ordinance No. 72267, and as amended.

SECTION 3. TRTF agrees that as a condition to receiving fire protection and fire fighting services under the terms of this Fire Services Agreement that:

A. All site development in the Industrial District shall comply with all applicable City Subdivision, Building, Fire and electrical codes and ordinances including, but not limited to, the Texas Commission on Environmental Quality ("TCEQ") regulations as if the Property were within the city limits of CITY.

B. TRTF shall observe front, side and rear yard setback requirements as provided for in the City Code of CITY as if the property were within the city limits of CITY. Exceptions to these requirements may be waived solely by the Board of Adjustment.

C. Two copies of the plans and specifications for structures on the Property to be provided fire protection and fire fighting services will be submitted by TRTF to the Director of Building Inspections for certification of compliance with applicable CITY building, fire, plumbing and electrical codes and ordinances; and

D. Persons designated by CITY shall be provided reasonable access and permitted to inspect, at reasonable times, structures to be provided fire protection and fire fighting services to assure that the construction on the Property is in compliance with all applicable CITY building, fire, plumbing and electrical codes, regulations and ordinances.

SECTION 4.

A. TRTF is aware that the CITY's response time to a fire alarm is excessive and agrees that the risk is acceptable.

B. It is further agreed by TRTF that when any building or structure of the Property is on fire or may be deemed to be hazardous and likely to take fire or communicate the fire to other buildings, the CITY, through its Fire Chief or designated representative, may do whatever may be deemed necessary by him for the safety and protection of property and citizens when controlling a fire.

C. TRTF agrees to fully indemnify, defend and hold harmless CITY and the elected officials, agents, and employees, officers, directors and representatives of CITY, individually or collectively, from and against any and all costs, claims, liens, damages, losses, expenses, fees, fines, penalties, proceedings, actions, demands, causes of action, liability and suits of any kind and nature including, but not limited to, personal injury or death and property damage, made upon CITY directly arising out of, resulting from or related to TRTF's negligence pursuant to this Fire Services Agreement, including any acts or omissions of TRTF, any agent, officer, director, representative, employee, consultant of TRTF, and their respective officers, agents, employees, directors and representatives while in the exercise of performance of the rights or duties under this Fire Services Agreement, all without, however, waiving any governmental immunity available to the CITY under Texas law and without waiving any defenses of the Parties under Texas law. **IT IS FURTHER COVENANTED AND AGREED THAT SUCH INDEMNITY SHALL APPLY EVEN WHERE SUCH COSTS, CLAIMS, LIENS, DAMAGES, LOSSES, EXPENSES, FEES, FINES, PENALTIES, ACTIONS, DEMANDS, CAUSES OF ACTION, LIABILITY AND/OR SUITS ARISE IN ANY PART FROM THE NEGLIGENCE OF CITY, THE ELECTED OFFICIALS, EMPLOYEES, OFFICERS, DIRECTORS AND REPRESENTATIVES OF CITY, UNDER THIS CONTRACT.** The provisions of this INDEMNITY are solely for the benefit of the Parties hereto and not intended to create or grant any rights, contractual or otherwise, to any other person or entity. TRTF shall promptly advise CITY in writing within 24 hours of any claim or demand against CITY or TRTF known to TRTF related to or arising out of TRTF's activities under this Fire Services Agreement and shall see to the investigation of and defense of such claim or demand at TRTF's cost. CITY shall have the right, at its option and at its own expense, to participate in such defense without relieving TRTF of any of its obligations under this paragraph.

It is the EXPRESS INTENT of the Parties to this Agreement that the INDEMNITY provided for in this section is an INDEMNITY extended by TRTF to INDEMNIFY, PROTECT and HOLD HARMLESS the CITY from the consequences of the CITY'S OWN NEGLIGENCE provided, however, that the INDEMNITY provided for in this section SHALL APPLY only when the NEGLIGENT ACT of the CITY is a CONTRIBUTORY CAUSE of the resultant injury, death or damage and shall have no application when the negligent act of the CITY is the sole cause of the resultant injury, death or damage. TRTF further AGREES TO DEFEND, AT ITS OWN EXPENSE and ON BEHALF OF THE CITY AND IN THE NAME OF THE CITY, any claim or litigation brought against the CITY and its elected officials, employees, officers, directors, volunteers and representatives, in connection with any such injury, death or damage for which this INDEMNITY shall apply, as set forth above. In addition, it is agreed by TRTF that CITY shall not be responsible for, nor will it be required to, replace or repair any such damage sustained by any building and its contents as the result of fire fighting operations.

D. CITY will use due diligence in providing fire protection and fire fighting services to the Property. CITY, however, does not in any way assume to act as an insurer of the Property covered under this Fire Services Agreement or to pay for any damage that may occur as a

result of fire, water or explosion. Nor does CITY assume any obligation under the terms of this Fire Services Agreement to construct additional fire stations, purchase additional fire fighting equipment, or hire additional manpower for the protection of the Property. Rather, TRTF understands that it is not entitled to any greater protection than residents located within the CITY receive and that CITY will not be held liable for any additional time required to respond to a fire alarm because said premises and structures are located outside the corporate limits of CITY.

E. TRTF shall provide the City Fire Chief an engineer's site plan, approved by the City Fire Chief, showing the location of any new building or buildings to be provided fire protection prior to the date of TRTF's construction of any new buildings at its financial services facility on State Hwy. 211.

SECTION 5. TRTF agrees that the Property will be for the exclusive use of industry consistent with CITY's Tax Abatement Guidelines and Criteria and Unified Development Code.

SECTION 6. The Fire Services Agreement may be terminated by CITY for TRTF's non-payment of the fire protection fees to CITY if the non-payment of fire protection fees continues uncured for a period of thirty (30) days from the date TRTF receives written notice from the CITY Finance Department of its failure to pay the required fees. The Finance Department shall send a copy of written notice to the International and Economic Development Department Director. The foregoing notice of cancellation or intention to cancel or terminate this Fire Services Agreement shall specifically state: (1) the sums then due and owing, (2) that TRTF's failure to make the required payment within thirty (30) days of the date TRTF receives written notice shall result in cancellation or termination of the Fire Services Agreement, and (3) the date by which the payment must be received by CITY to avoid cancellation of the Fire Services Agreement. TRTF may terminate this Fire Services Agreement on January 1 of any year of the Term of this Fire Services Agreement by giving not less than thirty (30) days prior written notice of termination to CITY.

SECTION 7. It is understood by the Parties hereto that if the Industrial District Agreement is terminated for any reason by either Party to this Fire Services Agreement prior to December 31, 2015, then this Fire Services Agreement will automatically terminate. The Parties further agree that upon annexation of the Property by CITY, this Fire Services Agreement will automatically terminate. It is further agreed by TRTF that should any parcel or parcels located within the Industrial District become annexed by CITY or de-designated (hereinafter referred to as "De-Designated Parcels") as part of the Industrial District in the manner set out in the Industrial District Agreement, such De-Designated parcel or parcels shall no longer be eligible for fire protection/fire fighting services and CITY may, without notice, immediately cease providing said services upon the effective date of annexation by CITY or de-designation as part of the Industrial District.

SECTION 8. TRTF understands and agrees that its rights to fire protection and fire fighting services pursuant to this Fire Services Agreement are not transferable or assignable by TRTF without the prior written consent of CITY.

SECTION 9. If any clause or provision of this Fire Services Agreement is held invalid, illegal or unenforceable under present or future federal, state or local laws including, but not limited to, the City Charter, City Code, or ordinances of the City of San Antonio, Texas then, and in that event, it is the intention of the Parties hereto that such invalidity, illegality or unenforceability shall not affect any other clause or provision hereof and that the remainder of this Fire Services Agreement shall be construed as if such invalid, illegal or unenforceable clause or provision was never contained herein.

SECTION 10. For purposes of this Fire Services Agreement, all official communications and notices among the Parties shall be deemed sufficient if in writing and mailed, registered or certified mail, postage prepaid, to the addresses set forth below:

SECTION 11. Except for Section 7 of this Fire Services Agreement, if TRTF fails to perform any term, condition or covenant contained in this Fire Services Agreement, and such failure continues for a period of thirty (30) days after TRTF's receipt of written notice from CITY of such failure, then CITY shall have the right to terminate this Fire Services Agreement.

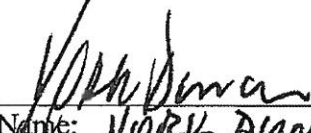

SECTION 12. This Fire Services Agreement shall be binding on and inure to the benefit of the Parties hereto and their respective heirs, executors, administrators, legal representatives, successors and assigns, except as otherwise expressly provided for herein.

SECTION 13. THIS AGREEMENT SHALL BE CONSTRUED UNDER AND IN ACCORDANCE WITH THE LAWS OF THE STATE OF TEXAS, AND ALL OBLIGATIONS OF THE PARTIES CREATED HEREUNDER ARE PERFORMABLE IN BEXAR COUNTY, TEXAS.
