ORDINANCE OR RESOLUTION ADOPTED BY THE CITY COUNCIL.**

**AN ORDINANCE**

**CLOSING, VACATING, AND ABANDONING A 1.473 ACRE SEGMENT  
OF PUBLIC WATERWAY RIGHT-OF-WAY LOCATED DOWNTOWN  
BETWEEN EAST MARKET STREET AND EAST COMMERCE STREET  
IN COUNCIL DISTRICT 1.**

\* \* \* \* \*

**WHEREAS**, the original intent of the purchase and designation of certain City of San Antonio property as a public waterway appears to be part of a previous effort by the City of the San Antonio to redevelop the area around the Convention Center and Hemisfair downtown along the San Antonio River to include a hotel, public parking garage and river access via a public boat marina; and

**WHEREAS**, this property was platted as a public waterway ROW in 1988 as part of the City's Civic Center Project; and

**WHEREAS**, the City of San Antonio ("Petitioner") owns or has agreement from the owners abutting the property surrounding the proposed closure; and

**WHEREAS**, this request will remove the 'Public Waterway ROW' designation on a tract where the Marriot Riverwalk Hotel sits as well as on a tract where the City of San Antonio's Marina Parking Garage is located allowing for an updated and accurate property description; and

**WHEREAS**, this portion of public waterway right-of-way is surplus to City of San Antonio needs and such closure will alleviate the City of San Antonio from maintenance and other costs while also clearing up title to the properties in order to allow real estate and other transactions beneficial to the city and its citizens; **NOW THEREFORE**,

**BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF SAN ANTONIO:**

**SECTION 1.** As an exercise of its discretion, the City Council closes, vacates, and abandons the right of way segment ("Right of Way Segment") identified in Section 2 of this Ordinance. The City Manager or her designee, severally, are authorized and directed to execute and deliver all necessary documents and to do all other things conducive to effectuate this closure, abandonment, and vacation.

**SECTION 2.** Maps and pictures of the Right of Way Segment are set forth on **Attachment I**. The detailed description of the Right of Way Segment is set forth on **Attachment II**. Both Attachments I and II are incorporated into this ordinance for all purposes as if they were fully set forth. Attachment II controls over any discrepancy between it and Attachment I.

**SECTION 3.** The properties abutting the Right-of-Way Segment are:

**SECTION 4. Reservation of Utility Rights.** All presently existing drainage, sewer, water, recycled water and wastewater lines and facilities, electric transmission and distribution poles, lines and facilities, gas lines and facilities, communication lines and facilities, or any other public utility lines and facilities, if any, may remain in place despite this Ordinance and may continue to be accessed, used, repaired, enlarged, upgraded, replaced (and realigned within the Right-of-Way segment) and maintained in the ordinary course of business. Any person wanting removal or relocation of an existing utility pole, line or facility must negotiate separately with the pertinent utility. Any person building on the Right-of-Way Segment without first reaching an agreement with a utility having poles, lines or facilities in the segment does so at his own risk. After the date of this Ordinance, other than replacement of an existing pole, line or facility, no utility may add additional utility poles, lines or facilities in the Right-of-Way Segment based on a claim that the Right-of-Way Segment is public right of way. All drainage rights in the Right-of-Way Segment are retained by the City. This closure does not give up any right arising other than from the plat or other instrument creating the public street or alley right of way. Neither does this Ordinance create new easement rights.

**SECTION 5.** The Right-of-Way Segment exists by easement. The underlying fee ownership of the Right-of-Way Segment by the adjacent lot owners is now unburdened by the rights closed, vacated, and abandoned. For purposes of future conveyance and to better reflect their ownership generally, owners of the adjacent property should replat. No such replat impairs the rights retained by City above, unless in the course of replatting, the owner, at its own expense, otherwise provides for those rights according to platting rules of general applicability.

**SECTION 6.** Per Chapter 37, Section 11 (c) of the City of San Antonio city code there are no fees associated with a city initiated closure, vacation and abandonment. There is no other fiscal language associated with this ordinance.

**SECTION 7.** The disposition of surplus property must be coordinated through the city's Finance Department to assure the removal of these assets into the City's financial records and to record the proper accounting transactions.

**SECTION 8.** This Ordinance becomes effective 10 days after passage, unless it receives the eight votes requisite to immediate effectiveness under San Antonio Municipal Code § 1-15, in which case it becomes effective immediately.

**PASSED AND APPROVED** this \_\_\_\_\_ day of January, 2018.
