

**Local Preference Program (LPP) Ordinance**

The 82nd Texas Legislature adopted a revision to the law that allowed the City of San Antonio (City) to adopt **PRICE SCHEDULE, SECTION 2, MARKET BASKET PRICING WORKSHEET** types of contracts. The City adopted such a policy, known as the Local Preference Program, by Ordinance No. 2013-03-21-0167, effective for solicitations issued after May 1, 2013.

**Attachment A:**

This solicitation is subject to the Local Preference Program. For more information on the program, refer to the Local Preference Program Identification Form attached to this solicitation.

In order to receive consideration the Local Bidder must complete and return the attached Local Preference Identification Form (Attachment B).

1. **Column A:** The "Estimated Annual Quantity" is based on the unit of measure used in the "No./Unit" column, where "f" means "per". Example: The estimated annual usage for "3-1/8x230 Thermal Add Rolls, 10 rolls/pk" is 178 packs.
2. **Columns B, C, D, E:** Enter the Bidder Part Number, Manufacturer Part Number, Manufacturer Name, and Description of the item being offered. If you propose an alternate, it must be of equal or better quality than the item identified in the "Item Description" column.
3. **Column F:** Enter the Catalog List Price from the published catalog being offered. The Catalog List Price must not exceed two digits to the right of the decimal point. Example: \$11.25 is acceptable. \$11.259 is not acceptable.
4. **Column G:** Enter the Proposed % Discount from the published catalog being offered for this item. The proposed discount percentage must be the same for this item regardless of packaging size.
5. **Column H:** Enter the Contract Price for this item. The Contract Price is the Catalog List Price minus the Proposed Discount.
6. **Column I:** Enter the Unit of Measure of the proposed item. This column will verify that the packaging is equivalent to the unit of measure used in the column "No./Unit".
7. **Column J:** Enter the quantity contained in each Unit of Measure of item proposed. This column will verify that the packaging of the proposed item is equivalent to the item identified in the "Item Description" column.
8. **Column K, L, M:** Enter the Catalog Name, Catalog Publication Date, and Page Number of the proposed item.
9. **Insert Bidder Name Below:**

**NOTE: GREYED-OUT FIELDS CANNOT BE EDITED.**

**Local Preference Program (LPP) Ordinance**

**Attachment A:**

The 82nd Texas Legislature adopted a revision to the law that allowed the City of San Antonio (City) to adopt **PRICE SCHEDULE SECTION 2 MARKET BASKET PRICING WORKSHEET** types of contracts. The City adopted such a policy, known as the Local Preference Program, by Ordinance No. 2013-03-21-0167, effective for solicitations issued after May 1, 2013.

This solicitation is subject to the Local Preference Program. For more information on the program, refer to the Local Preference Program Identification Form attached to this solicitation.

In order to receive consideration the Local Bidder must complete and return the attached Local Preference Identification Form (Attachment B).

- Column A:** The "Estimated Annual Quantity" is based on the unit of measure used in the "No./Unit" column, where "f" means "per". Example: The estimated annual usage for "3-1/8x230 Thermal Add Rolls, 10 rolls/pk" is 178 packs.
- Columns B, C, D, E:** Enter the Bidder Part Number, Manufacturer Part Number, Manufacturer Name, and Description of the item being offered. If you propose an alternate, it must be of equal or better quality than the item identified in the "Item Description" column.
- Column F:** Enter the Catalog List Price from the published catalog being offered. The Catalog List Price must not exceed two digits to the right of the decimal point. Example: \$11.25 is acceptable. \$11.259 is not acceptable.
- Column G:** Enter the Proposed % Discount from the published catalog being offered for this item. The proposed discount percentage must be the same for this item regardless of packaging size.
- Column H:** Enter the Contract Price for this item. The Contract Price is the Catalog List Price minus the Proposed Discount.
- Column I:** Enter the Unit of Measure of the proposed item. This column will verify that the packaging is equivalent to the unit of measure used in the column "No./Unit".
- Column J:** Enter the quantity contained in each Unit of Measure of item proposed. This column will verify that the packaging of the proposed item is equivalent to the item identified in the "Item Description" column.
- Column K, L, M:** Enter the Catalog Name, Catalog Publication Date, and Page Number of the proposed item.
- Insert Bidder Name Below:**

**Local Preference Program (LPP) Ordinance**

The 82nd Texas Legislature adopted a revision to the law that allowed the City of San Antonio (City) to adopt **PRICE SCHEDULE SECTION 2 MARKET BASKET PRICING WORKSHEET** types of contracts. The City adopted such a policy, known as the Local Preference Program, by Ordinance No. 2013-03-21-0167, effective for solicitations issued after May 1, 2013.

**Attachment A:**

This solicitation is subject to the Local Preference Program. For more information on the program, refer to the Local Preference Program Identification Form attached to this solicitation.

In order to receive consideration the Local Bidder must complete and return the attached Local Preference Identification Form (Attachment B).

1. **Column A:** The "Estimated Annual Quantity" is based on the unit of measure used in the "No./Unit" column, where "f" means "per". Example: The estimated annual usage for "3-1/8x230 Thermal Add Rolls, 10 rolls/pk" is 178 packs.
2. **Columns B, C, D, E:** Enter the Bidder Part Number, Manufacturer Part Number, Manufacturer Name, and Description of the item being offered. If you propose an alternate, it must be of equal or better quality than the item identified in the "Item Description" column.
3. **Column F:** Enter the Catalog List Price from the published catalog being offered. The Catalog List Price must not exceed two digits to the right of the decimal point. Example: \$11.25 is acceptable. \$11.259 is not acceptable.
4. **Column G:** Enter the Proposed % Discount from the published catalog being offered for this item. The proposed discount percentage must be the same for this item regardless of packaging size.
5. **Column H:** Enter the Contract Price for this item. The Contract Price is the Catalog List Price minus the Proposed Discount.
6. **Column I:** Enter the Unit of Measure of the proposed item. This column will verify that the packaging is equivalent to the unit of measure used in the column "No./Unit".
7. **Column J:** Enter the quantity contained in each Unit of Measure of item proposed. This column will verify that the packaging of the proposed item is equivalent to the item identified in the "Item Description" column.
8. **Column K, L, M:** Enter the Catalog Name, Catalog Publication Date, and Page Number of the proposed item.
9. **Insert Bidder Name Below:**

**NOTE: GREYED-OUT FIELDS CANNOT BE EDITED.**

**Local Preference Program (LPP) Ordinance**

The 82nd Texas Legislature adopted a revision to the law that allowed the City of San Antonio (City) to adopt a Local Preference Program for the purchase of certain types of contracts. The City adopted such a policy, known as the Local Preference Program, by Ordinance No. 2013-03-21-0167, effective for solicitations issued after May 1, 2013.

**Attachment A:**

This solicitation is subject to the Local Preference Program. For more information on the program, refer to the Local Preference Program Identification Form attached to this solicitation.

In order to receive consideration the Local Bidder must complete and return the attached Local Preference Identification Form (Attachment B).

1. **Column A:** The "Estimated Annual Quantity" is based on the unit of measure used in the "No./Unit" column, where "f" means "per". Example: The estimated annual usage for "3-1/8x230 Thermal Add Rolls, 10 rolls/pk" is 178 packs.
2. **Columns B, C, D, E:** Enter the Bidder Part Number, Manufacturer Part Number, Manufacturer Name, and Description of the item being offered. If you propose an alternate, it must be of equal or better quality than the item identified in the "Item Description" column.
3. **Column F:** Enter the Catalog List Price from the published catalog being offered. The Catalog List Price must not exceed two digits to the right of the decimal point. Example: \$11.25 is acceptable. \$11.259 is not acceptable.
4. **Column G:** Enter the Proposed % Discount from the published catalog being offered for this item. The proposed discount percentage must be the same for this item regardless of packaging size.
5. **Column H:** Enter the Contract Price for this item. The Contract Price is the Catalog List Price minus the Proposed Discount.
6. **Column I:** Enter the Unit of Measure of the proposed item. This column will verify that the packaging is equivalent to the unit of measure used in the column "No./Unit".
7. **Column J:** Enter the quantity contained in each Unit of Measure of item proposed. This column will verify that the packaging of the proposed item is equivalent to the item identified in the "Item Description" column.
8. **Column K, L, M:** Enter the Catalog Name, Catalog Publication Date, and Page Number of the proposed item.
9. **Insert Bidder Name Below:**

**NOTE: GREYED-OUT FIELDS CANNOT BE EDITED.**

**Local Preference Program (LPP) Ordinance**

The 82nd Texas Legislature adopted a revision to the law that allowed the City of San Antonio (City) to adopt **PRICE SCHEDULE SECTION 2 MARKET BASKET PRICING WORKSHEET** types of contracts. The City adopted such a policy, known as the Local Preference Program, by Ordinance No. 2013-03-21-0167, effective for solicitations issued after May 1, 2013.

**Attachment A:**

This solicitation is subject to the Local Preference Program. For more information on the program, refer to the Local Preference Program Identification Form attached to this solicitation.

In order to receive consideration the Local Bidder must complete and return the attached Local Preference Identification Form (Attachment B).

1. **Column A:** The "Estimated Annual Quantity" is based on the unit of measure used in the "No./Unit" column, where "f" means "per". Example: The estimated annual usage for "3-1/8x230 Thermal Add Rolls, 10 rolls/pk" is 178 packs.
2. **Columns B, C, D, E:** Enter the Bidder Part Number, Manufacturer Part Number, Manufacturer Name, and Description of the item being offered. If you propose an alternate, it must be of equal or better quality than the item identified in the "Item Description" column.
3. **Column F:** Enter the Catalog List Price from the published catalog being offered. The Catalog List Price must not exceed two digits to the right of the decimal point. Example: \$11.25 is acceptable. \$11.259 is not acceptable.
4. **Column G:** Enter the Proposed % Discount from the published catalog being offered for this item. The proposed discount percentage must be the same for this item regardless of packaging size.
5. **Column H:** Enter the Contract Price for this item. The Contract Price is the Catalog List Price minus the Proposed Discount.
6. **Column I:** Enter the Unit of Measure of the proposed item. This column will verify that the packaging is equivalent to the unit of measure used in the column "No./Unit".
7. **Column J:** Enter the quantity contained in each Unit of Measure of item proposed. This column will verify that the packaging of the proposed item is equivalent to the item identified in the "Item Description" column.
8. **Column K, L, M:** Enter the Catalog Name, Catalog Publication Date, and Page Number of the proposed item.
9. **Insert Bidder Name Below:**

**NOTE: GREYED-OUT FIELDS CANNOT BE EDITED.**

**Local Preference Program (LPP) Ordinance**

The 82nd Texas Legislature adopted a revision to the law that allowed the City of San Antonio (City) to adopt **PRICE SCHEDULE, SECTION 2, MARKET BASKET PRICING WORKSHEET** types of contracts. The City adopted such a policy, known as the Local Preference Program, by Ordinance No. 2013-03-21-0167, effective for solicitations issued after May 1, 2013.

**Attachment A:**

This solicitation is subject to the Local Preference Program. For more information on the program, refer to the Local Preference Program Identification Form attached to this solicitation.

In order to receive consideration the Local Bidder must complete and return the attached Local Preference Identification Form (Attachment B).

1. **Column A:** The "Estimated Annual Quantity" is based on the unit of measure used in the "No./Unit" column, where "f" means "per". Example: The estimated annual usage for "3-1/8x230 Thermal Add Rolls, 10 rolls/pk" is 178 packs.
2. **Columns B, C, D, E:** Enter the Bidder Part Number, Manufacturer Part Number, Manufacturer Name, and Description of the item being offered. If you propose an alternate, it must be of equal or better quality than the item identified in the "Item Description" column.
3. **Column F:** Enter the Catalog List Price from the published catalog being offered. The Catalog List Price must not exceed two digits to the right of the decimal point. Example: \$11.25 is acceptable. \$11.259 is not acceptable.
4. **Column G:** Enter the Proposed % Discount from the published catalog being offered for this item. The proposed discount percentage must be the same for this item regardless of packaging size.
5. **Column H:** Enter the Contract Price for this item. The Contract Price is the Catalog List Price minus the Proposed Discount.
6. **Column I:** Enter the Unit of Measure of the proposed item. This column will verify that the packaging is equivalent to the unit of measure used in the column "No./Unit".
7. **Column J:** Enter the quantity contained in each Unit of Measure of item proposed. This column will verify that the packaging of the proposed item is equivalent to the item identified in the "Item Description" column.
8. **Column K, L, M:** Enter the Catalog Name, Catalog Publication Date, and Page Number of the proposed item.
9. **Insert Bidder Name Below:**

**NOTE: GREYED-OUT FIELDS CANNOT BE EDITED.**

**Local Preference Program (LPP) Ordinance**

The 82nd Texas Legislature adopted a revision to the law that allowed the City of San Antonio (City) to adopt **PRICE SCHEDULE SECTION 2 MARKET BASKET PRICING WORKSHEET** types of contracts. The City adopted such a policy, known as the Local Preference Program, by Ordinance No. 2013-03-21-0167, effective for solicitations issued after May 1, 2013.

**Attachment A:**

This solicitation is subject to the Local Preference Program. For more information on the program, refer to the Local Preference Program Identification Form attached to this solicitation.

In order to receive consideration the Local Bidder must complete and return the attached Local Preference Identification Form (Attachment B).

- Column A:** The "Estimated Annual Quantity" is based on the unit of measure used in the "No./Unit" column, where "f" means "per". Example: The estimated annual usage for "3-1/8x230 Thermal Add Rolls, 10 rolls/pk" is 178 packs.
- Columns B, C, D, E:** Enter the Bidder Part Number, Manufacturer Part Number, Manufacturer Name, and Description of the item being offered. If you propose an alternate, it must be of equal or better quality than the item identified in the "Item Description" column.
- Column F:** Enter the Catalog List Price from the published catalog being offered. The Catalog List Price must not exceed two digits to the right of the decimal point. Example: \$11.25 is acceptable. \$11.259 is not acceptable.
- Column G:** Enter the Proposed % Discount from the published catalog being offered for this item. The proposed discount percentage must be the same for this item regardless of packaging size.
- Column H:** Enter the Contract Price for this item. The Contract Price is the Catalog List Price minus the Proposed Discount.
- Column I:** Enter the Unit of Measure of the proposed item. This column will verify that the packaging is equivalent to the unit of measure used in the column "No./Unit".
- Column J:** Enter the quantity contained in each Unit of Measure of item proposed. This column will verify that the packaging of the proposed item is equivalent to the item identified in the "Item Description" column.
- Column K, L, M:** Enter the Catalog Name, Catalog Publication Date, and Page Number of the proposed item.
- Insert Bidder Name Below:**

**NOTE: GREYED-OUT FIELDS CANNOT BE EDITED.**

**Local Preference Program (LPP) Ordinance**

**Attachment A:**

The 82nd Texas Legislature adopted a revision to the law that allowed the City of San Antonio (City) to adopt **PRICE SCHEDULE SECTION 2 MARKET BASKET PRICING WORKSHEET** types of contracts. The City adopted such a policy, known as the Local Preference Program, by Ordinance No. 2013-03-21-0167, effective for solicitations issued after May 1, 2013.

This solicitation is subject to the Local Preference Program. For more information on the program, refer to the Local Preference Program Identification Form attached to this solicitation.

In order to receive consideration the Local Bidder must complete and return the attached Local Preference Identification Form (Attachment B).

- Column A:** The "Estimated Annual Quantity" is based on the unit of measure used in the "No./Unit" column, where "f" means "per". Example: The estimated annual usage for "3-1/8x230 Thermal Add Rolls, 10 rolls/pk" is 178 packs.
- Columns B, C, D, E:** Enter the Bidder Part Number, Manufacturer Part Number, Manufacturer Name, and Description of the item being offered. If you propose an alternate, it must be of equal or better quality than the item identified in the "Item Description" column.
- Column F:** Enter the Catalog List Price from the published catalog being offered. The Catalog List Price must not exceed two digits to the right of the decimal point. Example: \$11.25 is acceptable. \$11.259 is not acceptable.
- Column G:** Enter the Proposed % Discount from the published catalog being offered for this item. The proposed discount percentage must be the same for this item regardless of packaging size.
- Column H:** Enter the Contract Price for this item. The Contract Price is the Catalog List Price minus the Proposed Discount.
- Column I:** Enter the Unit of Measure of the proposed item. This column will verify that the packaging is equivalent to the unit of measure used in the column "No./Unit".
- Column J:** Enter the quantity contained in each Unit of Measure of item proposed. This column will verify that the packaging of the proposed item is equivalent to the item identified in the "Item Description" column.
- Column K, L, M:** Enter the Catalog Name, Catalog Publication Date, and Page Number of the proposed item.

**9. Insert Bidder Name Below:**

**NOTE: GREYED-OUT FIELDS CANNOT BE EDITED.**

**Local Preference Program (LPP) Ordinance**

**Attachment A:**

The 82nd Texas Legislature adopted a revision to the law that allowed the City of San Antonio (City) to adopt **PRICE SCHEDULE, SECTION 2, MARKET BASKET, PRICING WORKSHEET** types of contracts. The City adopted such a policy, known as the Local Preference Program, by Ordinance No. 2013-03-21-0167, effective for solicitations issued after May 1, 2013.

This solicitation is subject to the Local Preference Program. For more information on the program, refer to the Local Preference Program Identification Form attached to this solicitation.

In order to receive consideration the Local Bidder must complete and return the attached Local Preference Identification Form (Attachment B).

1. **Column A:** The "Estimated Annual Quantity" is based on the unit of measure used in the "No./Unit" column, where "f" means "per". Example: The estimated annual usage for "3-1/8x230 Thermal Add Rolls, 10 rolls/pk" is 178 packs.
2. **Columns B, C, D, E:** Enter the Bidder Part Number, Manufacturer Part Number, Manufacturer Name, and Description of the item being offered. If you propose an alternate, it must be of equal or better quality than the item identified in the "Item Description" column.
3. **Column F:** Enter the Catalog List Price from the published catalog being offered. The Catalog List Price must not exceed two digits to the right of the decimal point. Example: \$11.25 is acceptable. \$11.259 is not acceptable.
4. **Column G:** Enter the Proposed % Discount from the published catalog being offered for this item. The proposed discount percentage must be the same for this item regardless of packaging size.
5. **Column H:** Enter the Contract Price for this item. The Contract Price is the Catalog List Price minus the Proposed Discount.
6. **Column I:** Enter the Unit of Measure of the proposed item. This column will verify that the packaging is equivalent to the unit of measure used in the column "No./Unit".
7. **Column J:** Enter the quantity contained in each Unit of Measure of item proposed. This column will verify that the packaging of the proposed item is equivalent to the item identified in the "Item Description" column.
8. **Column K, L, M:** Enter the Catalog Name, Catalog Publication Date, and Page Number of the proposed item.
9. **Insert Bidder Name Below:**

**NOTE: GREYED-OUT FIELDS CANNOT BE EDITED.**

**Local Preference Program (LPP) Ordinance**

The 82nd Texas Legislature adopted a revision to the law that allowed the City of San Antonio (City) to adopt **PRICE SCHEDULE SECTION 2: MARKET BASKET PRICING WORKSHEET** types of contracts. The City adopted such a policy, known as the Local Preference Program, by Ordinance No. 2013-03-21-0167, effective for solicitations issued after May 1, 2013.

**Attachment A:**

This solicitation is subject to the Local Preference Program. For more information on the program, refer to the Local Preference Program Identification Form attached to this solicitation.

In order to receive consideration the Local Bidder must complete and return the attached Local Preference Identification Form (Attachment B).

1. **Column A:** The "Estimated Annual Quantity" is based on the unit of measure used in the "No./Unit" column, where "f" means "per". Example: The estimated annual usage for "3-1/8x230 Thermal Add Rolls, 10 rolls/pk" is 178 packs.
2. **Columns B, C, D, E:** Enter the Bidder Part Number, Manufacturer Part Number, Manufacturer Name, and Description of the item being offered. If you propose an alternate, it must be of equal or better quality than the item identified in the "Item Description" column.
3. **Column F:** Enter the Catalog List Price from the published catalog being offered. The Catalog List Price must not exceed two digits to the right of the decimal point. Example: \$11.25 is acceptable. \$11.259 is not acceptable.
4. **Column G:** Enter the Proposed % Discount from the published catalog being offered for this item. The proposed discount percentage must be the same for this item regardless of packaging size.
5. **Column H:** Enter the Contract Price for this item. The Contract Price is the Catalog List Price minus the Proposed Discount.
6. **Column I:** Enter the Unit of Measure of the proposed item. This column will verify that the packaging is equivalent to the unit of measure used in the column "No./Unit".
7. **Column J:** Enter the quantity contained in each Unit of Measure of item proposed. This column will verify that the packaging of the proposed item is equivalent to the item identified in the "Item Description" column.
8. **Column K, L, M:** Enter the Catalog Name, Catalog Publication Date, and Page Number of the proposed item.
9. **Insert Bidder Name Below:**

**NOTE: GREYED-OUT FIELDS CANNOT BE EDITED.**

**Local Preference Program (LPP) Ordinance**

The 82nd Texas Legislature adopted a revision to the law that allowed the City of San Antonio (City) to adopt **PRICE SCHEDULE SECTION 2 MARKET BASKET PRICING WORKSHEET** types of contracts. The City adopted such a policy, known as the Local Preference Program, by Ordinance No. 2013-03-21-0167, effective for solicitations issued after May 1, 2013.

**Attachment A:**

This solicitation is subject to the Local Preference Program. For more information on the program, refer to the Local Preference Program Identification Form attached to this solicitation.

In order to receive consideration the Local Bidder must complete and return the attached Local Preference Identification Form (Attachment B).

- Column A:** The "Estimated Annual Quantity" is based on the unit of measure used in the "No./Unit" column, where "f" means "per". Example: The estimated annual usage for "3-1/8x230 Thermal Add Rolls, 10 rolls/pk" is 178 packs.
- Columns B, C, D, E:** Enter the Bidder Part Number, Manufacturer Part Number, Manufacturer Name, and Description of the item being offered. If you propose an alternate, it must be of equal or better quality than the item identified in the "Item Description" column.
- Column F:** Enter the Catalog List Price from the published catalog being offered. The Catalog List Price must not exceed two digits to the right of the decimal point. Example: \$11.25 is acceptable. \$11.259 is not acceptable.
- Column G:** Enter the Proposed % Discount from the published catalog being offered for this item. The proposed discount percentage must be the same for this item regardless of packaging size.
- Column H:** Enter the Contract Price for this item. The Contract Price is the Catalog List Price minus the Proposed Discount.
- Column I:** Enter the Unit of Measure of the proposed item. This column will verify that the packaging is equivalent to the unit of measure used in the column "No./Unit".
- Column J:** Enter the quantity contained in each Unit of Measure of item proposed. This column will verify that the packaging of the proposed item is equivalent to the item identified in the "Item Description" column.
- Column K, L, M:** Enter the Catalog Name, Catalog Publication Date, and Page Number of the proposed item.
- Insert Bidder Name Below:**

**NOTE: GREYED-OUT FIELDS CANNOT BE EDITED.**

**Local Preference Program (LPP) Ordinance**

The 82nd Texas Legislature adopted a revision to the law that allowed the City of San Antonio (City) to adopt **PRICE SCHEDULE, SECTION 2, MARKET BASKET PRICING WORKSHEET** types of contracts. The City adopted such a policy, known as the Local Preference Program, by Ordinance No. 2013-03-21-0167, effective for solicitations issued after May 1, 2013.

**Attachment A:**

This solicitation is subject to the Local Preference Program. For more information on the program, refer to the Local Preference Program Identification Form attached to this solicitation.

In order to receive consideration the Local Bidder must complete and return the attached Local Preference Identification Form (Attachment B).

- Column A:** The "Estimated Annual Quantity" is based on the unit of measure used in the "No./Unit" column, where "f" means "per". Example: The estimated annual usage for "3-1/8x230 Thermal Add Rolls, 10 rolls/pk" is 178 packs.
- Columns B, C, D, E:** Enter the Bidder Part Number, Manufacturer Part Number, Manufacturer Name, and Description of the item being offered. If you propose an alternate, it must be of equal or better quality than the item identified in the "Item Description" column.
- Column F:** Enter the Catalog List Price from the published catalog being offered. The Catalog List Price must not exceed two digits to the right of the decimal point. Example: \$11.25 is acceptable. \$11.259 is not acceptable.
- Column G:** Enter the Proposed % Discount from the published catalog being offered for this item. The proposed discount percentage must be the same for this item regardless of packaging size.
- Column H:** Enter the Contract Price for this item. The Contract Price is the Catalog List Price minus the Proposed Discount.
- Column I:** Enter the Unit of Measure of the proposed item. This column will verify that the packaging is equivalent to the unit of measure used in the column "No./Unit".
- Column J:** Enter the quantity contained in each Unit of Measure of item proposed. This column will verify that the packaging of the proposed item is equivalent to the item identified in the "Item Description" column.
- Column K, L, M:** Enter the Catalog Name, Catalog Publication Date, and Page Number of the proposed item.
- Insert Bidder Name Below:**

**NOTE: GREYED-OUT FIELDS CANNOT BE EDITED.**

**Local Preference Program (LPP) Ordinance**

The 82nd Texas Legislature adopted a revision to the law that allowed the City of San Antonio (City) to adopt a Local Preference Program for the purchase of goods and services in types of contracts. The City adopted such a policy, known as the Local Preference Program, by Ordinance No. 2013-03-21-0167, effective for solicitations issued after May 1, 2013.

**Attachment A:**

PRICE SCHEDULE SECTION 2 MARKET BASKET PRICING WORKSHEET

This solicitation is subject to the Local Preference Program. For more information on the program, refer to the Local Preference Program Identification Form attached to this solicitation.

In order to receive consideration the Local Bidder must complete and return the attached Local Preference Identification Form (Attachment B).

1. **Column A:** The "Estimated Annual Quantity" is based on the unit of measure used in the "No./Unit" column, where "f" means "per". Example: The estimated annual usage for "3-1/8x230 Thermal Add Rolls, 10 rolls/pk" is 178 packs.
2. **Columns B, C, D, E:** Enter the Bidder Part Number, Manufacturer Part Number, Manufacturer Name, and Description of the item being offered. If you propose an alternate, it must be of equal or better quality than the item identified in the "Item Description" column.
3. **Column F:** Enter the Catalog List Price from the published catalog being offered. The Catalog List Price must not exceed two digits to the right of the decimal point. Example: \$11.25 is acceptable. \$11.259 is not acceptable.
4. **Column G:** Enter the Proposed % Discount from the published catalog being offered for this item. The proposed discount percentage must be the same for this item regardless of packaging size.
5. **Column H:** Enter the Contract Price for this item. The Contract Price is the Catalog List Price minus the Proposed Discount.
6. **Column I:** Enter the Unit of Measure of the proposed item. This column will verify that the packaging is equivalent to the unit of measure used in the column "No./Unit".
7. **Column J:** Enter the quantity contained in each Unit of Measure of item proposed. This column will verify that the packaging of the proposed item is equivalent to the item identified in the "Item Description" column.
8. **Column K, L, M:** Enter the Catalog Name, Catalog Publication Date, and Page Number of the proposed item.
9. **Insert Bidder Name Below:**

**NOTE: GREYED-OUT FIELDS CANNOT BE EDITED.**

**Local Preference Program (LPP) Ordinance**

**Attachment A:**

The 82nd Texas Legislature adopted a revision to the law that allowed the City of San Antonio (City) to adopt **PRICE SCHEDULE SECTION 2: MARKET BASKET PRICING WORKSHEET** types of contracts. The City adopted such a policy, known as the Local Preference Program, by Ordinance No. 2013-03-21-0167, effective for solicitations issued after May 1, 2013.

This solicitation is subject to the Local Preference Program. For more information on the program, refer to the Local Preference Program Identification Form attached to this solicitation.

In order to receive consideration the Local Bidder must complete and return the attached Local Preference Identification Form (Attachment B).

1. **Column A:** The "Estimated Annual Quantity" is based on the unit of measure used in the "No./Unit" column, where "f" means "per". Example: The estimated annual usage for "3-1/8x230 Thermal Add Rolls, 10 rolls/pk" is 178 packs.
2. **Columns B, C, D, E:** Enter the Bidder Part Number, Manufacturer Part Number, Manufacturer Name, and Description of the item being offered. If you propose an alternate, it must be of equal or better quality than the item identified in the "Item Description" column.
3. **Column F:** Enter the Catalog List Price from the published catalog being offered. The Catalog List Price must not exceed two digits to the right of the decimal point. Example: \$11.25 is acceptable. \$11.259 is not acceptable.
4. **Column G:** Enter the Proposed % Discount from the published catalog being offered for this item. The proposed discount percentage must be the same for this item regardless of packaging size.
5. **Column H:** Enter the Contract Price for this item. The Contract Price is the Catalog List Price minus the Proposed Discount.
6. **Column I:** Enter the Unit of Measure of the proposed item. This column will verify that the packaging is equivalent to the unit of measure used in the column "No./Unit".
7. **Column J:** Enter the quantity contained in each Unit of Measure of item proposed. This column will verify that the packaging of the proposed item is equivalent to the item identified in the "Item Description" column.
8. **Column K, L, M:** Enter the Catalog Name, Catalog Publication Date, and Page Number of the proposed item.
9. **Insert Bidder Name Below:**

**Local Preference Program (LPP) Ordinance**

The 82nd Texas Legislature adopted a revision to the law that allowed the City of San Antonio (City) to adopt **PRICE SCHEDULE SECTION 2 MARKET BASKET PRICING WORKSHEET** types of contracts. The City adopted such a policy, known as the Local Preference Program, by Ordinance No. 2013-03-21-0167, effective for solicitations issued after May 1, 2013.

**Attachment A:**

This solicitation is subject to the Local Preference Program. For more information on the program, refer to the Local Preference Program Identification Form attached to this solicitation.

In order to receive consideration the Local Bidder must complete and return the attached Local Preference Identification Form (Attachment B).

- Column A:** The "Estimated Annual Quantity" is based on the unit of measure used in the "No./Unit" column, where "f" means "per". Example: The estimated annual usage for "3-1/8x230 Thermal Add Rolls, 10 rolls/pk" is 178 packs.
- Columns B, C, D, E:** Enter the Bidder Part Number, Manufacturer Part Number, Manufacturer Name, and Description of the item being offered. If you propose an alternate, it must be of equal or better quality than the item identified in the "Item Description" column.
- Column F:** Enter the Catalog List Price from the published catalog being offered. The Catalog List Price must not exceed two digits to the right of the decimal point. Example: \$11.25 is acceptable. \$11.259 is not acceptable.
- Column G:** Enter the Proposed % Discount from the published catalog being offered for this item. The proposed discount percentage must be the same for this item regardless of packaging size.
- Column H:** Enter the Contract Price for this item. The Contract Price is the Catalog List Price minus the Proposed Discount.
- Column I:** Enter the Unit of Measure of the proposed item. This column will verify that the packaging is equivalent to the unit of measure used in the column "No./Unit".
- Column J:** Enter the quantity contained in each Unit of Measure of item proposed. This column will verify that the packaging of the proposed item is equivalent to the item identified in the "Item Description" column.
- Column K, L, M:** Enter the Catalog Name, Catalog Publication Date, and Page Number of the proposed item.
- Insert Bidder Name Below:**

**Local Preference Program (LPP) Ordinance**

The 82nd Texas Legislature adopted a revision to the law that allowed the City of San Antonio (City) to adopt **PRICE SCHEDULE SECTION 2 MARKET BASKET PRICING WORKSHEET** types of contracts. The City adopted such a policy, known as the Local Preference Program, by Ordinance No. 2013-03-21-0167, effective for solicitations issued after May 1, 2013.

**Attachment A:**

This solicitation is subject to the Local Preference Program. For more information on the program, refer to the Local Preference Program Identification Form attached to this solicitation.

In order to receive consideration the Local Bidder must complete and return the attached Local Preference Identification Form (Attachment B).

- Column A:** The "Estimated Annual Quantity" is based on the unit of measure used in the "No./Unit" column, where "f" means "per". Example: The estimated annual usage for "3-1/8x230 Thermal Add Rolls, 10 rolls/pk" is 178 packs.
- Columns B, C, D, E:** Enter the Bidder Part Number, Manufacturer Part Number, Manufacturer Name, and Description of the item being offered. If you propose an alternate, it must be of equal or better quality than the item identified in the "Item Description" column.
- Column F:** Enter the Catalog List Price from the published catalog being offered. The Catalog List Price must not exceed two digits to the right of the decimal point. Example: \$11.25 is acceptable. \$11.259 is not acceptable.
- Column G:** Enter the Proposed % Discount from the published catalog being offered for this item. The proposed discount percentage must be the same for this item regardless of packaging size.
- Column H:** Enter the Contract Price for this item. The Contract Price is the Catalog List Price minus the Proposed Discount.
- Column I:** Enter the Unit of Measure of the proposed item. This column will verify that the packaging is equivalent to the unit of measure used in the column "No./Unit".
- Column J:** Enter the quantity contained in each Unit of Measure of item proposed. This column will verify that the packaging of the proposed item is equivalent to the item identified in the "Item Description" column.
- Column K, L, M:** Enter the Catalog Name, Catalog Publication Date, and Page Number of the proposed item.

**9. Insert Bidder Name Below:**

**NOTE: GREYED-OUT FIELDS CANNOT BE EDITED.**

**Local Preference Program (LPP) Ordinance**

The 82nd Texas Legislature adopted a revision to the law that allowed the City of San Antonio (City) to adopt **PRICE SCHEDULE, SECTION 2, MARKET BASKET PRICING WORKSHEET** types of contracts. The City adopted such a policy, known as the Local Preference Program, by Ordinance No. 2013-03-21-0167, effective for solicitations issued after May 1, 2013.

**Attachment A:**

This solicitation is subject to the Local Preference Program. For more information on the program, refer to the Local Preference Program Identification Form attached to this solicitation.

In order to receive consideration the Local Bidder must complete and return the attached Local Preference Identification Form (Attachment B).

- Column A:** The "Estimated Annual Quantity" is based on the unit of measure used in the "No./Unit" column, where "f" means "per". Example: The estimated annual usage for "3-1/8x230 Thermal Add Rolls, 10 rolls/pk" is 178 packs.
- Columns B, C, D, E:** Enter the Bidder Part Number, Manufacturer Part Number, Manufacturer Name, and Description of the item being offered. If you propose an alternate, it must be of equal or better quality than the item identified in the "Item Description" column.
- Column F:** Enter the Catalog List Price from the published catalog being offered. The Catalog List Price must not exceed two digits to the right of the decimal point. Example: \$11.25 is acceptable. \$11.259 is not acceptable.
- Column G:** Enter the Proposed % Discount from the published catalog being offered for this item. The proposed discount percentage must be the same for this item regardless of packaging size.
- Column H:** Enter the Contract Price for this item. The Contract Price is the Catalog List Price minus the Proposed Discount.
- Column I:** Enter the Unit of Measure of the proposed item. This column will verify that the packaging is equivalent to the unit of measure used in the column "No./Unit".
- Column J:** Enter the quantity contained in each Unit of Measure of item proposed. This column will verify that the packaging of the proposed item is equivalent to the item identified in the "Item Description" column.
- Column K, L, M:** Enter the Catalog Name, Catalog Publication Date, and Page Number of the proposed item.
- Insert Bidder Name Below:**

**NOTE: GREYED-OUT FIELDS CANNOT BE EDITED.**

**Local Preference Program (LPP) Ordinance**

The 82nd Texas Legislature adopted a revision to the law that allowed the City of San Antonio (City) to adopt **PRICE SCHEDULE SECTION 2 MARKET BASKET PRICING WORKSHEET** types of contracts. The City adopted such a policy, known as the Local Preference Program, by Ordinance No. 2013-03-21-0167, effective for solicitations issued after May 1, 2013.

**Attachment A:**

This solicitation is subject to the Local Preference Program. For more information on the program, refer to the Local Preference Program Identification Form attached to this solicitation.

In order to receive consideration the Local Bidder must complete and return the attached Local Preference Identification Form (Attachment B).

1. **Column A:** The "Estimated Annual Quantity" is based on the unit of measure used in the "No./Unit" column, where "f" means "per". Example: The estimated annual usage for "3-1/8x230 Thermal Add Rolls, 10 rolls/pk" is 178 packs.
2. **Columns B, C, D, E:** Enter the Bidder Part Number, Manufacturer Part Number, Manufacturer Name, and Description of the item being offered. If you propose an alternate, it must be of equal or better quality than the item identified in the "Item Description" column.
3. **Column F:** Enter the Catalog List Price from the published catalog being offered. The Catalog List Price must not exceed two digits to the right of the decimal point. Example: \$11.25 is acceptable. \$11.259 is not acceptable.
4. **Column G:** Enter the Proposed % Discount from the published catalog being offered for this item. The proposed discount percentage must be the same for this item regardless of packaging size.
5. **Column H:** Enter the Contract Price for this item. The Contract Price is the Catalog List Price minus the Proposed Discount.
6. **Column I:** Enter the Unit of Measure of the proposed item. This column will verify that the packaging is equivalent to the unit of measure used in the column "No./Unit".
7. **Column J:** Enter the quantity contained in each Unit of Measure of item proposed. This column will verify that the packaging of the proposed item is equivalent to the item identified in the "Item Description" column.
8. **Column K, L, M:** Enter the Catalog Name, Catalog Publication Date, and Page Number of the proposed item.
9. **Insert Bidder Name Below:**

**NOTE: GREYED-OUT FIELDS CANNOT BE EDITED.**

**Local Preference Program (LPP) Ordinance**

The 82nd Texas Legislature adopted a revision to the law that allowed the City of San Antonio (City) to adopt **PRICE SCHEDULE SECTION 2 MARKET BASKET PRICING WORKSHEET** types of contracts. The City adopted such a policy, known as the Local Preference Program, by Ordinance No. 2013-03-21-0167, effective for solicitations issued after May 1, 2013.

**Attachment A:**

This solicitation is subject to the Local Preference Program. For more information on the program, refer to the Local Preference Program Identification Form attached to this solicitation.

In order to receive consideration the Local Bidder must complete and return the attached Local Preference Identification Form (Attachment B).

- Column A:** The "Estimated Annual Quantity" is based on the unit of measure used in the "No./Unit" column, where "f" means "per". Example: The estimated annual usage for "3-1/8x230 Thermal Add Rolls, 10 rolls/pk" is 178 packs.
- Columns B, C, D, E:** Enter the Bidder Part Number, Manufacturer Part Number, Manufacturer Name, and Description of the item being offered. If you propose an alternate, it must be of equal or better quality than the item identified in the "Item Description" column.
- Column F:** Enter the Catalog List Price from the published catalog being offered. The Catalog List Price must not exceed two digits to the right of the decimal point. Example: \$11.25 is acceptable. \$11.259 is not acceptable.
- Column G:** Enter the Proposed % Discount from the published catalog being offered for this item. The proposed discount percentage must be the same for this item regardless of packaging size.
- Column H:** Enter the Contract Price for this item. The Contract Price is the Catalog List Price minus the Proposed Discount.
- Column I:** Enter the Unit of Measure of the proposed item. This column will verify that the packaging is equivalent to the unit of measure used in the column "No./Unit".
- Column J:** Enter the quantity contained in each Unit of Measure of item proposed. This column will verify that the packaging of the proposed item is equivalent to the item identified in the "Item Description" column.
- Column K, L, M:** Enter the Catalog Name, Catalog Publication Date, and Page Number of the proposed item.

**9. Insert Bidder Name Below:**

**NOTE: GREYED-OUT FIELDS CANNOT BE EDITED.**

**Local Preference Program (LPP) Ordinance**

The 82nd Texas Legislature adopted a revision to the law that allowed the City of San Antonio (City) to adopt **PRICE SCHEDULE SECTION 2 MARKET BASKET PRICING WORKSHEET** types of contracts. The City adopted such a policy, known as the Local Preference Program, by Ordinance No. 2013-03-21-0167, effective for solicitations issued after May 1, 2013.

**Attachment A:**

This solicitation is subject to the Local Preference Program. For more information on the program, refer to the Local Preference Program Identification Form attached to this solicitation.

In order to receive consideration the Local Bidder must complete and return the attached Local Preference Identification Form (Attachment B).

1. **Column A:** The "Estimated Annual Quantity" is based on the unit of measure used in the "No./Unit" column, where "f" means "per". Example: The estimated annual usage for "3-1/8x230 Thermal Add Rolls, 10 rolls/pk" is 178 packs.
2. **Columns B, C, D, E:** Enter the Bidder Part Number, Manufacturer Part Number, Manufacturer Name, and Description of the item being offered. If you propose an alternate, it must be of equal or better quality than the item identified in the "Item Description" column.
3. **Column F:** Enter the Catalog List Price from the published catalog being offered. The Catalog List Price must not exceed two digits to the right of the decimal point. Example: \$11.25 is acceptable. \$11.259 is not acceptable.
4. **Column G:** Enter the Proposed % Discount from the published catalog being offered for this item. The proposed discount percentage must be the same for this item regardless of packaging size.
5. **Column H:** Enter the Contract Price for this item. The Contract Price is the Catalog List Price minus the Proposed Discount.
6. **Column I:** Enter the Unit of Measure of the proposed item. This column will verify that the packaging is equivalent to the unit of measure used in the column "No./Unit".
7. **Column J:** Enter the quantity contained in each Unit of Measure of item proposed. This column will verify that the packaging of the proposed item is equivalent to the item identified in the "Item Description" column.
8. **Column K, L, M:** Enter the Catalog Name, Catalog Publication Date, and Page Number of the proposed item.
9. **Insert Bidder Name Below:**

**NOTE: GREYED-OUT FIELDS CANNOT BE EDITED.**

**Local Preference Program (LPP) Ordinance**

The 82nd Texas Legislature adopted a revision to the law that allowed the City of San Antonio (City) to adopt ~~PRICE SCHEDULE, SECTION 2, MARKET BASKET, PRICING WORKSHEET~~ types of contracts. The City adopted such a policy, known as the Local Preference Program, by Ordinance No. 2013-03-21-0167, effective for solicitations issued after May 1, 2013.

**Attachment A:**

This solicitation is subject to the Local Preference Program. For more information on the program, refer to the Local Preference Program Identification Form attached to this solicitation.

In order to receive consideration the Local Bidder must complete and return the attached Local Preference Identification Form (Attachment B).

1. **Column A:** The "Estimated Annual Quantity" is based on the unit of measure used in the "No./Unit" column, where "f" means "per". Example: The estimated annual usage for "3-1/8x230 Thermal Add Rolls, 10 rolls/pk" is 178 packs.
2. **Columns B, C, D, E:** Enter the Bidder Part Number, Manufacturer Part Number, Manufacturer Name, and Description of the item being offered. If you propose an alternate, it must be of equal or better quality than the item identified in the "Item Description" column.
3. **Column F:** Enter the Catalog List Price from the published catalog being offered. The Catalog List Price must not exceed two digits to the right of the decimal point. Example: \$11.25 is acceptable. \$11.259 is not acceptable.
4. **Column G:** Enter the Proposed % Discount from the published catalog being offered for this item. The proposed discount percentage must be the same for this item regardless of packaging size.
5. **Column H:** Enter the Contract Price for this item. The Contract Price is the Catalog List Price minus the Proposed Discount.
6. **Column I:** Enter the Unit of Measure of the proposed item. This column will verify that the packaging is equivalent to the unit of measure used in the column "No./Unit".
7. **Column J:** Enter the quantity contained in each Unit of Measure of item proposed. This column will verify that the packaging of the proposed item is equivalent to the item identified in the "Item Description" column.
8. **Column K, L, M:** Enter the Catalog Name, Catalog Publication Date, and Page Number of the proposed item.
9. **Insert Bidder Name Below:**

**NOTE: GREYED-OUT FIELDS CANNOT BE EDITED.**
