This Certificate of Exemption is executed and filed with the Finance Department as follows:

1. The undersigned is authorized to approve an exemption.
2. An exemption according to Section 252.022 of the Local Government Code exists. More specifically, the following event has occurred:

The San Antonio Public Library has utilized Radio Frequency Identification (RFID) technology since 2007. The Library is now interested in upgrading both the software and the hardware of 73 SelfCheck stations located at 25 library locations. The upgrade will maximize performance of the equipment and provide more efficient service to the public. 3M is the original installation vendor and remains the only vendor who can supply the upgrade to the proprietary equipment.

3. Because the exemption stated above exists, the City of San Antonio intends to contract with 3M Corporation which will cost approximately \$ 226,380.28.
