ARTICLE 3 TERM

3.1 TERM.

This Concession Agreement shall be effective and binding between the parties as of the Effective Date conditioned upon Operator then being a party in Good Standing if Operator is party to a Prior Concession Agreement. The Concession Agreement Term shall commence on the first day of the month following DBO and, unless earlier terminated pursuant to the provisions of this Concession Agreement, shall extend until the last day of the tenth (10th) Concession Year (“**Term**”). END OF ARTICLE

ARTICLE 4 PRIVILEGE FEES, CHARGES, AND ACCOUNTABILITY

4.1 CONCESSION FEE.

Operator agrees pay to City, for the concession rights and privileges granted herein, in the manner provided in this **Article 4**, an amount for the Initial Concession Period and for each Concession Year (the “**Concession Fee**”) equal to the greater of the following: (a) the Minimum Annual Guaranteed Concession Fee (“**MAG**”) for such period; or (b) the “**Percentage Fee**” (as defined in **Section 4.1.3** below) for such Concession Year.

4.1.1 Minimum Annual Guaranteed Concession Fee.

For Operators who are parties to or subcontractors under a Prior Concession Agreement, the MAG for the Initial Concession Period and the first Concession Year shall be eighty-five percent (85%) of the Concession Fee due for the last twelve months under the Prior Concession Agreement [i.e., $85\% \times (10\% \times \text{Prior Year Gross Revenues})$], but in no event less than \$250,000.00 per Brand. Operators that are not party to a Prior Concession Agreement shall pay a MAG for the Initial Concession Period and first Concession Year in the amount of \$250,000.00 per Brand, to be prorated for the Initial Concession Period. For the nine (9) Concession Years following the first Concession Year, the MAG shall be the greater of (i) eighty-five percent (85%) of the Concession Fee due for the prior twelve (12) months ; or (ii) \$250,000.00 per Brand. Assuming that the Concession Year begins in January, for example, in order to provide the MAG amount to Operator in December, the MAG would be based on the Concession Fee due during the prior twelve (12) month period beginning November 1 through October 31.

4.1.2 Minimum Annual Guaranteed Concession Fee Payment.

One-twelfth of the MAG will be paid by electronic funds transfer or check to the City in advance, on the first day of each and every month during the term hereof, without the requirement of a notice to the Operator. The amount shall be pro-rated for time periods less than one month or less than one year, based upon a fraction for which the numerator shall be the number of days in the month that Operator occupies the CONRAC and the denominator shall be the total number of days in the month.

4.1.3 Percentage Fee.

(a) In addition to MAG and other charges set forth herein, Operator shall pay to City, for each month of the Term, Percentage Fee of ten percent (10%) of Gross Revenues, plus an additional one percent (1%) of revenues associated with Car-Sharing rentals if the Car-Sharing Operator has a Car-Sharing membership fee, for those months in which the year-to-date Percentage Fee exceeds the year-to-date MAG. The Percentage Fee shall be equal to the product of the Percentage Fee rate, times Operator’s year-to-date Gross Revenues (as defined below) minus the year-to-date MAG amount minus the Percentage Fee accrued through the previous reporting period [*Percentage Fee = (Percentage Fee Rate x year-to-date Gross Revenues minus the year-to-date MAG) minus year-to-date Percentage Fee due in excess of year-to-date MAG*]. Operator shall pay Percentage Fee, if any, to the City monthly. Percentage Fee shall apply at all times during the Term of this Concession Agreement.

(b) City may adjust the Percentage Fee every five (5) Concession Years based on either, as selected by the City: (a) the average of the three (3) highest percentage fees paid under the then current concession contracts with rental car companies at airports in the United States with the same FAA classification as the Airport; or (b) the average of the three (3) highest percentage fees paid under the then current concession contracts with rental car companies out of the six (6) highest enplanement commercial airports in the State of Texas, as selected by the City. City shall determine and notify Operator in writing of the new Percentage Fee, as well as the data used in calculating such amount, sixty (60) days prior to commencement of the Concession Year. In no event shall the Percentage Fee be less than ten percent (10%) of Gross Revenue per Concession Year.

(c) If, at the end of any Concession Year, the total amount of monthly installments of MAG and Percentage Fee paid for such Concession Year are less than the total amount of annual MAG and Percentage Fee required to be paid for such Concession Year, Operator shall pay the amount of such deficiency on or before the time Operator provides Operator's Annual Audit Statement, which shall be certified and signed by an authorized official of Operator. If, at the end of any Concession Year, the total amount of monthly installments of MAG and Percentage Fee paid based on Gross Revenues for such Concession Year exceeds the total amount of annual MAG and Percentage Fee required to be paid for such Concession Year, as indicated in Operator's Annual Statement, Operator shall receive a credit equivalent to such excess, which shall be credited by the City to the next monthly payment(s) of Percentage Fee and/or MAG due from Operator to the City hereunder. If at the end of the final Concession Year the total amount of Percentage Fee paid by Operator exceeds the total amount of annual Concession Fee required to be paid by Operator for such final Concession Year (calculated in the same manner provided hereinabove for non-final Concession Years), such excess shall be refunded to Operator within ninety (90) days after Operator has vacated the CONRAC at the termination of this Concession Agreement, the Operator's CONRAC Leased Premises are in the condition required by this Concession Agreement and the Lease Agreement, City has received the final Operator's Annual Audit Statement, and any other sums due the City from Operator under this Concession Agreement have been paid in full or the City shall be entitled to deduct such remaining sums due from any such excess.

(d) Percentage Fee is agreed to be a portion of the consideration for the City to enter into this Concession Agreement and the City expects it to supplement the MAG to provide a fair return. If Operator fails to continuously operate its business, keep the required hours or vacates the CONRAC prior to the expiration of the Term, the City will suffer damages not readily ascertainable. The City shall have the right to treat any of such events as a material default and breach by Operator and the City shall be entitled to all remedies provided hereunder or at law.

- (e) In the event that the MAG is abated or reduced to \$0.00, Percentage Fee shall still apply.

4.1.4 Gross Revenues.

“**Gross Revenues**” means all monies or other consideration paid or payable to the Operator derived from, arising out of, or payable on account of the business conducted by the Operator or from the operations of Operator under this Concession Agreement and in connection with the Airports, whether for cash or credit and without any deduction for credit card discounts; regardless of whether the Motor Vehicle or other products are returned to Airport or to some other location, except as excluded herein. “Gross Revenue” includes all sales made and services provided to persons picked up at the Airports, regardless of the ownership, area, fleet, or location assignment of the vehicles and without regard to (a) the manner in which, or place at which, the vehicles or other products or services are furnished to Operator’s customers; or (b) the manner in which the reservation, rental or contract was made or executed (i.e., by what mode, means or process), except as otherwise expressly excluded herein.

Additionally, this fee or charge shall be referred to on all contracts, websites, etc. as the “Concession Recovery Fee” or “Concession Recoupment Fee.” If the percent fee is changed by City during the term as per **Section 4.1.3**, Operator will change the Concession Recovery/Recoupment Fee up

4.1.5 Abatement of Minimum Annual Guaranteed Concession Fee.

As long as Operator is in Good Standing, the MAG set forth above shall be abated on a monthly basis if during the Term, through no fault of Operator, either or both of the following conditions should occur:

- (a) The number of monthly passengers deplaning on scheduled airline flights at the Airport shall be less than eighty percent (80%) of the number of deplaning passengers as compared with the same month of (i) the prior Concession Year, or (ii) the twelve (12) months immediately prior to DBO.

(b) The rental car industry shall be affected by shortages or other disruptions in the supply of automobiles, gasoline or other goods necessary for the industry's operations which result in twenty-five percent (25%) or greater reduction in monthly Gross Revenue for the entire rental car industry at the Airport as compared with the industry's same month of (i) the prior Concession Year, or (ii) the twelve (12) months immediately prior to DBO.

During any period of abatement, Operator will pay to the City the Percentage Fee in lieu of the MAG as well as all other applicable sums set forth in this Concession Agreement. Said abatement shall be in effect for each month that the conditions set forth in **Section 4.1.5 (1) and/or (2)** shall continue to exist.

4.2 REVENUE REPORTS AND PAYMENTS.

4.2.1 Monthly Revenue Reports and Payments.

From the DBO to ending on the month following the final month of the Term, Operator shall, on or before the 20th day of each month, submit to City a monthly revenue report (“**Monthly Revenue Report**”) in the form of **Exhibit A** hereto (which may be amended by City from time to time) that details the total Gross Revenue for such preceding month for each location where Operator operates its Rental Car concession at the Airports, including, but not limited to, CONRAC, fixed base operators, and other similar locations on the Airports. The Monthly Revenue Report shall also list any Allowable Exclusions from Gross Revenue, itemized separately with corresponding dollar amounts. The Monthly Revenue Report shall be certified and signed by an authorized official of the Operator. The Monthly Revenue Reports shall be sent to the Remittance Address set forth in **Section 4.3**.

With each Monthly Revenue Report the Operator shall remit to the City ten percent (10%) of its aggregate Gross Revenue derived through the end of the preceding calendar month during the Initial Concession Period and each Concession Year, only to the extent that such percentage of said aggregate exceeds the payments made through the end of the preceding month to the City.

Operator agrees that City may release market share information derived from the Monthly Revenue Reports on a monthly basis to all Operators and to the CONRAC Manager as defined in the Lease Agreement which information may be used by Operators and CONRAC Manager for purposes related to this Lease Agreement and the Concession Agreement.

4.2.2 Annual Reports and Payment.

On the twentieth (20th) day of the month following end of the Initial Concession Period and each Concession Year, Operator shall pay to the City at the Remittance Address set forth in **Section 4.3** the balance of the fees and charges, if any, due to the City for the preceding period on account of the percentage payment provisions hereof, it being

understood that the fees and charges, though payable monthly, shall be computed on an annual basis, except where expressly stated otherwise. If any credit is due to Operator, such credit shall be given only after the City has received the Annual Audit Statement certified by an authorized representative of Operator or by an independent Certified Public Accountant which is required under **Section 4.6**. Such credit, if any, shall be given within thirty (30) days of the date the City reviews and approves a credit, such approval shall not be unreasonably withheld.

4.3 REMITTANCE ADDRESS.

All non-electronic fund transfer payments required herein shall be tendered to:

City of San Antonio, Aviation Department
 Attn: Finance Division
 457 Sandau Road
 San Antonio, Texas, 78216

(“**Remittance Address**”). The Remittance Address for payment may be changed at any time by the Aviation Director upon ten (10) days prior written notice to Operator. Operator assumes all risk of lost payments if payments are made by mail.

4.4 LATE PAYMENT AND/OR LATE REPORTING FEES.

All rentals and payments unpaid for thirty (30) days after the date due shall bear interest at the rate of eighteen percent (18%) per annum which interest shall accrue from the date due; however, in no event shall the interest rate charged exceed the maximum rate allowable by law. The fee for late reports required under this Concession Agreement shall be \$100.00 per month. The City and Operator recognize that the damages which City will suffer as a result of Operator’s failure to timely pay amounts due hereunder are difficult or impracticable to ascertain, and agree that such interest and late charge are a reasonable approximation of the damages which City will suffer in the event of Operator’s late payment or late tender of required reports. This provision shall not relieve Operator from payment of amounts due hereunder at the time and in the manner herein specified.

4.5 ACCOUNTING PROCEDURES.

Operator shall keep full and accurate books and records including, point of sale detail records showing the Gross Revenue by Brand and Operator as a Family by categories as reported to the City and duplicate rental agreement invoices (physical or electronic copies), showing all of the Gross Revenue of Operator. Operator shall issue a numbered invoice with each sale/transaction.

Operator covenants and agrees that it will establish and maintain an accounting system (specifically including all books of account and records customarily used in the type of operation permitted by this Concession Agreement) in full and complete accordance with generally accepted accounting principles and otherwise reasonably satisfactory to the City for the determination of any and all sums owing by Operator under the Concession Agreement, and information necessary for verification of invoices and payments for any reimbursement requests, or other computations, or both, which may be necessary or essential in carrying out the terms of this Concession Agreement. Operator shall maintain its records relating to the operations

permitted by this Concession Agreement for a period of at least four (4) years after the end of each Concession Year (or until the close of any ongoing audit thereof being conducted by, or on behalf of, the City); provided, however, that the City may (prior to the expiration of the relevant retention period) require that any such records be retained for a longer period of time not to exceed an additional two (2) year period, in which case Operator, at its option, may deliver such records into the custody of the City.

4.6 OPERATOR AUDIT.

Within one hundred twenty (120) days after the end of each Concession Year, Operator, at its own expense, shall provide to City an audited annual accounting statement of the Operator's Gross Revenue and Concession Fees due City for such Concession Year ("**Annual Audit Statement**"). The Annual Audit Statement shall be prepared in accordance with generally accepted accounting principles applicable to private entities. Such audit shall be accompanied by a written statement signed by an authorized officer of the Operator or an independent Certified Public Accountant, and shall include an opinion on whether the statement of Gross Revenue and Concession Fees has been completely and accurately presented, calculated and reported according to the terms of this Concession Agreement, and whether Concession Fees due City have been completely and accurately calculated and paid according to the terms of this Concession Agreement. Such Annual Audit Statement shall also contain a list of the Gross Revenue as shown on the books and records of Operator which were used to compute the Percentage Payments made to City during the period covered by the statement. This obligation shall survive termination of this Concession Agreement. If the Annual Audit Statement shows that Operator owes a balance of fees or charges, such fees and charges shall be delivered at the same time as the written audit. Operator shall pay a late fee of \$100.00 for each month that it fails to deliver an Annual Audit Statement. If as a result of Operator's audit, it is determined that additional funds are due the City, City reserves the right to require the Operator to pay to the City interest thereon at the rate of eighteen percent (18%) per annum from the date such item was due and payable until paid, or the maximum allowable rate under law.

4.7 CITY INSPECTION OF BOOKS AND RECORDS.

The City shall be allowed to inspect and audit Operator's books of accounts and records with reference to the determination of any matters relevant to this Concession Agreement at all reasonable times, upon prior written notice to Operator for the period of time that Operator is obligated to maintain books and records as set forth in **Section 4.5** above. The City shall specifically be entitled to inspect and audit any records necessary to complete the audit in a manner consistent with generally accepted accounting principles. Operator agrees to provide appropriate workspace to conduct the audit and free access to copiers, fax machines and other needed office equipment. Operator shall provide contact information for Operator's accounting manager or the like who has a thorough knowledge of the accounting system as it pertains to this Concession Agreement and who will be available to the City during any such audit. The cost of such audit shall be borne by the City unless the results of such audit reveal a discrepancy of more than three percent (3%) for any twelve (12) month audit period. In the event of such discrepancy, the full cost of the audit shall be borne by the Operator, and Operator shall promptly pay all additional fees owing to the City together with interest on such sums from the date originally due until the date paid. Any additional percentage fees due shall forthwith be paid by the Operator to the City with interest thereon at ten percent (10%) per annum from the date such additional

percentage fees became due. Such interest shall not accrue with respect to disputed items being contested in good faith by Operator. If, however, as a result of the City's audit, it is found that Operator has overpaid any amounts, the City shall credit Operator the amount of such overpayment within thirty (30) days of issuance of the City's final audit report.

4.8 BOOKS AND RECORDS OUTSIDE SAN ANTONIO REGION.

In the event that Operator's books and records are not maintained in the San Antonio region, they shall be made available for audit locally within twenty (20) business days of a written request by the City, or Operator shall pay in full any and all travel related expenses incurred by the City to travel to the location outside the San Antonio region.

4.9 ELECTRONIC DATA.

In those situations where Operator's records have been generated from computerized data (whether mainframe, minicomputer, or PC-based computer systems), Operator agrees to provide extracts of data files in a computer readable format on data disks, e-mail with attached files, or suitable alternative computer data exchange formats.

ARTICLE 5 PERFORMANCE GUARANTEE

Upon the DBO, Operator shall deposit with City the sum equal to fifty percent (50%) of the MAG, to be held by City as security for Operator's full, faithful, and timely performance of its obligations under this Concession Agreement ("**Performance Guarantee**"). At least one-third of the Performance Guarantee shall be in the form of an irrevocable letter of credit. The remainder may be in the form of a surety bond, or other instrument satisfactory to the City. Notwithstanding the foregoing, Operator may provide an on-demand surety bond payable within ten (10) days of demand by the City for the full amount required for the Performance Guarantee.

Such notice shall include a calculation of the revised Performance Guarantee, which shall not exceed six months' total estimated Concession Fees due and payable by Operator under this Concession Agreement. Operator shall, within twenty (20) business days of receipt of such written notice from City increasing the Performance Guarantee, deposit the additional amount with City by supplemental letter of credit and/or surety bond or other instrument in accordance with this Article.

In such event, Operator must deposit with City an amount equal to the amount so applied by City within twenty (20) business days of written notice from City of the nature and amount of the application.

5.4 PERFORMANCE BOND RETURN.

The City shall return the Performance Bond to Operator, less any amounts applied by City to Operator obligations, within one hundred twenty (120) days after the termination of this Concession Agreement and City's review and approval of the final Annual Audit Statement.

7.2 FORM OF ASSIGNMENT.

Each transfer, assignment or subletting to which there has been consent shall be by instrument in writing, in form satisfactory to City and shall be executed by the transferee, assignee or sublessee who shall agree in writing for the benefit of City to be bound by and to perform the terms, covenants, and conditions of this Concession Agreement. Four executed copies of such written instrument shall be delivered to the Director. Failure to first obtain in writing City's consent or failure to comply with the provisions herein contained shall operate to prevent any such transfer, assignment or subletting from becoming effective.

7.3 CONTINUING LIABILITY.

Should the assignment of this Concession Agreement be approved by City, Operator agrees and acknowledges that it shall remain fully and primarily liable under this Concession Agreement.

7.4 SUBLET.

7.6 ASSIGNEE OR SUBTENANT PAYMENTS.

The receipt by City of payments from an assignee, or subtenant shall not be deemed a waiver of the covenant in this Concession Agreement against assignment and subletting nor an acceptance of the assignee, subtenant or occupant as a tenant, nor a release of Operator from further observance or performance by Operator of the covenants contained in this Concession Agreement. No provision of this Concession Agreement shall be deemed to have been waived by City unless such waiver is in writing, signed by the Aviation Director.

THE PROVISIONS OF THIS SECTION SHALL SURVIVE THE EXPIRATION OR EARLY TERMINATION OF THIS CONCESSION AGREEMENT.

The provision of this INDEMNITY are solely for the benefit of the parties hereto and not intended to create or grant any rights, contractual or otherwise, to any other Person or entity. OPERATOR shall advise the CITY in writing within 24 hours of any claim or demand against the CITY or OPERATOR known to OPERATOR related to or arising out of OPERATOR's activities under this AGREEMENT LEASE and shall see to the investigation and defense of such claim or demand at OPERATOR's costs. ARTICLE 10 AIRPORT CONCESSION DISADVANTAGED BUSINESS ENTERPRISES

10.1 ACDBE REGULATIONS.

This Concession Agreement and Lease Agreement are subject to the requirements of the United States Department of Transportation's regulations, 49 C.F.R. Part 23 (the "**ACDBE Regulations**"). Operator agrees that it will not discriminate against any business owner because of the owner's race, color, national origin, or sex in connection with the award or performance of any concession agreement, management contract, subcontract, purchase or lease agreement, or other agreement covered by 49 C.F.R. Part 23. In accordance with the ACDBE Regulations, the Airport has adopted an Airport Concessions Disadvantaged Business Enterprise ("**ACDBE**") Program in accordance with the policy set forth in **Section 10.2** below. Operator shall comply with the Airport's approved Airport Concessions Disadvantaged Business Enterprise (ACDBE) program, in compliance with all other requirements imposed by or pursuant to Title 49, Code of Federal Regulations, Department of Transportation, Office of the Secretary, Part 23, Participation by Minority Business Enterprise programs of the Department of Transportation-Effectuation of Title VI of the Civil Rights Act of 1964, and as said ACDBE Regulations may be amended.

10.2 AIRPORT ACDBE POLICY.

1. To ensure nondiscrimination in the award and administration of opportunities for concessions at the Airport;
2. To create a level playing field on which ACDBEs can compete fairly for opportunities for concessions at the Airport;
3. To ensure that the Airport's ACDBE Program is narrowly tailored in accordance with the ACDBE Regulations and other Applicable Law;
4. To ensure that only firms that fully meet the eligibility requirements of the Regulations are permitted to participate as ACDBEs at the Airport;
5. To help remove barriers to the participation of ACDBEs in opportunities for concessions at the Airport; and
6. To provide appropriate flexibility to the Airport in establishing and providing opportunities for ACDBEs at the Airport.

10.3 ACDBE DEFINITION. "AIRPORT CONCESSION DISADVANTAGED BUSINESS ENTERPRISE" ("ACDBE").

ACDBE means a business, whether it is a corporation, sole proprietorship, partnership or joint venture, certified as an ACDBE by a Unified Certification Agency (UC), of which at least fifty-one percent (51%) of the interest is owned and controlled by one or more socially and economically disadvantaged individuals as defined in the Airport and Airways Safety and Capacity Expansion Act of 1987 and the ACDBE Regulations promulgated in 49 C.F.R. Part 23. Under the applicable regulations, it is presumed that a firm that is certified as a Disadvantaged

Business Enterprise (“**DBE**”) under 49 C.F.R. Part 26 is eligible to participate as an ACDBE. By meeting the size, disadvantage (including personal net worth), ownership and control standards of 49 C.F.R. Part 26, such DBE firm will have also met the eligibility standards for 49 C.F.R. Part 23. Accordingly, ACDBE includes DBE for purposes of the ACDBE goals set forth in this Concession Agreement and the Lease Agreement.

10.4 ACDBE GOAL.

At this time, the Airport has not established an ACDBE/DBE goal for this Concession Agreement and the Lease Agreement, and, as provided herein, has elected to implement an ACDBE program that includes a reporting requirement imposed on Operator and Operator further agrees to comply with a national ACDBE goal if any is set established pursuant to ACDBE Regulations during the Term or with a goal established by the Airport during the Term. Accordingly, Operator agrees, with respect to its exercise of all uses, rights, privileges and obligations granted or required pursuant to this Concession Agreement as follows:

1. Operator acknowledges that the Airport has not yet set an ACDBE goal for this Agreement, but Operator is encouraged to seek ACDBE participants for opportunities available in conjunction with the performance of this Concession Agreement and the Lease Agreement (i.e. the purchase of goods and/or services). Accordingly, Operator shall identify to SAT participants in the business opportunities covered by this contract who may be eligible for certification as an ACDBE.
2. Operator acknowledges and agrees that Airport expressly reserves the right to establish or modify a goal for this Concession Agreement and the Lease Agreement pursuant to the ACDBE Regulations. Upon FAA approval of the ACDBE goal, the Airport will provide sixty (60) days prior written notice to Operator, and thereupon, Operator shall use good faith efforts to meet such goal.

Operator shall comply at all times during the Term of this Concession Agreement and the Lease Agreement with the ACDBE Regulations and all other applicable federal, state and local ACDBE laws, regulations, ordinances and requirements.

At such time as an ACDBE/DBE goal is established for this Concession Agreement and the Lease Agreement, the goal shall be for the purchase of goods and services by Operator for this Concession Agreement and the Lease Agreement, and, as provided herein, and shall include (i) a reporting requirement imposed on Operator; and (ii) agreement by the Operator to comply with a national ACDBE goal pursuant to ACDBE Regulations during the Term, if any, or with a goal established by the Airport during the Term. The ACDBE goal structure is solely based upon Operator’s purchases of goods and services, including purchases through second tier subcontractors and vendors, and including Operator’s Pro Rata Share of goods and services purchased through the CONRAC Manager for purposes of CONRAC operations, in the performance of its operations under this Concession Agreement and the Lease Agreement. For calculating the Operator’s ACDBE goal attainment, Operator shall calculate its car rental overall goal attainment by dividing the estimated dollar value of such purchases from ACDBE’s by the total estimated dollar value of all purchases to be made by the Operator, excluding vehicle purchases. Examples of goods and services for the Operator’s car rental operations include, but

are not limited to: vehicle repairs and maintenance, vehicle body work, janitorial services, landscaping, vehicle key replacements and re-keying, vehicle oil changes, vehicle windshield repairs and replacements, and insurance brokerages. Operator shall at all times during the Term of this Concession Agreement and the Lease Agreement comply with the ACDBE Regulations and all other applicable federal, state and local ACDBE laws, regulations, ordinances and requirements.

10.5 ACDBE REPORTING REQUIREMENTS.

During the term of this Concession Agreement and the Lease Agreement, Operator must report the actual payments to all subcontractors (suppliers) made by Operator for goods and services utilized for this Concession Agreement and the Lease Agreement in the time intervals and format prescribed by the City's Aviation Department. Any unjustified failure to comply with the levels of ACDBE participation established for this Concession Agreement and the Lease Agreement shall be considered a material breach of contract.

The City reserves the right, at any time during the term of this Concession Agreement and the Lease Agreement to request additional information, documentation or verification of payments made for goods and services in connection with this Concession Agreement and the Lease Agreement. Verification of amounts being reported may take the form of requesting copies of canceled checks paid to ACDBE/DBE participants and/or confirmation inquiries directly to the ACDBE/DBE participants. Proof of payments, such as copies of canceled checks, must properly identify the CONRAC Concession Agreement and/or Lease Agreement to substantiate ACDBE/DBE payments related to the Agreements.

Concessionaire shall submit such reports as may be required by the City in the form specified by City for the purpose of demonstrating compliance with the provisions set forth in this Article 10. Operator shall submit, no later than sixty (60) days after the expiration of each calendar quarter during the term of this Concession Agreement and the Lease Agreement, a report to the Airport, in a form acceptable to the Airport attached hereto as **Exhibit 5**, detailing payments made by Operator for goods and services, listing each vendor to whom payments were made for goods and services, and identifying each ACDBE/DBE vendor.

10.6 ACDBE COMPLIANCE REQUIREMENTS.

Operator will have no right to terminate an ACDBE for convenience without the Airport's prior written consent. If an ACDBE is terminated by the Operator either with the Airport's consent or because of the ACDBE's default, then the Operator must make a good faith effort, in accordance with the requirements of 49 C.F.R. Part 23.25(e)1(iii) and (iv), and 49 C.F.R. Part 26.53, to find another ACDBE to substitute for the original ACDBE to sell the same amount of goods and services under the contract as the ACDBE that was terminated. If Operator is terminating an ACDBE for default, Operator shall notify Airport of such termination, providing the reason(s) for such termination and the effective date.

Operator's breach of its obligations under this Article 10 shall constitute an event of default by Operator under **Article 11** of this Concession Agreement and/or **Article 24** of the Lease Agreement, as applicable, and shall entitle City to exercise any and all of its contractual and legal remedies, including termination of the Concession Agreement and/or Lease Agreement.

Pursuant to 49 C.F.R. 26.107, any person or entity that makes a false or fraudulent statement in connection with participation of a ACDBE/DBE in any DOT-assisted program or otherwise violates applicable federal statutes, may be referred to the Department of Transportation, and possibly the Department of Justice, for prosecution.

In addition to any damages incurred by City by reason of termination of this Concession Agreement, Operator’s liability for all Concession Fees and all other amounts otherwise payable by Operator hereunder up to the date of such termination, will not be extinguished and Operator agrees that City will be entitled, upon termination for default, to collect as damages an amount equal to the Concession Fees and all other amounts that are payable hereunder up to the date of such termination.

11.2.3 Remedies Cumulative.

Operator acknowledges that it is informed that the Charter of the City of San Antonio and its Ethics Code prohibit a City officer or employee, as those terms are defined in Section 2-52 of the Ethics Code, from having a financial interest in any contract with the City or any City agency such as city owned utilities. In the event that the airport is closed for commercial aircraft operations for a period of ten (10) consecutive days or longer, Operator may terminate this Concession Agreement by giving written notice to the City of Operator's election to terminate.
