**SECTION 3. Health Department Consulting fee.** The City Code, Section, 15-5, is amended to read as indicated below. Additions are underlined and deletions are ~~struck through~~.

**Sec. 15-5. - Consulting fees fee.**

(a) ~~There is hereby established~~ A a consulting fee is established to be charged to institutions, organizations and/or individuals utilizing ~~who utilize~~ health department data, patients and/or facilities in research and/or demonstration projects. This consulting fee shall be two hundred fifty dollars (\$250.00) per project or .5% of the total project cost, whichever is higher. ~~Fees collected under this section shall be deposited in the city general fund.~~

- (b) Consulting fees shall not be charged to research and/or demonstration projects that are cosponsored by the health department and in which the health department receives other project related financial support.
- (e) All potential research and/or demonstration projects that will utilize health department data, patients and/or facilities must be reviewed by the health department institutional review board, and receive approval from the said board, and pay the established consulting fee before project activities related to the health department can take place.
- (b) A consulting fee is established to be charged to individuals and establishments requesting consulting services from the food and environmental division of the health department. This consulting fee shall be one hundred and thirty five dollars (\$135.00) per hour with a one hour minimum.
- (c) Fees collected under this section shall be deposited in the city general fund.
- (d) The established consulting fees shall be paid before consulting activities related to the health department can take place.

**SECTION 4. Child care facility reinspection fee.** The City Code, Section, 15-224(b), is amended to read as indicated below. Additions are underlined and deletions are ~~struck through~~.

**Sec. 15-224. - Inspections.**

- (b) *Correction of violations.* Imminent health hazards which may be created by sewage backup, extended interruption of water or electrical service, or other conditions which endanger food safety, are to be eliminated by immediate suspension of operations.

The permit holder shall comply with warnings, notices or directives issued by the department, including securing approval to resume operation if operations were suspended.

Critical violations designated on the inspection report are to be corrected by the date and time specified by the department, but in all cases, within ten (10) days following the inspection.

Non-critical violations designated on the inspection report are to be corrected by the date and time specified by the department, but in no event later than the next scheduled inspection.

Correction of violations is to be verified by the department after receiving written notification from the permit holder that the violations have been eliminated or at the end of the specified period of time and be noted on the inspection report and in the department's records.

Cost of reinspection shall be:

1st reinspection .....	<del>\$ 25.00</del>	<u>\$100.00</u>
2nd reinspection .....	<del>50.00</del>	<u>\$115.00</u>
3rd reinspection .....	<del>75.00</del>	<u>\$125.00</u>
4th reinspection .....	<del>100.00</del>	<u>\$150.00</u>

(b) Inspection fee. The work allowed by each permit shall be subject to inspection as determined by the director and a fee of one hundred twenty dollars (\$120.00) per point repair; sixty dollars (\$60.00) re-inspection fee; and ~~sixty dollars (\$60.00) per day~~ Tier 1 (0 to 60 days): sixty dollars (\$60.00) per day, Tier 2 (61 to 120 days): ninety dollars (\$90.00) per day, Tier 3 (121 to 180 days): one hundred twenty dollars (\$120.00) per day, Tier 4 (>180 days): one hundred fifty dollars (\$150.00) per day for project permit. The Tier Rate shall be based on the number of days estimated by the applicant in the application. In the event the excavation takes a longer period than the days estimated, the rate for the excavation shall be the Tier 4 Rate. The department shall collect the fee from an applicant for each inspection by the department for any excavation. The fee shall be paid at the time of application for a permit. Inspections may be performed on any and all excavations, at the discretion of the director, based on previous performance of the utility owner, location of excavation, type of work and/or construction methodology. Overtime inspection fees are incurred at a rate of fifty dollars (\$50.00) per hour and eighty-five dollars (\$85.00) per hour on Sundays and holidays.
