RE: Plat 150540 – Martha Lopez Addition

Dear Ms. Romero:

I would like to request a deferral for Plat 150540 – Martha Lopez Addition in order to allow temporary building permits and/or utility service prior to plat approval and recordation.

The owner of this property would like to build a house on this lot for her family who currently lives far away. Her family is not able to move to San Antonio until she builds the house for them.

The consequences if this plat deferral is denied include family and financial hardship for Ms. Lopez. She wants to reunite with her family and has invested a large amount money to help bring them home.

I sincerely appreciate your consideration in reviewing this plat deferral request. If you have any questions, please do not hesitate to call me at (210) 375-4128 or email me at ariel@elizondoassociates.com

Regards,

Ariel Lakata
