4. An Ordinance ordering a special Election to be held on May 9, 2015 to authorize the continuation of the current 1/8th sales tax for the Edwards Aquifer Protection Venue Project at \$100 million and the Parks Development and Expansion Venue Project at \$80 million. [Peter Zaroni, Deputy City Manager; Mike Etienne, EastPoint and Real Estate Services; Xavier Urrutia, Director, Parks and Recreation

Peter Zaroni presented a Power Point Presentation on the Sales Tax Election to continue the Edwards Aquifer Protection and the Linear Creekway Parks Development Programs. He reported that the Election would be held on May 9, 2015 with \$100 Million being allocated toward the Edwards Aquifer Protection Program and \$80 Million for the Linear Creekway Parks Development Program. He stated that 133,447 acres had been protected thus far and presented photos of the protected land. He noted Watershed Protection Projects that would include dry detention basins, rain gardens, and green roofs. He showed photos of the Linear Creekway Parks and stated that they would incorporate watershed and water quality protection efforts when developing park improvements when possible.

Mr. Zaroni reported that informational brochures would be created in English and Spanish and that an Informational Website would be launched today. He added that a City Staffperson would be available to provide factual presentations to the community.

Mayor Taylor thanked staff for the presentation and called upon the citizens registered to speak.

Jack M. Finger expressed concern with issues he experienced with the Bexar County Elections Office when serving as a Poll Watcher.

Nazirite Ruben Flores Perez addressed the City Council in support of the Election and spoke of the importance of protecting the water supply.

Councilmember Nirenberg thanked Mayors Howard Peak and Ivy Taylor, Julia Wright of Greenspace Alliance, and City Staff for their work on said initiatives.

Councilmember Lopez stated that this was a great investment for the community and that he was pleased to expand the Linear Creekway Program which provided alternative modes of transportation.

Councilmember Krier thanked Mayor Taylor for her leadership and asked how the Watershed Protection Projects would be selected. Mr. Zanoni replied that the process had not yet been finalized but envisioned a Committee similar to that of the Conservation Advisory Board. He stated that more information would be provided within 90 days after the election. Councilmember Krier recommended that they solicit a wide range of creative ideas and proposals with standards and measures of effectiveness.

Councilmember Gallagher referred to Slide 6 showing the conservation easements purchased thus far. He spoke of the significance of conservation easements and land purchases to the City of San Antonio and expressed support for both programs.

Mayor Taylor thanked Councilmembers Nirenberg and Lopez for bringing this forward and stated that she looked forward to continue building on the successful programs.

CONSENT ITEMS CONCLUDED

ITEMS PULLED FOR INDIVIDUAL CONSIDERATION

The City Clerk read the caption for Item 6:

2015-02-12-0078

6. An Ordinance accepting the offer from Alpha Data Corporation for the purchase and installation of 3M Radio Frequency Identification Data equipment for Encino Branch Library which will allow patrons to self-check library books and media collections within the library, funding in the amount of \$88,195.00 is available through the 2012-2017 Bond Program, District 9 New Branch Library Capital Project. [Ben Gorzell, Chief Financial Officer; Troy Elliott, Director, Finance]

Councilmember Krier asked how the funding would be utilized. Dale McNeill stated that the funds would be used to purchase Radio Frequency Identification Data which would allow library books and materials to be checked out by patrons. He noted that this technology was used in other Branch Libraries and the patrons enjoyed the ease of the system. Councilmember Krier asked of the drive-through area. Mr. McNeill replied that they would use the drive-through for patrons to be able to pick up books they would like to check out. Councilmember Krier asked of the timeline and budget. Mr. McNeill replied that the project was scheduled to open on time on May 2, 2015 and was within budget.

Councilmember Treviño expressed his support and stated that the drive-through was a great example of taking modern technology to repurpose an existing system.

Councilmember Krier moved to adopt the proposed ordinance. Councilmember Viagran seconded the motion. The motion prevailed by the following vote:

Aye: 11 - Mayor Taylor, Trevino, Warrick, Viagran, Saldaña, Gonzales, Lopez, Medina, Nirenberg, Krier and Gallagher

34. City Manager's Report
A. Pre-K 4 SA Update

Mrs. Sculley reported that the Pre-K 4 SA Business Model included: 1) Four Education Center Facilities serving 500 students with full-day Pre-K Instruction; 2) Competitive grant

award to Local Independent School Districts and other Education Providers to educate 1,700 children annually beginning in 2016; and 3) Professional Development for Pre-K through 3rd Grade Educations. She stated that Pre-K 4 SA is governed by an 11-Member Board of Directors appointed by the City Council. She noted that Pre-K 4 SA places a strong emphasis on family engagement in early education and that each Education Center houses a Family Resource Center. She spoke of the After School Enrichment Program which operates from 3:00-5:00 pm and the free bus service provided.

Mrs. Sculley reported that to gauge success in development and implementation of the program, Pre-K 4 SA secured an 8-year agreement with Rutgers University's Edvance Research Center to conduct an Independent Evaluation of the program on an annual basis. She provided an overview of the Year 1 Student Performance in which students exceeded a national sample of students in Cognitive, Literacy, and Math Skills, and met the standard in Oral Language, Physical Skills, and Socio-Emotional Behavior. She highlighted the Student Enrollment Process noting that they had received over 1,000 student applications. She presented examples of curriculum that the students learned the previous months in the areas of Math, Science, and Literacy. She reported that the Pre-K 4 SA Program has had many successes in its early years and looks forward to continue providing high quality Early Childhood Learning for the children of San Antonio.

Mayor Taylor thanked city staff for their work on Pre-K 4 SA.

ADJOURNMENT

There being no further discussion, Mayor Taylor adjourned the meeting at 10:21 am.
