 - a. provide coverage, based on proper reporting of classification codes and payroll amounts and filing of any coverage agreements that meets the statutory requirements of Texas Labor Code, Section 401.011(44) for all of its employees providing services on the Project, for the duration of the applicable Phase of the Project;

- d. obtain from each other person with whom it contracts, and provide to the Developer:
 - (i) a certificate of coverage, prior to the other person beginning work on the Project; and

 - g. perform as required by paragraphs a-g with the certificates of coverage to be provided to the person for whom they are providing services.
- 10.11 By signing this Agreement or providing or causing to be provided a certificate of coverage, Developer is representing to the City that all employees of Developer who will provide services on the Project will be covered by workers' compensation coverage for the duration of the applicable Phase of the Project, that the coverage will be based on proper reporting of classification codes and payroll amounts, and that all coverage agreements will be filed with the appropriate insurance carrier or, in the case of a self-insured, with the commission's Division of Self Insurance Regulation. Providing false or misleading information may subject Developer to administrative penalties, criminal penalties, civil penalties, or other civil actions.
- 10.12 Developer's failure to comply with any of these provisions is a breach of this Agreement by the Developer which entitles the City and/or Board to declare the Agreement void and exercise all legal remedies if the Developer does not remedy the breach within ten (10) days after receipt of notice of breach from the City without necessity of the sixty (60) day cure period as set forth in Section 11.3.2 of this Agreement.

Records, of this Agreement. Reimbursements due to Developer will be conditioned upon delivery of all such documents, records, or reports, if requested by the City. Within ninety (90) calendar days of the effective date of completion, or termination or expiration of this Agreement, Developer shall submit to City and/or the Board all requests for reimbursements in accordance with Section 6.13 above through the effective date of termination. DEVELOPER further AGREES TO DEFEND, AT ITS OWN EXPENSE and ON BEHALF OF THE CITY AND/OR THE BOARD AND IN THE NAME OF THE CITY AND IN THE NAME OF THE BOARD, any claim or litigation brought against the CITY and its elected officials, employees, officers, directors, volunteers and representatives, in connection with any such injury, death, or damage for which this INDEMNITY shall apply, as set forth above.

- 15.2 RECEIPT OF SERVICES. The receipt by the City of services from an assignee of the Developer shall not be deemed a waiver of the covenant(s) in this Agreement against assignment or an acceptance of the assignee or a release of the Developer from further performance by Developer of the covenant(s) contained in this Agreement. No provision of this Agreement shall be deemed waived by the City unless such waiver is in writing, and approved by the City through an ordinance passed and approved by its City Council.

The parties hereto understand and agree that neither the City nor the Board shall not be liable for any claims that may be asserted by any third party occurring in connection with services performed by the Board and/or Developer respectively, under this Agreement unless any such claims are due to the fault of the City.

ARTICLE XXI. PREVAILING WAGES

- 21.1 The TIF Program is a discretionary program, and it is the policy of the City that the requirements of Chapter 2258 of the Texas Government Code, entitled "Prevailing Wage Rates," shall apply to TIF Development Agreements. Developer agrees that the Developer will comply with City Ordinance No. 71312 and its successors such as Ordinance No. 2008-11-20-1045 and will require subcontractors to comply with City Ordinance 71312 and its successors such as Ordinance No. 2008-11-20-1045 and shall not accept affidavits.

- 21.3 Developer is further required to cause the latest prevailing wage determination decision to be included in bids and contracts with the Developer's general contractor and all subcontractors for construction of each Phase. The Developer shall forfeit as a penalty to the City \$60.00 for each laborer, workman, or mechanic employed, for each calendar day, or portion thereof, that such laborer, workman or mechanic is paid less than the said stipulated rates for any work done under said contract, by Developer or any subcontractor under the Developer. The establishment of prevailing wage rates in accordance with Chapter 2258, Texas Government Code shall not be construed to relieve the Developer from his obligation under any Federal or State Law regarding the wages to be paid to or hours worked by laborers, workmen or mechanics insofar as applicable to the work to be performed under this Agreement.

No change under this section may result in an increase in the maximum contribution of the City or any other Participating Taxing Entity. Developer may rely on the determination of the Director of the City's Neighborhood & Housing Services Department, whether a change in the Construction Schedule would result in a material change to the overall Project requirements.
- 22.3 AUTOMATIC INCORPORATION OF LAWS. Changes in local, state and federal rules, regulations or laws applicable to the Board's and the Developer's services under this Agreement may occur during the term of this Agreement and any such changes shall be automatically incorporated into this Agreement without written amendment to this Agreement, and shall become a part as of the effective date of the rule, regulation or law.

- 23.1 If any clause or provision of this Agreement is held invalid, illegal or unenforceable under present or future federal, state or local laws, then said clause or provision shall not affect any other clause or provision, and the remainder of this Agreement shall be construed as if such clause or provision was never contained herein. It is also the intent of the Parties that in lieu of each invalid, illegal, or unenforceable provision, there be added as a part of this Agreement a clause or provision as similar in terms to such invalid, illegal or unenforceable clause or provision as may be possible, legal, valid and enforceable.

ARTICLE XXIV. LITIGATION EXPENSES

- 24.1 City policy on litigation is that, except to the extent prohibited by law, persons who are engaged in litigation or adversarial proceedings related to TIF against the City are ineligible to obtain or continue the use of TIF as principals or participants for the duration of the litigation. A principal or participant includes the TIF applicants and the TIF applicant's developers, partners, affiliates, sponsors, payroll employees, or relatives of the first degree of consanguinity. Accordingly, the City shall not consider a project proposing the use of TIF, designate a TIRZ, enter into any TIF contracts or agreements with, or authorize or make any TIF payment to persons engaged in litigation or adversarial proceedings related to TIF with the City. Ineligible persons shall be excluded from participating as either participants or principals in all TIF projects during the term of their litigation.
