1. The undersigned is authorized to approve an exemption.
2. An exemption according to Section 252.022 of the Local Government Code exists. More specifically, the following event has occurred:
Due to a tie-bid for annual contracts of animal vaccines, ACS is seeking to order vaccines directly from the manufacturer, Merck Animal Health. It is essential that ACS be able to purchase vaccines regularly in order to ensure the vaccination of all animals entering our facility. These vaccines prevent the spread of communicable disease, as well as zoonotic diseases such as rabies that can not only place citizens at risk of contracting the disease, but also pose a direct threat to their life both from the disease as well as the animal carrying the disease(s).

3. Because the exemption stated above exists, the City of San Antonio intends to contract with Merck Animal Health which will cost approximately \$ 114,360.00
