Description of Servient A 1.514 acre tract of land, New City Block (N.C.B.)

Estate: 11186 conveyed to the City of San Antonio of record in Volume 1597 Page 571 of the Official Public Records of Bexar County, Texas, also known as The Cortez Library located 2803 Hunter Boulevard, as shown on Exhibit A, which is incorporated herein by reference for all purposes as if it were fully set forth.

Grantor grants, dedicates, and conveys to Grantee, for and in consideration of the benefits accruing to Grantors, to Grantors' other property, and to the public generally, an easement over, across, under and upon the Servient Estate. The easement may be used only for the Purpose of Easement stated above. Grantor covenants and for itself, its heirs, executors, successors, and assigns, that no building or obstruction of any kind will be placed on the easement area herein granted. Grantee may remove from the easement area all trees and parts thereof, and other obstructions that may interfere with the exercise of the rights granted hereunder upon providing Grantor 5 day written notice prior to starting any work, unless lesser notice is required due to an emergency.

This easement is granted upon condition that Grantor's use, operations and public services must not be interrupted on the Servient Estate and the Servient Estate must be restored to its original condition, or better, upon any work by Grantee being completed. After 14 days' written notice to Grantee's Address for Notice and no cure by Grantee, Grantor may file a Notice of Non-Compliance for failure to meet these conditions, upon which this easement shall be extinguished. This easement will not be effective unless concurrent with filing this easement, Grantee files and records an instrument, in substantially the same form shown as Exhibit B, releasing Grantor from any and all liabilities which may be incurred in connection with this request, indemnifies Grantor and agrees to hold Grantor harmless from and against any and all liens and any other loss, damage or liability which Grantor may incur in the granting of this easement. After 14 days' written notice to Grantor's Address for Notice and no cure by Grantee, Grantor may file a Notice of Non-Compliance for failure to meet this condition within 12 months of the execution of this easement, upon which filing this easement shall be extinguished. The Notice of Non-Compliance shall be a written instrument recorded in the appropriate records of Bexar County, Texas. The instrument need be signed only by Grantor and assert that the easement condition requiring the release instrument be filed was not met. Upon being extinguished, all rights and privileges cease, and Grantee must promptly cease use of the easement. Grantee's improvements or appurtenances not removed within 90 days after extinguishing of the easement, become the property of Grantor. Grantor may, without liability to Grantee, dispose of such property at a public or private sale, with ten days' written notice to Grantee at Grantee's Address for Notice.

Grantor reserves the right to develop the Servient Estate in any manner that Grantor may deem prudent or expedient which does not interfere with the easement purpose. Grantor hereby reserves the right at any time to require relocation of all or any portion of the sanitary sewer line contained in the Sewer Easement as Grantor may deem expedient, necessary or prudent with respect to the development of the property or adjacent public streets. If Grantor's needs, including a municipally-owned utility of the City of San Antonio, reasonably require relocation, maintenance, or adjustment in the easement area or improvements by Grantee thereto, the relocation, maintenance, or adjustments shall be at Grantee's sole cost and expense. Relocation shall be reflected by a revised metes and bounds defining the new easement areas prepared at the expense of Grantee. Upon such

relocation, Grantor shall deliver to Grantee an easement in recordable form for such relocated line and upon recording of such new easement the sewer easement herein conveyed shall terminate. After 14 days' notice to Grantee to Grantee's Address for Notice, Grantor may file a Notice of Non-Compliance for failure to meet these conditions, upon which filing this easement shall be extinguished. The Notice of Non-Compliance shall be a written instrument recorded in the appropriate records of Bexar County, Texas. The instrument need be signed only by Grantor and assert that the easement condition requiring that relocation and/or the providing of a new survey was not met.

At any time that Grantee or those claiming through Grantee cease to use this easement for 12 consecutive months, after 14 days' written notice to Grantee at Grantee's Address for Notice Grantor has the right to terminate this easement by means of a written instrument recorded in the appropriate records of Bexar County, Texas. The instrument need be signed only by Grantor and assert that the easement was not used for 12 consecutive months. Grantor's right to terminate lapses after four years from a period of non-use, but each 12 consecutive months of non-use gives Grantor a new right to terminate, so that Grantee's successors need inquire into non-use only within the four years immediately preceding the successor's acquisition.

This Sewer Easement shall bind and inure to the benefit of the parties hereto and their respective heirs, executors, personal representatives, mortgagees, successors and assigns.

This Sewer Easement shall be interpreted and construed in accordance with the laws of the State of Texas.

To Have and To Hold the above described easement and rights unto Grantee, its successors and assigns, until its use is abandoned.

This easement is subject to all pre-existing rights of record in the Servient Estate.

obstructions that may interfere with the exercise of the rights granted hereunder with proper 5 day notice to Grantor; together with the right of ingress and egress over the easement for the purpose of exercising all other rights hereby granted

Description of Servient Estate:

A 1.514 acre tract of land, New City Block (N.C.B.) 11186 conveyed to the City of San Antonio of record in Volume 1597 Page 571 of the Official Public Records of Bexar County, Texas, also known as The Cortez Library located 2803 Hunter Boulevard, as shown on Exhibit A, which is incorporated herein by reference for all purposes as if it were fully set forth.

Grantor grants, dedicates, and conveys to Grantee, for and in consideration of the benefits accruing to Grantors, to Grantors' other property, and to the public generally, an easement over, across, under and upon the Servient Estate. The easement may be used only for the Purpose of Easement stated above. Grantor covenants and for itself, its heirs, executors, successors, and assigns, that no building or obstruction of any kind will be placed on the easement area herein granted. Grantee may remove from the easement area all trees and parts thereof, and other obstructions that may interfere with the exercise of the rights granted hereunder upon providing Grantor 5 day written notice prior to starting any work, unless lesser notice is required due to an emergency.

This easement is granted upon condition that Grantor's use, operations and public services must not be interrupted on the Servient Estate and the Servient Estate must be restored to its original condition, or better, upon any work by Grantee being completed. After 14 days' written notice to Grantee's Address for Notice and no cure by Grantee, Grantor may file a Notice of Non-Compliance for failure to meet these conditions, upon which this easement shall be extinguished. This easement will not be effective unless concurrent with filing this easement, Grantee files and records an instrument, in substantially the same form shown as Exhibit B, releasing Grantor from any and all liabilities which may be incurred in connection with this request, indemnifies Grantor and agrees to hold Grantor harmless from and against any and all liens and any other loss, damage or liability which Grantor may incur in the granting of this easement. After 14 days' written notice to Grantee's Address for Notice and no cure by Grantee, Grantor may file a Notice of Non-Compliance for failure to meet this condition within 12 months of the execution of this easement, upon which filing this easement shall be extinguished. The Notice of Non-Compliance shall be a written instrument recorded in the appropriate records of Bexar County, Texas. The instrument need be signed only by Grantor and assert that the easement condition requiring the release instrument be filed was not met. Upon being extinguished, all rights and privileges cease, and Grantee must promptly cease use of the easement. Grantee's improvements or appurtenances not removed within 90 days after extinguishing of the easement, become the property of Grantor.

Grantor may, without liability to Grantee, dispose of such property at a public or private sale, with ten days' written notice to Grantee at Grantee's Address for Notice.

Grantor reserves the right to develop the Servient Estate in any manner that Grantor may deem prudent or expedient which does not interfere with the easement purpose. Grantor hereby reserves the right at any time to require relocation of all or any portion of the sanitary sewer line contained in the Sewer Easement as Grantor may deem expedient, necessary or prudent with respect to the development of the property or adjacent public streets. If Grantor's needs, including a municipally-owned utility of the City of San Antonio, reasonably require relocation, maintenance, or adjustment in the easement area or improvements by Grantee thereto, the relocation, maintenance, or adjustments shall be at Grantee's sole cost and expense. Relocation shall be reflected by a revised metes and bounds defining the new easement areas prepared at the expense of Grantee. Upon such relocation, Grantor shall deliver to Grantee an easement in recordable form for such relocated line and upon recording of such new easement the sewer easement herein conveyed shall terminate. After 14 days' notice to Grantee to Grantee's Address for Notice, Grantor may file a Notice of Non-Compliance for failure to meet these conditions, upon which filing this easement shall be extinguished. The Notice of Non-Compliance shall be a written instrument recorded in the appropriate records of Bexar County, Texas. The instrument need be signed only by Grantor and assert that the easement condition requiring that relocation and/or the providing of a new survey was not met.

At any time that Grantee or those claiming through Grantee cease to use this easement for 12 consecutive months, after 14 days' written notice to Grantee at Grantee's Address for Notice Grantor has the right to terminate this easement by means of a written instrument recorded in the appropriate records of Bexar County, Texas. The instrument need be signed only by Grantor and assert that the easement was not used for 12 consecutive months. Grantor's right to terminate lapses after four years from a period of non-use, but each 12 consecutive months of non-use gives Grantor a new right to terminate, so that Grantee's successors need inquire into non-use only within the four years immediately preceding the successor's acquisition.

This Sewer Easement shall bind and inure to the benefit of the parties hereto and their respective heirs, executors, personal representatives, mortgagees, successors and assigns.

This Sewer Easement shall be interpreted and construed in accordance with the laws of the State of Texas.

To Have and To Hold the above described easement and rights unto Grantee, its successors and assigns, until its use is abandoned.

This easement is subject to all pre-existing rights of record in the Servient Estate.
