WHEREAS, Meritage Homes of Texas, LLC has obtained all necessary signatures to request the closure of the remaining right-of-ways; **NOW THEREFORE**,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF SAN ANTONIO:

SECTION 1. Subject to the reservation below, as an exercise of its discretion, the City Council closes, vacates, and abandons the rights-of-way (“Right-of-Way Segments”) identified in Section 2 of this Ordinance. A condition of the closure, vacation, and abandonment is City’s receipt of the fee set out below in the funding section of this Ordinance.

SECTION 2. The detailed description of the Right-of-Way Segments are set forth on are set forth at **Attachment I**. Maps and pictures of the Right-of-Way Segments are set forth on **Attachment II**. Both Attachments I and II are incorporated into this ordinance for all purposes as if they were fully set forth. Attachment I controls over any discrepancy between it and Attachment II.

SECTION 3. The Right-of-Way Segment exists by virtue of a subdivision plat recorded at Volume 2805, Page 118, Official Public Records of Bexar County, Texas.

SECTION 4. The properties abutting the Right-of-Way Segment are:

The listing above is made solely to facilitate indexing this Ordinance in the real property records. If the listing is inaccurate or not comprehensive, it does not affect the validity of the closure.

SECTION 5. In addition to the condition stated in Section 1, a further condition to the closure effected by this Ordinance is a plat being approved no later than December 31, 2016, dedicating approved and recorded access per Chapter 35 of the City Code for all lots associated with the Right of Way Segments. Such plat must ensure that traffic or related right-of-way conditions are in compliance with the City Code of San Antonio. If no such plat is timely approved, this Ordinance is void. Additionally, the closure is further conditioned on the owners of abutting property to the Right of Way Segments dedicating a public access easement, in substantially the same form as shown in **Attachment III**, to serve in the same capacity as the streets being abandoned until either the Right of Way Segment areas are replatted or this Ordinance is void.

SECTION 6. All presently existing water and wastewater lines and facilities, electric transmission and distribution lines and facilities, gas lines and facilities, communication lines and facilities, or any other public utility lines and facilities, if any, may remain in place despite this Ordinance and may continue to be used, repaired, enlarged, and maintained in the ordinary course of business. Any person wanting removal of an existing utility line or facility must negotiate separately with the pertinent utility. Any person building on the Right-of-Way Segments without first reaching an agreement with a utility having lines or facilities in the segment does so at his own risk. After the date of this Ordinance, no utility may add additional utility lines or facilities in the Right-of-Way Segments based on a claim that the Right-of-Way Segment is public right of way. All existing drainage rights in the Right-of-Way Segments are

retained by the City. This closure does not give up any right arising other than from the plat or other instrument creating the public street right of way.

SECTION 7. The City Manager or her designee, severally, are authorized and directed to execute and deliver all documents and to do all other things conducive to reflect this closure, abandonment, and vacation.

SECTION 8. The Right-of-Way Segments exist by easement. The underlying fee ownership of the Right-of-Way Segments by the adjacent lot owners is now unburdened by the rights closed, vacated, and abandoned.

SECTION 9. The requirements of Section 37-11 of the City Code for fee reduction are waived. The total cost for the closures is \$15,637.00. Funds generated by this ordinance will be deposited into Fund 11001000, Internal Order 256000000001 and General Ledger 4903101.

SECTION 10. The financial allocations in this Ordinance are subject to approval by the Director of Finance, City of San Antonio. The Director of Finance, may, subject to concurrence by the City Manager or the City Manager's designee, correct allocations to specific SAP Fund Numbers, SAP Project Definitions, SAP WBS Elements, SAP Internal Orders, SAP Fund Centers, SAP Cost Centers, SAP Functional Areas, SAP Funds Reservation Document Numbers, and SAP GL Accounts as necessary to carry out the purpose of this Ordinance.

SECTION 11. The disposition of any surplus property must be coordinated through the city's Finance Department to assure the removal of these assets out of the City's financial records and to record the proper accounting transactions.

SECTION 12. This ordinance becomes effective 10 days after passage, unless it receives the eight votes requisite to immediate effectiveness under San Antonio Municipal Code § 1-15, in which case it becomes effective immediately.
