WHEREAS, HEB seeks to maintain and expand its presence in downtown San Antonio and HEB has developed a Master Plan that is attached hereto as **Exhibit "A"** ("**Master Plan**") to allow for such expansion;

WHEREAS, the Master Plan will allow HEB to increase the number of employees at its downtown headquarters by as many as 800 by 2020 (over fifty-percent (50%) of which are anticipated to be newly-created positions); and

WHEREAS, the Master Plan also provides HEB with the opportunity to grow by an additional 800 employees by 2030, for a cumulative total of 3,200 employees at the downtown campus by such date; and

WHEREAS, the Master Plan contemplates a \$75 million investment by HEB; and

WHEREAS, the Master Plan provides for (a) the expansion of the downtown HEB headquarters and (b) the development of an HEB grocery store with a floor area of at least 10,000 square feet (as further described below);

WHEREAS, the City desires to facilitate the implementation of the Master Plan for purposes of (a) increasing downtown employment, and (b) making downtown a more attractive residential district through the introduction of a neighborhood grocery store; and

WHEREAS, the Master Plan requires the unification of the historic Arsenal property, which is located on opposite sides of South Main Avenue, through the closure of the portion of South Main Avenue between East Cesar E. Chavez Boulevard and East Arsenal Street (the "**Street Closure**"); and

WHEREAS, the City has commissioned and reviewed the Traffic Impact Analysis attached hereto as **Exhibit "B"** (the "**TIA**") to determine the impact of the Street Closure on vehicular, pedestrian, and bicycle traffic; and

WHEREAS, the TIA recommends certain traffic improvements for purposes of mitigating the impact of the Street Closure on vehicular, pedestrian, and bicycle traffic, a general description of such improvements being described on the attached **Exhibit "C"**; and

WHEREAS, the canvassing of City departments, utilities, and other major stakeholders regarding the Street Closure identified needs for purposes of mitigating the impact of the Street Closure, including the Traffic Improvements, certain Commander's House Work (as defined herein) to improve public access to the Commanders House, and the construction of certain Pedestrian and Bicycle Paths to improve pedestrian and bicycle access between the surrounding neighborhoods, the Commander's House Park, the Grocery Store and the HEB headquarters (collectively, the "**Project Improvements**"); and

WHEREAS, the City's street closure procedure requires approval of the City Council and the payment of a fee equivalent to the appraised value of the land being vacated by the Street Closure, which has been determined by appraisal to be Three Million Five Hundred Forty Thousand and No/100 Dollars (\$3,540,000.00) (the "**Street Closure Fee**") as more particularly described in Section 6.2 below; and

WHEREAS, Section 37-11(d)(2) of the City's Code of Ordinances (the "**Code**") provides that the Director (as defined below) may recommend to City Council that it reduce the fee paid for a street closure if the petitioner for such street closure proposes to make improvements qualifying for reduction or waiver of fees under the City's incentive policies; and

WHEREAS, the Director has found that the Project Improvements qualify under Section 37-11(d)(2) of the Code for purposes of allowing the City Council to reduce the fee for the Street Closure and has recommended to the City Council that it agree to reduce the fee for the Street Closure by allowing HEB to offset the costs incurred to construct the Project Improvements against the Street Closure Fee; and

WHEREAS, the City's willingness to permit HEB to offset the costs of the Project Improvements against the Street Closure Fee is premised partially upon HEB's commitment to develop the Grocery Store and operate such Grocery Store for at least five years; and

WHEREAS, Section 37-11(e) of the Code provides that the Director may require a petitioner for a street closure to execute an agreement setting out the applicable closure fee and the conditions imposed by City departments in connection with the street closure; and

4.3 Plan Approval. City shall have approved the plans and specifications and other Contract Documents for the construction of the Project Improvements in accordance with Article VIII and IX below.

V. HEB'S OBLIGATIONS

5.1 Temporary Access Easement. Upon approval of the Street Closure, HEB shall grant to City a non-exclusive access easement across the area subject to the Street Closure in the form attached hereto as Exhibit "E" (the "*Temporary Access Easement*"). As described in Exhibit "E", the Temporary Access Easement provides that the area subject to the Street Closure shall remain open for purposes of passage by the general public for no less than three hundred sixty three (363) days per year until such time as construction of the Project Improvements has been

completed and accepted by the City in accordance with Section 5.6 below (the "***Project Improvements Completion Date***").

5.2 Grocery Store. HEB shall coordinate the design of the Grocery Store with City's Historic Design & Review Commission. HEB shall commence construction of the Grocery Store promptly following the Project Improvements Completion Date and exercise diligent efforts to complete construction of the Grocery Store and open for business within one year thereafter. HEB shall operate the Grocery Store for a period of no less than five (5) consecutive years following completion of the Grocery Store.

5.3 City-Owned Commander's House. The City-owned Commander's House is adjacent to HEB's corporate headquarters. This public facility shall remain in the City's ownership and operated in accordance with the City's policies. For purposes of enhancing public access and use of the Commander's House, HEB shall perform the following work as part of the Project Improvements (collectively, the "***Commander's House Work***"):

- a. New Entrance. HEB shall construct a new vehicular entrance and driveway off of Flores Street at Whitley Street to the Commander's House, which shall be accessible to the general public seeking access to the Commander's House, and provide an access easement to City as may be reasonably required to provide access from the public street to the Commander's House entrance drive.
- b. Road Restoration. HEB shall repair the circular drive on the Commander's House grounds and provide a paved access to the parking lot from the circular drive.
- c. Plans and Access. The Commander's House Work shall be performed in accordance with plans and specifications approved by HEB and City and City shall grant HEB such access and construction easements as may be reasonably are necessary for purposes of performing this work.

5.4 Pedestrian and Bicycle Paths. As part of the Project Improvements, HEB shall construct the Pedestrian and Bicycle Paths. 5.6 Completion of Project Improvements. HEB agrees to commence construction of the Project Improvements promptly following satisfaction of the Conditions set forth in Article IV, and following such commencement exercise diligent efforts to complete the Project Improvements within twelve (12) months thereafter. 5.7 Performance Bond/Letter of Credit. To secure HEB's obligations to construct the Project Improvements, HEB shall provide, for the City's benefit, a performance bond or letter of credit, in a form reasonably acceptable to City's Risk Manager, in an amount of up to THREE MILLION FIVE HUNDRED FORTY THOUSAND DOLLARS AND NO CENTS (\$3,540,000.00), which performance bond or letter of credit shall remain in place until the Project Improvements have been completed.

5.8 Landscaping and Grounds Maintenance. Upon HEB's completion of the Commander's House Work, HEB shall assume responsibility for maintaining the landscaping and grounds of the Commander's House in substantially their existing condition for a period of twenty (20) years from the Effective Date of this Agreement. Notwithstanding the foregoing, the cost of any capital repairs and replacements to the Commander's House landscaping or grounds shall be borne by City except to the extent such costs arise out of HEB's failure to perform its maintenance obligations hereunder. Notwithstanding anything contained herein to the contrary, HEB's obligations under this Section 5.8 shall survive the termination of this Agreement until the expiration of the 20-year period described above.

5.9 Waivers. HEB agrees to forego any incentive funds other than City and SAWS Fee waivers from the City for the construction and operation of the Grocery Store and Project Improvements. HEB shall be entitled to the benefit of City and SAWS Fee waivers in accordance with the City's and SAWS' fee waiver policies applicable to the Grocery Store and Project Improvements.

5.10 Cost of TIA. Following the Street Closure, HEB agrees to reimburse City the sum of \$36,878.00 for the costs undertaken in commissioning the TIA. City shall provide HEB with an invoice for the cost of the TIA and HEB shall pay City the amount no later than sixty (60) days following the submission of the invoice.

VI. APPLICATION OF PROJECT COSTS TO STREET CLOSURE FEE

6.1 Closure Fees. Under Section 37-11 of City's Municipal Code, fees for the closures, vacations, and abandonments of street by City are: a) a non-refundable processing fee of \$815.00 and b) the fair market value of the right-of-way segment being closed, vacated, or abandoned. HEB previously petitioned City for the Street Closure and paid to City an amount of \$815.00 to commence the closure process.

6.2 Appraisal. The Street Closure shall be performed in accordance with Section 37-11 of the City's Municipal Code, which requires the petitioner to pay a fee equivalent to the fair market value of the right-of-way segment being closed, vacated, or abandoned. The City has undertaken and completed an independent appraisal of the street right-of-way in accordance with the City's street closure procedure, which appraisal is attached hereto as Exhibit "F". The Parties agree that the stated value in the appraisal, being the Street Closure Fee, represents the fair market value of the Street Closure.

6.3 Deduction of Costs. The Parties anticipate that the Project Costs may equal or exceed the Street Closure Fee and, thus, there will be no additional monetary consideration owed by HEB upon completion of the Project Improvements. Pursuant to Section 37-11(d)(2) of the Code, the

Street Closure Fee shall reduce by (a) the Project Costs incurred in accordance with this Agreement, and (b) so long as HEB commences construction of the Project Improvements within ninety (90) days following satisfaction of the Conditions set forth in Article IV above, City agrees to defer HEB's obligation to pay any portion of the Street Closure Fee until the completion of the Project Improvements.

6.4 Remaining Balance. Notwithstanding anything contained herein to the contrary, if the Project Costs do not equal or exceed the Street Closure Fee, then within thirty (30) days following completion of the Project Improvements, HEB shall pay to the City the amount by which the Street Closure Fee exceeds the Project Costs (the "**Remainder Fee**").

VII. PROJECT MANAGEMENT

7.1 Project Management. HEB will manage, oversee, administer and carry out all of the activities and services required for construction of the Project Improvements. HEB will use its best efforts to ensure that the Project Improvements are constructed and completed with quality materials in a good and workmanlike manner, in accordance with the terms of this Agreement and the design and Construction Documents. HEB will be responsible for meeting all applicable legal, regulatory, and code requirements for the Project Improvements.

7.2 Timely Performance. HEB and City herein acknowledge that this Agreement has time performance requirements. HEB and City will work together in good faith and cooperation to carry out the work expeditiously and to timely perform their respective duties.

7.3 Improvements Committee. At the request of either HEB or City, a committee with membership representing HEB and City may be established to review aspects of the Project Improvements and Grocery Store. The purpose of the committee is to continue the collaborative effort between the entities in the construction of the Project Improvements and the Grocery Store.

7.4 Accessibility. During construction, HEB shall permit access to the Project Improvements by City's employees, agents, contractors, and their employees and subcontractors for the purpose of inspection by City. City representatives will comply with all safety requirements of HEB or its Contractors at the site.

VIII. DESIGN AND ENGINEERING

8.1 Selection. HEB shall enter into contract(s) with such professional consultants, engineers, firms and other persons as are necessary for design and engineering services (collectively "**Engineers**"), for development of designs, plans and specifications, and such studies, reports and analyses that are preliminary to construction of the Project Improvements (collectively "**Engineering Services**"). HEB shall select the providers of Engineering Services in accordance with its usual and customary procurement procedures. HEB shall inform City of its selection(s) within ten (10) business days following the selection date. HEB will forward a copy of the fully-executed contract(s) to the City within ten (10) days of contract execution.

8.2 Review of Construction Documents. HEB shall provide City access to HEB's complete Construction Documents. HEB shall notify the City of such design posting if it is intended for

review and approval by the City. City will review the Construction Documents for compliance with City Codes and Regulations within twenty (20) business days of submission by HEB. HEB shall not proceed to construct any part of the Project Improvements until City has determined that HEB's designs for such part are compliant with the City's Codes and Regulations. If there are any deviations from the City Codes and Regulations that require corrective action, the City shall promptly notify HEB.

IX. CONSTRUCTION

9.1 Selection. HEB shall enter into contract(s) (the "**Construction Contract**") for construction of the Project Improvements. HEB shall be solely responsible for the selection of Contractor(s) for construction of the Project Improvements in accordance with its usual and customary procurement procedures. HEB shall inform City of the Contractor's selection within ten (10) business days following the selection date and forward to City a copy of the fully executed construction contract(s) within ten (10) days of contract execution. If HEB does not receive qualified bids within the cost estimates, HEB may redesign and rebid the Project Improvements until it is within an acceptable budget. City shall be consulted if the need to eliminate or redesign material portions of the Project Improvements becomes necessary due to the actual costs exceeding the cost estimates.

9.2 Construction Documents/Corrective Actions. HEB shall provide the City with a complete set of the Construction Documents. HEB shall notify the City of such construction posting if it is intended for review and approval by the City. Upon submission by HEB of the complete set of Project Construction Documents, the City will promptly review within twenty (20) business days for compliance with City Codes and Regulations. If there are any deviations from the City Codes and Regulations that require corrective action, the City shall promptly notify HEB.

9.3 Permits and Approvals. HEB's obligations to commence construction of the Grocery Store and Project Improvements are conditioned upon the timely receipt by HEB of applicable City permits and approvals. Without limiting the foregoing, HEB agrees to use its commercially reasonable efforts (without cost or expense to the City) to apply for and obtain all requisite approvals from any regulatory authority in connection with the construction of the Grocery Store and the Project Improvements.

9.4 Construction Execution. HEB shall use its commercially reasonable efforts to cause the Contractor to construct the Project Improvements in a diligent and continuous fashion until completion. Construction of the Project Improvements shall at all times be performed in a good and workmanlike manner using only quality materials as shall be specified in the Construction Documents. The Project Improvements may be designed and built in stages as HEB may determine. During construction of the Project Improvements, HEB shall provide the Director, upon request, status reports showing the percentage of completion of the Work and expenditures incurred in connection with the construction of the Project Improvements. The Director shall have the authority to approve completion of the Project Improvements on behalf of the City. "As-Built" Plans shall be provided to the City no later than sixty (60) days after completion of the Project Improvements.

9.5 Change Orders and Modifications. HEB shall notify the CITY of any variations from the Construction Documents with cost impacts of \$500,000.00 or more.

9.6 Inspections. The Project Improvements shall be accessible at all reasonable times to the Director or his/her designee for inspection. HEB acknowledges that any inspections performed by City during the course of construction for purposes of this Agreement (as opposed to routine building and construction inspections performed by City for permitting and acceptance purposes common to all similar construction projects) are for the benefit of the City only and may not be relied upon by others, be claimed by HEB as an approval by the City, a permit granted by the City, a waiver by the City, or used for any purpose by HEB, the Contractor or any third party. HEB further acknowledges that HEB and Contractor are required to perform their own inspections, and inspections by the City do not address any obligations of HEB or others. Subject to the foregoing, the City shall promptly notify HEB of any defects or non-conformances discovered during any City inspections.

X. ACCOUNTING

10.1 Accounting. HEB shall account for all funds expended associated with the Project Improvements. Within twenty (20) business days of the end of each quarter during the period of construction of the Project Improvements, HEB shall prepare a report setting forth all expenditures of funds on the Project Improvements and, upon completion of the Project Improvements, HEB will perform a final report of expenditure and submit to City.

XI. AUDIT RIGHTS

11.1 Audit Conditions and Requirements:

- a. The cost of the Project Improvements is subject to periodic audits by City's auditors or other City staff as designated by the Director. This may include the records of HEB and HEB's Contractor's that are related to the Project Improvements.
- b. Following 30 days after a written request by City, HEB shall submit a written report stating what has been accomplished to date and the most current percentage of completion of the total work for the Project Improvements that has been performed.

11.2 Access to Records. HEB will provide City's staff, including internal and external auditors and other persons as designated by City, such as independent public accountants, access during regular business hours, as deemed necessary by City for the purposes of auditing, monitoring, evaluating, coordinating, investigating and making excerpts and/or copies of any and all of HEB's books, records and files related to the Project Improvements. The submission of falsified information or the failure to timely submit to City such records, reports and financial statements as requested by City pursuant to this Article XIV may constitute a breach of this Agreement and grounds for termination under Article XIII above.

XII. TERMINATION

12.1 Termination Defined. For purposes of this Agreement, "termination" of this Agreement shall mean termination by expiration of the Agreement term as stated in Article III or earlier termination pursuant to any of the following provisions.

12.2 Unauthorized Assignment. If HEB attempts to sell, transfer, pledge or transfer this Agreement without the prior approval of the City, then the City shall have the option of terminating this Agreement effective as of the date provided in the notice given to HEB in accordance with Article XVIII.

12.3 Events of Default. The following shall be deemed to be Events of Default by HEB hereunder:

- a. Failure to abide by the terms of the Temporary Access Easement.
- b. Failure to complete and convey the Project Improvements to City within twelve (12) months following satisfaction of the Conditions set forth in Article IV, subject to extensions for Force Majeure and pursuant to Section 4.1 above.
- c. Failure to open the Grocery Store on or before the expiration of eighteen (18) months following the date upon which the Project Improvements are completed, subject to extensions for Force Majeure.
- d. Failure to operate the Grocery Store for a period of five (5) consecutive years.
- e. Failure to perform or failure to comply with any other material covenant herein required

12.4 Default Termination. Upon the occurrence of an Event of Default, the City may deliver written notice to HEB specifying the nature of such Event of Default (a "**Notice of Default**"). Upon receipt of a Notice of Default, HEB shall then have ninety (90) calendar days (the "**Cure Period**") to cure the Event of Default. If HEB does not cure the Event of Default within the Cure Period, then the City shall have the right, without further notice, to terminate this Agreement (such event referred to herein sometimes as a "**Default Termination**"), and HEB shall be liable to City for payment of the sums set forth in Sections 12.5 and 12.6, as applicable.

12.5 Failure to Complete Project Improvements. Upon an Event of Default by HEB under Section 12.3.b and failure by HEB to cure the Event of Default within the Cure Period, if the proceeds of any Performance Bond or Letter of Credit posted by HEB are not sufficient or available to satisfy HEB's obligation to complete the Project Improvements, then HEB shall pay to the City within thirty (30) days, as Liquidated Damages, a sum equal to the funds required to complete the Project Improvements, as reasonably determined by City. The Parties acknowledge that HEB's failure to complete the Project Improvements will cause the City to incur substantial economic damages and losses of types and in amounts which are impossible to compute and ascertain with certainty as a basis for recovery by the City of actual damages, and that the Liquidated Damages represent a fair, reasonable and appropriate estimate thereof. Such Liquidated Damages are intended to represent estimated actual damages and are not intended as a penalty. HEB shall pay such Liquidated Damages to the City within sixty (60) days of a Default Termination.

12.6 Failure to Open or Operate the Grocery Store. Upon an Event of Default by HEB under Section 12.3.c or d and failure by HEB to cure the Event of Default within the Cure Period, HEB shall pay to City Liquidated Damages in the amount of Three Million Five Hundred Thousand and No/100 Dollars (\$3,500,000.00). The Parties acknowledge that an Event of Default by HEB under Section 12.3.c or d will cause the City to incur substantial economic damages and losses of types and in amounts which are impossible to compute and ascertain with certainty as a basis for recovery by the City of actual damages, and that the Liquidated Damages represent a fair, reasonable and appropriate estimate thereof. Such Liquidated Damages are intended to represent estimated actual damages and are not intended as a penalty. HEB shall pay such Liquidated Damages to the City within sixty (60) days of a Default Termination.

12.7 Termination By Law. If any state or federal law or regulation is enacted or promulgated which prohibits the performance of any of the duties herein, or, if any law is interpreted to prohibit such performance, this Agreement shall be interpreted as if such provision was never included in this Agreement, unless such interpretation would be repugnant to the overall intent of the Parties' to this Agreement in which case this Agreement shall automatically terminate as of the effective date of such prohibition.

12.8 Termination Not Sole Remedy. In no event shall City's action of terminating this Agreement, whether for cause or otherwise, be deemed an election of City's remedies, nor shall such termination limit, in any way, at law or at equity, City's right to seek damages from any Event of Default under Section 12.3.a or e, it being understood that City's sole recourse for an Event of Default under Sections 12.3.b, c or d shall be termination and receipt of Liquidated Damages as provided therein.

Further, any failure of either Party to insist in any one or more cases upon the strict performance of any of the covenants of this Agreement, or to exercise any option herein contained, shall in no event be construed as a waiver of relinquishment for the future of such covenant or option. No act or omission by a Party shall in any manner impair or prejudice any right, power, privilege, or remedy available to that Party hereunder or by law or in equity, such rights, powers, privileges or remedies to be always specifically preserved hereby; provided that it is expressly agreed that neither Party shall have the right to seek consequential, special or punitive damages against the other for any default under this Agreement.
