**Background:**

In 2012, the City of San Antonio (City) held a Bond Election and received voter approval to fund a variety of Parks, Recreation & Open Space Improvements pursuant to such bonds. Among the Parks, Recreation & Open Space Improvements projects approved is the "Greater Mission Area Recreation Facility" project, described in the official bond brochure as "Greater Mission Area Recreation Center LF: Leverage funding for the development of a multi-use recreation facility with the flexibility to partner with outside sources for programming and management." The City must comply with official brochure terms and conditions including fulfillment of a public purpose in accordance with all applicable laws of public funding and authorizing instruments for the public funding. Under this edict, the City identified the YMCA as the appropriate party to partner with, entering into a separate funding agreement as well as this ground lease. The public benefit to be provided is recreational facilities, operated under non-profit regulations, available to the citizens of San Antonio.

**1. Demise of Premises.**

Landlord leases the Premises to Tenant and Tenant leases the Premises from Landlord under the terms of this Lease. Tenant is to have and hold the Premises, together with all rights, privileges, easements, appurtenances, and immunities belonging to or in any way appertaining to them. The foregoing includes easements, rights, and privileges of Landlord, existing now or at any time during the lease term, in, to, or under adjacent streets, sidewalks, alleys, party walls, and property contiguous to the Premises and reversions that may later accrue to Landlord as owner of the Premises by the closing of any street, sidewalk, or alley.

## **2. Lease Term.**

### *Fixed Beginning and Termination Date*

2.01. The Initial Term is as stated above.

### *Right to Extend*

2.02. Tenant may extend this lease for 20 additional years by giving Landlord written notice of Tenant's intention to do so. Tenant must give the notice within the last two years of the Initial Term, but no later than six months before it expires.

### *Termination*

2.03. Unless renewed, this lease terminates without further notice when the Initial Term expires. If renewed, it terminates without further notice when the renewed term expires. Tenant's holding over expiration is not a renewal of the lease and does not give Tenant rights under the Lease in or to the Premises.

### *Holdover*

2.04. If Tenant holds over and continues in possession of the Premises after the Initial Term (or any extension) expires, Tenant's occupancy will be at will, subject to all the terms of this lease.

## **3. Rent.**

### *Initial Term Rent*

3.01. Tenant must pay a one-time rent payment of fifty (50) dollars to Landlord upon execution of the lease. Payments must be in lawful money of the United States to the Address for Rent Payment, unless Landlord notifies Tenant to make payment to some other address.

### *Annual Rent*

3.02. In consideration of Tenant's provision of recreation services during the term of the lease there will be no annual rent.

## **4. Taxes.**

### *Payment by Tenant*

4.01. As a part of the rent due under this lease, and to the extent the Tenant is not otherwise exempt from paying the following, Tenant must pay and discharge all taxes, general and special assessments, and other charges of any kind levied on or assessed against the Premises and all interests in the Premises and all improvements and other property on them during the lease term when due, whether belonging to Landlord or to Tenant, if any. Tenant must pay all the taxes, charges, and assessments directly to the public officer charged with their collection not fewer than 15 days before delinquency. Tenant must indemnify Landlord and hold it harmless from all loss, cost, liability, or expense arising from or relating to such taxes, charges, and assessments. Tenant may, in good faith at its own expense (in its own name or in that of Landlord, or both), contest taxes,

charges, and assessments (if applicable). However, it must pay the contested amount, plus any penalties and interest imposed, if and when finally determined to be due.

*Payment by Landlord*

4.02. If taxes, special assessments, or governmental charges remain unpaid and uncontested later than 15 days before delinquency, Landlord may give written notice to default, specifying the default. If Tenant continues to fail to pay the taxes, special assessments, or governmental charges, or to timely contest them in good faith, before delinquency, Landlord may pay the items specified in the notice. Tenant must then reimburse Landlord on demand for amounts paid or expended for such purpose, with interest at 18% per annum from the date of Landlord's payment until Tenant's reimbursement.

**5. Utilities.**

Tenant must pay or cause to be paid all charges for water, heat, gas, electricity, sewers, and all other utilities used on the Premises throughout the lease term, including any connection fees. Tenant understands and agrees that this provision applies to any existing as well as contemplated facilities.

**6. Use of Premises.**

*Permitted and Prohibited Use of Premises*

6.01. Tenant may use the Premises only for the Permitted Use, unless Landlord otherwise consents in writing. Tenant must not use or store, or permit to be used or stored, on the Premises any hazardous or toxic substances or materials.

*Illegal Use Not Permitted*

6.02. Tenant must not use or permit the Premises to be used for any activity violating any applicable local, state, or federal law, rule, or regulation. Tenant is not considered to have violated this provision unless:

- a. Landlord has notified Tenant in writing specifying the alleged violation;
- b. There has been a final adjudication by a court of competent jurisdiction that the specified use violates the law, rule or regulation; and
- c. Tenant has had a reasonable time after final adjudication to cure the specified violation.

**7. Construction by Tenant.**

*7.01. Conditions*

*General Conditions:* Tenant may erect, maintain, alter, remodel, reconstruct, rebuild, replace, and remove buildings and other improvements on the Premises and may change the contour of the Premises, subject to the following:

- a. Tenant bears the cost of the work. [\*See Specific Conditions below]
- b. Tenant keeps the Premises free of mechanics' and materialmen's liens.
- c. Except for routine maintenance of existing buildings and improvement, Tenant notifies Landlord, before work begins, of the time work will begin and the general nature of the work.
- d. Tenant will secure Landlord's approval of all plans in the manner provided for later in this Lease.

*Specific Conditions:* Tenant may construct a 15,000 square foot or larger multi-function recreation facility, the total cost of which is estimated to be \$5,000,000.00. Construction costs are to be paid by Tenant in the amount of \$2,500,000.00 and Landlord in the amount of \$2,500,000.00, which sum includes \$50,000.00 which will be retained by the City. Tenant has committed to raising its share of the funds necessary to construct the center and agreed to fund on-going operations, once completed. This Lease is subject to the Funding Agreement entered into between Landlord and Tenant. Tenant shall provide evidence to Landlord that \$2,500,000.00 in project funds have been raised prior to the receipt of any City funding under the Funding Agreement.

*Easements, Dedications, Zoning, and Restrictions*

7.02. Landlord will offer reasonable cooperation to Tenant concerning easements, dedications, zoning, and restrictions of the Premises as follows:

- a. Easements and Dedications. On Tenant's request, Landlord will join with Tenant in executing and delivering the documents, from time to time and throughout the lease term, as may be reasonable, appropriate, necessary, or required by the several governmental agencies, public utilities, and companies to grant easements and make dedications consistent with Landlord's long-term plans for the Premises.
- b. Zoning. On Tenant's request, Landlord will execute the documents, petitions, applications, and authorizations as are appropriate or required to be submitted for the Premises, or any part of them, for the purposes of obtaining conditional use permits, zoning and rezoning, tentative and final tract approval, precise plan approval, and further, for the purposes of annexation to or the creation of districts and governmental subdivisions, if such actions are consistent with Landlord's long-term plan for the Premises.

c. Restrictions. At Tenant's request, Landlord will execute and deliver or join in the execution and delivery of the documents appropriate and necessary to impose on the Premises covenants, conditions, and restrictions (1) regulating use of the Premises, or any part of them, (2) establishing common and parking areas; establishing party walls; (3) providing for enlarging common and parking areas by mutual and reciprocal parking rights, (4) providing for rights of ingress and egress; and (5) providing for other matters as are reasonably necessary for the Tenant's development of the improvements on the Premises. All such items must be conducive to orderly development of the Premises as a commercial unit and consistent with Landlord's long-term plan for the Premises.

d. Expenses. Tenant exclusively bears the cost and expense of any action required of Landlord under subparagraphs a through c above.

*Landlord's Approval of Plans*

7.03. The following rules govern Landlord's approving construction, additions, and alterations of buildings or other improvements on the Premises:

a. Written Approval Required. No building or other improvement may be constructed on the Premises unless the plans, specifications, and proposed location of the building or other improvement has received Landlord's written approval, whose approval shall not be unreasonably withheld or delayed. All buildings or other improvements must comply with the approved plans, specifications, and proposed location. No material addition to or alteration of any building or structure erected on the Premises may be begun until plans and specifications covering the exterior of the proposed addition or alteration have been first submitted to and approved by Landlord, whose approval shall not be unreasonably withheld or delayed.

b. Submission of Plans. Tenant must, at its own expense, engage a licensed architect or engineer to prepare plans and specifications for constructing a multi-function recreation center or for constructing any other buildings or improvements or additions or alterations to any buildings or, improvements that require Landlord's approval under subparagraph a above. Tenant must submit three copies of detailed working drawings, plans, and specifications for all improvements for Landlord's approval within 30 days after this lease is executed, but not later than 30 days before construction is to begin. If Tenant wishes to construct any other buildings or improvements or make any additions or alterations to buildings or improvements for which Landlord's approval is required under Subsection (a) above, Tenant must submit copies of detailed working drawings, plans, and specifications for Landlord's approval before the project begins.

c. Landlord's Approval. Landlord will promptly review and approve all plans submitted to it or note in writing any reasonable required changes or corrections. Tenant must comply with reasonable changes or corrections required by Landlord, and Tenant must resubmit plans showing the changes and corrections within 15 days after the corrections or changes have been noted. Minor changes in work or materials not affecting the general character of the building project may be made at any time without Landlord's approval, but a copy of the altered plans and specifications must be furnished to Landlord.

d. Exception to Landlord's Approval. The following items do not require submission to, and approval by, Landlord

i. Minor repairs and alterations necessary to maintain existing structures and improvements in a useful state of repair and operation.

ii. Changes and alterations required by an authorized public official with authority or jurisdiction over the buildings or improvements to comply with legal requirements.

e. Effect of Approval. Landlord's approval of any plans and specifications applies only to the conformity of the plans and specifications to the general architectural plan for the Premises, and Landlord may not unreasonably withhold approval. It does not excuse Tenant from any governmental permits, licenses, or other requirements of general applicability, including adherence to City adopted building/construction codes. Further, Landlord's approval does not constitute approval of the architectural or engineering design. By approving the plans and specifications, Landlord assumes no liability or responsibility for the architectural or engineering design or for any defect in any building or improvement constructed from the plans or specifications.

#### *Ownership of Buildings, Improvements, and Fixtures*

7.04. Any buildings, improvements, additions, alterations, and fixtures (except furniture and trade fixtures) constructed, placed, or maintained on any part of the Premises during the lease term become part of the real property of the Premises and must remain on the Premises and become Landlord's property when the lease terminates.

#### *Right to Remove Fixtures*

7.05. Tenant may, at any time while it occupies the Premises, or within a reasonable time thereafter, remove any furniture, machinery, equipment, or other trade fixtures owned or placed by Tenant in, under, or on the Premises. Before the lease terminates, Tenant must repair any damage to any buildings or improvements on the Premises resulting from removal. Any such items not

removed from the Premises by Tenant within thirty (30) days after the lease terminates or expires shall become Landlord's property.

## **8. Encumbrance of Leasehold Estate.**

### *Tenant's Right to Encumber*

8.01. Tenant may encumber its leasehold interest without obtaining Landlord's consent, but no such encumbrance is or can be a lien on Landlord's fee title. The indebtedness secured by the encumbrance will at all times be and remain inferior and subordinate to all the conditions, covenants, and obligations of this lease and to all Landlord's rights under this lease. References in this lease to "Lender" refer to any person to whom Tenant has encumbered its leasehold interest.

### *Notices to Lender*

8.02. At any time after execution and recordation in Bexar County, Texas, of any mortgage or deed of trust encumbering Tenant's leasehold interest, Lender may notify Landlord in writing that the mortgage or deed of trust has been given.

### *Lender's Consent Required for Modification*

8.03. Landlord and Tenant will neither modify nor terminate this lease by mutual consent without Lender's written consent.

### *Lender's Right to Prevent Forfeiture*

8.04. Lender may do any act required of Tenant to prevent forfeiture of Tenant's leasehold interest. All such acts are as effective to prevent a forfeiture of Tenant's rights under this lease as if done by Tenant.

### *Lender's Right to Foreclose*

8.05. Lender may realize on the security afforded by the leasehold estate by exercising foreclosure proceedings or power of sale or other remedy afforded in law or equity or by the security documents. In so doing, it may transfer, convey, or assign Tenant's title to the leasehold estate created by this lease to any purchaser at a foreclosure sale. Lender also may acquire and succeed to Tenant's interest under this lease by virtue of a foreclosure sale. No assumption by Lender may be inferred from or result (1) from foreclosure or other similar proceedings or (2) from other action or remedy provided for by the mortgage, deed of trust, or other security instrument, or (3) from a conveyance from Tenant under which the buyer at foreclosure or grantee acquires Tenant's rights and interest under this lease. Any buyer at a foreclosure sale, including Lender, is bound by all Lease provisions including use limitations and said buyer becomes obligated to Landlord as the Tenant under the lease.

## **9. Repairs, Maintenance, and Restoration.**

### *Tenant's Duty to Maintain and Repair*

9.01. Tenant must keep and maintain all buildings and improvements erected on the Premises in a good state of appearance and repair (except for reasonable wear and tear) at Tenant's own expense.

*Damage or Destruction*

9.02. If any building or improvement constructed on the Premises is damaged or destroyed by fire or any other casualty, regardless of the extent of the damage or destruction, Tenant must, within one (1) year from the date of the damage or destruction, begin to repair, reconstruct, or replace the damaged or destroyed building or improvement at its own cost (unless such damage or destruction occurs within the last 5 years of the term hereof (as extended), in which event Tenant may elect to terminate this lease, whereupon any applicable insurance proceeds will be assigned to Landlord and Tenant shall have no repair or restoration obligations). Except as set forth above, Tenant must pursue the repair, reconstruction, or replacement with reasonable diligence and restore the building to substantially the condition it was in before the casualty. However, if beginning or completing this restoration is prevented or delayed by war, civil commotion, acts of God, strikes, fire or other casualty, or any other reason beyond Tenant's control, the time for beginning or completing the restoration (or both) will automatically be extended for the period of each such delay.

**10. Mechanic's Liens.**

Tenant must not cause or permit any mechanic's or other liens to be filed against the fee of the Premises or against Tenant's leasehold interest (excluding any leasehold mortgage). If such a lien is recorded, Tenant must either cause it to be removed, or if Tenant in good faith wishes to contest the lien, take timely action to do so at Tenant's sole expense. If Tenant contests the lien, Tenant must indemnify Landlord and hold it harmless from all loss, cost, liability, or expense arising from the lien contest. If Tenant loses the contest, Tenant must cause the lien to be discharged and removed before any judgment is executed.

**11. Condemnation.**

*Parties' Interests*

11.01. If the Premises or any part of them are taken by condemnation as a result of any action or proceeding in eminent domain, or are transferred in lieu of condemnation to any authority entitled to condemn, this article governs Landlord's and Tenant's interests in the award or consideration for the transfer and the effect of the taking or transfer on this lease.

*Total Taking—Termination*

11.02. If the entire Premises are taken or so transferred, this lease and all of the rights, titles, and interests under it ceases on the date that title to the Premises vests in the condemning authority. comprising the Premises are to be paid to Landlord, and all proceeds applicable to the improvements on the Premises, up to the amount of \$1,000,000.00, are to be paid to Tenant.

*Partial Taking—Termination*

11.03. If only part of the Premises is taken or transferred, this lease terminates if, in Tenant's opinion, the remainder of the Premises is in such a location, or is in such form, shape, or reduced size, that Tenant's business cannot be effectively and practicably operated on it. In such case, this lease and all rights, title, and interest under it cease on the date that title vests in the condemning authority. In such event, all proceeds applicable to the land comprising the Premises are to be paid to Landlord, and all proceeds applicable to the improvements on the Premises, up to the amount of \$2,500,000.00, are to be paid to Tenant.

*Partial Taking—Continuation*

11.04. If part of the Premises is taken or transferred and, in Tenant's opinion, the remainder of the Premises is in such that Tenant's business can be effectively and practicably operated on the remaining Premises, this Lease terminates only as to the portion of the Premises taken or transferred. The termination is as of the date title vests in the condemning authority. The Lease continues as to the portion not taken or transferred. In such event, all proceeds applicable to the land comprising the Premises are to be paid to Landlord, and all proceeds applicable to the improvements on the Premises, up to the amount of \$2,500,000.00 are to be paid to Tenant.

*Separate Condemnation Award*

Indemnified Claims include attorneys' fees and court costs and include claims arising from property damage and from personal or bodily injury, including death.

13.01.02. "Indemnitees" means the City of San Antonio and its elected officials, officers, employees, agents, and other representatives, collectively, against whom an Indemnified Claim has been asserted.

But despite allegations of Indemnatee negligence, Indemnitor must nevertheless defend all Indemnitees until final adjudication. Indemnitor may not recover sums previously spent defending or otherwise indemnifying the Indemnatee who has been adjudged to be solely negligent and must continue to indemnify other Indemnitees.

13.04. There are no third-party beneficiaries of this indemnity other than the category of people and entities included within the definition of Indemnitees.

13.05. Indemnitor must promptly advise the City of San Antonio in writing of any Indemnified Claim and must, at its own cost, investigate and defend the Indemnified Claim. Whether or not the City of San Antonio is an Indemnatee as to a particular Indemnified Claim, the City of San Antonio may require Indemnitor to replace the counsel Indemnitor has hired to defend Indemnitees. The City may also require Indemnitor to hire specific-named counsel for so long as the named counsel's hourly rates do not exceed the usual and customary charges for counsel handling sophisticated and complex litigation in the locale where the suit is pending. No such actions release or impair Indemnitor's obligations under this indemnity paragraph, including its obligation to pay for the counsel selected by City. Regardless of who selects the counsel, the counsel's clients are Indemnitees, not Indemnitor.

13.06. In addition to the indemnity required under this Contract, each Indemnatee may, at its own expense, participate in its defense by counsel of its choosing without relieving or impairing Indemnitor's obligations under this indemnity paragraph.

13.07. Indemnitor may not settle any Indemnified Claim without the consent of the City of San Antonio, whether or not the City is an Indemnatee as to the particular Indemnified Claim, unless (A) the settlement will be fully funded by Indemnitor and (B) the proposed settlement does not contain an admission of liability or wrongdoing by any Indemnatee. The City's withholding its consent as allowed in the preceding sentence does not release or impair Indemnitor's obligations of this indemnity paragraph. Even if the City of San Antonio is not an Indemnatee as to a particular Indemnified Claim, Indemnitor must give City at least 20 days advance written notice of the details of a proposed settlement before it becomes binding. Any settlement purporting to bind an Indemnatee must first be approved by City Council.

13.08. Nothing in this Contract waives governmental immunity or other defenses of Indemnitees under applicable law.

13.09. If, for whatever reason, a court refuses to enforce this indemnity as written, and only in that case, the parties must contribute to any Indemnified Claim 5% by the Indemnitees and 95% by the Indemnitor. Indemnitor need look only to the City of San Antonio for Indemnitees' 5% if the City of San Antonio is an Indemnified Party as to a particular Indemnified Claim.
