**SUPPORTING THE PRESERVATION AND PROTECTION OF LOCAL
CONTROL DURING THE 84TH STATE LEGISLATIVE SESSION.**

WHEREAS, as part of the City's adopted 84th State Legislative Program, City Council set out as an objective the protection of municipal interests and opposition to legislation that diminishes the fundamental authority of cities to operate in a manner consistent with the best interest of the health, safety, and welfare of the general public; and

WHEREAS, over 60 bills have been introduced in the 84th State Legislative Session that seek to severely curtail local control, including SB 343 and HB 1556, and a copy of the list of bills is set out in Attachment I; and

WHEREAS, SB 343 provides that "unless expressly authorized by a state statute, a local government shall not implement an ordinance, rule, or regulation that conflicts with or is more stringent than a state statute or rule regardless of when the state statute or rule takes effect;" and

WHEREAS, HB 1556 provides that "a county, municipality, or other political subdivision may not adopt or enforce a local law that creates a protected classification or prohibits discrimination on a basis not contained in the laws of this state;" and

WHEREAS, the members of City Council were elected to pass and enforce local ordinances and rules for the benefit of the citizens of San Antonio and have adopted ordinances preserving trees, banning smoking, regulating payday lending, and prohibiting discrimination on the basis of sexual orientation, gender identity, or veteran status, regulating Transportation Network Companies (TNC's), and annexing areas within the extra territorial jurisdiction of the City; and

WHEREAS, the City Council desires to reaffirm its rights as a home rule municipality to address issues affecting its citizens at the local level and to oppose legislative efforts that would erode this fundamental authority; **NOW THEREFORE:**

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF SAN ANTONIO:

SECTION 1. City Council supports efforts aimed at the protection and preservation of local control and opposes legislation that would impair the ability of a home rule city such as San Antonio from enforcing existing ordinances or adopting future ordinances addressing the health, safety, and welfare of its citizens.

SECTION 2. This Resolution is effective immediately upon the receipt of eight affirmative votes; otherwise, it is effective ten days after passage.

PASSED AND APPROVED THIS 16th **day of April, 2015.**
