12.3 Lessee agrees that no representations respecting the condition of the Leased Premises and no promises to improve same, either before or after the execution hereof, have been made by Lessor or its agents to Lessee, unless contained herein or made a part hereof by specific reference.

ARTICLE 13. CONSTRUCTION BY LESSEE

13.1 Lessee shall have the right to erect, alter, remodel and renovate buildings and other improvements on the Leased Premises, provided that it shall submit to the Aviation Director plans and specifications prepared by registered architects and engineers setting forth the renovations, construction, alterations or improvements that Lessee desires to perform, in such detail as may be required by the Aviation Director, and provided that approval of such plans and specifications by said Director is obtained as set forth below.

13.2 Lessor agrees to examine and approve or disapprove plans and specifications submitted in accordance with the provisions above, within sixty (60) business days after receipt thereof, and to give Lessee written notification of same. The approval by Lessor of such plans and specifications refers only to the conformity of same to the general architectural plan for the Leased Premises, as opposed to their architectural or engineering design. Lessor, by giving its approval, assumes no liability or responsibility therefor or for any defect in any work performed according to such plans and specifications. Lessee agrees not to commence any renovations, construction, alterations or improvements until Lessor, through the Aviation Director, has given written approval regarding Lessee's plans and specifications.

13.3 Further, prior to the commencement of construction, Lessee shall procure any and all additional approvals of the plans and specifications for its buildings and improvements required by any federal, state or municipal authorities, agencies, officers and departments having jurisdiction thereof and shall obtain any and all requisite building or construction licenses, permits or approvals. 13.4 The cost of any renovations, construction, alterations or improvements upon the Leased Premises shall be borne and paid for solely by Lessee. Except as may be otherwise set forth herein, Lessor has no financial or other obligation of any kind under this Lease Agreement, other than the renting to Lessee of the premises which are the subject hereof for the term and consideration hereinbefore set forth.

13.5 Upon completion of all renovations, construction, alterations or improvements, a conformed set of "as built" plans and a Certificate of Occupancy shall be provided by Lessee to the Aviation Director.

13.6 In undertaking any such renovations, construction, alterations or improvements, it is expressly understood that, where applicable, unless otherwise agreed to in writing by the parties, Lessee shall be responsible, at its sole expense, for any and all construction and maintenance of taxiways and connections to the Airport's runway and taxiway system, along an alignment and in accordance with designs and plans approved in advance, in writing, by the Aviation Director. It is further expressly understood and agreed that any improvements and access thereto constructed by Lessee on the Leased Premises shall be performed in such a manner that shall not cause flowage of surface drainage onto adjacent tracts or interrupt flow to the storm drainage system.

ARTICLE 14. LIENS PROHIBITED

14.1 Lessee shall not suffer or permit any mechanics' or other liens to be filed against the fee of the Leased Premises, or against Lessee's leasehold interest in the land, buildings or improvements thereon, by reason of any work, labor, services or materials supplied, or claimed to have been supplied, to Lessee or to anyone holding the Leased Premises, or any part thereof, through or under Lessee.

14.2 If any such mechanics' lien or materialmen's lien described in Section 14.1 above shall be recorded against the Leased Premises, or any improvements thereon, Lessee shall cause the same to be removed or, bonded around within thirty (30) days of notice of said lien, pursuant to the terms of the Texas Property Code. In the alternative, if Lessee, in good faith, desires to contest the same, it shall be privileged to do so; however, in such case, Lessee hereby agrees to indemnify and save Lessor harmless from all liability for damages occasioned thereby and shall, in the event of a judgment of foreclosure on said mechanics' lien, cause the same to be discharged and removed prior to sale of the Leased Premises or execution of such judgment.

ARTICLE 15. MAINTENANCE AND REPAIR

15.1 Lessee shall pay or cause to be paid, any and all charges for water, heat, gas, electricity, sewer and any and all other utilities used on the Leased Premises, throughout the term of, or any extension of, this Lease Agreement, including, but not limited to, any connection fees and any and all additional costs related to utility connection, metering, maintenance, repair and usage.

15.2 Except as may be otherwise provided herein, Lessee shall, throughout the term of this Lease Agreement and any extension hereof, assume the entire responsibility, cost and expense, for all repair and maintenance of the Leased Premises and all buildings and improvements thereon, whether such repair or maintenance be ordinary, extraordinary, structural or otherwise. Additionally, without limiting the foregoing, Lessee shall:

15.2.1 at all times maintain the buildings and improvements in a good state of repair and preservation, excepting ordinary wear and tear and obsolescence in spite of repair; and

15.2.2 replace, repair or substitute any building fixtures and equipment which have become inadequate, obsolete, worn out, unsuitable or undesirable, with replacement or substitute fixtures and equipment, free of all liens and encumbrances, which shall automatically become a part of the buildings and improvements; and

15.2.3 at all times keep the Leased Premises, its buildings, improvements, fixtures, equipment and personal property, in a clean and orderly condition and appearance; and

15.2.4 provide, and maintain in good working order, all obstruction lights and similar devices, fire protection and safety equipment, and all other equipment of every kind and nature required by applicable laws, rules, orders, ordinances, resolutions or regulations of any competent authority, including Lessor and Aviation Director; and

15.2.5 observe all insurance regulations and requirements concerning the use and condition of the Leased Premises, for the purpose of reducing fire hazards and insurance rates on the Airport; and

15.2.6 repair any damage caused by Lessee to paving or other surfaces of the Leased Premises or the Airport, in connection with the scope of the Lease Agreement, caused by any oil, gasoline, grease, lubricants, flammable liquids and/or substances having a corrosive or detrimental effect thereon, or by any other reason whatsoever; and

15.2.7 take measures to prevent erosion, including, but not limited to, the planting and replanting of grass on all unpaved or undeveloped portions of the Leased Premises; the planting, maintaining and replanting of any landscaped areas; the designing and constructing of improvements on the Leased Premises; and the preservation of as many trees as possible, consistent with Lessee's construction and operations; and

15.2.8 be responsible for the maintenance and repair of all utility services lines upon the Leased Premises which provide services to the Leased Premises, and any other utility services lines damaged by Lessee's actions, including, but not limited to, water and gas lines, electrical power and telephone conduits and lines, sanitary sewers and storm sewers; and

15.2.9 keep and maintain all vehicles and equipment operated by Lessee on the Airport in safe condition, good repair and insured, as required by this Lease Agreement; and

15.2.10 replace broken or cracked plate glass, paint/repaint structures upon the Leased Premises and, where applicable, mow the grass; and

15.2.11 provide and use suitable covered metal receptacles for all garbage, trash and other refuse; assure that boxes, cartons, barrels or similar items are not piled in an unsightly, unsafe manner, on or about the Leased Premises; provide a complete and proper arrangement, satisfactory to the Aviation Director, for the adequate sanitary handling and disposal away from the Airport, of all trash, garbage and refuse caused as a result of the operation of Lessee's business.

15.3 The adequacy of the performance of the foregoing maintenance and repair by Lessee shall be determined by the Aviation Director, in his reasonable discretion. Should Lessee refuse or neglect to undertake any such maintenance or repair required under this Lease, or if Lessor is required to perform any maintenance or repair necessitated by the negligent acts or omissions of Lessee, its employees, agents, assignees, subtenants or licensees, then Lessor shall have the right, but not the obligation, to perform such maintenance or repair on behalf of and for Lessee. The costs of such maintenance or repair, plus any associated overhead

reasonably determined by Lessor, shall be reimbursed by Lessee to Lessor no later than ten (10) days following receipt by Lessee of written demand from Lessor for same. In cases not involving maintenance or repair requiring exigent action, Lessor shall provide Lessee a written request that Lessee perform such maintenance or repair, at least thirty (30) days before Lessor effects such maintenance or repair on behalf of Lessee.

ARTICLE 16. TITLE

16.1 It is expressly understood and agreed that any and all items of personal property owned, placed or maintained by Lessee on the Leased Premises during the term hereof shall be and remain Lessee's property. Provided that Lessee is not in default under this Lease Agreement, it may remove or cause to be removed all such items from the Leased Premises. At Lessor's sole election, any such items remaining on the Leased Premises more than thirty (30) days after the expiration of the term hereof, shall then belong to Lessor without payment of consideration therefor.

16.2 All foundations, buildings, alterations, additions or improvements (hereinafter "Improvements") made upon the Leased Premises by Lessee are and shall be the property of Lessee during the Lease Term hereof. During said term, absent the Aviation Director's written approval, such Improvements shall be conveyed, transferred or assigned, only to a person or entity to whom this Lease Agreement simultaneously is being transferred or assigned, whereupon the holder of the leasehold interest hereunder shall own the Improvements. Aviation Director's written approval shall not be unreasonably withheld, delayed or conditioned. Absent such written approval of the Director any attempted conveyance, transfer or assignment of Improvements, to any person or entity, whether voluntary, by operation of law or otherwise, shall be void and of no effect.

16.3 With the exception of fuel storage facilities as set forth in Article 17 below, at Lessor's sole option, title to Improvements made upon the Leased Premises by Lessee, and fixtures annexed thereto, shall vest in and become the property of Lessor, at no cost to Lessor and without any instrument of conveyance, upon the expiration of the term of this Lease Agreement or upon earlier termination thereof. Notwithstanding the foregoing, Lessee covenants and agrees, upon Lessor's demand, on or within thirty (30) days after termination of the Lease Agreement, to execute any instruments requested by Lessor in connection with the conveyance of such Improvements. Lessor shall notify Lessee whether or not Lessor intends take title to Improvements, or any portion thereof, as herein provided, at least sixty (60) days prior to the expiration of the term of this Lease Agreement or earlier termination thereof. Lessor's failure to provide such notice, however, shall not act as a waiver of its rights hereunder; provided that Lessor, within a reasonable time after receipt of Lessee's written request, advises Lessee of its election hereunder. If Lessor fails to provide such notice prior to the expiration of the term, Lessee may send written notice to Lessor of such failure to notify Lessee and Lessor, within fifteen (15) days of receiving Lessee's notice, shall notify Lessee in writing whether or not Lessor intends to take title to Improvements or any portion thereof.

16.4 In the event Lessor requires Lessee to demolish any building(s) currently existing or constructed on the Lease Premises during the term of the Lease Agreement and require Lessee to construct a new building(s), title to such new building(s) will not vest in or become the property of Lessor until such time as Lessee has amortized the actual costs incurred by Lessee in constructing such building in accordance with the GAPP rules regarding amortization. Once Lessee has amortized the cost of the building(s), the building(s) shall vest in and become the property of Lessor, at its option, in accordance with this Article 16.

16.5 Should Lessor elect not to take title to Improvements, or any portion thereof, as provided in Section 16.3 above, same shall be removed by Lessee, at its sole cost and risk, in compliance with all applicable laws and regulations and, to the degree reasonably possible, the Leased Premises shall be restored to the condition that existed prior to the construction of same. Should Lessee fail to undertake such removal within ninety (90) days following the expiration or termination of this Lease Agreement, Lessor may undertake such removal at Lessee's expense. The Performance Guarantee, required under this Lease Agreement, may, at Lessor's option, be applied towards any costs incurred by Lessor for such removal.

ARTICLE 17. ENVIRONMENTAL COMPLIANCE

17.1 Lessee acknowledges that it is the owner of any and all fuel storage facilities presently existing upon the Leased Premises and any fuel storage facilities that may in the future be placed by Lessee, its sublessees, licensees or permittees in, on or upon the Leased Premises. (For purposes of this provision, "facilities" are defined as any mobile or fixed, onshore building, structure, installation, equipment, pipe, or pipeline used in fuel storage, fuel gathering, fuel transfer, or fuel distribution.) Lessee agrees that it shall, at its sole expense, comply with all applicable federal, state and local statutes, laws, ordinances, rules and regulations concerning fuel storage facilities, including, but not limited to, regulations promulgated by the Environmental Protection Agency, as well as all inspection, financial liability and inventory control recording requirements, and that it shall provide Lessor with copies of certificates of registration from the Texas Commission on Environmental Quality (hereinafter "TCEQ") for any existing or new fuel storage facilities, together with copies of any required proof of financial responsibility and other documentation reasonably required by the Aviation Director or applicable regulatory agency.

17.2 During the term of this Lease Agreement and any extensions thereof, should changes in applicable statutes, laws, rules or regulations regarding fuel storage facilities necessitate the removal, modification or replacement of such fuel storage facilities in, on, upon or under the Leased Premises, then such removal, modification or replacement shall be timely undertaken and performed by Lessee, at its sole cost and expense. Ownership of the fuel storage facilities shall, at all times, remain in the Lessee, its sublessees, licensees and permittees. Furthermore, if requested by Lessor, Lessee shall within ninety (90) days following the termination or expiration of this Lease Agreement, at its sole cost, remove said Items from the Leased Premises, perform any required soil or other investigations, perform regulatory remediation and restore the Leased Premises to a condition in compliance with all applicable statutes, laws, rules, or regulations governing fuel storage facilities. The Performance Guarantee required under the terms of this Lease Agreement shall not be returned or restored to Lessee until such removal, if requested, is accomplished and/or remediation is accomplished to the satisfaction of TCEQ.

17.3 Lessee shall, in conducting any activity or business on the Leased Premises, including environmental response or remedial activities, comply with all environmental laws, including, but not limited to, those regarding the generation, storage, use, transportation and disposal of solid wastes, hazardous materials, toxic chemicals, special wastes or other contaminants, and all laws, regulations and notice requirements pertaining to releases or threatened releases of hazardous materials, toxic chemicals, special wastes or other contaminants into the environment. Lessee shall not cause the release, or permit its employees, agents, permittees, contractors, subcontractors, sublessees, or others in Lessee's control, supervision, or employment, to release (whether by way of uncapping, pouring, spilling, spraying, spreading, attaching or otherwise), into or onto the Leased Premises or any other location upon or above

the Airport (including the air, ground and ground water thereunder and the sewer and storm water drainage systems thereon), any quantity of hazardous substances (as defined or established from time to time by applicable local, state, or federal law and including, among other things, hazardous waste and any other substances that have been or may in the future be determined to be toxic, hazardous or unsafe). To the extent any such release may exceed quantities or volumes permitted by applicable federal, Texas or local law, Lessee shall immediately notify the Aviation Director, TCEQ, and Local Emergency Planning Committee, as may be required under the federal Emergency Planning and Community Right To Know Act. The Lessee, or any occupant of Leased Premises, shall be responsible for compliance with said Act, in the event of any such release.

17.4 Lessee shall remedy any release or threatened release caused by Lessee's operations at the Airport, as described above and, whether resulting from such release or otherwise, remove any hazardous materials, special wastes and any other environmental contamination caused by Lessee on, under or upon the Leased Premises, as may be required by a governmental or regulatory agency responsible for enforcing environmental laws and regulations. Such work shall be performed, at Lessee's sole expense, after Lessee submits to Lessor a written plan for completing such work. Lessor shall have the right to review and inspect all such work at any time, using consultants and representatives of its choice, at Lessor's sole cost and expense. Specific cleanup levels for any environmental remedial work shall be designed to meet all of the applicable environmental laws and regulations, to the satisfaction of the appropriate government or regulatory agency responsible for enforcing environmental laws and regulations.

17.5 Lessee agrees to defend, indemnify and hold harmless Lessor, its elected and appointed officials, officers, agents and employees, from and against any and all reasonable losses, claims, liability, damages, injunctive relief, injuries to person, property or natural resources, costs, expenses, enforcement actions, actions or causes of action, fines and penalties, arising as a result of action or inaction of Lessee, its employees, agents or contractors, in connection with the release, threatened release or presence of any hazardous material, contaminants, or toxic chemicals at, on, under, over or upon the Leased Premises and Airport, whether or not foreseeable, regardless of the source or timing of occurrence, release, threatened release, presence or discovery of same. The foregoing indemnity includes, without limitation, all reasonable costs at law or in equity for removal, clean-up, remediation and disposal of any kind, as well as all reasonable costs associated with determining whether the Airport is in compliance, and causing the Airport to be in compliance with, all applicable environmental laws and regulations and all reasonable costs associated with claims for damages to persons, property or natural resources. In the event that Lessor is named in any enforcement action or lawsuit by any party in connection with the environmental condition of the Leased Premises caused by the action or inaction of the Lessee, Lessee shall defend Lessor and indemnify and hold harmless Lessor from any reasonable costs, damages, fines and penalties resulting therefrom.

17.6 In addition to any other rights of access herein regarding the Leased Premises, Lessor shall, upon reasonable notice, have access thereto in order to inspect and confirm that the Lessee is using same in accordance with all applicable environmental laws and regulations. Lessee shall, upon the Aviation Director's demand and at Lessee's sole expense, demonstrate

to said Director (through such tests, professional inspections, samplings, or other methods as may be reasonably required by said Director) that Lessee has not caused or permitted any release of hazardous substances or contaminants in excess of quantities or volumes permitted by applicable federal, Texas or local law. Qualified independent experts, chosen by Lessee, subject to Lessor's approval, which approval shall not be unreasonably withheld, shall conduct any such tests and assessments. Lessee shall provide copies of reports from any such testing or assessments to Lessor upon receipt. Should Lessee not provide same to Lessor, Lessor may conduct, or cause to be conducted, such tests, inspections, samplings and assessments, and Lessee shall reimburse Lessor for all costs of such actions, no later than thirty (30) days following receipt by Lessee of invoices therefor. Lessor reserves the right to conduct any of the above actions at the Aviation Director's discretion, when, in the opinion of same, additional or supplemental assessments are in Lessor's best interest.

17.7 Lessee, at Lessor's request, shall make available for inspection and copying, upon reasonable notice and at reasonable times, any or all of the non-privileged documents and materials Lessee has prepared pursuant to any environmental law or regulation, which may be retained by Lessor or submitted to any governmental regulatory agency; provided, such documents and materials relate to environmental regulatory compliance and pertain to the Airport or the Leased Premises. If any environmental law or regulation requires Lessee to file any notice or report of a release or threatened release of regulated materials on, under or about the Leased Premises or the Airport, Lessee shall promptly submit such notice or report to the appropriate governmental agency and simultaneously provide a copy of such report or notice to Lessor. In the event that any written allegation, claim, demand, action or notice is made against Lessee regarding Lessee's failure or alleged failure to comply with any environmental law or regulation, Lessee, as soon as practicable, shall notify Lessor in writing and provide same with copies of any such written allegations, claims, demands, notices or actions so made.

17.8 The parties to this Lease Agreement, including the tenants or sublessees who may enjoy a future right of occupation through Lessee, acknowledge a right and a duty in Lessor, exercised by the Aviation Director, to review safety and potential environmental impacts of any proposed operation, business, maintenance or other activity of the Lessee and its sublessees. To this end, said Director shall have authority to disapprove an activity of the Lessee and/or any sublessee, on the basis of a risk assessment. The parties understand that Airport premises are not intended for use involving refining, processing, manufacturing, maintenance, overhaul, or similar heavy industrial activities entailing use, storage, manufacture, or transport of critical volumes of regulated or hazardous materials or toxic chemicals. For purposes of this Lease Agreement, "critical volumes" are those which, in the discretion and judgment of the Aviation Director, pose or may pose an unreasonable risk to Airport property, its occupants, employees or the traveling public. Discretion and judgment are reserved to the Aviation Director due to the fact that combinations and proximity of such materials are synergistic. The Aviation Director's decision in this regard is final, and said Director shall exercise such review prior to any lease or sublease, from time to time, as he may deem necessary for appropriate risk assessment of existing leases and subleases.

17.9 Notwithstanding any of the preceding provisions of this Article 17, it is the intent of the parties that Lessee shall not be responsible for environmental damages caused by third parties prior to Lessee's present or previous tenancy at the Airport. Lessee shall remain fully and solely liable for any environmental damage caused by Lessee, its parent and/or predecessor/affiliates, or any agent, officer, director, representative, licensee, consultant, contractor or subcontractor of Lessee, to the Leased Premises. The parties agree, however, that to the extent Lessee can prove to a reasonable degree of certainty that environmental damage upon the Leased

Premises was caused by third parties, and not Lessee, its parent and/or predecessors/affiliates or any agent officer, director, representative, licensee, consultant, contractor or subcontractor of Lessee, then and in that event, Lessee shall not be liable for such environmental damage to the Leased Premises caused by third parties.

17.10 It is the intent of the parties any demands for testing under Article 17.6 shall be made only upon the Aviation Director's reasonable belief that a release of hazardous material, contaminants or toxic chemicals in violation of any applicable environmental law or regulation and caused by Lessee's action or inaction has occurred.

ARTICLE 18. SIGNS

Lessee shall neither erect signs nor distribute advertising matter upon Airport Premises, without the prior written consent of the Aviation Director; such consent shall not be unreasonably withheld, delayed or conditioned.

ARTICLE 19. REGULATIONS

Lessee's officers, agents, employees and servants shall obey all rules and regulations promulgated by Lessor, its authorized agents in charge of the Airport, or other lawful authority, to insure the safe and orderly conduct of operations and traffic thereon.

ARTICLE 20. QUALITY OF SERVICES

Lessee shall, at all times, furnish good, prompt and efficient commercial aviation services, adequate to meet demand for same at the Airport, furnish said services on a non-discriminatory basis to all users thereof, and charge non-discriminatory prices for each unit of sale or service; provided, however, that Lessee will be allowed to make reasonable and non-discriminatory discounts, rebates or other similar types of price reductions to volume purchasers.

ARTICLE 21. TIME OF EMERGENCY

During time of war or national emergency, as declared by the United States government, Lessor shall have the right to lease the landing area or any part thereof to the United States for government use, and, if such lease is executed, the provisions of this Lease Agreement, insofar as they are inconsistent with those of the Government lease, shall be suspended.

ARTICLE 22. SUBORDINATION OF LEASE & RIGHT OF RECAPTURE

22.01 This Lease Agreement shall be subordinate to the provisions of any existing or future agreement between Lessor and the United States of America regarding operation or maintenance of the Airport, the execution of which has been or may be required as a condition precedent to the expenditure of Federal funds for the development of the Airport. Should the effect of such agreement with the United States be to take any of the property under lease, or substantially alter or destroy the commercial value of the leasehold interest granted herein, Lessor shall not be held liable therefore, but, in such event, Lessee may cancel this Lease Agreement upon ten (10) days' written notice to Lessor. Notwithstanding the foregoing, Lessor agrees that, in the event it becomes aware of any such proposed or pending agreement or taking, Lessor shall utilize its best efforts to (i) give the maximum possible notice thereof to Lessee. Any portion of the Leased Premises recaptured from Lessee under this provision shall result in a proportionate abatement of rent as of the date the recapture is effectuated.

22.02 Lessor shall have the right to recapture any or all of the Leased Premises to the extent that such are necessary for the City's development, improvement, and or maintenance of the Airport's runways and taxiways; for protection or enhancement of flight operations; or for other development in compliance with any current or future Airport Master Plan. In the event of any such recapture, Lessee and Lessor shall execute a writing reflecting a corresponding adjustment to the Leased premises and rent. If Lessee is required to relocate to other Airport premises pursuant to this Section 22.02, Lessor shall assist Lessee to identify other substitute premises on the Airport, if available. Lessor shall assist Lessee with relocation costs without impact to the rental terms of this Lease Agreement. If no suitable relocation premises shall be identified, Lessor shall compensate Lessee in an amount equal to the net present value of the remaining rental due under this Lease Agreement, excluding extension periods.

ARTICLE 23. SECURITY

23.1 Lessee shall provide for the security of the Air Operations Area (hereinafter "A.O.A.") and/or Security Identification Display Area (hereinafter "S.I.D.A.") to prevent entry or movement of unauthorized persons thereupon, in accordance with Chapter 3 , Division 8 Security, of the City Code of San Antonio, Texas, as currently written, or as amended or replaced in future. In appropriate cases, physical barriers to prevent access to the A.O.A. and/or the S.I.D.A. must be placed and supervised by Lessee during construction upon the Leased Premises.

23.2 Lessee shall comply with all rules, regulations, statutes, orders, directives or other mandates of the United States, State of Texas, City of San Antonio or City's Aviation Department regarding Airport security requirements or measures.

23.3 Lessee shall comply with all current and future mandates of the Transportation Security Administration, of successor agency, for background investigations of its personnel.

23.4 Lessee shall indemnify and hold harmless Lessor, its elected officials, officers employees, agents and other representatives, from any charges, fines or penalties that may be assessed or levied by any department or agency of the United States or State of Texas, by reason of Lessee's failure to comply with any applicable security provision and/or requirement for compliance set forth herein.

ARTICLE 24. DEFAULT AND REMEDIES

24.1 Each of the following shall constitute an event of default by Lessee:

24.1.1 Lessee shall fail to pay any rent as provided for in this Lease Agreement and such failure shall continue for a period of ten (10) days after receipt by Lessee of written notice thereof.

24.1.2 Lessee shall neglect or fail to perform or observe any of the terms, provisions, conditions or covenants herein contained, and if such neglect or failure should continue for a period of thirty (30) days after receipt by Lessee of written notice of same, or if more than thirty (30) days shall be required because of the nature of the default, if Lessee shall fail within said thirty (30) day period to commence and thereafter diligently proceed to cure such default.

24.1.3 Lessee shall become insolvent; take the benefit of any present or future insolvency statute; make a general assignment for the benefit of creditors; file a voluntary petition in bankruptcy or a petition or answer seeking a reorganization or the readjustment of its indebtedness under the federal bankruptcy laws, or under any other law or statute of the United States or of any state thereof; or consent to the appointment of a receiver, trustee or liquidator of all or substantially all of its property.

24.1.4 An Order of Relief shall be entered, at the request of Lessee or any of its creditors, under federal bankruptcy, reorganization laws or any law or statute of the United States or any state thereof.

24.1.5 A petition under any part of the federal bankruptcy laws, or an action under any present or future insolvency law or statute, shall be filed against Lessee and shall not be dismissed within thirty (30) days after the filing thereof.

24.1.6 Pursuant to, or under the authority of, any legislative act, resolution, rule, or any court, governmental, agency or board order or decree or officer, a receiver, trustee, or liquidator shall take possession or control of all or substantially all of the property of Lessee and such possession or control shall continue in effect for a period of fifteen (15) days.

24.1.7 Lessee shall become a corporation in dissolution or voluntarily or involuntarily forfeit its corporate charter.

24.1.8 The rights of Lessee hereunder shall be transferred to, pass to or devolve upon, by operations of law or otherwise, any other person, firm, corporation or other entity, in connection with or as a result of any bankruptcy, insolvency, trusteeship, liquidation or other proceeding or occurrence described in Paragraphs 24.1.3 through 24.1.8.

24.1.9 Lessee shall voluntarily discontinue its operations at the Airport for a period of sixty (60) consecutive days.

24.2 In the event any default shall occur, Lessor then, or at any time thereafter, but prior to the removal of such condition of default, shall have the right, at its election, either to terminate this Lease Agreement, by giving at least five (5) days written notice to Lessee, at which time Lessee will cease operations and have thirty (30) days to surrender the Leased Premises to Lessor, but Lessee shall remain liable as hereinafter provided, or enter upon and take possession of the Leased Premises (or any part thereof in the name of the whole), without demand or notice, and repossess the same as of the Lessor's former estate, expelling Lessee and those claiming under Lessee, forcibly if necessary, without prejudice to any remedy for arrears of rent or preceding breach of covenant and without any liability to Lessee or those claiming under Lessee for such repossession.

24.3 Lessor's repossession of the Leased Premises shall not be construed as an election to terminate this Lease Agreement nor shall it cause a forfeiture of rents or other charges remaining to be paid during the balance of the term hereof, unless a written notice of such intention be given to Lessee, or unless such termination is decreed by a court of competent jurisdiction.

24.4 Upon repossession, Lessor shall have the right, at its election and whether or not this Lease Agreement shall be terminated, to relet the Leased Premises or any part thereof for such

period(s), which may extend beyond the term hereof, at such rent and upon such other terms and conditions as Lessor may, in good faith, deem advisable. Notwithstanding any law or anything contained herein to the contrary, to the full extent permitted under applicable law, Lessee and Lessor agree that Lessor's duty to relet the Leased Premises or otherwise to mitigate damages hereunder shall be limited to those requirements set forth in the Texas Property Code, as amended. Lessor shall in no event be liable, and Lessee's liability shall not be affected or diminished whatsoever, for failure to relet the Leased Premises, or in the event the Leased Premises are relet, for failure to collect any rental under such reletting, so long as the Lessor uses objectively reasonable efforts to comply with said Property Code. Lessor and Lessee agree that any such duty shall be satisfied and Lessor shall be deemed to have used objective reasonable efforts to relet the Leased Premises and mitigate Lessor's damages by: (1) posting a "For Lease" sign on the Leased Premises; (2) advising Lessor's lease agent, if any, of the availability of the Leased Premises; and (3) advising at least one (1) outside commercial brokerage entity of the availability of the Premises.

24.5 In the event that Lessor elects to relet, rentals received by same from such reletting shall be applied: first, to the payment of any indebtedness, other than rent due hereunder from Lessee under this Lease Agreement; second, to the payment of any cost of such reletting; third, to the payment of rent due and unpaid hereunder; and finally, the residue, if any, shall be held by Lessor and applied hereunder. Should that portion of such rentals received from such reletting during any month, which is applied to the payment of rent hereunder, be less than the rent payable during that month by Lessee hereunder, then Lessee shall pay such deficiency to Lessor. Such deficiency shall be calculated and paid monthly. Lessee shall also pay to Lessor, as soon as ascertained, any costs and expenses incurred by Lessor in such reletting not covered by the rentals received from such reletting of the Leased Premises.

24.6 If Lessor shall terminate this Lease Agreement or take possession of the Leased Premises by reason of a condition of default, Lessee and those holding under Lessee, shall within thirty (30) days of receipt of notice pursuant to Paragraph 24.2 above, remove their goods and effects from the Leased Premises. If Lessee or any such claimant shall fail to effect such removal forthwith, Lessor may, without liability to Lessee or those claiming under Lessee, remove such goods and effects and store same for the account of Lessee or of the owner thereof at any place selected by Lessor, or, at Lessor's election, and upon giving fifteen (15) days' written notice to Lessee of date, time and location of sale, Lessor may sell the same at public auction or private sale on such terms and conditions as to price, payment and otherwise, as Lessor in its sole discretion may deem advisable. If, in Lessor's judgment, the cost of removing and storing, or of removing and selling any such goods and effects, exceeds the value thereof or the probable sale price thereof, as the case may be, Lessor shall have the right to dispose of such goods in any manner Lessor may deem advisable.

24.7 Lessee shall be responsible for all reasonable costs of removal, storage and sale, and Lessor shall have the right to reimburse the Airport Revenue Fund from the proceeds of any sale for all such costs paid or incurred by Lessor. If any surplus sale proceeds remain after such reimbursement, Lessor may deduct from such surplus any other sum due to Lessor hereunder and shall pay over to Lessee any remaining balance of such surplus sale proceeds.

24.8 If Lessor shall enter into and repossess the Leased Premises as a result of Lessee's default in the performance of any of the terms, covenants or conditions herein contained, then Lessee hereby covenants and agrees that it will not claim the right to redeem or re-enter the said Premises to restore the operation of this Lease Agreement, and Lessee hereby waives the right to such redemption and re-entrance under any present or future law, and does hereby

further, for any party claiming through or under Lessee, expressly waive its right, if any, to make payment of any sum or sums of rent, or otherwise, of which Lessee shall have made default under any of the covenants of the Lease Agreement and to claim any subrogation of the rights of Lessee under these presents, or any of the covenants thereof, by reason of such payment.

24.9 All rights and remedies of Lessor herein created or otherwise existing at law are cumulative, and the exercise of one or more rights or remedies shall not be taken to exclude or waive the right to the exercise of any other. All such rights and remedies may be exercised and enforced concurrently, whenever and as often as deemed desirable.

24.10 If proceedings shall, at any time, be commenced for recovery of possession, as aforesaid, and compromise or settlement shall be effected either before or after judgment whereby Lessee shall be permitted to retain possession of the Leased Premises, then such proceeding shall not constitute a waiver of any condition or agreement contained herein or of any subsequent breach thereof or to this Agreement.

24.11 Any amount paid or expense or liability incurred by Lessor for the account of Lessee may be deemed to be additional rental and the same may, at the option of Lessor, be added to any rent then due or thereafter falling due hereunder.

ARTICLE 25. HOLDING OVER

It is agreed and understood that any holding over by Lessee, with Lessor's consent, after the termination of this Lease Agreement, shall not renew and extend same, but shall operate and be construed as a tenancy from month-to-month, upon all the terms and conditions set forth herein, except that rental shall be paid to Lessor by Lessee for all buildings on the Leased Premises at one hundred fifteen percent (115%) the total rental in effect as of the end of the primary term of this Lease Agreement or the ground rental rate established through appraisal. In the event that Title to any buildings shall vest upon City at the end of the primary term, then Lessee shall also pay rent for such building at rental rates established by the Appraisal Process. Should Lessee hold over against Lessor's will, Lessee agrees to pay to Lessor, as monthly rent during such period of holding over, for such Premises (including all buildings located thereon, whether title to such buildings is in the name of Lessor or Lessee) for each month of such tenancy, one hundred and fifty percent (150%) the Ground and Building Rental paid for the last month of the Lease Agreement term, plus all applicable fees including but not limited to, Fuel Flowage Fees and any other fees authorized by this Agreement and/or authorized by Ordinance. Lessee shall be liable to Lessor for all loss or damage resulting from such holding over against Lessor's will after the termination of this Lease Agreement, whether such loss or damage may be contemplated at this time or not. It is expressly agreed that acceptance of the foregoing rental by Lessor, in the event that Lessee fails or refuses to surrender possession, shall not operate to give Lessee any right to remain in possession beyond the period for which such amount has been paid nor shall it constitute a waiver by Lessor of its right to immediate possession thereafter.

ARTICLE 26. ASSIGNMENT AND SUBLET

26.1 Lessee shall not transfer or assign this Lease Agreement or Lessee's interest in or to the Leased Premises, or any part thereof, without having first obtained Lessor's prior written consent, which shall not be unreasonably withheld, conditioned or delayed and may be given only by or pursuant to an ordinance enacted by the City Council of the City of San Antonio, Texas; provided, however, that the foregoing shall not apply to and prevent the assignment of

this Lease Agreement to any corporation, or other entity with which Lessee may merge. Notwithstanding the foregoing and for so long as any pledge or collateral assignment of Lessee's interest in the Lease Agreement shall be by instrument substantially in such form as shall have previously been approved by the City Council, the consent of Lessor to such pledge or collateral assignment may be given by Lessor acting by and through the Aviation Director. For purposes of any assignment, Lessor shall have the right to renegotiate rental rates and all other terms of this Lease Agreement.

26.2 Lessee shall not sublet the Leased Premises or any part thereof without having first obtained the Aviation Director's written consent; such consent shall not be unreasonably withheld, delayed or conditioned. In the event Lessee requests permission to sublease, the request shall be submitted to the said Director, prior to the effective date of the sublease requested, and shall be accompanied by a copy of the proposed sublease agreement(s) and of all agreement(s) collateral thereto. The identity of the sublessee, the area or space to be subleased, the rental to be charged, the type of business to be conducted, reasonable financial history and all other information requested by said Director shall be specified. Lessee shall not sublease a total of more than fifty percent (50%) of the Leased Premises and/or or its component building and ground premises. If such limit is exceeded, Lessor shall have the right, upon thirty (30) days' written notice, to recapture the space described in the sublease, and terminate the entire Lease Agreement on the expiration of such thirty (30) day period. In the event of any recapture, Lessee's rental payments shall be adjusted on a pro-rata basis; provided, however, that all options of Lessor contained in the Default and Remedies Article shall be available to Lessor. Notwithstanding the foregoing, Lessee may sublease more than fifty percent (50%) of the Leased Premises to an affiliate company or subsidiary corporation over which Lessee has legal control.

26.3 In the event of a sublease where the rental per square foot established in the sublease exceeds the rental for same established in the Lease Agreement, Lessee shall pay to Lessor, as additional rent, the excess of the rental received from the sublessee over that specified to be paid by Lessee herein per square foot, provided that Lessee may charge a reasonable fee for administrative costs in addition to the sublease rental, not to exceed twenty-five percent (25%) of the specified sublease rental. Such twenty-five percent (25%) shall not be considered as excess rental. Nothing herein shall prevent Lessee from charging a reasonable fee to others for the use of capital equipment and facilities on the subleased premises and charging for use of utilities and other services being paid for by Lessee. Should any method of computation of rental to be paid by a sublessee, other than computation based upon a rental rate per square foot be employed, the provisions of this paragraph will apply if the rental received for the proportionate area of the Leased Premises by Lessee exceeds the rental paid to Lessor for said proportionate area of the Leased Premises.

26.4 Each transfer, assignment or subletting to which there has been consent shall be by written instrument, in a form satisfactory to Lessor, and shall be executed by the transferee, assignee or sublessee who shall agree, in writing, for the benefit of Lessor to be bound by and to perform the terms, covenants and conditions of this Lease Agreement. Four (4) executed copies of such written instrument shall be delivered to Lessor. Failure either to obtain Lessor's prior written consent or to comply with the provisions herein contained, shall operate to prevent any such transfer, assignment or subletting from becoming effective.

26.5 Should the subletting of the Leased Premises be approved by Lessor, however, Lessee agrees and acknowledges that it shall remain fully and primarily liable under this Lease

Agreement, notwithstanding any such sublease and that any such sublessee shall be required to attorn to Lessor hereunder.

26.6 The receipt by the Lessor of rent from an assignee, subtenant or occupant of the Leased Premises shall not be deemed a waiver of the covenant in this Lease Agreement against assignment and subletting or an acceptance of the assignee, subtenant or occupant as a tenant or a release of the Lessee from further observance or performance by Lessee of the covenants contained in this Lease Agreement. No provision of this Lease Agreement shall be deemed to have been waived by the Lessor, unless such waiver be in writing, signed by the Aviation Director.

ARTICLE 27. DAMAGE OR DESTRUCTION OF LEASED PREMISES

27.1 In the event any structure, Improvements, and/or betterments on the Leased Premises are destroyed or damaged to the extent that they are unusable, Lessee shall have the election of repairing or reconstructing structure, Improvements, and/or betterments substantially as they were immediately prior to such casualty, or in a new or modified design, or not to construct the Improvements. Lessee shall give the Director written notice of its election within sixty (60) days after the occurrence of such casualty. If the entirety or substantially all of the structure, Improvements, and/or betterments are damaged or destroyed and Lessee elects not to repair or reconstruct the damaged or destroyed structure, Improvements, and/or betterments within the sixty (60) day election period, the Director may terminate this Lease by written notice to Lessee given within sixty (60) days following expiration of Lessee's election period, whereupon (i) this Lease shall terminate and Lessee shall abandon the Leased Premises and (ii) the insurance proceeds covering the Improvements shall be paid to the owner of the structure, Improvements, and/or betterments as of the date of such damage or destruction (provided, however, Lessee shall have the right to retain there from its actual costs paid in making improvements to the damaged or destroyed Improvement). If such damage or destruction is to less than substantially all of the structure, Improvements, and/or betterments and Lessee elects not to repair or reconstruct the damaged or destroyed structure, Improvements, and/or betterments within the said 60-day period following such damage or destruction, then (i) this Lease shall be deemed modified (and the rentals hereunder adjusted) so as to terminate the Lease as to such structure, Improvements, and/or betterments, and (ii) the insurance proceeds covering the structure, Improvements, and/or betterments shall be paid to the owner of the structure, Improvements, and/or betterments as of the date of such damage or destruction (provided, however, Lessee shall have the right to retain there from its actual costs paid in making improvements to the damaged or destroyed structure, Improvements, and/or betterments). In the event of damage or destruction to any of the structure, Improvements, and/or betterments upon the Leased Premises, the City shall have no obligation to repair or rebuild the structure, Improvements, and/or betterments or any fixtures, equipment or other personal property installed by Lessee on the Leased Premises.

27.2 If Lessee elects to repair or reconstruct the structure, Improvements, and/or betterments, Lessee shall use its insurance proceeds from the policy covering the destroyed structure, Improvements, and/or betterments. If the insurance proceeds are not sufficient, Lessee agrees to pay the deficiency. If Lessee elects to repair or reconstruct, Lessee shall, at its expense, replace and repair any and all fixtures, equipment and other personal property necessary to properly and adequately continue its authorized activities on the Leased Premises. In no event shall Lessee be obligated to provide equipment and fixtures in excess of those existing prior to the damage or

destruction. Lessee agrees that such work will be commenced and completed with due diligence.

27.3 Prior to any repair or reconstruction described above, Lessee shall submit plans and specifications to the Director for his written approval; such consent shall not be unreasonably withheld, delayed or conditioned. Such repair or reconstruction shall be in accordance therewith. Any changes must be approved in writing by the Director.

ARTICLE 28. LAWS AND ORDINANCES

Lessee agrees to comply promptly with all laws, ordinances, orders, rules and regulations affecting the Leased Premises, including, but not limited to, those related to its cleanliness, safety, operation, use, and business operations. Lessee shall comply with all Federal and State regulations concerning its operation on the Airport and shall indemnify and hold harmless Lessor, its officers and employees, from any charges, fines or penalties that may be assessed or levied by any department or agency of the United States or the State of Texas, by reason of Lessee's failure to comply with the terms of this Article or with any other terms set forth in this Lease Agreement.

ARTICLE 29. TAXES AND LICENSES

Lessee shall, at its sole cost and expense, pay on or before their respective due dates, to the appropriate collecting authority, all Federal, State and local taxes and fees, which are now or may hereafter be levied upon the Lessee, Leased Premises, the business conducted thereon or upon any of Lessee's property used in connection therewith including, but not limited to, any possessory interest taxes. Lessee shall also maintain, in current status, all Federal, State, and local licenses and permits required for the operation of its business.

ARTICLE 30. NONDISCRIMINATION & AFFIRMATIVE ACTION REGULATIONS

30.01 Any discrimination by Lessee, its sublessees, agents or employees, based on race, color, religion, sex, sexual orientation, gender identity, veteran status, age or national origin in employment practices, use of or admission to the Leased Premises, is prohibited.

30.02 Lessee for itself, its heirs, representatives, successors and assigns, as a part of the consideration hereof, does hereby covenant and agree, as a covenant running with the land, that in the event facilities are constructed, maintained or otherwise operated on the Leased Premises, for a purpose for which a DOT program or activity is extended or for another purpose involving the provision of similar services or benefits, Lessee shall maintain and operate such facilities and services in compliance with all other requirements imposed pursuant to 49 CFR Part 21, Nondiscrimination in Federally Assisted Programs of the Department of Transportation, and as said Regulations may be amended.

30.03 Lessee for itself, its representatives, successors and assigns, as a part of the consideration hereof, does hereby covenant and agree, as a covenant running with the land, that: (1) no person, on the grounds of race, color, creed, sex, age, religion, national origin or handicap, shall be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination, in the use of said facilities; (2) that in the construction of any improvements on, over or under such land and the furnishing of services thereon, no person on the grounds of race, color, creed, sex, age, religion, national origin or handicap shall be excluded from participation, denied the benefits of, or otherwise be subjected to discrimination;

and (3) that Lessee shall use the Leased Premises in compliance with all other requirements imposed by or pursuant to 49 CFR Part 21, Nondiscrimination in Federally Assisted Programs of the Department of Transportation, and as said Regulations may be amended.

30.04 Lessee agrees that it will comply with applicable statutes, Executive Orders and such rules as are promulgated by applicable state, federal or municipal agencies to assure that no person shall be excluded from participating in any activity conducted with or benefiting from Federal assistance on the basis of race, creed, color, national origin, sex age, or handicap. Lessee, its successors and assigns, shall be obligated to comply with the provisions of this Section 30.04 for the period during which Federal assistance is extended to the Airport, except where Federal assistance is to provide, or is in the form of personal property or real property or interest therein or structures of improvements thereon. In these cases, this Section 30.04 shall apply to Lessee, its successors and assigns, through the later of: (a) the period during which such property is used by Lessor, its successors and assigns for a purpose for which Federal assistance is extended, or for another purpose involving the provision of similar services or benefits; or (b) the period during which Lessor, its successors or assigns, retains ownership or possession of the Leased Premises.

ARTICLE 31. WAGES

Lessee shall pay at least the minimum wage, as required by Federal and State statutes and City ordinances, to employees of its operations hereunder.

ARTICLE 32. FORCE MAJEURE

If either party shall be delayed or prevented from the performance of any act required hereunder by reason of acts of God, strikes, lockouts, labor troubles, war, terrorism, inability to procure materials, restrictive governmental laws or regulations or other cause, without fault and beyond the control of the party obligated (the financial inability of the party excepted), performance of such act shall be extended by a period equal to the period of such delay; provided, however, that nothing in this paragraph shall excuse Lessee from the prompt payment of any rental except as may be expressly provided otherwise in this Lease; and further provided that the party relying on this paragraph shall provide written notice to the other party notifying such other party of the force majeure event promptly after such force majeure event, and shall proceed with all diligence to complete the performance of the act upon the cessation of the force majeure event.

ARTICLE 33. ATTORNEYS' FEES

In the event that either party brings an action under this Lease Agreement, the prevailing party shall be entitled to recover from the other party its reasonable attorneys' fees, not to exceed the actual amount of attorneys' fees incurred in the defense or prosecution thereof.

ARTICLE 34. SEVERABILITY

If any clause or provision of this Lease Agreement is illegal, invalid or unenforceable under present or future laws, it is the parties' intention that the remainder hereof not be affected. In lieu of each clause or provision that is illegal, invalid or unenforceable, the parties intend that there be added, as a part of this Lease Agreement, a clause or provision, as similar in terms to such illegal, invalid or unenforceable clause or provision, as may be possible, yet be legal, valid and enforceable.

ARTICLE 35. AMENDMENT

This Lease Agreement, together with its authorizing ordinance, constitutes the entire agreement between the parties. No amendment, modification or alteration of the terms of this Lease Agreement shall be binding, unless the same be in writing, dated subsequent to the date hereof, and duly executed by the parties hereto.

ARTICLE 36. NOTICES

Notices to Lessor shall be deemed sufficient if in writing and sent, registered or certified mail, postage prepaid, addressed to City Clerk, P. O. Box 839966, San Antonio, Texas 78283-3966 and to Aviation Director, City of San Antonio, Department of Aviation, 9800 Airport Boulevard, San Antonio, Texas 78216, and to such other address as may be designated, in writing, by the Aviation Director from time to time. Notices to Lessee shall be deemed sufficient if in writing and sent, registered or certified mail, postage prepaid, addressed to Lessee at the address shown herein. Either party to this Lease Agreement may change its address by giving notice of such change as herein provided.

ARTICLE 37. RELATIONSHIP OF PARTIES

Nothing contained herein shall be deemed or construed by the parties hereto, or by any third party, as creating the relationship of principal and agent, partners, joint venturers or any other similar such relationship, between the parties hereto. It is understood and agreed that neither the method of computation of rent, nor any other provision contained herein, nor any acts of the parties hereto, creates a relationship other than one of Lessor and Lessee.

ARTICLE 38. CUMULATIVE REMEDIES NO WAIVER - NO ORAL CHANGE

The specific remedies of the parties under this Lease Agreement are cumulative and do not exclude any other remedies to which they may be lawfully entitled, in the event of a breach or threatened breach hereof. The failure of either party ever to insist upon the strict performance of any covenant of this Lease Agreement, or to exercise any option herein contained, shall not be construed as its future waiver or relinquishment thereof. Lessor's receipt of a rent payment, with knowledge of the breach of any covenant hereof, shall not be deemed a waiver of such breach. Further, no waiver, change, modification or discharge by either party of any provision of this Lease Agreement shall be deemed to have been made or be effective, unless in writing and signed by the party to be charged. In addition to other remedies herein, the parties shall be entitled to an injunction restraining the violation, or attempted violation, of any of the covenants, conditions or provisions hereof, or to a decree compelling performance of same; subject, however, to other provisions herein.

ARTICLE 39. CONFLICT OF INTEREST

Lessee acknowledges that it is informed that the Charter of the City of San Antonio and its Ethics Code prohibit a City officer or employee, as those terms are defined in Section 2-52 of the Ethics Code, from having a financial interest in any contract with the City or any City agency such as city owned utilities. An officer or employee has a "prohibited financial interest" in a contract with the City or in the sale to the City of land, materials, supplies or service, if any of the

following individual(s) or entities is a party to the contract or sale: a City officer or employee; his parent, child or spouse; a business entity in which the officer or employee, or his parent, child or spouse owns ten (10) percent or more of the voting stock or shares of the business entity, or ten (10) percent or more of the fair market value of the business entity; a business entity in which any individual or entity above listed is a subcontractor on a City contract, a partner or a parent or subsidiary business entity.

Pursuant to the subsection above, Lessee warrants and certifies, and this contract is made in reliance thereon, that it, its officers, employees and agents are neither officers nor employees of the City. Lessee further warrants and certifies that it has tendered to the City a Discretionary Contracts Disclosure Statement in compliance with the City's Ethics Code.

ARTICLE 40. GENERAL PROVISIONS

40.1 Incorporation of Exhibits. All exhibits referred to in this Lease Agreement are intended to be and hereby are specifically made a part of this Lease Agreement.

40.2 Incorporation of Required Provisions. Lessor and Lessee incorporate herein by this reference all provisions lawfully required to be contained herein by any governmental body or agency.

40.3 Nonexclusive Rights. It is understood and agreed that nothing herein contained shall be construed to grant to Lessee any exclusive right or privilege within the meaning of Section 308 of the Federal Aviation Act for the conduct of any activity on the Airport, except that, subject to the terms and provisions hereof, Lessee shall have the right to exclusive possession of the Leased Premises.

40.4 Removal of Disabled Aircraft. Lessee shall promptly remove any disabled aircraft that is in the care, custody, or control of Lessee from any part of the Airport (other than the Leased Premises) (including, without limitation, runways, taxiways, aprons, and gate positions) and place any such disabled aircraft in such storage areas as may be designated by the Aviation Director. Except as to aircraft subject to bailment and/or for which Lessee is owed money from a customer, Lessee may store such disabled aircraft only for such length of time and on such terms and conditions as may be established by Lessor. If Lessee fails to remove any of disabled aircraft promptly, the Aviation Director may, but shall not be obligated to, cause the removal of such disabled aircraft, provided, however, the obligation to remove or store such disabled aircraft shall not be inconsistent with federal laws and regulations and Lessee agrees to reimburse Lessor for all costs of such removal, and Lessee further hereby releases Lessor from any and all claims for damage to the disabled aircraft or otherwise arising from or in any way connected with such removal by Lessor unless caused by the negligence or recklessness of Lessor.

40.5 Airport Access License/Permit. Lessor reserves the right to establish a licensing or permit procedure for vehicles requiring access to the Airport operational areas and to levy directly against Lessee or its suppliers a reasonable regulatory or administrative charge (to recover the cost of any such program) for issuance of such Airport access license or permit.

40.6 Compliance with Part 77, Title 14, CFR. Lessee agrees to comply with the notification and review requirements covered in Part 77, Title 14, Code of Federal Regulations, FAA

Regulations, in the event future construction of a building is planned for the Leased Premises, or in the event of any planned modification or alteration of any present or future building or structure situated on the Leased Premises.

40.7 Reservations re: Airspace and Noise There is hereby reserved to Lessor, its successors, and assigns, for the use and benefit of the public, a right of flight for the passage of aircraft in the airspace above the surface of the Leased Premises.

40.8 Inspection of Books and Records. Each party hereto, at its expense and on reasonable notice, shall have the right from time to time to inspect and copy the books, records, and other data of the other party relating to the provisions and requirements hereof, provided such inspection is made during regular business hours and such is not prohibited by the U.S. Government.

40.9 Independent Contractor. Lessee is not an employee or agent of City by reason of this Lease Agreement, or otherwise. Lessee shall be solely responsible for its acts and omissions arising from or relating to its operations or activities at Airport, or lease of property herein.

40.10 Authority of Agreement. Lessee warrants and represents that it has the right, power, and legal capacity to enter into, and perform its obligations under this Lease Agreement, and no approvals or consents of any persons are necessary in connection with it. Lessor warrants and represents that it has the right, power, and legal capacity to enter into, and perform its obligations under this Lease Agreement, and has obtained approval of the City of San Antonio City Council ("City Council") in connection with it. The execution, delivery, and performance of this Lease Agreement by the undersigned Lessee representatives have been duly authorized by all necessary corporate action of Lessee, and this Lease Agreement will constitute a legal, valid, and binding obligation of Lessee, enforceable in accordance with its terms. The execution, delivery, and performance of this Lease Agreement by the undersigned Lessor representatives have been duly authorized by all necessary City Council action of Lessor, and this Lease Agreement will constitute a legal, valid, and binding obligation of Lessor, enforceable in accordance with its terms.

40.11 Authority of the Aviation Director. The Aviation Director shall administer this Lease Agreement on behalf of Lessor. Whenever this Lease Agreement calls for approval by Lessor, such approval shall be evidenced, in writing, by either the Aviation Director or the City Manager of the City of San Antonio or his designee. In no event shall this language be considered a waiver by Lessee to object to decisions by the Aviation Director which it considers to be arbitrary, capricious or inconsistent with any express obligations to act reasonably set forth herein.

40.12 Consent. Whenever the consent or approval of either party hereto is required or authorized hereunder, such consent or approval shall not be unreasonably withheld, unreasonably conditioned, or unreasonably delayed.

40.13 Net Agreement. It is the intent and purpose of the City and Lessee that all rental payable by Lessee herein shall be absolutely net to the City so that this Lease Agreement shall yield to City the entire rent specified, in each year of this Lease Agreement, free of any charges, assessments, impositions or deductions of any kind or character which may be charged, assessed, or imposed on or against Lessee or the Leased Premises, without abatement, deduction or set-off by Lessee.

40.14 Noise Control. Lessee, for itself and each of its officers, representatives, agents, employees, guests, patrons, contractors, subcontractors, licensees, subtenants, invitees, or suppliers shall not conduct any operation or activity on the Leased Premises, or elsewhere at Airport, in which the sound emitting therefrom is of such volume, frequency or intensity at such time as to constitute a nuisance. The Aviation Director shall have the sole and exclusive authority to determine what constitutes a nuisance under the provisions of this Lease Agreement except that operations and activities having noise levels not in violation of federal, State, or local governmental standards shall not be deemed a nuisance.

40.15 Time is of the Essence. Time shall be of the essence in complying with the terms, conditions and provisions of this Lease Agreement.

40.16 Vehicular and Equipment Parking. Vehicular and equipment parking in areas other than the Leased Premises by Lessee, its officers, representatives, agents, employees, guests, patrons, volunteers, contractors, subcontractors, licensees, suppliers or other invitees shall be restricted to such areas at Airport as are designated by the Airport Director.

40.17 Notices. Unless otherwise expressly provided elsewhere in this Agreement, any election, notice or communication required or permitted to be given under this Agreement shall be in writing and deemed to have been duly given if and when delivered personally (with receipt acknowledged), or on receipt after mailing the same by certified mail, return receipt request with proper postage prepaid, or three (3) days after mailing the same by first class U.S. mail, postage prepaid (in accordance with the "Mailbox Rule"), or when sent by a national commercial courier service (such as Federal Express or DHL Worldwide Express) for expedited delivery to be confirmed in writing by such courier.
