RESPONDENT NAME: **MGB Group, Inc.**

SOLICITATION API: **Minority / Women-Owned Business Enterprise (M/WBE) Subcontracting Program AND African American Business Enterprise (AABE) Subcontracting Program**

API REQUIREMENTS: Respondents must demonstrate commitment to satisfy a **eighteen percent (18%) M/WBE subcontracting goal**. Moreover, **one percent (1%)** out of the eighteen (18%) subcontracting goal is to be subcontracted to **AABE firms**. Segmented AABE goals target the participation of AABEs within select industries (Construction, Professional Services & Other Services) as identified by the availability in the Central Vendor Registry. Participation by AABE subcontractors automatically counts toward the M/WBE subcontracting goal. Pursuant to the SBEDA Ordinance, M/WBEs and AABEs must also be certified as SBEs with the South Central Texas Regional Certification Agency (SCTRCA) and be headquartered or have a Significant Business Presence in the San Antonio Metropolitan Statistical Area to satisfy the above-stated goals.

Self-performance by M/WBE and/or AABE prime respondents does not count towards these subcontracting goals. Commitment to meet subcontracting requirements must be demonstrated by writing the **company name, SAePS vendor number of each subcontractor/supplier, dollar value or percentage of participation on the contract, and type of work to be performed****.

In the absence of a waiver granted by the Small Business Office, failure of a Respondent to commit to satisfying the M/WBE and AABE subcontracting goals shall render its response NON-RESPONSIVE. For further clarification, please contact Leticia Callanen at (210) 207-3996.

Respondent/Vendor Subcontracting Waiver Request Form

COMPANY MUST SUBMIT THIS FORM WITH ITS SOLICITATION RESPONSE.

COMPANY NAME:	MGB Group, Inc.	DATE:	2/24/2014
CONTACT PERSON:	Marcela Licon	CONTACT PHONE #:	210-464-3290
CONTACT EMAIL ADDRESS:	marlicon@constructionmgb.com		
SOLICITATION NAME:	Nani Falcone Park and French Creek Park Improvements 40-00376		

1. Describe the rationale for your request for a waiver to the subcontracting goals applied to this solicitation.

Despite our Good Effort to utilize SBE certified firms, we were unable to fulfill the minority goals set forth by the City of San Antonio. We contacted the companies given to us in a list provided by the City of San Antonio but there was no response.

2. List all SBE/AABE/ABE/HABE/NABE/WBE listings or directories utilized to solicit participation for this solicitation.

South Central Texas Regional Certification Database, COSA Vendors database; Minority Contractors Association-San Antonio; Greater San Antonio Black Contractors Association, Minority Chambers of Commerce-San Antonio; Alamo City Chamber of Commerce, The San Antonio Hispanic Chamber of Commerce. Please see attached list, which includes the e-mail sample and the log and phone numbers.

3. List all contractor associations and other associations solicited for SBE/AABE/ABE/HABE/NABE/WBE referrals.

South Central Texas Regional Certification Database, sablackcontractors@sbcglobal.net and Virtual Builders Exchange, LLC, Associated General Contractors (AGC) of San Antonio

4. Indicate advertisement mediums used for soliciting bids from all SBE/AABE/ABE/HABE/NABE/WBEs.

Virtual Builders Exchange, LLC.

5. List all other efforts aimed at utilizing SBE/AABE/ABE/HABE/NABE/WBE firms.

We looked at the South Central Texas Regional Certification Database and called firms that were SBE certified to see if they would submit a price for this proposal. Unfortunately, none of them responded. We also sent e-mails and follow up calls with subcontractors who we have worked with in the past. Some of them were able to submit a price. We sent bid notifications through our internal cloud-based system called Procore; a total of 57 bid invitations. Because this was a rebid, many subcontractors did not want on this project and opted to bid for another park project that was due on the same day and time (Golden Canyon Park Improvements). We even personally met with some AABE firms (particularly EEH Electric) to discuss future partnerships. However, this bid did not require any electrical work.

6. List all companies from which you requested bids.

[illegible]

SBE, M/WBE, AABE, NABE, ABE, ESBE, EMWBE, HABE and HUBZone*

Please see attached

Marcela Licon 210-464-3290
Angela Erickson 915-202-3869

We can alternatively recommend 12% SBE and 19% that is WBE and DBE certified but not SBE certified.

1.	Virtual Builders Exchange, LLC
2.	E-mail sent to minority firms including the Invitation to Bid advertisement
3.	Procure List and example of Procure invitation sent to all of the subcontractors
4.	SMWBE Resource List for San Antonio and list of AABE firms in San Antonio
5.	Excel call log notes

I CERTIFY THAT ALL INFORMATION CONTAINED IN THIS FORM IS ACCURATE AND COMPLETE, AND UNDERSTAND THAT IF THIS REQUEST FOR WAIVER IS DENIED AND I FAIL TO MEET THE REQUIREMENTS OF THIS SOLICITATION, MY RESPONSE TO THIS SOLICITATION WILL BE DEEMED **NON-RESPONSIVE**.

POLICY STATEMENT

It is the policy of MGB Group, Inc. to form business alliances with Small Minority Women-Owned Business Enterprises (Small M/WBE) that result in successful opportunities for certain categories of products and services. This policy is designed to involve the largest possible audience to participate in MGB Group's Small M/WBE Program. It will also provide equal opportunities to compete for contracts on services requested by MGB Group.

This policy is designed for MGB Group to include Small M/WBEs in Requests for Quote (RFQ) and Requests for Proposal (RFP) when appropriate, depending on the category and scope of the initiative. MGB Group will develop a continuing source library of Small M/WBEs. The Small M/WBEs must demonstrate that they can be competitive in all applicable areas for consideration of award. Small M/WBEs will have equal opportunities to compete for contracts for products and services requested by MGB Group.

MGB Group goal is 20% for the construction related portion of our services. MGB Group will exercise a good faith effort regarding M/WBE inclusion within the scope of consumables, materials and services. In order to reach the goals set by MGB Group for the utilization of Small M/WBE firms, MGB Group will strive to achieve the following objectives:

- Establish a philosophy and method to develop, maintain, and enhance Small M/WBE involvement in the contracting process (we should incorporate sensitivity to Small M/WBE inclusion in the RFQ and RFP processes; ensure that we have tried to identify Small M/WBEs for specific participation).
- Ensure that certified and qualified Small M/WBE firms are offered fair-share advantages to compete for opportunities district-wide (we should be able to document that use and participation of M/WBEs are integral to our purchasing processes . . . whether contract is awarded or otherwise); we will ensure they have the opportunity to compete; the Director of Purchasing will be responsible for ensuring a Small M/WBE focus is built into the procurement process and handled with appropriate discipline and audited frequently to ensure we are executing as we say we will.
- Provide Small M/WBE firms' Contractors and Subcontractors with prerequisites for bidding on all contracts procured by MGB Group, and offer instructions on the steps necessary to prepare and complete.
- Provide information for each contract on job performance requirements, procurement opportunities, bid awards, and Small M/WBE opportunities.
- Encourage all companies that bid for MGB Group contracts to form alliances with Small M/WBE firms and major organizations to create greater opportunities for successful and profitable business relationships.
- Keep Small M/WBE firms informed of current and upcoming bid opportunities through various media outlets such as MGB Group's newsletter, chambers of commerce postings, minority newspapers, and other sources that have direct contact with minority and small-business communities.

MGB Group is committed to offering equal opportunities for Small M/WBE firms to provide commercially useful goods and services that are not contractually bound by MGB Group and/or its national purchasing organization. However, M/WBEs have a responsibility to access MGB Group methods of communicating business opportunities.
