Annual Contract for Decorative Metal Recycling & Dual Metal Trash Receptacles 6100005447 GG

Brief Description of Item(s) and Use:

This contract will provide for the purchase and delivery of decorative metal recycling and dual metal trash receptacles for the Parks & Recreation Department. These receptacles will be utilized in various parks throughout the city to support the control of litter. Metal recycling and dual trash and recycling receptacles will be installed within downtown parks. Installation of receptacles will be provided through another annual contract vendor or in-house staff. The recyclable receptacles will be installed next to trash receptacles to prevent cross contamination in the recycling units.
